Criteria 1

Is this child in Local Authority Care? Yes No

Looked After Children/Children in Local Authority Care and children that were looked after but are no longer due to an adoption.

A child under the age of 18 years for whom the Local Authority provides accommodation by agreement with the parents/carers (Section 22 of the Children Act 1989) or who is subject of a care order under Part IV of the Act. This applies equally to children who immediately after being looked after by the local authority became subject to an adoption, residence or special guardianship order. (As defined by Section 46 of the Adoption and Children Act 2002 or Section 8 or 14A of the Children Act 1989).

Criteria 2, 3, 4

Do you attend a Christian Church? Yes No

If yes: Please state name and address of Church:

.....

Do you attend a Christian Church at least once a month? Less than once a month?

It is your responsibility to provide the school with a reference from the priest or minister of your place of Worship. This should be on headed paper stating your commitment. Practising members of a Church are defined as attending at least once a month for the previous year.

All Christian denominations other than Church of England should be members of 'Churches Together in Gravesham'.

Criteria 5

Will the child have an older brother or sister attending Holy Trinity School at the time of admission? Please give their name(s) and class(es).

.....

A brother or sister must be attending the school when the child starts. In this context a brother or sister means children who live as brother or sister in the same house, including natural brothers and sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

Criteria 6

Please provide a utility bill (e.g. Gas, Electric, Council Tax bill) as proof of your address (not more than three months old). The address will be used on all future correspondence unless otherwise notified. Please use house numbers/house names and post codes.

A child's home address is considered to be a residential property that is the child's only or main residence (not an address at which the child may sometimes stay or sleep) and which is either owned by the child's parent, parents or guardian or leased or rented to them under a lease or written agreement. Where partners live apart but share responsibility for the child, and the child lives at two different addresses during the week, we will regard the home address as the one at which the child sleeps for the majority of week days.

We ask the Local Authority to calculate distances. They use the distance between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point data. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody.'
