

# Increasing Opportunities, Improving Outcomes

## Kent County Council's Strategic Statement 2015-2020

### Outcome measures

---

Publication date: September 2017

Produced by: Strategic Business Development and  
Intelligence

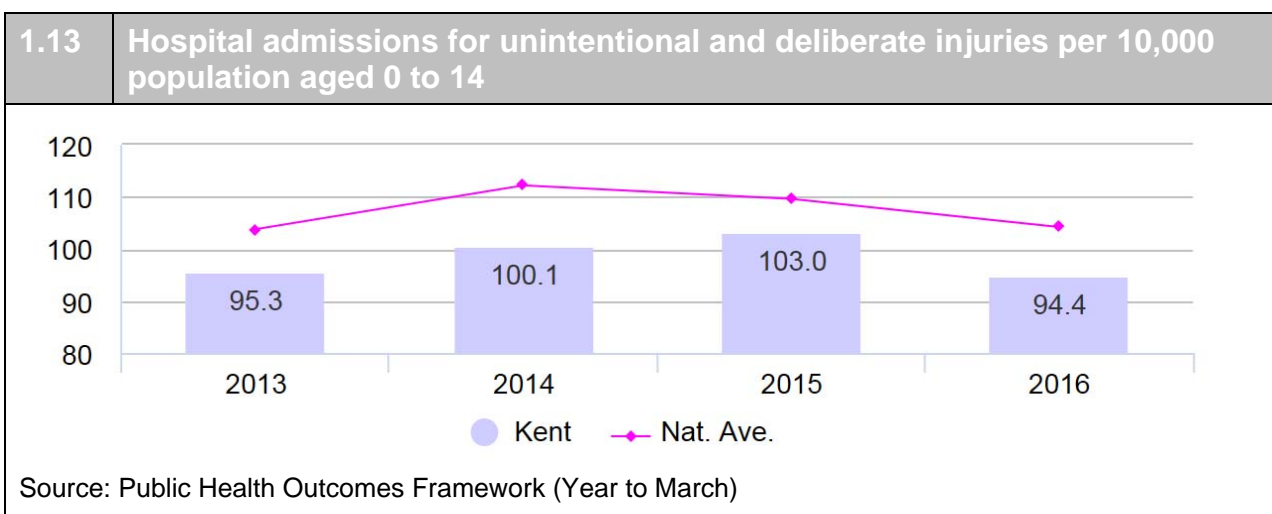

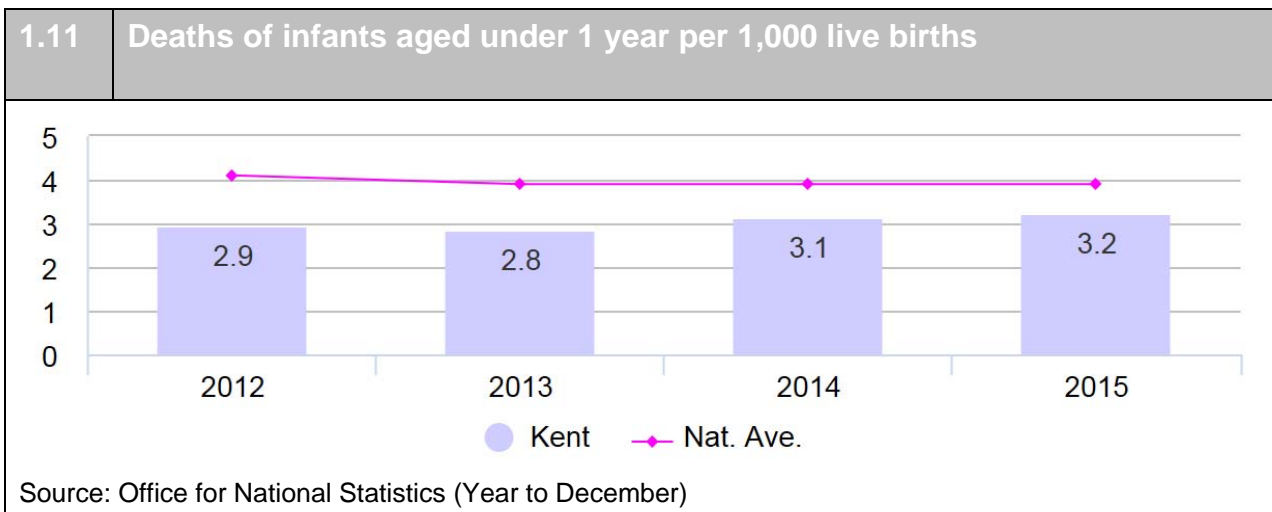

**Data quality**

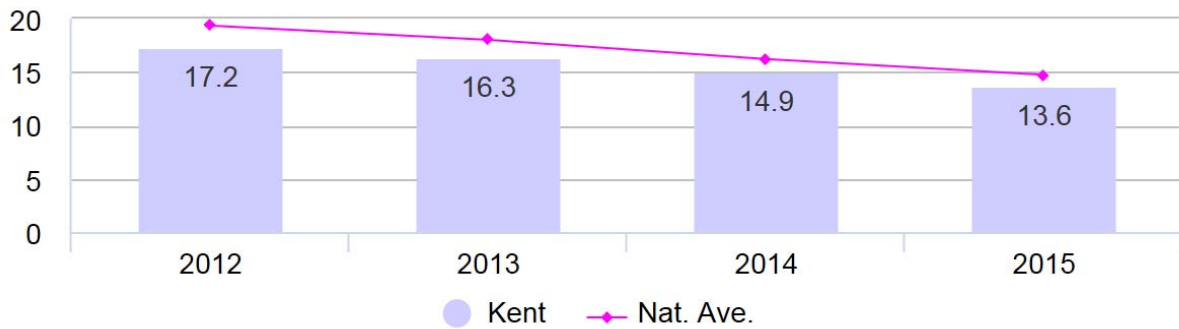

Data has been sourced from national data publications, often from Official National Statistics sources, where possible. As there is a time delay in publication of National Statistics, the most recent data point may be based on internal council information sources and this will usually be the case where a national average has not been provided.

**Strategic Outcome 1: Children and young people in Kent get the best start in life**

**1.1 Kent’s communities are resilient and provide strong and safe environments to successfully raise children and young people**

**1.14 Percentage of children aged 0 to 15 in out of work benefit claimant households**

Source: Department for Work and Pensions (May data)

