LOCATION:

The site is located in a prominent position in an established residential area. The site is on a bus route and hence there is ready access to Ashford Town Centre, with its mainline / international stations. Local facilities include a Health Centre, a Youth Centre and large areas of open space with playground facilities.

The Channel Tunnel / national motorway network is similarly within easy reach.

DESCRIPTION:

The site originally formed part of a larger site, formerly used as a Social Education Centre, which has since been demolished and part of the site developed for an Extra Care Supported Housing Scheme.

The balance of the site, as edged red on the site plan included within these agency details, extends to approximately 1.02 acres (0.41 ha) and is now available for development subject to the necessary planning consents.

The purchaser will be responsible for all necessary works to prepare the site for redevelopment.

ACCOMMODATION:

1.02 acres (0.41 hectares) development site.

TERMS:

The site is to be sold in its existing state with vacant possession. Expressions of Interest are invited from interested parties for a purchase of the freehold of the site. Such Expressions of Interest are to indicate the basis of that interest and the nature of the intended development. All options will be considered ranging from early outright sale to a subject to planning disposal. From the interest received, interested parties will be invited to submit formal offers for the site.

PRICE

Expressions of Interest are sought for the freehold. The site is to be offered by way of informal tender on a date to be advised.

LEGAL COSTS:

Each party to be responsible for their own legal and other costs associated with the transaction.

PLANNING & BUILDING REGULATIONS:

The site is considered to be appropriate for residential development, subject to the necessary consents, given its location and the consent given for the adjoining Supported Housing Development. We understand that, as yet, no formal application has been made to Ashford Borough Council in this regard.

A preliminary indicative scheme has been prepared for information purposes only, which is available to interested parties. This illustrates two potential options for 16 and 24 apartments respectively, dependent upon the height of the permitted development for the site.

The indicative scheme is for information purposes and it is the responsibility of the purchaser to satisfy themselves as to the future potential of the site to accommodate their intended development in putting forward any offer.

BUSINESS RATES:

Not applicable - development site.

EPC

An EPC is not required as the property is being sold for redevelopment.

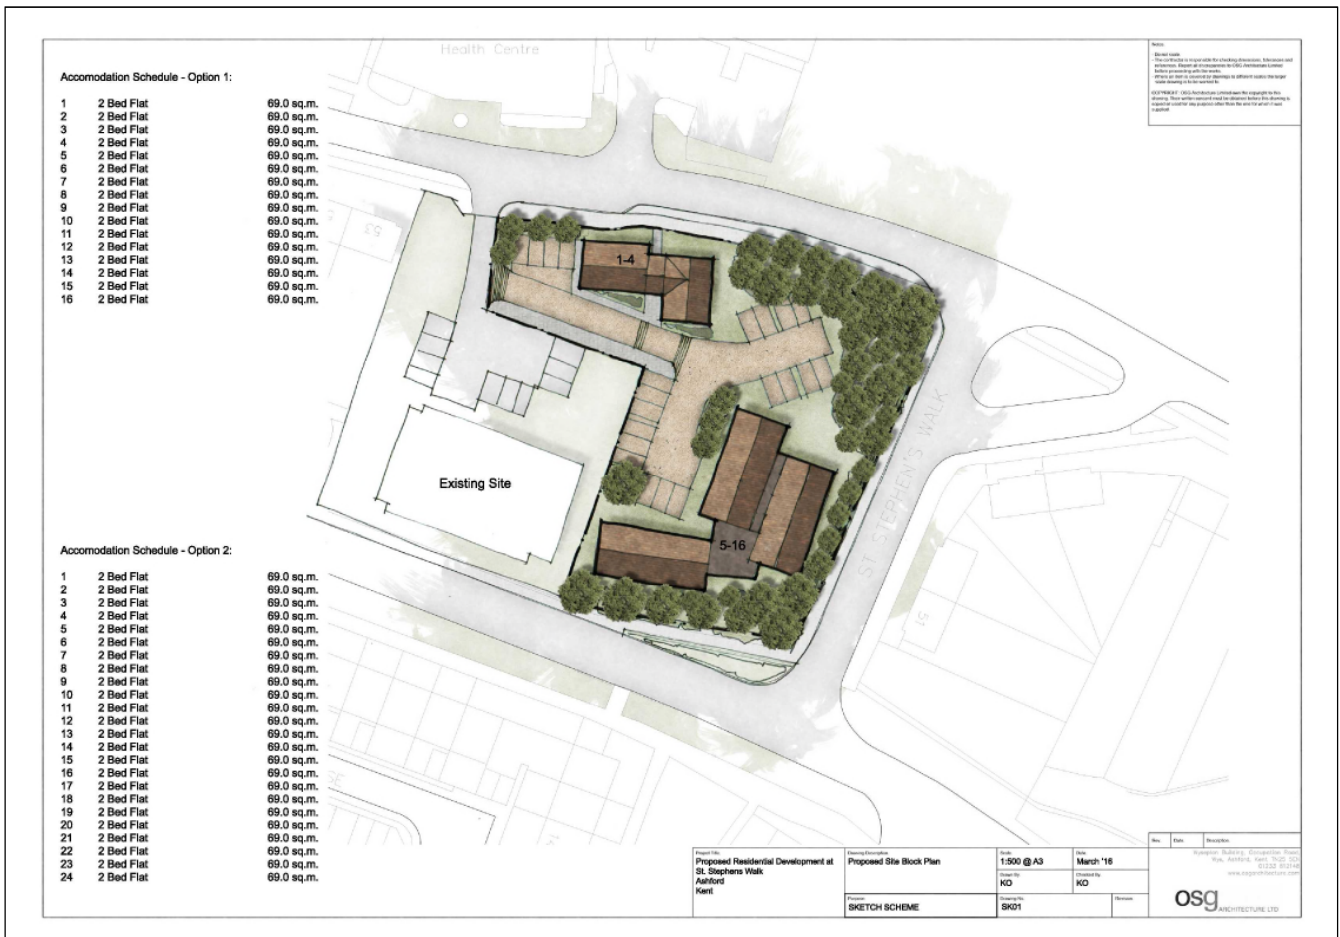

VIEWING:

Inspection is strictly by appointment with the Sole Agent Harrisons. The site can be viewed from the public highway but under no circumstances should prospective purchasers trespass onto the site.
