

SALMESTONE PRIMARY SCHOOL

ADMISSIONS POLICY SEPTEMBER 2026 ENTRY

Arrangements for applications for places in Reception at Salmestone Primary School will be made in accordance with Kent's coordinated admission arrangements; parents resident in Kent can apply online [here](#); parents resident in other areas must apply through their home local authority. Salmestone Primary School will use Kent's timetable published online for these applications and Kent will make the offers of places as required by the School Admissions Code.

Published Admission Number (PAN)

Salmestone Primary School admits 30 pupils into Reception. If there are fewer applicants than places available all applicants will be admitted. Children are admitted to Reception in the school year in which they have their fifth birthday.

Admission to the Nursery does not give priority for subsequent admission to Reception and the application process for entrance to Reception must be followed.

Special Educational Needs

Any child with an Education, Health and Care Plan that names the academy will be admitted. As a result of this, the PAN will be reduced accordingly.

Oversubscription Criteria

If there are more applications than places available we will apply the oversubscription criteria listed below:

1. Looked after children and previously looked after children. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to the school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). Previously looked after children also includes those who have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. A child with a sibling on roll at the time of admission. Sibling means a natural brother or sister, a half brother or sister, a legally adopted brother or sister, a step brother or sister or other child living in the same household as part of the same family who, in any of these cases, will be living at the same address at the date of their application for a place.
3. Children who have an exceptional medical need or physical impairment which makes the school particularly suitable for the child. Priority will be given to those children who have a demonstrable and significant need to attend Salmestone Primary School. Applications for priority in this criterion will need to be supported by written evidence from a medical practitioner who can demonstrate a

special connection between the applicant's needs and Salmestone Primary School.

4. Children of current staff: a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage. This applies to all staff.
5. Distance - we use the distance between the child's permanent home address (defined in KCC's annual admissions prospectus) and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight-line measurements are used to determine how close each applicant's address is to the school. Where applications are made from properties or abodes that are not registered to the NLPG, including new build properties, KCC may be required to use planning sites or other relevant co-ordinates. In exceptional circumstances where alternative co-ordinates are not available, measurements will be determined by a Senior Admissions Officer and confirmed by Head of Service.

Where a child lives normally during the school week with more than one parent at different addresses, the permanent home address for the purposes of school admissions will be the one where the child spends the majority of their time.

Tie-break

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then random allocation will be used. This process will be supervised by somebody independent of the school.

Multiple Births

In the case of twins or other multiple births, where there is only one place available in the school, both or all of them will be considered together as one application. The school will be allowed to go above its admission number for this purpose.

Fraudulent or Misleading Applications

As an admission authority we have the right to investigate any concerns we may have about your application and to withdraw the offer of a place if we consider there is evidence that you have made a fraudulent claim or provided misleading information, for example a false address was given which denied a place to a child with a stronger claim. We reserve the right to check any address and other information provided so we can apply the oversubscription criteria accurately and fairly.

Fair Access Protocol

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced, vulnerable

children are offered a place at a suitable school as quickly as possible. The school will comply with Kent's Fair Access Protocol. This may mean admitting children above the PAN.

Deferred entry for Reception places

In accordance with the requirements of the Admissions Code, if your child has been offered a place: -

- a) your child is entitled to a full-time place in the September following their fourth birthday;
- b) you can defer the date your child is admitted to the school until later in the school year but not beyond the point at which your child reaches compulsory school age and not beyond the beginning of the final term of the school year for which it was made; and

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. To do so, they should include a written request with their application, setting out the year group in which they wish their child to be allocated a place and the reasons for their request. It is important for parents to note that they will have responsibility for providing evidence to support their request. When such a request is made,

rationale provided by the parents and the views of the headteacher.

In-year admissions

For all information regarding In-Year Admissions, including details on how parents can apply for a school place, an application form to complete, the timescale in which your application will be processed and details on the right to appeal, please visit the school website.

Waiting List

Any child refused a place at the school will automatically be put on the waiting list unless a higher preference school has been offered. A waiting list will be maintained for until 31 December. If a parent wishes to be put on the waiting list or remain on the waiting list after 31 December they should contact the school. The waiting list is maintained in the order of the oversubscription criteria. This means that names can move down the list if, e.g. someone moves into the area and is higher placed under the oversubscription criteria.

Appeals

The parents of any child refused a place at the school have a right to appeal to an independent appeal panel. The decision of the independent appeal panel is binding on all parties.
