Key for Bus Services

service wholly supported by Kent County Council
 some journeys supported by Kent County Council
 some journeys supported by Medway Council
 route not shown on map
 normally operated by easy access buses
 service supported by Transport for London
 service number not displayed on vehicle
 Green Grid Site on route (see map overlay)

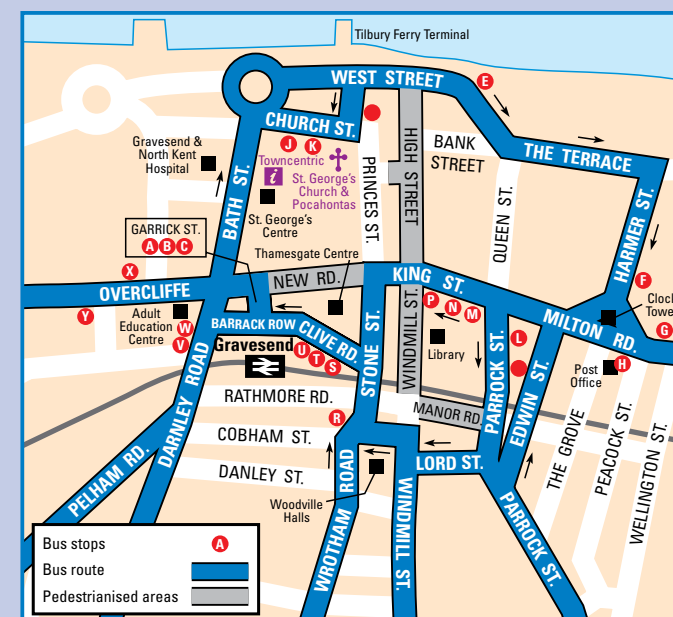

The Role of Kent County Council

Most bus services are run for profit but some would not be viable without subsidy. KCC devotes over £6 million annually to supporting local buses. These subsidised services are operated by local bus companies on behalf of KCC. If you have a comment to make about your local bus service, please contact the operator.
 If this proves unsatisfactory please contact Kent County Council Transport Integration.
