

Your guide to applying for a

Primary School in Kent 2016

Reception Year

for children born
between 1 September
2011 and 31 August 2012

Year 3 (Junior School)

for children born
between 1 September
2008 and 31 August 2009

Apply online the simple fast and secure way
kent.gov.uk/ola

Contacts

The Admissions and Transport Office is based at: Sessions House, County Hall, Maidstone, Kent ME14 1XQ

The telephone number for **Kent County Council's Contact Centre: 03000 41 21 21**, and they can put you through to the Primary Admissions Team or the Transport Team.

You can e-mail the Admissions Team on: ***primaryadmissions@kent.gov.uk***

Please note: Reception and Junior Common Application Forms will not normally be accepted if faxed to Kent County Council.

Admission for Children with Statements of Special Educational Needs

The admissions arrangements for children with Statements of Special Educational Needs or Education, Health and Care Plans are the responsibility of Kent County Council. For advice on the arrangements to admit your child into school, you should contact your local SEN Officer through your local Additional Educational Needs and Resources offices which are listed below:

Districts of Canterbury, Thanet and Swale

East Kent SEN Team, Brook House, Reeves Way, John Wilson Business Park, Chestfield, Whitstable, Kent CT5 3SS

Telephone: **03000 421160** Email: ***SEN.resources-east@kent.gov.uk***

Districts of Ashford, Dover and Shepway,

South Kent SEN Team, Kroner House, Eurogate Business Park, Ashford, Kent TN24 8XU

Telephone: **03000 420889** Email: ***SENSouth@kent.gov.uk***

Districts of Dartford, Gravesham and Sevenoaks

North Kent SEN Team, Joynes House, 1 - 4 New Road, Gravesend, Kent DA11 0AT

Telephone: **03000 419345** Email: ***SENNorth@kent.gov.uk***

Districts of Maidstone, Tunbridge Wells, Tonbridge and Malling

West Kent SEN Team, Worrall House, 30 Kings Hill Avenue, Kings Hill, West Malling, Kent ME19 4AE

Telephone: **03000 420997** Email: ***SENWest@kent.gov.uk***

Online admissions

Apply online for a school place

Just go to Kent Online Admissions
kent.gov.uk/ola

A simple, fast, convenient process which opens at 9 am on 10 November 2015 and closes at midnight on 15 January 2016

Only one application per pupil will be accepted. If you apply online, do not complete a paper application as well. Keep your log on details safe and tell us your reference number whenever you need to contact us.

If you go to **kent.gov.uk/primaryadmissions** you will see the following:

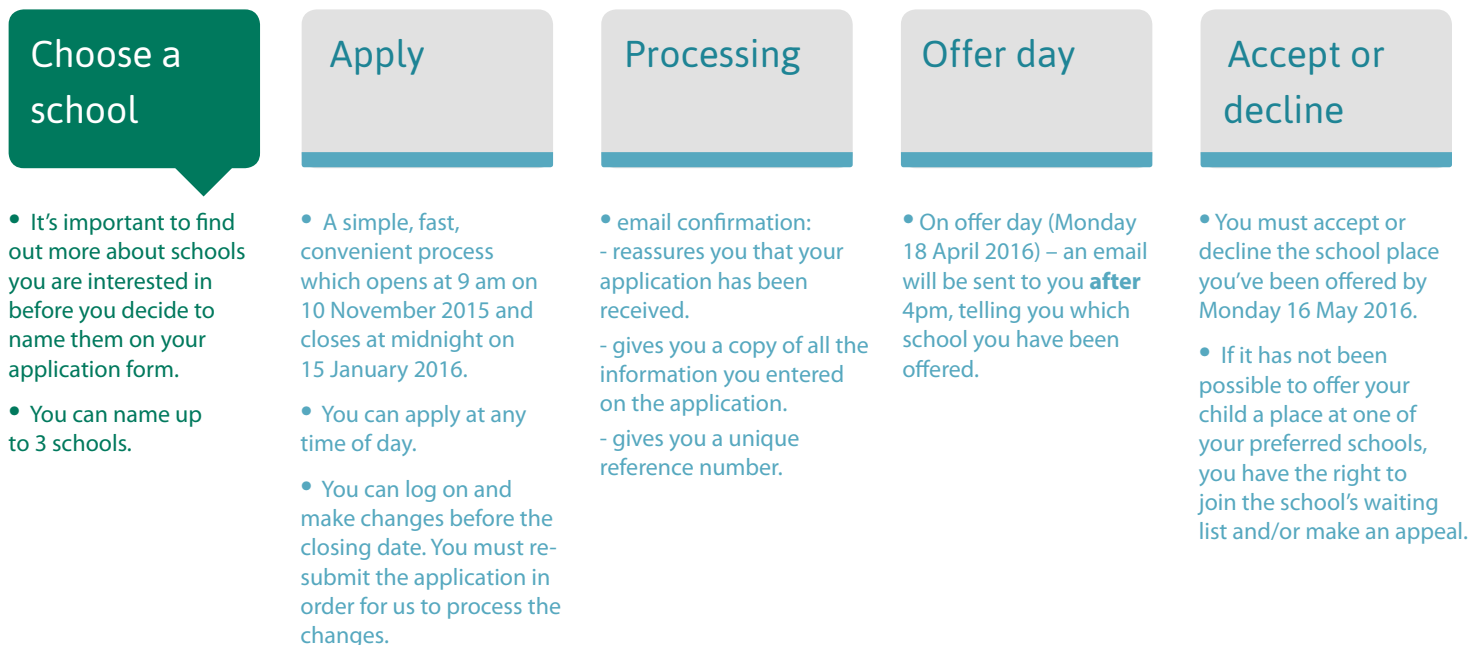

Primary school places

You must apply for a primary school place if:

- your child is due to start primary or infant school (reception year)
- your child is at infant school (year 2) and is due to start junior school (year 3)
- your child is at primary school (year 2) and you want your child to move to junior school at the start of year 3.

If your child is at infant school (year 2) and you want to apply for a year 3 place at a primary school (rather than a junior school) you must apply for an in year admission.

What to do

- Online support available – **telephone 03000 41 21 21** and ask for the Online Admissions Team or email **kentonlineadmissions@kent.gov.uk** (we will reply during office hours).
- Even if you do not have an email address, you can log on to view your school offer after 5pm on 18 April 2016 but you will need your username & password to access information.
- You can also apply by post. Pick up an application form by contacting Kent County Council's Contact Centre on 03000 41 21 21, from schools or by emailing primaryadmissions@kent.gov.uk. Once completed send to: The Primary Admissions Team, Room 2.20, Sessions House, County Hall, Maidstone, Kent ME14 1XQ.

31. If Your Child has a Disability	31
32. Additional Information	31

1. Introduction

This book has been produced to help you apply for a place for your child in a primary school. If you wish to know more about a particular school, you can visit the school's website, contact the school directly for a prospectus or make an appointment to visit

If you have any general questions about admissions that have not been answered in this booklet, please contact the Kent County Council Contact Centre on 03000 41 21 21 and ask to speak to a member of the Primary Admissions Team.

2. What is Primary Education?

Primary Education covers the age range 4 to 11 and includes the following types of school:

- Primary schools admit children aged from 4 to 11 years. The year groups are from Reception Year to Year 6
- Infant schools admit children aged from 4 to 6 years. The year groups are from Reception Year to Year 2. As Infant schools do not admit children for Year 3 and above, parents of children in Infant schools will need to apply for a Year 3 place at either a Junior or Primary school when their child reaches Year 2 – See section 12 for more details
- Junior schools admit children aged from 7 to 11 years. The year groups are from Year 3 to Year 6.

3. When can my child start school?

An academic year runs from September in one calendar year to August of the following calendar year. Children who are born between 1 September 2011 and 31 August 2012 will reach compulsory school age during the school year 2016 to 2017. Parents do not legally have to send their child to school until the term in which their child reaches compulsory school age – the term after their 5th birthday. However, to give as many children as possible at least eight terms in infant education, all schools must provide for the admission of all children from the September following their fourth birthday.

4. Will starting school affect my child's entitlement to free Early Years education?

All 3 and 4 year olds in England are entitled to 15 hours per week of free Early Years education each week for 38 weeks of the year and can be used at registered Day Nurseries, Nursery school, pre schools and childminders

If your child starts school on a part time basis and you would like to know if they will be entitled to receive/continue to receive any free entitlement for the remainder of the day, you should contact the Kent Children's Information Services on **03000 41 23 23** or email **kentcfis@kent.gov.uk** or visit the website **www.kent.gov.uk/cfis** for further information.

