

Tymerwood Primary Academy admission arrangements for 2020/21

Tymerwood Primary Academy is a primary academy in Gravesend in Kent and is part of REACH2 Academy Trust. This admissions policy was finalised following public consultation on a Trust-wide approach to admissions. Our aim is to ensure all our academies have simple, consistent admissions arrangements that focus on serving the local community, reflect our vision and values and are as easy as possible for parents/carers of potential pupils to understand. More information about REACH2 is available on our website:

www.reach2.org

Tymerwood Academy is a two form entry with a nursery (rising 3+). In our nursery we offer places for both morning and afternoon (we do not currently offer a full day teaching provision). We offer an exciting brand of education believing that by creating challenging and meaningful lessons which cater for all learners will give children the necessary skills for the future and foster a real life-long love of learning.

Admission number and process

The school has an admission number of 60 for entry in Reception.

The school will accordingly admit this number of pupils if there are sufficient applications. Where fewer applications than this are received, the Academy Trust will offer places at the school to all those who have applied.

Applications in the 'normal round' (that is the main cycle of applications for places from the beginning of the school year) are administered on behalf of the Academy Trust by Kent Local Authority as part of the local coordinated scheme.

Oversubscription criteria

When the school is oversubscribed (that is, there are more applications than places available), after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to those children based on the criteria set out below, in the order shown:

1. Children in Local Authority care or previously in Local Authority care i.e. a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order.
2. Children with siblings in the school
3. Nearness of children's homes to school – meaning that the remaining places are allocated in order of each child's proximity to the school.

REACH2 Academy Trust, Company Number: 8452281, Registered in England and Wales; Registered Address: Scientia Academy, Mona Road, Burton Upon Trent, DE13 0UF

Definitions relating to the criteria

1. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). These definitions are set nationally, by the Department for Education.
2. 'Siblings' are defined as "brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters, foster brothers or sisters". The sibling must be at the school at the point of proposed admission. Note – this definition is the one used by the Local Authority in relation to admissions to schools that they maintain - REAch2 schools adopt the same definition to avoid any confusion and keep arrangements as simple as possible for local parents and carers.
3. 'Nearness of children's homes to school' - we use the distance between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight line measurements are used to determine how close each applicant's address is to the school. Note – these definitions are used by the Local Authority in relation to admissions to schools that they maintain – REAch2 schools adopt the same definition to avoid any confusion and keep arrangements as simple as possible for local parents and carers.

Tie-breaker

Where the admission number given above is reached part way through one of the above over-subscription criteria, the remaining places available are allocated on proximity to the school¹; but only after

- a) any applications are considered where there is third party evidence (e.g. from a medical specialist or a social worker), provided at the time of the application, setting out the exceptional medical/social need of the child (or their parent/carer) and why only this school, rather than any other, is able to meet that need; the final decision on such applications will be made by the school's governors.

and then

- b) children of school staff filling a skill shortage post have been admitted – this option is only available for teaching or leadership staff with a permanent contract to work at the school (and not employees in REAch2 regional or central teams); it will be subject to confirmation by an independent REAch2 regional non-executive that, on the evidence available, the post does indeed relate to a skills shortage in the area.

¹ As measured according to the earlier 'Definitions' section. If the distance is exactly the same for two or more children, the remaining available place will be allocated on the basis of random allocation undertaken by the Local Authority. Note that random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place. We will admit them all and exceed our admission number, as permitted by the national infant class size rules set by DfE

Late applications

All applications received by the Local Authority after the deadline will be considered to be late applications. These will be considered after those received on time. If all available places are allocated to children whose applications were received on time, parents or carers who have made a late application may request that their child is placed on the school's waiting list.

Deferred entry for Reception places

Parents/carers offered a place in Reception for their child have a right to defer the date their child takes up the place, or to take the place up part-time, until the child reaches compulsory school age. Children reach compulsory school age on 31 August, 31 December or 31 March – whichever of those three dates follows (or falls on) the child's 5th birthday.

Places cannot be deferred beyond the beginning of the summer term of the school year for which the offer was made.

Admission of children outside their normal age group, including for 'summer-born' children

Parents or carers may request that their child is admitted outside their normal age group. To do so, they should include a written request with their application, setting out the year group in which they wish their child to be allocated a place and the reasons for their request.

When such a request is made, the Headteacher will make a decision on the basis of the circumstances of the case, based on their professional judgement of what is in the best interest of the child, taking account of the evidence and rationale provided by the parents/carers.

Waiting lists

Where the school receives more applications for places than there are places available, a waiting list will be maintained by the school and it will be open to any parent or carer to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact Kent Local Authority Admissions Team within 10 school days of the refusal to lodge an appeal. The appeals process is run in accordance with the statutory processes and timescales set out in the School Admissions Appeals Code.
