Prescribers will only be able to place orders for specified items listed opposite.

Using PIN provided place order using iRIS and where prompted enter Swift ID number onto iRIS

Select appropriate delivery address i.e. Occupational Therapy office base address or Prison address (DEPENDENT ON ITEM SIZE)

After completion of iRIS order log into Swift/AIS and ensure that the equipment provision is added to the system. Any clinical reasoning templates to be submitted with order.

Record contact name order – this can be the prison healthcare porter who will notify the prison gate of the expected delivery date.

Consideration should be made when selecting delivery options as additional time will be required to access the rigorous security processes.

Occupational Therapist to undertake a visit to assess equipment and user.