5. I want to educate my child at home

If you wish to educate your child at home and the child has not attended school, you do not have to inform Kent County Council but it is good practice to do so

If your child is attending school then you must put it in writing to the school that you wish to educate your child at home. Kent County Council has Elective Home Education Officers who will offer to visit you to give information and advice. They can be contacted on **educationathome@kent.gov.uk**

6. Who is responsible for admission arrangements to schools?

Every school in Kent has an admission authority which is responsible for its admission arrangements. The admissions arrangements contain details about how the applications to the school will be prioritised, or ranked. Kent County Council is responsible for the admission arrangements for all the Community and Voluntary Controlled schools in Kent. For Voluntary Aided, Foundation and Free schools, the school's governing body and for Academies, the Academy Trust is the admissions authority responsible for admission arrangements.

You can see what type of school each school is in the "Primary Schools in Kent" section.

Although some schools set their own admissions arrangements, Kent County Council coordinates the admission process of all primary schools in the County. This means that instead of applying separately to different schools, parents apply to Kent County Council naming up to three school preferences.

7. How many school places are available?

All admission authorities have to plan for the number of children they admit to their schools very carefully. The intake number noted on each school entry in the "Primary Schools in Kent" section will show you the highest number of children that the school can admit in each year group. However, since September 2001 the law has said that an infant class (Reception, Year 1 and Year 2) cannot have more than 30 children with one qualified teacher in a classroom. The teacher must be a fully qualified teacher and not a teaching assistant; schools cannot therefore admit above 30 children per class. The intake numbers are reviewed each year to ensure that there are sufficient places available in schools in each area of Kent for the number of children expected to apply for places.

8. What are my chances of getting a place at the school I want?

You will find the following information about last year's Offer Day at the end of each area section of "Primary Schools in Kent" for Community and Voluntary Controlled schools:

- the Published Admissions Number (PAN) or number of spaces available in reception for primary and infant schools and Year 3 for Junior schools
- the total number of applications that were received for each school last year (includes all 1st, 2nd and 3rd preferences)
- total number of offers and how many were offered under each criterion of the school's oversubscription criteria (excluding Health and Special Access Criterion)
- the distance that the lowest ranked child that was offered lived from the school in miles

- that Kent County Council is the admissions authority

You will find the following information for Voluntary Aided, Foundation, Free schools and Academies:

- the Published Admissions Number (PAN) or number of spaces available in reception for Primary and Infant Schools and Year 3 for Junior Schools
- the total number of applications that were received for each school last year (includes all 1st, 2nd and 3rd preferences)
- total number of offers made
- the distance that the lowest ranked child that was offered lived from the school in miles
- that the school is its own admissions authority.

As Aided, Foundation, Free schools and Academies can have more complex oversubscription criteria, please contact them directly if you wish to know how many offers were made under each of their criteria.

Please be aware, for Community and Voluntary Controlled schools, the distance of the last child offered (under the distance criterion) can change from year to year depending on the number of children that applied and where the children lived. Whilst you may live closer to the school than the distance given for the last child, it does not necessarily mean that your child would be offered a place this year.

Last year, 9 children were offered a place at a Community or Voluntary Controlled school having been prioritised under the Health and Special Access criterion. This criterion is in place to support children or parents with a significant demonstrable need to attend a particular school. It is exceptional for a particular school to be the only one that can meet the needs of the child and consequently, we do not publish the details for individual schools in this section. If you wish to know if one of your preferred schools has previously offered a place to a child under this criterion, they will be able to advise you directly.

For Voluntary Aided, Foundation, Free schools and Academies you must take into account the criterion under which your child will be ranked and speak to the school for further information regarding distances from the school. The lowest ranked child that is offered may live closer than a child that is ranked against a higher criterion, so this distance information is for reference only.

You can also ask the Headteacher at any school for information on how many siblings they think they may have coming to the school or any other information they feel would be useful. Whilst you may find this information helpful, the school may not have a complete picture of who will apply and it does not guarantee your child a place.

Some third party websites offer parents an indication of their chances of securing a school place. KCC does not provide data to these websites and so parents should exercise caution when making decisions based on the information they provide.

9. What happened for admissions in September 2015

In September 2015 there were 321 more reception aged children requesting places across Kent than there were in 2014. Of the 17,415 Kent applications that were received by Kent County Council, over 96% of applications were made using the online system.

For admission to Reception Year, 95.8% of Kent pupils got a place at one of the schools named as a preference with 85.8% getting an offer of a place at their first preference school.

For admission to Year 3 (Junior school), 99% of pupils got a place at one of the schools named as a preference with 96.8% of pupils getting an offer of a place at their first preference school.

10. To apply for your child to start at an Infant or Primary School in Reception

When you know which schools you are interested in, you need to apply either using the online process available at www.kent.gov.uk/ola or by completing a paper form called a Reception Common Application Form (RCAF). This form can be downloaded from www.kent.gov.uk/primaryadmissions or by contacting the Primary Admissions Team. You should complete the application by naming up to three schools; putting them in order of preference with the one you would like most as first.

Only one application can be accepted per child and this application can be made by either a parent or guardian with parental responsibility for the child. If more than one application is received for a child, parents/guardians will be contacted and asked to agree in writing which application

should be used. It is not the role of the Local Authority to decide which application to use where both parents retain parental responsibility for the child. Where agreement cannot be reached, both applications will be withdrawn and the child will not be offered a place on 18 April 2016. Where a Court proceeding is sought to decide which parent's application should be used, the Admissions Team will require a full copy of any Court Order before any application will be accepted. Parents should be mindful of key deadlines when taking this approach as no extensions will be granted for the delays this may cause.

Applications for Children in Care should be made by the assigned Social Worker of the Local Authority, who is the Corporate Parent.

Even if you already have an older child at the school, you MUST apply for a place for your younger child. You will not automatically receive a place because you already have a sibling there.

When schools rank the children, they will not know if you have named their school 1st, 2nd or 3rd, they will simply rank the child against their oversubscription criteria. Naming only one preference does NOT guarantee your child a place at that school or give your child priority for a place over another child, neither does naming a school more than once. If you name a school multiple times, the duplicates will be deleted from your form and you will have lost the opportunity of naming different preferences.

There is no requirement to name three preferences but failing to do so increases the likelihood of the local authority making an offer of a school some distance from your home where local schools have been filled with children that used their full range of preferences.

If you are using a paper application form, then this should be returned to Kent County Council at the address in the front of this book. It will not be possible to acknowledge receipt of your form unless you enclose a stamped addressed envelope or alternatively you can send the form to us by registered or recorded delivery.

If you are applying online for school places, you will have to register with the website and create a User ID and password. If you provide a valid email address, you will receive a registration email. This registration is not an application. Once registered, you can then make an application for school places either straight away or by

logging back in at a later time, provided it is before the closing date.

An application is only valid if it has been submitted. Once, you have submitted your application, if you have provided us with an email address, you will receive an email summarising the information you have entered on your application.

Kent County Council will not take any responsibility in checking the content of an application either paper based or via online. It is the parents' responsibility to ensure that:

- they are selecting the correct school for each preference
- the application states if the child will have a sibling in the school or a linked school in September 2016 and must provide the sibling's full name and date of birth
- they send any medical evidence to the relevant school if they want priority under health and special access reasons (if applicable)
- they complete and return any Supplementary Information Form to the relevant school (see below).

Online applications can be amended until the closing date. Please ensure that you re-submit the application so that the changes are transferred to us for processing. Any amendments submitted online after the closing date will be disregarded. Please contact the admissions team if your circumstances change after the closing date.

The closing date for applications is **Friday 15 January 2016.**

If you require any help or assistance in applying online, contact the Online Admissions Team on **03000 41 21 21** during office hours or email **kentonlineadmissions@kent.gov.uk**.

If any of the schools you have expressed a preference for is an Academy, Voluntary Aided, Foundation or Free School you may also be asked to complete another form called a Supplementary Information Form (SIF). This form is used by the schools to rank your child against their oversubscription criteria.

(SIF) The list of schools in this book will tell you which school needs to have a Supplementary Information Form completed by showing this symbol under the DfE number of the school. You should return this form to the school and not to Kent County Council.

The SIF be obtained from the school and its website or by going to the "Admission criteria 2016/17" section at www.kent.gov.uk/admissionscriteria if the school has provided us with a copy. The SIF is not the official Kent County Council application form and you must still complete an RCAF naming the school otherwise your child will not be considered for a place at that school.

Other Admissions Information

We understand from latest medical advice that children with cystic fibrosis should avoid direct contact and not share classrooms or communal areas, due to the increased risk of cross infection from one child with cystic fibrosis to another cystic fibrosis child. Consequently prospective parents of children with cystic fibrosis are advised to discuss this with their preferred schools. Smaller schools may find it difficult to provide the segregation that is required and may therefore adopt a policy of having only one child with cystic fibrosis on roll, or in close years, in order to ensure adequate separation is maintained. For further advice, in the first instance please contact your local Cystic Fibrosis Nurse Specialist or Team.

11. To apply for your child to start at a Junior School in Year 3

When you know which schools you are interested in you need to apply either using the online process available at www.kent.gov.uk/ola or by completing a paper form called a Junior Common Application Form (JCAF). This form can be downloaded from www.kent.gov.uk/primaryadmissions or by contacting the Primary Admissions Team. You should complete the application by naming up to three Junior schools; putting them in order of preference with the one you would like most as first.

Only one application can be accepted per child and this application can be made by either a parent or guardian with parental responsibility for the child. If more than one

application is received for a child, parents/guardians will be contacted and asked to agree in writing which application should be used. It is not the role of the Local Authority to decide which application to use where both parents retain parental responsibility for the child. Where agreement cannot be reached, both applications will be withdrawn and the child will not be offered a place on 18 April 2016. Where a Court proceeding is sought to decide which parent's application should be used, the Admissions Team will require a full copy of any Court Order before any application will be accepted. Parents should be mindful of key deadlines when taking this approach as no extensions will be granted for the delays this may cause.

Applications for Children in Care should be made by the assigned Social Worker of the Local Authority, who is the Corporate Parent.

Even if you already have an older child at the junior school or another child at the linked infant school, you MUST apply for a place for your younger child. You will not automatically receive a place because you already have a sibling there.

When schools rank the children, they will not know if you have named their school 1st, 2nd or 3rd, they will simply rank the child against their oversubscription criteria. Naming only one preference does NOT guarantee your child a place at that school or give your child priority for a place over another child, neither does naming a school more than once. If you name a school multiple times, the duplicates will be deleted from your form and you will have lost the opportunity of naming different preferences.

There is no requirement to name three preferences but failing to do so increases the likelihood of the local authority making an offer of a school some distance from your home where local schools have been filled with children that used their full range of preferences.

DO NOT name any Primary schools on your JCAF as the form is only used to apply for a Junior School. If you name a Primary school, this will be deleted from your form and you will have lost the opportunity of naming a preference. Please note that if your child already attends a Primary school and you wish to move your child to a Junior school, your application will be dealt with as with any other applicant, but we will not offer an alternative Junior school place if we cannot meet your preferences.

If you do not wish your child to go to a Junior school and would rather apply for a Year 3 place at a Primary school, you must download an In Year Casual Admissions Form at www.kent.gov.uk/primaryadmissions or contact your preferred school to request one. Children who attend Primary school do so from the age of 4, so any admission into Year 3 would be considered as outside the normal point of entry to the school. This reduces your chances of gaining a place at a Primary school, as the majority, if not all of the Year 3 places will be taken by the Year 2 classes progressing through the school.

A list of Kent Junior schools can be found on page 16 & 17. Junior schools are also listed at the back of each area section of 'Primary Schools in Kent'.

If you are using a paper application form, then this should be returned to Kent County Council at the address in the front of this book. It will not be possible to acknowledge receipt of your form unless you enclose a stamped addressed envelope or alternatively you can send the form to us by registered or recorded delivery.

If you are applying online for school places, you will have to register with the website and create a User ID and password. If you provide a valid email address, you will receive a registration email. This registration is not an application. Once registered, you can then make an application for school places either straight away or by logging back in at a later time, provided it is before the closing date.

An application is only valid if it has been submitted.

Once you have submitted your application, if you have provided us with an email address, you will receive an email summarising the information you have entered on your application.

Kent County Council will not take any responsibility in checking the content of an application either paper based or via online. It is the parents' responsibility to ensure that:

- they are selecting the correct Junior school for each preference
- the application states if the child will have a sibling in the school or the linked school in September 2016 and must provide the sibling's full name and date of birth
- they send any evidence to the relevant school if they want priority under health and special access reasons (if applicable)

- they complete and return any Supplementary Information Form to the relevant school (see below).

Online applications can be amended until the closing date. Please ensure that you re-submit the application so that the changes are transferred to us for processing. Any amendments submitted online after the closing date will be disregarded. Please contact the admissions team if your circumstances change after the closing date.

The closing date for applications is **Friday 15 January 2016**.

If you require any help or assistance in applying online, contact the Online Admissions Team on **03000 41 21 21** during office hours or email [**kentonlineadmissions@kent.gov.uk**](mailto:kentonlineadmissions@kent.gov.uk).

If any of the schools you have expressed a preference for is an Academy, Aided, Foundation or Free School you may also need to complete another form called a Supplementary Information Form (SIF). This form is used by the schools to rank your child against their oversubscription criteria.

(SIF) The list of schools in this book will tell you which school needs to have a SIF completed by showing this symbol under the DfE number of the school. You should return this form to the school and not to Kent County Council.

The SIF can be obtained from the school and its website or by going to the "Admission criteria 2016/17" section at www.kent.gov.uk/admissionscriteria if the school has provided us with a copy. The SIF is not the official Kent County Council application form and you must still complete a JCAF naming the school otherwise your child will not be considered for a place at that school.

Other Admissions Information

We understand from latest medical advice that children with cystic fibrosis should avoid direct contact and not share classrooms or communal areas, due to the increased risk of cross infection from one child with cystic fibrosis to another cystic fibrosis child. Consequently prospective parents of children with cystic fibrosis are advised to discuss this with their preferred schools. Smaller schools may find it difficult to provide the segregation that is required and may therefore adopt a policy of having only one child with cystic

fibrosis on roll, or in close years, in order to ensure adequate separation is maintained. For further advice, in the first instance please contact your local Cystic Fibrosis Nurse Specialist or Team.

12. I am applying for an Infant school. What happens when my child is due to transfer to Junior school?

To transfer between an Infant and Junior School (from Year 2 to Year 3), parents **MUST** complete an application for Junior transfer which will open in the November of their child's Year 2 school year. Parents can only apply for Junior schools, as Primary schools will fill their Year 3 places with their Year 2 pupils. If you do not apply through this process, then your child **WILL NOT** have a place at the Junior school in September 2016 as there is no automatic transfer between schools.

If the Infant school your child attends is linked to a Junior school and you do not wish your child to go there you can name other Junior schools when completing the Junior Common Application Form. (Information on linked school can be found on Page 16 & 17). Parents can express a preference for up to three Junior schools.

If you do not wish your child to go to a Junior school and would rather apply for a Year 3 place at a Primary school, you must contact the school and complete an In Year Casual Admissions Form or download one at [**www.kent.gov.uk/primaryadmissions**](http://www.kent.gov.uk/primaryadmissions).

13. What if I miss the closing date for applications?

Whilst the closing date for Kent County Council to receive applications is Friday 15 January 2016, late applications will be accepted and considered to be “on time” if they are late for a good reason and it is reasonably practicable to accept them. It will not be possible to submit these applications online, parents will need to complete a paper RCAF/JCAF. These late applications must be received no later than 5pm on **Friday 5 February 2016**.

Kent County Council will also be able to amend applications if asked to do so no later than **Friday 5 February 2016** with regard to house moves or changes of schools relating to house moves provided you have an exchange of contracts or a signed rental agreement for the new property. It will not be possible to submit these changes online. Parents should email kentonlineadmissions@kent.gov.uk with the details of their required amendment, ensuring that their application reference number is included if their application was submitted online. Unfortunately, **it will not** be possible to make any amendments beyond this date.

Applications received after **Friday 5 February 2016** but before **Monday 16 May 2016** will not receive a school offer on **Monday 18 April 2016**. Kent County Council will consider these late applications with applicants that have joined a school’s waiting list on the reallocation date of **Friday 17 June 2016**. If none of the schools you have expressed a preference for on a late application can be offered to you, Kent County Council will offer you an alternative school. We will also advise you on your right to appeal against this decision and ask if you wish to be placed on the school’s waiting lists. **After Friday 17 June 2016** you can request to go on any school’s waiting list and if places become available, schools will offer directly to parents. Kent County Council will not make any further offers.

Applications made after **Friday 17 June 2016** should be made directly to the school. These applications will be processed in a similar way to In Year applications (details on page 28). This should result in an offer without delay, where spaces are available.

Parents who have already received an offer of a school place from Kent County Council should apply using an In Year Common Application Form (IYCAF) available at www.kent.gov.uk/primaryadmissions.

Parents who are applying to Kent for the first time should use a Post Reallocation Common Application Form (PRCAF). These applicants should also provide a copy of their application to Kent County Council who will support and advise parents where this is needed.

These forms can be downloaded from www.kent.gov.uk/primaryadmissions or by contacting the Primary Admissions Team. Where parents are having difficulties in finding a school place, or require any support, please email kentinyearadmissions@kent.gov.uk or call **03000 41 21 21** and ask for the In Year Admissions Team.

Junior schools in Kent

Children attending linked Infant schools are given priority when applying for the Linked Junior School

Linked Schools

14. Help for Children with Additional/Special Educational Needs/Education, Health and Care Plan.

Education and Children's Social Services, together with Health work jointly to identify and support children with additional and special educational needs as early as possible. This means pupils may have been identified as having additional/special educational needs before they enter school.

My child has Additional/Special Educational Needs. How do I apply for primary school places?

