## Thanet Community Transport

**Thanet Community Transport** – Do you need to get out and about but have difficulty using the bus? Or perhaps you live a long way from a bus route? Thanet Community Transport could be the answer! Thanet Community Transport is a fully accessible dial-a-ride service that takes its members directly from their door to places in their local area. It's easy to join the Thanet Community Transport scheme, just phone 01622 605349 for an application form, fill it in and return it to the address shown. Once you are a member, simply book your journey by telephone at least the day before you want to travel (a companion can travel with you and does not have to be a member, but will still have to pay the journey fare) A small fare is payable for each journey. When it is time to go, experienced drivers will give you any help you need. Remember to have your fare ready.

### The Role of Kent County Council in Local Bus Services

Most buses in Kent are operated for profit, but some would not be viable without subsidy. Kent County Council devotes around £6 million each year to support these socially necessary bus services, which are operated on behalf of the County Council by local bus companies. Many services in this guide fall into this category; if you have a suggestion or complaint to make about your local bus services, please contact the relevant operator in the first instance. If this proves unsatisfactory, please contact:
