The role of Kent County Council in local bus services

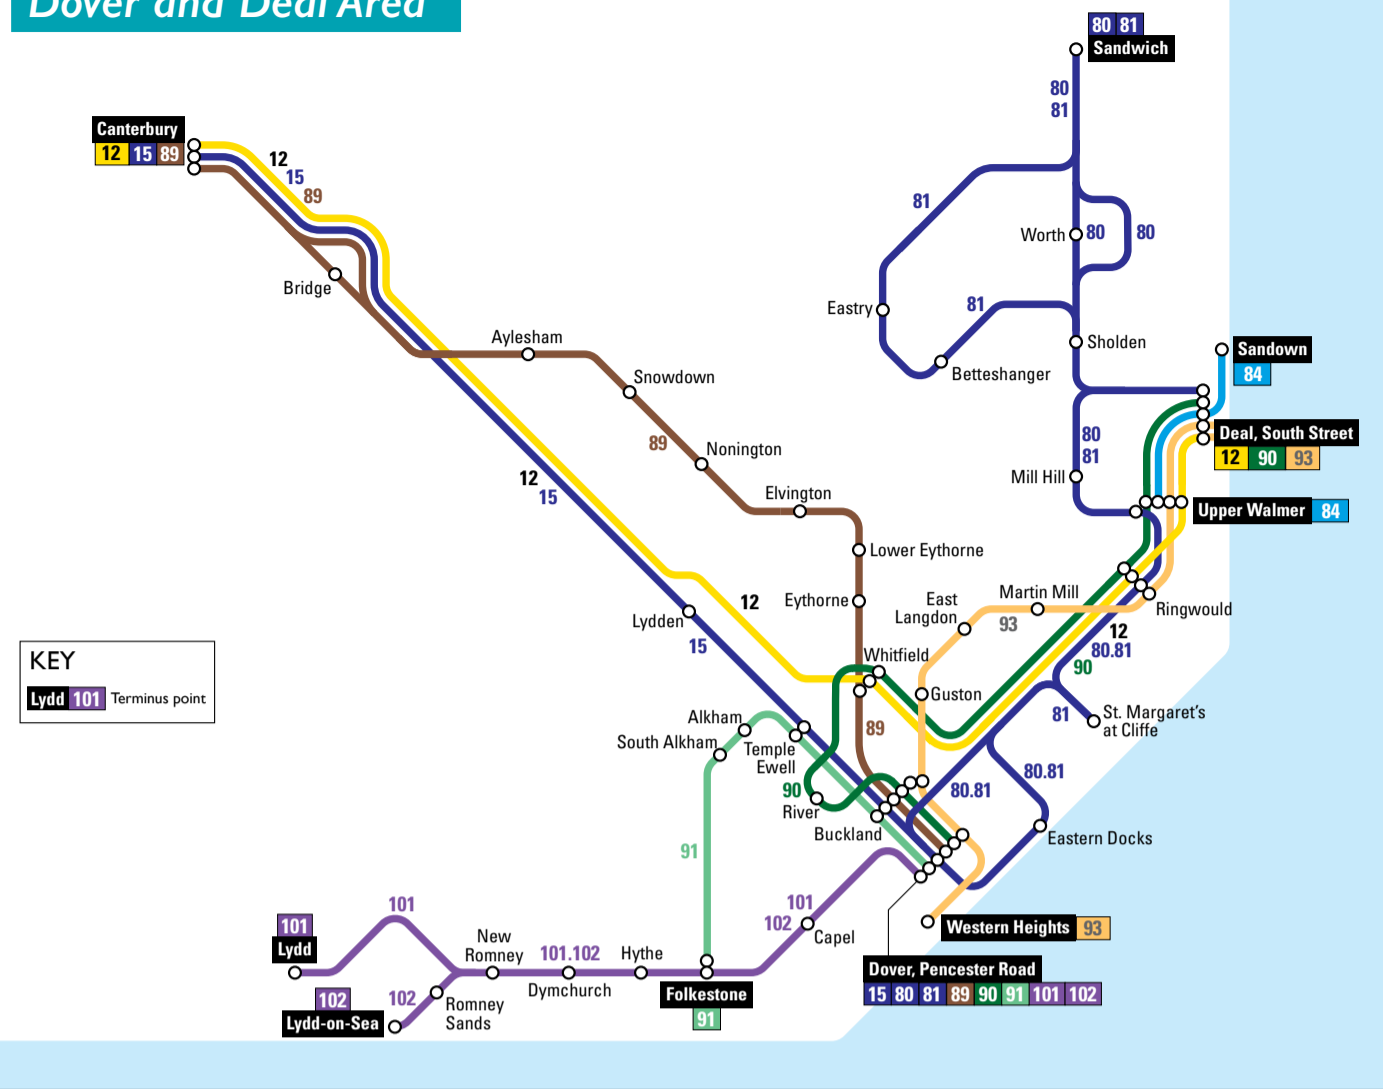

Most bus services are run for profit, but some would not be viable without subsidy. Kent County Council devotes over £6 million annually to the support of these socially necessary bus services. Many services in this guide fall into this category. If you have a complaint or a suggestion to make about your local bus services, please contact the relevant operator in the first instance.

If this proves unsatisfactory please contact:
Transport Integration, Kent County Council, Public Transport,
PO Box 441, Aylesford ME6 9HJ