In most cases you should apply for a primary school place using the process explained in this book. However if your child has a Statement of Special Educational Need or an Education Health & Care Plan (EHCP) or will have one by 15 January 2016, then you should be in contact with your local SEN Office (see inside front cover) as the process you will need to use for a primary school place is not as described in this book.

If your child is going through statutory assessment you should not assume a Statement or EHCP will be issued. You should therefore apply for a school place at primary school as described in this book. If you fail to do so and your child does not receive a Statement or EHCP you may not get a place later when you do apply for the school of your preference as all the places may be filled.

Do all primary schools provide support for children with Additional/Special Educational Needs?

Yes, schools provide a broad and balanced curriculum to enable most children with additional/special educational needs to be included in mainstream schools. You will find in every school's individual prospectus a statement on how the school supports pupils with additional and special educational needs.

What support will my child receive when starting school?

When you know where your child will be going to school you should discuss your child's needs with the Headteacher or SEN Officer. This will help the school determine how it can best support your child.

My child does not have additional/special educational needs, but does need extra help when at school. How do I get this for my child?

Many children require additional help in specific subject areas at some point in their school career, and these needs are identified through the monitoring of children's progress at school. If you have concerns about your child's needs, please discuss these with the school. In the same way, the school will discuss with you any concerns it has about your child's progress.

15. Applying for a place at a Free School

Free Schools are all-ability state-funded schools set up in response to what local people say they want and need in order to improve education for children in their community. You can find more about Free Schools on the DfE website, www.education.gov.uk.

Free schools currently open in Kent are:

Maidstone - The Tiger School and Jubilee Primary School

Thanet - Ramsgate Free School

Tunbridge Wells - The Wells Free School

Details of these schools can be found within the main list of schools and you would apply to these schools by naming them on your RCAF as one of your preferences.

A new Free School is expected to open in Tonbridge in September 2016 - Bishop Chavasse. The school will process their own applications for September 2016 intake. For further information please visit www.bishopchavasseschool.org.uk

16. How will places be offered?

The Primary Admission scheme is an Equal Preference Scheme, which means that all of the schools you express a preference for will consider your child for a place. The schools will not take into account whether you have placed them as a 1st, 2nd or 3rd preference as this information will not be given to them by Kent County Council. Every child who applies on time will be sent an offer of a school on **Monday 18 April 2016**.

You will be invited to name up to three Infant or Primary schools on a RCAF or three Junior schools on a JCAF putting the school that you would most like first. You do not receive a higher priority for a place at a school

because you have named it as your first or only preference or named it more than once.

In February, after data validation exercises have been completed, Kent County Council will send a list to each school detailing children who have applied for a place at their school. The list will contain the child's name, date of birth, their address, a parent's name, the straight-line distance (as provided by Kent County Council's measuring software) between the home and the school and any remarks or comments that the parents have placed on the form as to the reason why they wish to be considered for a place at that particular school.

The schools will rank all the children on their list against their school's oversubscription criteria. Oversubscription criteria are a set of rules which a school uses to place children into priority order, or rank, if it receives too many requests for the places that it has available. They will only take into account any reasons that parents may have provided if it has a bearing on where the child should be ranked on the list in line with the school's oversubscription criteria.

For Community and Voluntary Controlled schools, the admissions criteria are listed in the next section. As Academies, Voluntary Aided, Foundation and Free schools are their own admissions authority, their admissions criteria may be different from the Community and Voluntary Controlled schools. You can find the schools' criteria at www.kent.gov.uk/admissionscriteria in the Admissions criteria 2016/17 section or directly from the school in their prospectus. It is important to look carefully at these criteria as it will help you decide how likely it is that your child will get a place at the school you prefer.

The criteria for Community and Voluntary Controlled Schools are:

- Children in Local Authority Care or Previously in Local Authority Care
- Attendance at a linked school (only relevant to infant and junior schools where they are linked – See table on page 16 for details)
- Current Family Association (sibling)
- Health, Social and Special Access Reasons
- Nearness of Children's Homes to School

When ranking children, schools **WILL NOT TAKE** into account:

- How long your child's name has been registered at a school
- If your child attends a nursery class on the school site or if the nursery is affiliated with the school (unless this is a published aspect of a school's admission arrangements)
- If the nursery takes children into the school or classrooms for any social activities or the child knows the teachers through visiting the school
- If your child attends a playgroup or preschool nearby or on the school site
- Any previous association you or your extended family may have had with the school either by attending it or by participating with any of the school's activities
- How long you may have lived in the area or a parent's intention of moving into the area in the future
- A parent's particular reason for expressing a preference for the school, unless it is a published aspect of that school's oversubscription criteria (eg presence of breakfast or after school clubs, activity clubs for sports or music, if any of the child's friends will be going to the school, etc)
- Any plans regarding childcare arrangements that you may make for a particular school.

Once the schools have ranked the children, they will return the list to Kent County Council and it is imported into the computer program that will finalise offers.

If only one of the three schools can offer your child a place, then Kent County Council will offer you a place at that school.

If more than one of your three preferred schools could offer your child a place, Kent County Council will only offer a place at the school you named higher on your application. The unused offer for the lower preference school(s) will then be offered to a child that was ranked lower on that school's list.

If none of your preferred schools can offer you a place because there were other children who had a greater eligibility for the place(s) than your child when the oversubscription criteria were applied, Kent County Council will allocate an alternative school that has available places. Where the application is for Junior transfer, this alternative

place may be in a Junior school or a Primary school. Whilst it may not be one of your preferences Kent County Council has an obligation to offer every child a school place. Kent County Council will try to make this the nearest school to your home with available places. This school may be some distance from your home as Kent County Council can only offer a place from a school that has spaces remaining once all other applications have been considered. The allocation that is made will not take into account any of your child's individual circumstances or your preferences for a particular type of school e.g. a church school, size of school, childcare facilities or travelling arrangements.

Please note: where a school fails to provide a description of their oversubscription criteria, Kent County Council's oversubscription criteria will be used. Details of specific oversubscription criteria for individual schools can be sought directly from schools or via www.kent.gov.uk/admissionscriteria.

17. What do these criteria mean?

Children in Local Authority Care or Previously in Local Authority Care

A child in local authority care or previously in local authority care is a child which is either in the care of the Local Authority or is being provided with accommodation by a Local Authority in the exercise of their social services functions under Section 22(1) of the Children Act 1989 or a child who ceased to be so because they became subject to an adoption, residence or special guardianship order.

An adoption order is an order under Section 46 of the Adoption and Children Act 2002. A residence order is an order settling the arrangements to be made to the person with whom the child is to live under Section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian/guardians.

Attendance at a linked school

This is where there is a link (used for admissions purposes) between a particular infant school and a particular junior school. Children who are attending the infant school are given priority for admission to the relevant junior school. A list of linked infant and junior schools can be found on page 16.

Current Family Association

A current family association means that the child who wants a place will have a brother or sister (sibling) attending the same school when they start there and they live at the same address. Kent County Council count linked Infant and Junior schools as one school. Brothers and sisters means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters.

The sibling claim will stand if the family have continued to live at the same house as when the older sibling was admitted into the school, OR

- If the family have moved, and they have moved to within 2 miles of the school, OR
- If the family have moved nearer to the school from where they were living previously.

If siblings from multiple births (e.g. twins, triplets etc) apply for a school and the school reaches its published admission number after admitting one or more, (but not all) of the children, Kent County Council will offer a place at that school to all of the multiple birth siblings. This is in line with the School Admissions Code and if doing so will take the school above its published admission number and possibly result in breaching class size legislation, the children are to be treated as 'excepted' pupils.

Unfortunately, if your older sibling is currently attending school in Year 6, you cannot claim a sibling link for your younger child, as the older sibling will be transferring to secondary school in September 2016.

Whilst linked infant and junior schools are considered to be the same school for this criterion, if sibling priority has previously been lost (as above), it will not be reinstated when a child transfers from an Infant school to the linked Junior School.

Where a child is transferring from Year 2 and would not be attending the Infant school from the start of the academic year, but applied for the linked Junior school, the sibling link would not be broken for a child applying for the Infant school.

Health, Social and Special Access Reasons (Medical)

Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority under health and special access reasons will be given to those children whose mental or physical impairment or social need means they have a demonstrable and significant need to attend a **particular school**.

Equally, this priority will apply to children whose parents/guardians physical or mental health or social needs means that they have a demonstrable and significant need for their child to attend a **particular school**. Please note that social needs does not include your intended or current childcare arrangements. All claims will need to be supported by written evidence from a suitably qualified medical or other practitioner which can demonstrate a special connection between these needs and the particular school that parents feel is the only school that can accommodate these needs.

This must be sent directly to the school before **Friday 15 January 2016** for the school to consider the evidence.

Without this evidence when schools are ranking children in accordance with their oversubscription criteria, they cannot take your needs into account. Placing the same evidence for more than one of your preferred schools will only establish that more than one school can accommodate your child's needs.

The Primary Admissions Team can provide advice to parents who wish to apply under this criterion.

Nearness of Children's Homes to the School

For most children applying for schools, this last criterion is the most important one, as those children who are living nearer to the school usually get a higher priority for places than children who live further away. It is therefore very important that when you complete your RCAF/JCAF, you give your exact address.

Maps and internet based measuring tools will give you an indication of the distance from your address to a school, however, this is only an indication. The distance provided by Kent County Council's measuring software will be used for all applications to Community and Voluntary Controlled schools to ensure they are treated in a consistent manner. Kent County Council's measuring software is updated each year with the latest address point data provided by Ordnance Survey. The address point reference we have for

your property is taken as one end of a straight line, with the address point reference for the school as the other. The same address point on the school site is used for everybody. When we apply the distance criterion for an oversubscribed Community or Voluntary Controlled school, these straight line measurements are used to determine how close each child's address is to the school.

Kent County Council does not specify where the point will be for each property. This means that address points are not necessarily taken from each property's front door, a central point or any other defined point. The address point is the location recorded in our software for your home and it may fall anywhere within your property boundary.

A block of flats has a single address point reference, so applicants living in the same block will be regarded as living the same distance away from a school. In the unlikely event that two or more children live in the same block and in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

Voluntary Aided, Foundation, Academies or Free schools may measure the distances between the child's home and the school differently. For further information, please contact the school.

Where new build housing development requires a new school or the significant enlargement of an existing school the 'Nearness' of schools criterion may allow for a catchment area (defined by a map) to be created for the relevant school. This must be included in the Statutory Public Notice and admissions determination and will be valid for a period not exceeding three rounds of admissions. Parents should contact schools to enquire if a catchment area has been defined.

Please note the distance in relation to Eastchurch CofE Primary School DfE 3106 page 82 will be measured as follows:

We use the distance between the child's permanent home address and the equidistant point between the Eastchurch site and the Warden Bay site of Eastchurch CE Primary School. This is measured in a straight line using the method described above. If your child is offered a place at the school, the school will decide which site your child will be placed at.

Child's Home Address

A child's home address is defined as a residential property that is the child's main or only residence. This should not be an address at which your child may stay during the week such as at a friend's, grandparent's or child minder's home. It should not be a temporary address that has been rented on a short term basis in addition to another 'home' owned by the family because of a temporary move due to personal circumstances, or works being carried out to the main family residence.

If your circumstances have meant you have had no choice but to temporarily rent another property, you should advise the Primary Admissions team by emailing **primaryadmissions@kent.gov.uk** to advise them of the reasons why and to provide evidence to support your circumstances.

The address must be the residence of the parent(s)/guardian(s) and the child (i.e. where child and parent are living) by Friday 15 January 2016 (the deadline for submitting your application). It should be either owned by the child's parent(s) or guardian(s), leased or rented by the child's parent(s) or guardian(s) under a lease or written rental agreement.

Depending on your circumstances, there is a possibility that you own a property near to a school that you may express a preference for, but live elsewhere. Please be aware that you should not use this address unless you are actually living in it, and it is your main residence as defined above.

If you are buying or renting a property that you have exchanged contracts on or for which you have a lease/rental agreement, you must have the appropriate documentation showing you have exchanged contracts or have signed a rental agreement (of not less than 12 months duration) by Friday 15 January 2016 and have moved into the property before the offer day of Monday 18 April 2016. If you are unable to provide sufficient evidence or documentation to prove this, the offer of a school place may be withdrawn.

If you have exchanged contracts or have a rental agreement after you have submitted your application, you can advise the Primary Admissions Team (in writing or via email), provide them with the appropriate documentation and they will amend your application to reflect your new address if received no later than **Friday 5 February 2016**. Parents should email **kentonlineadmissions@kent.gov.uk** with the details of their required amendment, ensuring that their application reference number is included if their application was submitted online.

If you do not exchange contracts or have a rental agreement until after **Friday 5 February 2016**, Kent County Council will not be able to make any amendments to your application but will use your new address for correspondence purposes.

Kent County Council can only accept one address on the RCAF/JCAF and if your child lives at two different addresses during the week because of your personal circumstances, we will regard the child's home address as the one at which they sleep for the majority of school nights. If you are unsure which address to use if your child does stay at two addresses, please contact the Primary Admissions Team for advice about which address to use.

Kent County Council reserves the right to check information that parents give on their child's application form. When you receive the offer of a school place from Kent County Council, you will be asked to provide the school with evidence of your residence and that of your child. This evidence can be, for example, a utility bill, bank or credit card statement, Council tax bill or any correspondence that would show you were living at your address at the time you applied for a school place. You must also provide the school with evidence to show your child was also resident at the same time. This evidence could be, for example, a bank statement in the name of the child, hospital or doctor's appointment letter or correspondence. This is not a definitive list of acceptable evidence and the school will consult with the Local Authority if they are unhappy with the evidence they have received.

Should it be found that there is insufficient evidence to prove your residence and that of your child or that the information on a child's application is misleading, then the offer of a school place may be withdrawn. The vacant place would then be offered to the child who had been disadvantaged on Monday 18 April 2016 and was effectively displaced by the application at that time and not to the child on the top of the school's waiting list (unless it is the same).

Any residential move which takes place between the **Monday 18 April 2016** and the end of the first school term will be investigated to establish if a short term let has been taken for the purpose of securing a school place outside of the families intended residential area. If the Governing Body consider this to be the case it may consider the application at the time to have been misleading and may withdraw the school place even after the child has started at school.

18. Can I apply for a place before moving to the area and what happens if I move after I have returned the application form?

Please find below some examples of situations where you may or may not have moved and what you should do. If your situation is not listed below, you should contact the Primary Admissions Team for further information.

If you are moving due to a house exchange or renting a property from a Housing Association or private landlord, the letter that you receive confirming the date you can move in and your agreement to rent that property will be considered as proof of moving. However Kent County Council cannot accept this as proof of moving if the letter is only the offer of a property for you to view and consider.

If you are intending to rent or buy a property, but have not yet signed a rental agreement or exchanged contracts, you cannot use the new address until you have the appropriate documentation. Once you have the appropriate documentation, you can use the new address even if you will not have moved into the property until after the closing date of **Friday 15 January 2016**. We will amend your application to reflect your new address if this is received no later than **Friday 5 February 2016**. It would be expected that you would move in before the offer day on **Monday 18 April 2016** otherwise the offer of a school place may be withdrawn.

If you do not exchange contracts or have a signed rental agreement until after **Friday 5 February 2016**, Kent County Council will not be able to make any amendments to your application, but will use your new address for correspondence purposes when we need to send you an offer letter.

If you are thinking of moving but have not yet seen a property to rent or buy, then you should complete a RCAF or JCAF using your current address expressing preferences for schools in that area. This means that if your move does not take place at all, then you will receive an offer of a place in the area that you currently live in. Also, if you name schools that are in the area that you wish to move to, but you are not living there, there is an increased likelihood that

you would not receive an offer at one of those schools as places would be offered to applicants that live nearer. If you are a member of Her Majesty's Armed Forces or a Crown Servant and are being posted back to the UK, you may use a UK address that you own or name a HM Forces Station/Base as a home address even though you may not be resident at the time of application. Kent County Council must also receive an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and confirming the intended address. The law allows for Kent County Council to use this address as your family's main residence even though you may not be resident at the address or even in the country. However, it does not guarantee you a place at your preferred schools. For further information, please contact the Primary Admissions Team.

19. I live in Kent. Can I apply for a school outside Kent?

If you would like your child to attend a school outside of Kent e.g. in the Medway, East Sussex, Surrey, Bexley areas, then you should complete the Kent RCAF/JCAF naming the school with your other preferences. You can name a mixture of Kent schools and schools outside the county or just name schools outside the county. Your application details and non Kent preferences will be passed onto the relevant local authority for processing. The offer of a school place, whether it is a Kent school or a school outside the county, will be sent to you by Kent County Council as this is your local authority.

20. I live outside Kent. Can my child be considered for a Kent school?

Your child will be considered for admission on the same basis as those living in Kent provided you name the school on your home authority's application form. Your home authority will pass the information relating to the Kent preferences to Kent County Council for processing. It may or may not be possible to offer you a place at your preferred Kent school, however your offer letter will be sent by your home authority.

21. When will I hear if my child has been offered a place?

Kent County Council will inform parents about offers of school places on **Monday 18 April 2016**. Online applicants will be sent an email offer after 4pm if they have provided a valid email address. If these online applicants have been offered their first preference, they will not be sent an additional offer letter. Paper applicants and online applicants that have been offered a school other than their first preference and online applicants that have not provided an email address will also be sent a letter posted first class on this day.

Some email providers may delay delivering the messages to account holders - parents will need to check with their own email service suppliers in this regard. KCC has no control over email delivery times once they have left our servers.

