Mobility in the Ashford Area

KENT KARRIER Dial-a-Bus Service

Do you live in the Ashford area and have a mobility impairment which makes travel on conventional bus and train services difficult or live in a rural area more than 500 metres from a regular bus route? The Ashford Kent Karrier service provides accessible transport from your front door to the town centre and the hospital.

Phone Kent County Council on (01622) 605349 for more details.

The Role of Kent County Council

Most bus services are run for profit, but some would not be viable without subsidy. Kent County Council devotes over £6 million annually to the support of these socially necessary bus services, which are operated on behalf of Kent County Council by local bus companies. Many services in this guide fall into this category; if you have a complaint or suggestion to make about one of your local bus services, please contact the relevant operator in the first instance. If this proves unsatisfactory, please contact:
