Dear Resident,

Re: The Limes

Following our previous letters we write to provide you with a further update regarding The Limes, specifically regarding the removal of the site welfare cabins.

Removal of the Site Welfare Cabins

We are writing to inform residents of the plans in place to ensure that the site welfare cabins are safely removed from the site, as outlined below:

- The removal of the cabins will take place on Tuesday 27th August 2024.
- On Monday 26th August 2024 to Tuesday 27th August 2024, we shall be placing 'no parking' cones in the road and additional signage on lamp columns to advised motorists not to park in the below highlighted areas marked in yellow. This is to ensure that there is adequate clear space on the road for the cabins to be safely and efficiently removed from the site.
- The work shall be managed and coordinated by the contractor on site with a designated banksman to ensure the safety of the activity.
