Kent Minerals and Waste Local Plan

Kent Mineral Sites Plan
Kent Minerals and Waste Local Plan 2013-30 Early Partial Review

Submission Statement and Availability of Submitted Documents

The Kent Mineral Sites Plan and the Early Partial Review of the Kent Minerals and Waste Local Plan were submitted to the Secretary of State on 03 May 2019 for independent examination by a Planning Inspector.

The examination will determine whether all the legal and policy requirements have been observed, and whether the Plans provide reasonable and effective planning responses to the issues identified. This will involve a review of the submitted Plans, relevant evidence and the formal representations received. The examination may involve public hearings where representors can be invited to speak if they previously made formal representations on either Plan. It should be noted that, at this stage in the plan making process, further written comments are not invited. Details of any hearings will be provided once they are confirmed.

The Plans and all other submission documents (including Sustainability Appraisal and evidence base) are available to view online on the planning policy consultation portal at http://mylimehouse.kent.gov.uk/portal/second_call_for_sites_2016/independent_examination/. The portal webpage will be updated with the latest news and documents throughout the period leading up to and during the Examination, including the details of any public hearings once confirmed.

The Plans and other submitted documents can also be viewed on weekdays between the hours of 09:00 and 17:00 at Invicta House, County Hall, Maidstone, ME14 1XX.