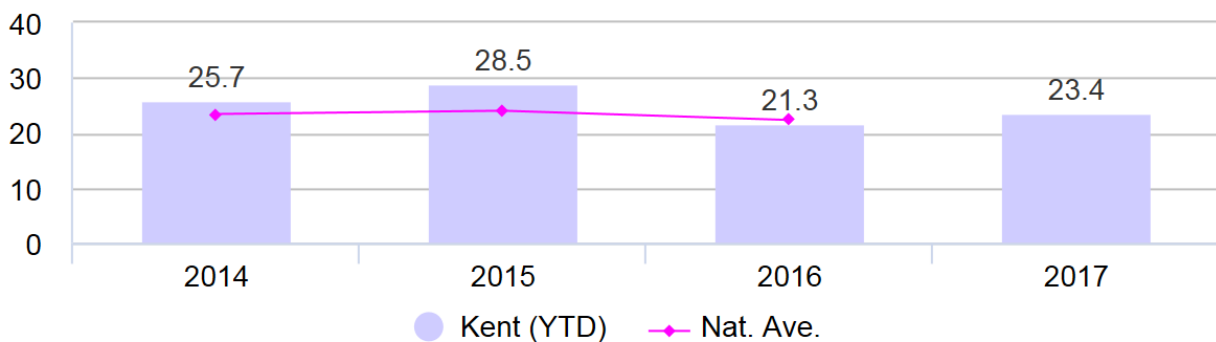

**1.2 We keep vulnerable families out of crisis and more children and young people out of KCC care**

**1.21 The number of children in care (excluding asylum) per 10,000 population aged under 18**

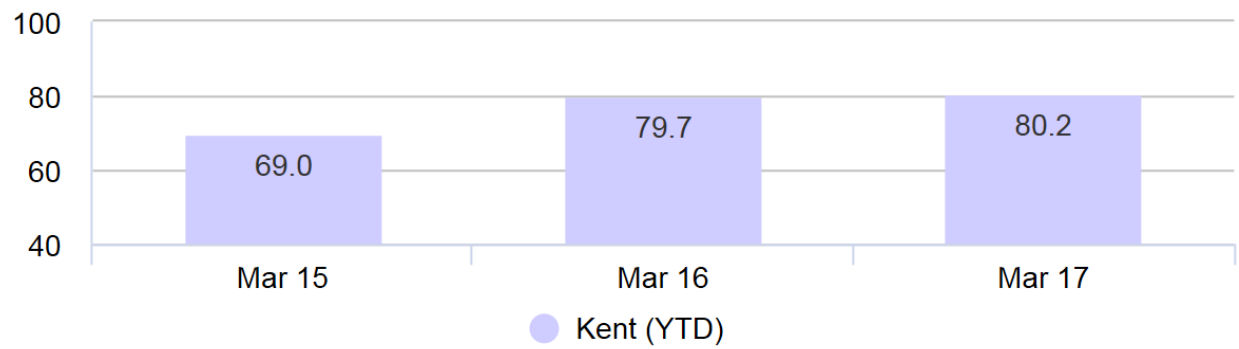

Source: Department for Education (March data)

**1.22 Percentage of referrals to children's social services which were re-referrals within 12 months**

Source: Department for Education (Year to March)

**1.23 Percentage of Early Help cases closed with positive outcomes**

Source: KCC Early Help Services (Year to March)