All online applicants can also log back on to their online applications after 5pm and view their school offer.

PLEASE ensure that you carefully read all of the email/letter as they will provide you with additional information on what to do next. It will provide you with an opportunity to either accept or refuse the place offered to you, how to request that your child's name is placed on the waiting list for any school you named on your RCAF/JCAF but were not offered, and it will provide information on how to appeal against the decision to refuse your child a place at the school.

22. Can I defer my child's entry into school and if so, for how long?

You have the right to delay your child's start date (known as deferred entry), until later in the school year, but not beyond the beginning of the term after they turn five and not beyond the beginning of the final term of the school year in April. Your child may also start part time until later in the school year, but not beyond the beginning of the term after they turn five.

If you plan to defer your child's start date until later in the school year, you must still apply at the usual time for primary or infant school places. You should also speak to the schools you are applying for, to discuss how you would like your child to be admitted.

Summer-born children

Children born between 1 April and 31 August are sometimes referred to as summer born children. They have the same right to defer entry as any other child. This means they must start school at the beginning of the April term if they wish to keep their offer. Summer born children are not legally required to attend school until the start of Year 1. Where parents wish for their summer born child to defer entry until the start of Year 1, they must refuse their offered place, which may be offered to a different child, and then reapply through the In Year process during the last month of reception year.

Parents of summer born children also have the right to request that their child be allowed to apply for admission to Reception the following school year. To do this, they will need to gain agreement from the admissions authority of each school they wish to apply for.

To request admission to reception year outside of the normal age group, you should contact the Head teacher of each preferred school as early as possible during the normal application period for that child's date of birth. This will allow the school and admissions authority enough time to make a decision before the closing date. You are required to complete an application for the normal point of entry at the same time, in case your request is declined. This application can be cancelled if the school's admissions authority agrees to accept your request for deferred entry into reception year the following year.

You are not expected to provide evidence to support your request to defer your application, but where provided, it must be specific to the child in question. This might include medical or Educational Psychologist reports. There is no legal requirement for this medical or educational evidence to be secured from an appropriate professional, but failure to provide it may impede a school's ability to agree to defer admission.

Where admission authorities agree to allow a child to apply for a Reception place the following year, parents must complete a paper application form and return it to the local authority in the next application window, with written confirmation from each named school attached. Deferred applications will be processed in the same way as all applications in the following admissions round, and offers will be made in accordance with each school's over subscription criteria. If none of your preferred schools can

offer you a place as they receive more applications than places and other children have a higher priority, you will not be guaranteed a Reception place in an alternative school, although Kent County Council will attempt to do so wherever possible.

23. Why wouldn't my child get a place?

A school will rank all the children who have applied for a place according to its oversubscription criteria. If there are more children than the number of school places available, then the children who are ranked highest are offered places until the school reaches its intake or published admissions number. Ranking children against the school's oversubscription criteria ensures that the places are offered in a fair way as every child is compared against the same criteria. Inevitably, there will be some children who do not secure a place in oversubscribed (full) schools.

If you have applied for a school outside of your own local area, please be aware that the further you are living from the school, the less likely you are to receive an offer of a place. It is recommended that you also name a school near to your home just in case your highest preference schools are unavailable.

24. When will I hear if my child has been offered a place from the waiting list?

The offer letter that will be sent to parents on **Monday 18 April 2016** will also contain a Waiting List form. The offer email will contain a link to our website where a Waiting List form can be downloaded. This form will ask you which of your preferred school(s) you want your child's name to be placed on a waiting list for and needs to be returned to Kent County Council by **Monday 16 May 2016**. Please note that at this stage, you can only join the waiting lists for schools that you named on your original application.

Kent County Council will be informed by schools which parents are accepting or refusing the places that have been offered to them. Any places that become available will be offered to late applicants and applicants on waiting lists on the reallocation date of **Friday 17 June 2016**.

After Friday 17 June 2016 schools will take ownership of their waiting lists for the remainder of the reallocation period and will make offers to children should any places

become available. They will inform Kent County Council whenever an offer is made. Parents must not have more than one offer of a school place and must inform schools in writing that they do not want a previous offer if accepting a new offer.

25. Appeals

If it has not been possible to offer your child a place at your named preferred schools, you have the right to appeal against this refusal of a place to an Independent Appeal Panel. Kent County Council will receive appeals for Community and Voluntary Controlled schools. Foundation and Voluntary Aided

Schools, Academies and Free Schools, hear their own appeals, so will need to be contacted directly.

Appeals must be lodged by **Tuesday 17 May 2016**.

You can obtain a Primary Appeal Pack from our website at www.kent.gov.uk/primaryadmissions or by contacting the Primary Admissions Team after offer day **Monday 18 April 2016**.

For community and voluntary controlled schools, once completed, this must be returned to:

The Appeals Panel Administrator,
Kent County Council, Democratic Services,
Sessions House, County Hall, Maidstone,
Kent ME14 1XQ. or email your appeal to appeals@kent.gov.uk

Appeals for Academies, Free, Foundation or Voluntary Aided schools should be lodged to:

The Clerk of the Governors
c/o the school (school address information is provided in each school section).

You should check with Academies, Free, Foundation and Voluntary Aided schools before appealing as they may use their own forms.

Primary Appeals can only be upheld in very limited circumstances. The law requires that an infant (ie a child in Reception Year, Year 1 or Year 2) should not be educated in a class which has more than 30 children per qualified teacher, so most appeals for admission to Reception at a Primary or Infant school will be 'Infant Class Size Appeals'.

As grounds for upholding an appeal of this type are very limited, the success rate is low, so parents will want to weigh the effort involved against their chance of success before embarking on an appeal.

By law, an Independent Appeal Panel hearing an Infant Class Size appeal must consider the following matters:

- a) whether the admission of an additional child/additional children would breach the infant class limit; AND
- b) whether the admission arrangements (including the area's co-ordinated admission arrangements) complied with the mandatory requirements of the School Admissions Code and Part 3 of the School Standards and Framework Act 1998; AND
- c) whether the admission arrangements were correctly and impartially applied in the case(s) in question; AND
- d) whether the decision to refuse admission was one which a reasonable admission authority would have made in the circumstances of the case.

Put more simply, as well as checking whether giving another child a place will break the law, panels need to look at whether the admission arrangements for that school were legal, whether they were applied properly and whether in the circumstances it was reasonable not to offer your child a place.

A Panel may only uphold the appeal where:

- a) it finds that the admission of additional children would not breach the infant class size limit; OR
- b) it finds that the admission arrangements did not comply with admissions law or had not been correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; OR
- c) where it decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Because of this framework, parents' personal reasons for wanting the school cannot be taken into account, so even if you feel very strongly that your child should have a place, you need to consider whether your appeal fits these grounds.

If you think the law has not been followed you should contact the admissions team before appealing, so that a thorough investigation can be carried out.

If it is clear that a school's admission arrangements did not comply with the law or were not correctly and impartially applied, the local authority, in conjunction with the admission authority may offer places without an appeal hearing.

If you think the decision to refuse your child a place was not reasonable, check first why the place could not be offered. To agree an appeal on these grounds a panel must be satisfied that the decision to refuse to admit the child was 'perverse in the light of the admission arrangements' i.e. it was 'beyond the range of responses open to a reasonable decision maker' or 'a decision which is so outrageous in its defiance or logic of accepted moral standards that no sensible person who had applied his mind to the question could have arrived at it'. This is highly unlikely to be the case if the admissions arrangements were lawful and correctly and impartially applied.

It is likely a panel would consider it entirely reasonable for a child to be refused a place at their nearest school, if other children had greater eligibility for the places available, even if this results in you being offered a school some distance from your home.

PLEASE BE AWARE that neither schools nor the Local Authority keep places available for children whose appeals are upheld – they will be admitted above the school's published admissions number as an excepted pupil. Appealing for schools also does not give children a higher priority on schools waiting lists – the lists are ranked in accordance with the school's oversubscription criteria.

26. In Year Casual Admissions (IYCA)

This book mainly offers advice on applying for a Reception school place in an infant or primary school and/or for a Year 3, to start junior school in September 2016. Applications for a place in a different year group, or to start at a different time are called In Year Admissions.

In Year applications for Kent school places should be made direct to schools, using a separate copy of Kent County Council's single In Year Casual Application Form (IYCAF) for each child and each school applied for.

Kent schools will let you know whether they can offer a place and will inform Kent County Council about the application and whether an offer has been made.

Schools will be expected to tell parents within 5 school days of receiving the application whether they can offer a place.

If a school you apply for cannot offer you a place, you will be told how to appeal and how to put your child's name on the school's waiting list.

Parents of Kent pupils who have applied to schools but have been unable to secure a place can contact Kent County Council, who will inform them of schools near to them which may have places. Parents should approach schools directly to allow them to secure a place as quickly as possible. If parents need any support in securing an offer with these schools, please contact the Kent In Year Admissions Team.

If no school in the local area has places available, the local authority will support you in finding a school place. The application may be referred to a local panel under the Fair Access Protocol (FAP) to identify a suitable school. If the child is already attending a school in the local area, no alternative place will be offered.

If you want to apply in year for a place at a school located in another Local Authority's area, please contact the In Year Admissions Team for further information.

Parents will be able to obtain information about the process and copies of the IYCAFs from www.kent.gov.uk/schooladmissions or from any Kent school.

Enquiries can also be made by e-mail to **kentinyearadmissions@kent.gov.uk** or by ringing **03000 41 21 21** and asking for the In Year Admissions Team.

27. Will I get help with transport to school?

Most primary school children live within walking distance of their schools, however if the school is some distance from the home, parents can apply for transport assistance. In order to qualify, parents would have had to apply to their nearest appropriate school on their child's admission application form to be considered for assistance and meet the following criteria:

- Children under 8 years old who attend the nearest appropriate school for transport purposes to their home can get free travel between home and school if the school is more than two miles from their home
- Children over 8 years old who attend the nearest appropriate school for transport purposes to their home can get free travel between home and school if the school is more than three miles from their home.

Appropriate in this instance relates to

Age appropriate – attendance at a primary or secondary school

Ability appropriate – attendance at a mainstream or special school.

Distances between the child's home and the school are measured by the shortest available walking route.

Children aged over 8 years - Low Income Families

Children who are entitled to free school meals or whose parents receive the maximum level of Working Tax Credit may be eligible for transport assistance. The criteria to qualify are that the child must attend their nearest school for transport purposes and live more than 2 miles from the school. Proof of receipt of the maximum Working Tax Credit is asked for and this is usually the form TC602, which is sent to you by HM Revenue & Customs. For a child who is entitled to free school meals the proof will be a letter from Kent County Council's Awards Department. Transport assistance will be reviewed annually and parents will be asked for up to date evidence of receipt of benefits.

Additional information can be found within the Home to School Transport booklet. These and the application forms (T1A/T1B) will be obtainable from primary schools, from the Transport Eligibility Team at Sessions House or can be downloaded from www.kent.gov.uk/schooltransport

If you choose a school which is not the nearest school, you will not qualify for free transport. In some cases, however, you can apply for a vacant seat on a hired vehicle, where there may be spare seats.

For children who live in towns and villages close to the county border, it is particularly important to understand which is your closest school for transport purposes. Transport will only be provided to the nearest appropriate school if

- the child is aged less than 8 years and the distance between the home and the school is more than 2 miles, or
- the child is aged more than 8 years and the distance between the home and the school is more than 3 miles

In some parts of the county this may be a school located in another education authority, outside of Kent.

Vacant Seat Payment Scheme (VSPS)

Children who do not qualify for free transport because they live less than two/three miles from school or because they are not attending their nearest appropriate school for transport purposes can apply for a vacant seat on a hired school vehicle. The 2016/2017 charge for this is £165 per term for each pupil (subject to change).

A vacant seat offered under this scheme may have to be withdrawn at a later date if the place is needed for a pupil who is entitled to free transport, if the vehicle is no longer needed for pupils entitled to free transport or if it is decided to run a smaller vehicle.

Parents should also note that these seats cannot be allocated until all entitled pupils have been processed and are issued on a first come, first served basis. This does mean it can take several weeks after the start of term before a pass is issued. During this time, parents are responsible for making their own travel arrangements.

For further information on the scheme, please contact the numbers below

West Kent 03000 413825	East Kent 03000 413531
Mid Kent 03000 413583	

Further information about how your child can travel to and from school and how to apply can be found in the booklet 'Home to School Transport'. You can obtain this, together with an application form, by ringing the Contact Centre on 03000 41 21 21. They can also put you through to the transport team if you need more advice.

Alternatively, the booklet and form can be downloaded from www.kent.gov.uk/schooltransport

Children with an Education, Health and Care Plan (EHC)

Children with an EHC plan will be assessed for transport assistance against the same criteria previously mentioned and parents must apply in the same way using the application form (T1A/T1B).

Where a child is eligible to receive transport assistance, parents can also apply for a Personal Transport Budget which is granted at the discretion of the Local Authority.

The budget is used by parents to make their own arrangements to transport their children to and from school. Further information can be found on the following link

www.kent.gov.uk/personaltransportbudgets

Or parents can email personaltransportbudgets@kent.gov.uk

School Transport and the environment

Using some of the ideas explained below, parents and their children can help to tackle congestion on the school run and help to create a cleaner, greener, healthier school and community.

Walking to School

Kent County Council enjoys a unique partnership with Medway Council and the Kent and Medway Charity Team in promoting and encouraging walking to school. The charity organises a range of activities to help the charitable sector with its fundraising and supports initiatives to promote health and wellbeing, particularly amongst primary school children. The charity works in partnership with the KM Group, Kent's biggest media organization.

Parents can find information about Walking Buses and walk to school incentive scheme on the charities website at www.kmwalktoschool.co.uk.

Cycling to School

Kent County Council is actively improving cycle routes across the county. Further information on cycle routes can be found on www.kent.gov.uk/cycling.

Kent Travel Plans

Kent schools have been very successful at producing Travel Plans to encourage sustainable travel to schools. You may wish to contact the headteacher of your school to find out about their actions for encouraging sustainable travel. You can also view the plan and other Safer Travel to School information via the Kent School Database

Car Sharing and Buddy Schemes

Parents can reduce the cost and time involved in the school run by sharing cars with friends and neighbours. For more information about sharing cars in Kent, go to the website <https://kent.liftshare.com> or ask your chosen school if they can match you with parents travelling from the same area.

Responsible parking

Inconsiderate parking and manoeuvring in the vicinity of school entrances can present a significant safety hazard. Parents should support their school, other road-users and local residents by avoiding parking on 'Keep Clear' markings and, where possible, park or drop off a safe distance from the school and encourage children to walk to the school gates.

Kent County Council work with schools, Kent Police and Local Civil Enforcement teams to take action against inconsiderate and dangerous parking. For further information and access to our online toolkit and resources, please go to www.responsibleparking.co.uk

28. Other Benefits

School Meals

The Children and Families Act 2014 places a legal duty on state-funded schools in England, including Academies and Free Schools, to offer a free school lunch to all pupils in Reception, Year 1 and Year 2. This duty came into force from September 2014.

A primary school main meal will typically cost between £2.20 – £2.60 (subject to change). However, this depends on the meal choices available. Free school meals are available for:

- children from families who can prove that they receive Income Support, Income Based Job Seeker's Allowance or the guaranteed element of Pension Credit
- children from families who receive Child Tax Credit, PROVIDED they do not receive Working Tax Credit and have an annual income (as assessed by HM Revenue and Customs) which does not exceed £16,190 (subject to change)
- the children of Asylum Seekers who are supported under part IV of the Immigration and Asylum Act 1999 and can provide appropriate documentation from the National Asylum Support Services.

For further information or advice, ring the contact centre 03000 41 21 21 and ask them to put you through to your local Awards Team.

29. Can charges be made for School Activities?

Charges cannot be made for the education provided during school hours. You may, however, be charged for the cost of materials for subjects such as craft or cookery if you want your child to bring the finished article home. You will also be charged if you take up the offer of individual music tuition at your child's school.

Many schools arrange activities such as swimming, theatre visits or excursions which take pupils away from the classroom during school hours. You will be told about these in advance and may be invited to make a voluntary contribution towards their cost. Although your child will not be left out because you do not make a contribution, the success of these activities depends on the willingness of parents to cover the costs.

Most activities which take place out of school hours are regarded as optional extras for which a charge may be made. Schools' individual prospectuses give the times when school begins and ends. For charging purposes, the lunch break is considered to fall outside school hours.

Full details of Kent County Council's charging and remissions policies are available from schools. Copies may also be inspected at public libraries. The charging and remission policies adopted by individual Governing Bodies should be explained in the individual school prospectus.

30. Your guide to Data Protection

The Data Protection Act 1998 gives rights to you, our customers, about how your personal information is obtained and used by Kent County Council. The Act also places obligations on Kent County Council. This guide informs you of your rights under the Data Protection Act and details how we handle your information.

What information do we hold and how do we obtain it?

Generally, we receive information about you from one or more of the following sources:

- The primary school your child attends
- Kent County Council Admission Application Forms you complete and send to us.

For what purpose do we use your information?

We use your information for one or a number of purposes, which are outlined below:

- The information will be used to allocate your child a place at a school
- Information will be passed to schools and possibly the Department of Education and other officers in the County Council for the purposes of strategic planning and policy development.

