

1. Morehall Academy is currently working on the basis of a total roll limit of 210 pupils and no more than 30 pupils per class. The published admission number (PAN) is 210.

Before the application of oversubscription criteria, children with a statement of special education need or Education, Health and Care Plan which names the school will be admitted. As a result of this, the published admissions number will be reduced accordingly.

Where an offer has been made for Year R, the school will provide for the admission of all children in the September following their fourth birthday. Parents can choose to defer the date their child is admitted to the school until later in the school year, but not beyond the start of the term after their child reaches compulsory school age and not beyond the beginning of the final term of the school year. Where parents wish, children may attend part-time until later in the school year, but not beyond the start of the term after their child reaches compulsory school age.

2. In the event of oversubscription, pupil applications will be prioritised as follows:
 - Children of teaching staff employed in the academy for two or more years or where there is a demonstrable skill shortage;
 - Children with siblings at the academy;
 - Remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined on the basis of straight line distance from the home to the school, those living nearest having highest priority. Distances are measured from the Ordnance Survey/ Post Office address point of the school to the address point of the home.

3. All prospective parents/carers and pupils are welcome to visit the academy by appointment. The academy office should be contacted to make arrangements.
4. All parents/carers have the right to appeal. Further detailed information is available from the academy office and on our website.

We maintain waiting lists for all 'full' year groups.

In Year Admissions

Admissions for all other year groups will be dealt with in accordance with this policy.

Tie Breaker

In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.