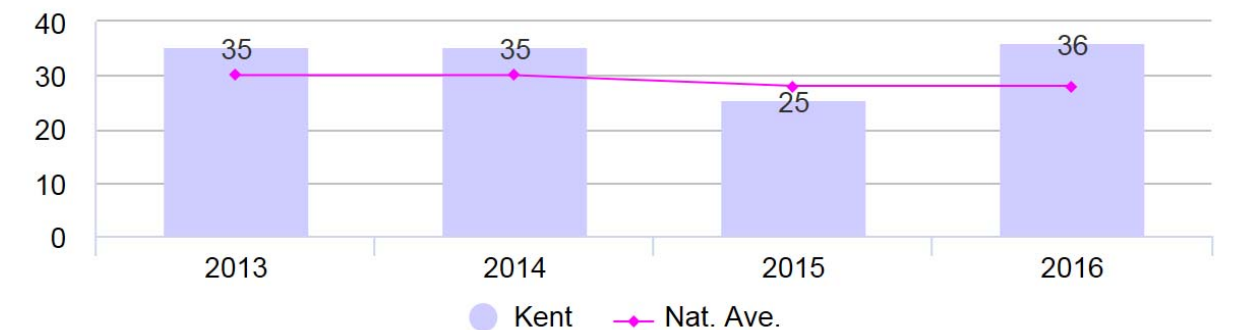

**1.3 The attainment gap between disadvantaged young people and their peers continues to close**

**1.31 Percentage point gap in attainment for children eligible for Free School Meals at Key Stage 2**

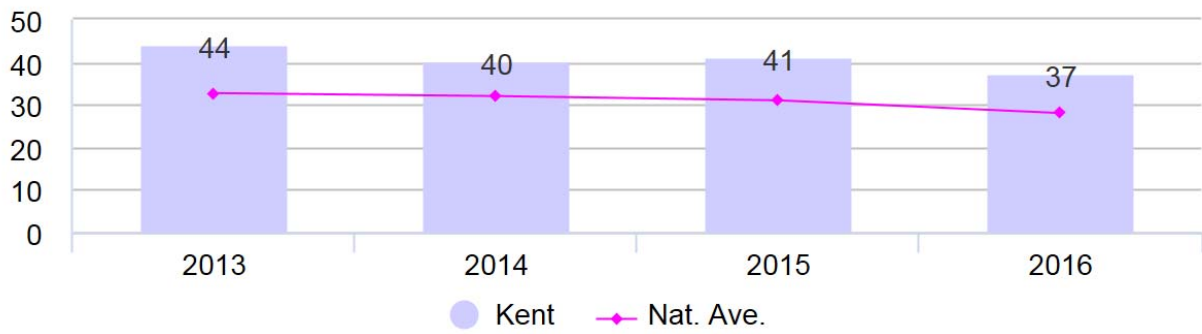

Source: Department for Education

**1.32 Percentage point gap in attainment for children in care at Key Stage 2**

Source: Department for Education

**1.33 Percentage point gap in attainment for children in need at Key Stage 2**

Source: Department for Education

**1.34 Percentage point gap in attainment for children eligible for Free School Meals at Key Stage 4**

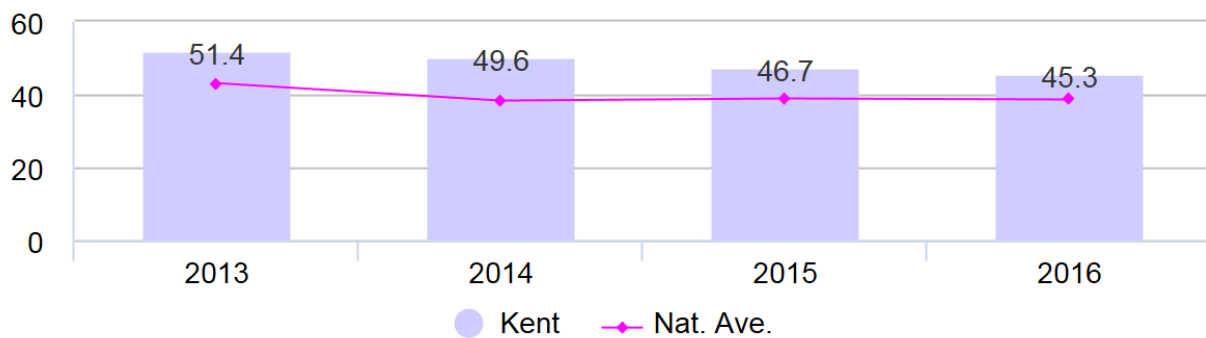

Source: Department for Education

**1.35 Percentage point gap in attainment for children in care at Key Stage 4**

Source: Department for Education

**1.36 Percentage point gap in attainment for children in need at Key Stage 4**

Source: Department for Education

**1.4 All children, irrespective of background, are ready for school at age 5**

**1.41 Percentage of children achieving a good level of development at Foundation Stage**

Source: Department for Education (June data).

**1.42 Percentage attainment gap at Foundation Stage for the lowest achieving 20% of children**

Source: Department for Education (June data)

**1.43 Percentage of Early Years settings on non-domestic properties with good or outstanding Ofsted inspection**

Source: Ofsted (August data). 2017 is the March position.

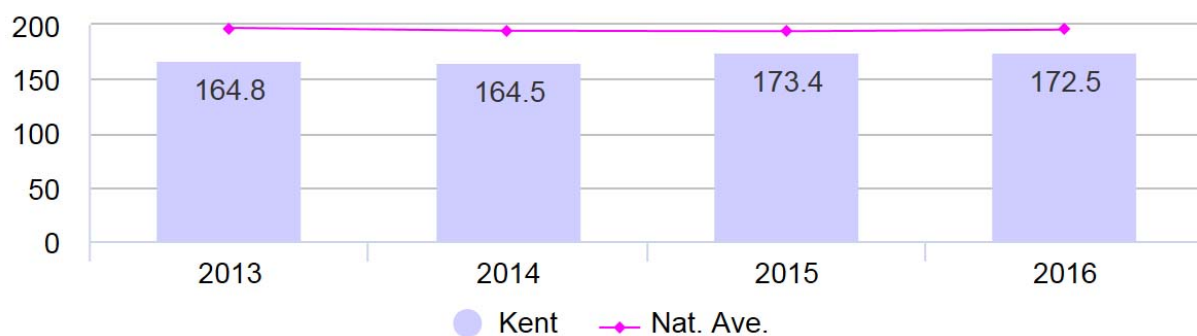

**1.5 Children and young people have better physical and mental health**

**1.51 Percentage of Year 6 children with a healthy weight**

Source: Health and Social Care Information Centre (June data)

