- Check that shops do not sell age-restricted products to under-age young people, like cigarettes or alcohol.
- Work in partnership with Community Wardens, Kent Police and Citizens Advice to warn residents about scams and to support and advise those that have been targeted.
- Provide a fair trader scheme where you can choose reliable and trusted trades, called Checkatrade.
- Support and provide advice to businesses in Kent.
- If you have been phoned by someone you do not know (this is called cold-calling) or been involved in a scam or if you are having trouble with something you have bought you can report it to Citizens Advice consumer service on 03454 04 05 06 and they will tell Trading Standards.
