This Public Transport Map has been produced by Kent County Council.

The Role of Kent County Council in Local Bus Services

Most bus services are run for profit but some would not be viable without subsidy. KCC devotes over £6 million annually to supporting local buses.

These subsidised services are operated by local bus companies on behalf of KCC. If you have a comment to make about your local bus service, please contact the operator. If this proves unsatisfactory please contact Kent County Council Transport Integration.