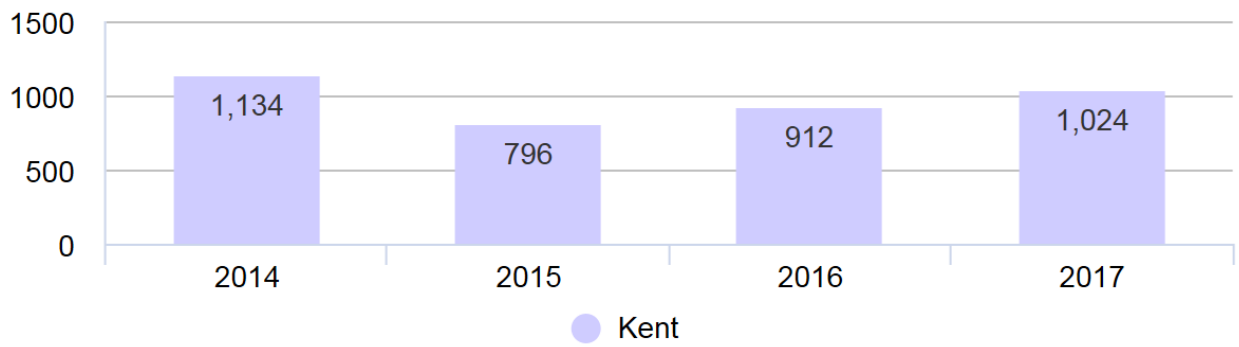

**1.52 Number of hospital inpatient episodes per 1,000 population aged 0 to 24**

Source: Health and Social Care Information Centre (Year to March)

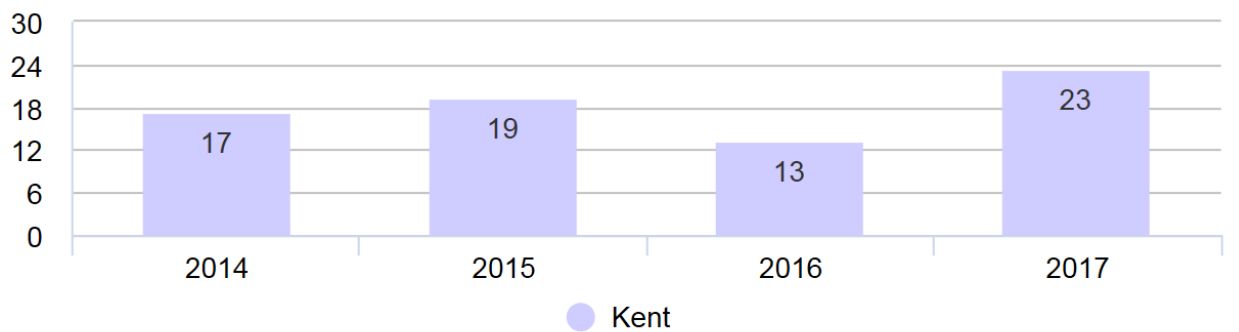

**1.53 Number of children and young people waiting for a CAMHS assessment**

Source: West Kent CCG (Quarter to March)

**1.54 Average waiting time in weeks from referral to routine treatment for CAMHS**

Source: West Kent CCG (Quarter to March)

**1.6 All children and young people are engaged, thrive and achieve their potential through academic and vocational education**

**1.61 Percentage of pupils achieving expected standard at Key Stage 2 in Reading, Writing and Maths**

Scoring of tests and expected standard changed in 2016 so results are not comparable with previous years. Source: Department for Education (Academic year).

**1.62 Percentage of pupils achieving 5+ A\* to C GCSE including English and Maths**

Methodology for calculating GCSE attainment changed significantly in 2017, so previous years are not directly comparable. Source: Department for Education (Academic year).

**1.63 Percentage of schools with good or outstanding Ofsted inspection**

Source: Ofsted (August data). 2017 is March data.

**1.64 Percentage of young people who are offered their first or second choice secondary school**

Source: Department for Education (Year of offer)

## 1.7 Kent young people are confident and ambitious with choices and access to work, education and training opportunities

### 1.71 Percentage of 16 to 18 year olds starting an Apprenticeship

Source: Department for Business, Innovation and Skills (Year to June).

### 1.72 Ratio of Job Seeker claimant count rates, aged 18 to 24 compared to age 16 to 64

Ratio to be read as 1.9 (aged 18 to 24) to 1 (aged 16 to 64) for 2014 etc. Source: Department for Work and Pensions (March snapshot)

