Key for Bus Services

- service wholly supported by Kent County Council
- some journeys supported by Kent County Council
- some journeys supported by Medway Council
- route not shown on map
- normally operated by easy access buses
- service supported by Transport for London
- service number not displayed on vehicle
- Green Grid Site on route (see map overlay)

The Role of Kent County Council

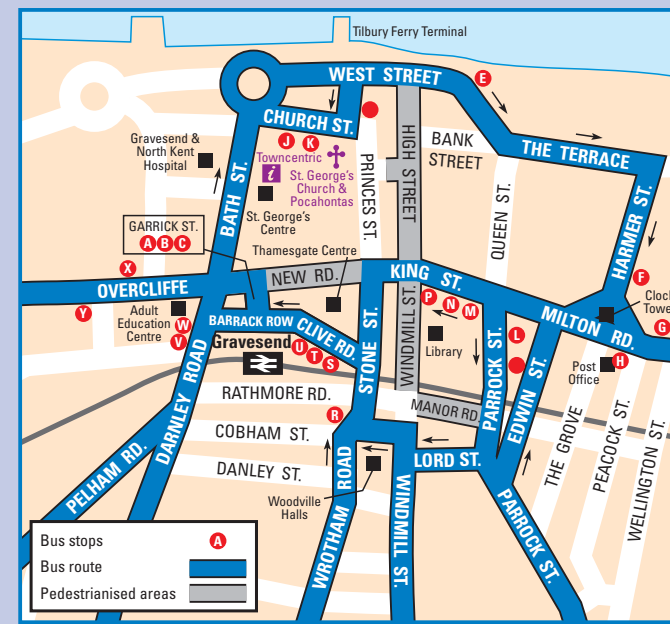

Most bus services are run for profit but some would not be viable without subsidy. KCC devotes over £6 million annually to supporting local buses. These subsidised services are operated by local bus companies on behalf of KCC. If you have a comment to make about your local bus service, please contact the operator.

If this proves unsatisfactory please contact Kent County Council Transport Integration.
