

Update on the conclusion of the 2023-24 audit

The Accounts and Audit Regulations 2015 require the Council to publish a statement confirming:

- that the audit has been concluded,
- that the statement of accounts has been published,
- the rights of inspection conferred in local government electors by Section 25 of the Local Audit and Accountability Act 2014 and the address at which, and the hours during which, those rights may be exercised.

The audit cannot be formally concluded and an audit certificate issued by our external auditors until work has been completed in relation to consolidation returns, including Whole Government Accounts (WGA), and the National Audit Office has concluded their work in respect of WGA for the year ended 31 March 2024.

The notice of conclusion of the audit will be published as soon as this has been issued.