### 1.73 Percentage of 19 year olds qualified to level 3

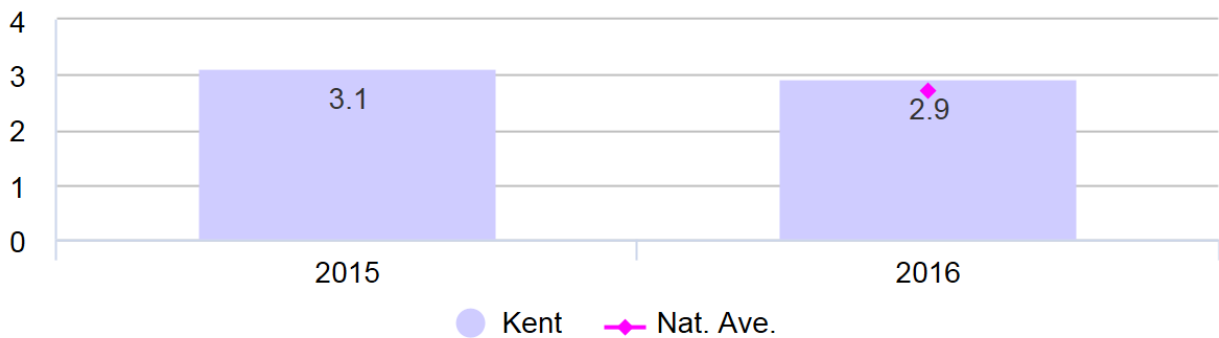

Source: Department for Education (Year to June)

**1.74 Percentage point achievement gap for young people with Free School Meals qualified to level 3 at age 19**

Source: Department for Education (Year to June)

Source: ONS, Annual Population Survey (Year to March)

**2.42 Percentage of residents who report they have a high level of anxiety**

Source: ONS, Annual Population Survey (Year to March)

**2.43 Percentage of residents satisfied with local sports provision**

Source: Active People Survey, Sport England (Year to October)

**2.44 Percentage of population aged 16 or above engaging in sports at least once a week**

Source: Active People Survey, Sport England (Year to October)  
 Sample survey – confidence interval +/-1.3%

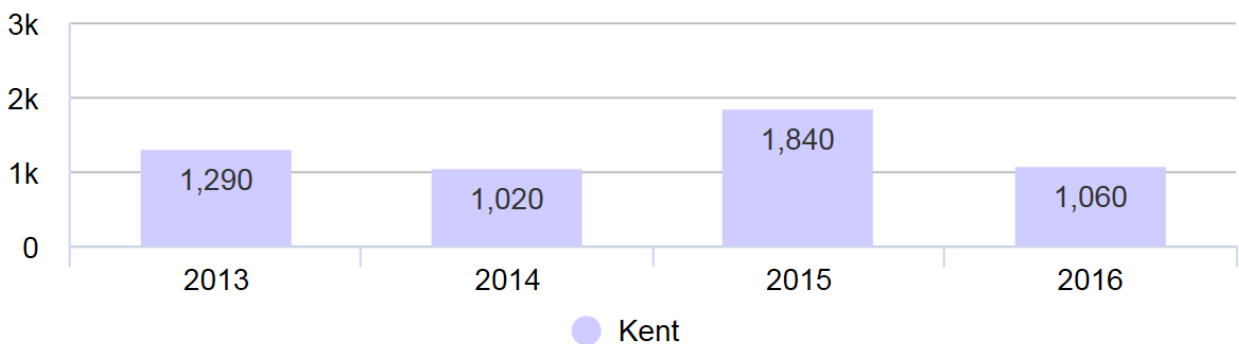

**2.5 We support well planned housing growth so Kent residents can live in the home of their choice**

**2.51 Net additions to dwelling stock and council tax base**

Source: Valuation Office (Year to March)

**2.52 Additional affordable homes provided (affordable rent and affordable ownership)**

Source: DCLG

**2.53 Housing Affordability Index (median house price / median annual full-time wage)**

Source: ONS for median house price; Nomis for median wage.

**2.54 Stock of extra care housing units in the county**

Source: Commissioning, Social Care, Health and Wellbeing, KCC (December data)

**2.6 Kent's physical and natural environment is protected, enhanced and enjoyed by residents and visitors**

**2.61 Percentage of housing completions on previously developed land**

Source: Kent County Council Housing Information Audit (Year to March)

