

# Highway improvements in your area

## A25 Brasted and Sundridge with Ide Hill Parishes

---

### What we plan to do

Kent County Council are planning to install a temporary average speed camera trial for the 2 villages of Brasted and Sundridge following many reports of speeding and aggressive driving on A25 for many years.

### When we plan to carry out the work and how long it will take

The work will take around **four days** to complete commencing **14 February 2022** between the hours of **((0930 and 0330) or (1900 and 0400))** when impacting on the carriageway. This type of work can be affected by bad weather, so if it is not possible for us to carry it out at this time, we will arrange a new date and let you know via a letter drop to your home. We will also put up signs along the road, before we start, showing the date we plan to start work.

### How will we carry out the works and how it will affect you

The works will be undertaken using **temporary traffic signals** to give our contractor a safe area within which to carry out construction.

### Why are we doing this work?

The A25 is also used by all types of traffic when incidents or maintenance occurs on the M25 which causes a significant increase in congestion, noise and damage to the road infrastructure.

The trial extents will include 2 cameras, one located at the start of the residential area west of Brasted and one west of The White Horse Public House car park in Sundridge. Signing of the cameras will also be necessary on the lead upto their locations - see plan over page for camera locations.

Further information can be found on the link below:-

[www.kent.gov.uk/A25](http://www.kent.gov.uk/A25)

### How you can help us

We need your help to make sure the work is done as quickly as possible and to the best possible quality. We want to complete the works as quickly as we can and without causing you too much inconvenience. If your vehicle is usually parked on the carriageway, please make sure you park it somewhere else away from the site whilst the works are carried out.

***For your safety and the safety of our workforce, please drive carefully and slowly through the roadworks.***

Feedback from our workers shows that too many drivers go too fast through roadworks. Everyone is entitled to a safe workplace and our staff work next to moving traffic and risk injury every day to maintain and improve the highway for everyone.

### How to contact us?

For further information or to find out more about what we do please visit our website [www.kent.gov.uk/highways](http://www.kent.gov.uk/highways) where you can also report a fault on any of our roads across Kent. You can find us on Twitter @KentHighways. You can also view our diversion/permit details at [www.one.network](http://www.one.network). Alternatively, you can call us on **03000 41 81 81**.

We often ask residents to fill in a short feedback survey on line at [www.kent.gov.uk/roadworkssurvey](http://www.kent.gov.uk/roadworkssurvey).

### WARNING – Beware Bogus Callers

Kent County Council Highways, Transportation and Waste do not allow works to be carried out on private properties. If anyone says they are working for us or our specialist contractors and offer to carry out any work for cash, they should be treated with caution. We advise you to contact Citizen's Advice on 03444 111 444 (Monday to Friday 9.00am to 5.00pm)