Caring for your data

We undertake that we will have in place a level of security appropriate to the nature of the data and the harm that might result from a breach of security. This means we will look after your data properly. We further undertake that we will:

- not hold information about you that is excessive in relation to the purpose for which it is processed
- keep any information about you accurate and where necessary up-to-date. To help us to do this, please keep us informed if any of your details change

- not keep data processed for any purpose or purposes longer than necessary
- process your information in accordance with your rights under the Data Protection Act
- not share your information with other people or organisation unless it is required by law or with your consent.

Your rights

You have certain rights under the Data Protection Act 1998 in relation to the information we hold about you. These rights include the following:

- Access to your personal data. You may request in writing to the address below, details of the information that we hold about you and the purpose(s) for which it is held. Your request should be met within 40 calendar days of receiving the request, or, if later, on receipt of any supplementary information needed to establish your relationship with the authority or to verify your identity. You will be asked to complete a form and may have to pay a fee.
- Right to prevent processing that is likely to cause damage or distress to you or anyone else. You also have the right to claim compensation for damage and distress caused by someone breaking the conditions of the Act.
- Right to take action to correct, block, erase or destroy data that is inaccurate or contains opinions that are based on inaccurate data. Right to require us to ensure that no decision taken by or on behalf of us and which significantly affects you is based solely on the automated processing of information.
- Right to prevent processing for direct marketing purposes.

Direct marketing means the communication of any advertising or marketing material which is directed to you.

If you wish to know more, or have any concerns about how your information is used, please contact our information Resilience and Transparency Team at data.protection@kent.gov.uk.

General information about the Data Protection Act and your rights can be found on the information Commissioners website at the following link www.ico.org.uk

Or you can write to:

The Information Commissioner's Office
Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF
Telephone: 01625 545700 (switchboard)
Email: mail@ico.gsi.gov.uk

31. If Your Child has a Disability

Some children may have a disability within the meaning of the Equality Act 2010. It is unlawful for a school in relation to certain activities to treat a disabled child less favourably than a non disabled child, without justification. The activities where a school must take care not to discriminate unfairly concern admissions, exclusions, and the provision of education and related services. A school must make reasonable adjustments to ensure that it does not treat a disabled child less favourably although reasonable adjustments do not extend to physical adaptations or the provision of equipment. A school is able to justify its actions where it can demonstrate that the adjustments required are unreasonable.

A disability is defined as a physical or mental impairment that has a substantial and long term adverse effect on the person's ability to carry out day to day activities.

There will be some children who have Statements of SEN who do not fit this definition but, equally, there will be children who do not have Statements of SEN who are considered to have a disability.

If you think that your child has been discriminated against on the grounds of a disability in relation to the arrangements made for his or her admission, you may have a right of appeal. Advice is provided in the booklet '*Disability Discrimination in Schools. How to Make a Claim*'.

You can obtain a copy of this booklet by post from:

Special Educational Needs and Disability
Mowden Hall, Staindrop Road,
Darlington DL3 9BG

Or by telephoning: **01325 392760**

(from 9.00am to 5.00pm Monday to Friday)

Or by faxing: **01325 391 080**

Or by emailing: **sendistquiries@hmcts.gsi.gov.uk**

The Area SEN Offices have a limited supply of these booklets that they send to parents/carers of children with Statements.

32. Additional Information

Private Fostering

A privately fostered child is a child under 16 (or 18 if disabled) who is cared for by an adult who is not a parent, grandparent, aunt, uncle, step parent (including civil partnerships), sister or brother where the child is to be cared for in that person's home for 28 days or more.

A private foster carer is someone who cares for another person's child in their own home such as:

- extended family members (great-aunts, great-uncles, cousins)
- someone who is called 'aunt' or 'uncle' but is not related to the child
- a friend of the family
- someone who is not married to the child's mother or father but is a partner or ex-partner

There are many reasons for a child being privately fostered. It may be because:

- a parent is ill
- a parent is in prison
- a parent is going abroad
- the relationship between the parent and young person has broken down
- family crisis or bereavement
- parents might be studying or working long hours
- a child has come from another country to study English privately or at a language school

The law requires anybody who is privately fostering a child, or who is intending to do so, to notify social services. If you are already caring for a child under a private fostering arrangement you must notify social services immediately.

Social services have a legal duty to make sure that the welfare of all privately fostered children is safeguarded and promoted and that they are living in safe and suitable surroundings. Social services give advice to parents, private foster carers and any child who is being privately fostered. Please contact Specialist Children's Services on 03000 41 11 11 and ask to speak to someone about a private fostering arrangement if you need to advise about a proposed private fostering arrangement or need some advice or guidance

Quick Reference

By Friday 15 January 2016

RCAF or JCAF must be returned to the Primary Admission Team by 5pm. If you apply online, you must submit it no later than 11.59pm.

Monday 18 April 2016

Kent County Council will inform you which school has a place for your child. It will provide you with information on what to do after receiving your offer. Online applicants will be sent an email offer after 4pm if they have provided a valid email address. If these online applicants have been offered their first preference, they will not be sent an additional offer letter. Paper applicants, online applicants that have been offered a school other than their first preference and online applicants that have not provided an email address will be sent a letter posted first class on this day.

Please be aware that some email providers may delay sending the messages to account holders - parents will need to check with their own email service suppliers in this regard. KCC has no control over email delivery times once they have left our servers. All online applicants can also log back on to their online applications after 5pm and view their school offer.

By Monday 16 May 2016

This is the last date by which you **MUST**:

- Return the acceptance/refusal form to your offered school.
- Return the waiting list request form if you wish to place your child's name on a school's waiting list to Kent County Council.

This is also the deadline for late applications to be included in the next round of offers.

You **MUST REMEMBER** to take the appropriate action by **Monday 16 May 2016**. If the acceptance/refusal form is not received by your offered school, they will not know if you want the place that has been offered to you and may offer it to somebody else. Likewise, if you have not got the place you wanted and do not return the waiting list request form, we will not be able to offer you a place if it should become available.

By Tuesday 17 May 2016

You may lodge an appeal, if you wish to do so, for a place at a school you asked for but have not been offered.

Friday 17 June 2016

Kent County Council will re-allocate any places that have become available to late applicants and those who have asked to go on the waiting lists for each school. After the initial allocation schools will maintain waiting lists and fill vacancies as they arise to children on their lists.

For ease schools have been listed by area, each split by colour

Please note school information is correct at time of going to print.

LOOKED AFTER CHILDREN - DEFINITION

Children in Local Authority Care - a child under the age of 18 years for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who is the subject of a care order under Part IV of the Act. This applies equally to children who immediately after being looked after by the local authority became subject to an adoption, residence or special guardianship order. (As defined by Section 46 of the Adoption and Children Act 2002 or Section 8 or 14A of the Children Act 1989).

Does your child qualify under the above statement?

YES

NO

If yes, which authority is/was the corporate parent?

If yes, please provide us with the names of any professionals associated with the child

Does your child have a statement of Special Educational Needs? Please tick box if yes

SSEN

If your child has a Statement you should contact their SENCO who will be able to advise you of how to apply for a Primary School place.

IN YEAR CASUAL ADMISSION FORM (IYCAF)

PLEASE READ THIS GUIDANCE CAREFULLY BEFORE COMPLETING YOUR IN YEAR CASUAL ADMISSIONS FORM (IYCAF)

If you live in Kent and wish to apply for a place at a Kent school in your child's current year group, you should complete this form and send it to the school(s) you are applying for. You should complete a separate form for each child and for each school you are applying for. Information about Kent schools that are near to you can be found at kent.gov.uk/findschools. You may be asked to complete a Supplementary Information Form (SIF) to provide the school with additional information so the school can rank your child according to its oversubscription criteria if more children apply than there are places available. If you are applying for a place at a Grammar School, the school will get in touch with you about any testing arrangements.

If you are applying for a place at a school outside Kent, or you live outside Kent and want a place at a Kent school, please contact the Admissions Team on the number below for advice.

If the school has a place your child is eligible for and no other child has a higher priority, the school must offer it to you (unless your child has been permanently excluded from more than 2 schools; please contact the Admissions Team if this applies to you).

If your child is turned down for a place at the school(s) you apply for, you have the legal right to appeal against the refusal of a place. Appeals should be made in writing to the school's admission authority. You can also request to join the school's waiting list if they have one. The school will let you know how to make an appeal or join the waiting list when they tell you the outcome of your application. You can find more information about appealing at kent.gov.uk/schooladmissions.

The school must provide you with a formal offer or refusal letter. You may wish to keep notes of dates and times of conversations as well as names of contacts at the school. Under normal circumstances, a school should inform you of the outcome of your application within 5 school days.

If you have approached schools and are having trouble finding a place you can contact the Admissions Team on the number below, and we will let you know where there are currently places available.

DECLARATION STATEMENT

*All information given in this application is, to the best of my knowledge, true and correct. I understand that if, at a later date, any of the information is found to be incorrect I may lose any place allocated to my child.

I give permission to the School to process all the information given in accordance with the Admissions Criteria and processes and to share this information with the Local Authority.