**2.62 Percentage of people who use the natural environment for leisure or recreation at least once a fortnight**

Source: Environment Perception Survey, KCC

**2.63 Percentage of people who think the natural and historic environment is in good/excellent condition**

Source: Environment Perception Survey, KCC

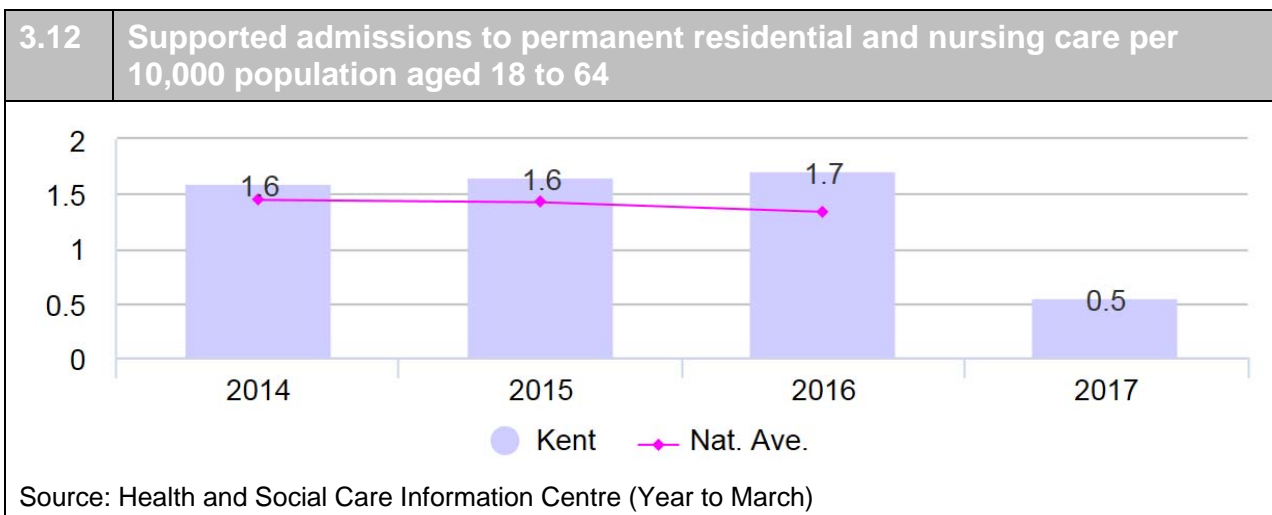

**2.64 Percentage of people who use outdoor space for exercise/health reasons**

Source: Monitor of Engagement with the Natural Environment, Natural England (Year to February)

**Strategic outcome 3: Older and vulnerable residents are safe and supported with choices to live independently**

**3.1 Those with long-term conditions are supported to manage their conditions through access to good quality care and support**

### 3.2 People with mental health issues and dementia are assessed and treated earlier and are supported to live well

#### 3.21 Score out of 10 for service users who feel they have seen mental health services enough for their needs

Source: Care Quality Commission (CQC), mental health survey (February to July)

#### 3.22 Number of dementia assessments for over 75s following emergency hospital admission

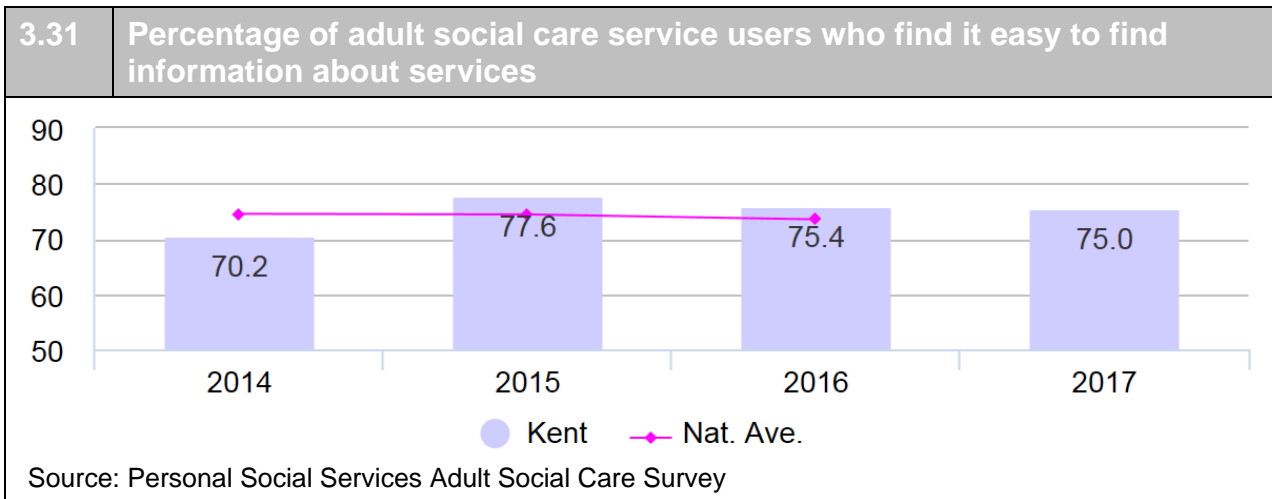

Source: NHS England (Year to March)

#### 3.23 Number of GP patients with diagnosed dementia

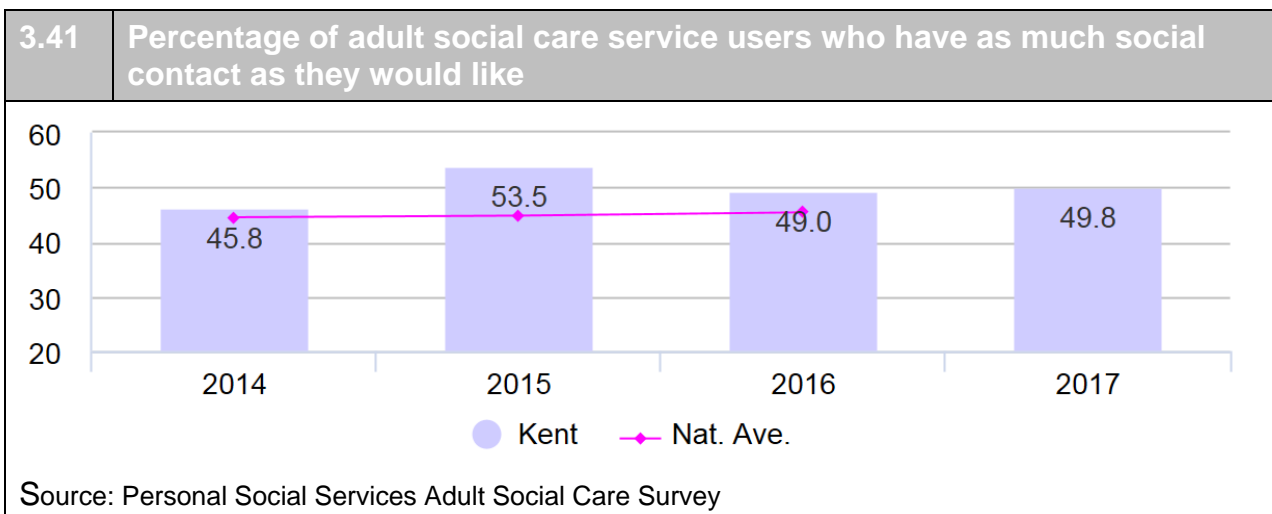

Source: Health and Social Care Information Centre

### 3.3 Families and carers of vulnerable and older people have access to the advice, information and support they need

### 3.4 Older and vulnerable residents feel socially included

### 3.5 More people receive quality care at home avoiding unnecessary admissions to hospital and care homes

**3.51 Older people receiving long term adult social care community services per 1,000 population aged 65 plus**

Source: Health and Social Care Information Centre (March data)

**3.52 Average number of hospital inpatient episodes per person aged 75 or over**

Source: Health and Social Care Information Centre (Year to March)

**3.53 Supported admissions to permanent residential and nursing care per 1,000 population aged 65 and over**

Source: Health and Social Care Information Centre (Year to March)

### 3.6 The health and social care system works together to deliver high quality community services

**3.61 Percentage of adult social care service users who are extremely or very satisfied with their care and support**

Source: Personal Social Services Adult Social Care Survey

**3.62 Percentage of adult social care service users who say services have made them feel safe**

Source: Personal Social Services Adult Social Care Survey

**3.63 Average monthly number of delayed transfers of care from hospital per 100,000 population aged 18 or over (Social Care or NHS responsible)**

Source: NHS England (Year to March)

**3.64 Average monthly number of delayed transfers of care from hospital per 100,000 population aged 18 or over (Social Care responsible)**

Source: NHS England (Year to March)

**3.7 Residents have greater choice and control over the health and social care services they receive**

**3.71 Percentage of adult service care service users who say they have adequate or better control over daily life**

Source: Personal Social Services Adult Social Care Survey

**3.72 Percentage of adult social care clients receiving long term community services with self-directed support**

Source: Health and Social Care Information Centre (March data)
