Oversubscription criteria:

If the number of preferences for the school is more than the number of places available, places will be allocated in the following priority order:

1. Students in public care.
2. Students with specific educational or social needs evidenced by professional advice.
3. Nearness of children's home to school. We use the distance between the child's permanent address and the school, measured in a straight line using Ordnance Survey address point data.
