

Northbourne Church of England Primary School

Admissions Arrangement Consultation For Admission Year 25-26

The above-mentioned school is a school in Deal Education Alliance for Learning Trust.

As our own admissions authority, we are required under the School Admissions Code 2021 to review our admissions policies annually and to consult on our arrangements from time to time. The code requires consultation in the following circumstances:

- When changes are proposed to admission arrangements, all admission authorities must consult on their admission arrangements (including any supplementary information form) that will apply for admission applications the following school year.
- Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that admission authorities must consult on their admission arrangements at least once every 7 years, even if there have been no changes during that period.

The school is consulting to make no alterations to the Admissions Policy for the year 2025/26

Please find the full policy and admissions arrangements attached. The proposal also includes updates to the wording of the policy and layout to ensure clarity of the process for parents/carers and better compliance with the admissions code.

If you wish to comment on the policy, please email consultations@dealt.org.uk

This consultation will open on 18th December 2023 and any comments relating to the policy will need to be received by 31st January 2024.

The Local Governing Body will meet soon after the closure of the admissions consultation to consider any comments. If no comments are received the policy will be considered at the next available meeting of the Local governing Body and recommended for determination by the Trust Board at their meeting in the spring of 2024.

Northbourne Church of England Primary School

Admissions Policy for academic year admissions 2025/2026 STATUTORY POLICY

School Mission Statement

"...if you have faith as small as a mustard seed...nothing will be impossible."
(Matthew: 17 v20)

VISION STATEMENT:

Our vision is to put *God* and *Family* at the heart of all we do. As a *nurturing* community, we use the parable of The Mustard Seed *"...if you have faith as small as a mustard seed...nothing will be impossible."* (Matthew: 17 v20) This guides the way we value and treat all members of our school community. Through our pastoral care and our rich curriculum experiences, we provide a safe and dynamic learning environment in which all can flourish.

To grow in: Faith, Love, Compassion, Kindness, Respect & Forgiveness

Our six Christian Values are at the heart of our vision. Every day we aspire to grow in **Faith, Love, Compassion, Kindness, Respect and Forgiveness**, so that our school family may experience the joy and hope of **"life in all its fullness"** (John: 10 v10)

1. Aims

This policy aims to:

- Explain **how to apply** for a place at the school
- Set out the school's **arrangements for allocating places to the pupils** who apply
- Explain **how to appeal** against a decision not to offer your child a place

2. Legislation and statutory requirements

This policy is based on the following advice from the Department for Education (DfE):

- [School Admissions Code](#)
- [School Admission Appeals Code](#)

The school is required to comply with these codes, and with the law relating to admissions as set out in the [School Standards and Framework Act 1998](#).

3. Definitions

The **normal admissions round** is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

LAC - Looked after children are children who, at the time of making an application to a school, are:

- In the care of a local authority, or
- Being provided with accommodation by a local authority in exercise of its social services functions

PLAC - Previously looked after children are children who were looked after, but ceased to be so because they:

- Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or
- Became subject to a child arrangements order, or
- Became subject to a special guardianship order

IAPLAC - internationally adopted previously looked after children are children who were looked after outside of England, but ceased to be so because they:

- Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or
- Became subject to a child arrangements order, or
- Became subject to a special guardianship order

A child reaches **compulsory school age** on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

4. How to apply

For applications in the normal admissions round you should use the application form provided by your home local authority (regardless of which local authority the schools are in). You can use this form to express your preference for a minimum of 3 state-funded schools, in rank order.

You will receive an offer for a school place directly from your local authority.

5. Requests for admission out of the normal age group

Parents are entitled to request a place for their child outside of their normal age group.

Requests for admission outside of the normal age group should be made to the Headteacher as early as possible in the admissions round associated with that child's date of birth. This will allow the school and admissions authority sufficient time to make a decision before the closing date.

Parents are required to complete an application for the normal point of entry at the same time, in case their request is declined. This application can be cancelled if the school agrees to accept a deferred application for entry into Year R the following year. Deferred applications must be made via paper CAF to the LA, with written confirmation from each named school attached. Deferred applications will be processed in the same way as all applications for the cohort in the following admissions round, and offers will be made in accordance with each school's oversubscription criteria.

Decisions on requests for admission outside the normal age group will be made on the basis of the circumstances of each case and in the best interests of the child concerned. In accordance with the School Admissions Code, this will include taking account of:

- Parents' views
- Information about the child's academic, social and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- The headteacher's views

Wherever possible, requests for admission outside a child's normal age group will be processed as part of the main admissions round. They will be considered on the basis of the admission arrangements laid out in this policy, including the oversubscription criteria listed in section 6. Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group.

Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.

6. Allocation of places

6.1 Admission number

Northbourne Church of England Primary School has an agreed admission number of 20 pupils for entry in Year R

6.3 Oversubscription criteria

All children whose statement of special educational needs (SEN) or education, health and care (EHC) plan names the school will be admitted before any other places are allocated.

If the school is not oversubscribed, all applicants will be offered a place.

In the event that the school receives more applications than the number of places it has available, places will be given to those children who meet any of the criteria set out below, in order until all places are filled.

1. Highest priority will be given to looked after children and all previously looked after children who apply for a place at the school.
2. Current family association e.g. elder brother/sister at the school. Children with a brother or sister in the same school at the time of entry. In this context brother or sister means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters, foster brothers or sisters.
3. Health and Special Access Reasons – Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment, mean that they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents'/ guardians' physical or mental health or social needs mean that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between the needs and our school.
4. Nearness of a child's home and ease of access to School. We use the distance between the child's permanent home address and the school, measured in a straight line using Ordnance Survey address point data. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by Ordnance Survey. The same address point on the school site is used for everyone.

6.4 Tie break

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Distance will be measured in a straight line from the child's home address to the school's front gate. A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

6.5 Children below compulsory school age

Where children below compulsory school age are offered a place at the school, they will be entitled to attend the school full-time in the September following their fourth birthday.

Parents may defer their child's entry to the school until later in the school year but not beyond the point at which the child reaches compulsory school age, and not beyond the beginning of the final term of the school year the offer was made for.

Where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

7. In-year admissions

You can apply for a place for your child at any time outside the normal admissions round. As is the case in the normal admissions round, all children whose statement of SEN or EHC plan names the school will be admitted.

Likewise, if there are spaces available in the year group you are applying for, your child will always be offered a place.

If there are no spaces available at the time of your application, your child's name will be added to a waiting list for the relevant year group. When a space becomes available it will be filled by one of the pupils on the waiting list in accordance with the oversubscription criteria listed in section 6.3 of this policy. Priority will not be given to children on the basis that they have been on the waiting list the longest.

Applications for in-year admissions should be sent to the following address:

Northbourne Church of England Primary School

Coldharbour Lane

Northbourne

Deal

CT140LP

8. Appeals

If your child's application for a place at the school is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals. If you wish to appeal, the procedure for appeal can be found on the KCC website at:

www.kent.gov.uk/education-and-children/schools/school-places

9. Monitoring arrangements

This policy will be reviewed and approved by the full governing board every year.

Whenever changes to admission arrangements are proposed (except where the change is an increase to the agreed admission number), the governing board will publicly consult on these changes.
