

3 Step Guide to Using the Multiple Performance Licence Form

Applying for a licence for more than 10 children? You will need to submit more than one online form

Submit 1 online form per 10 children, for example:

Between 2 and 10 children = 1 form

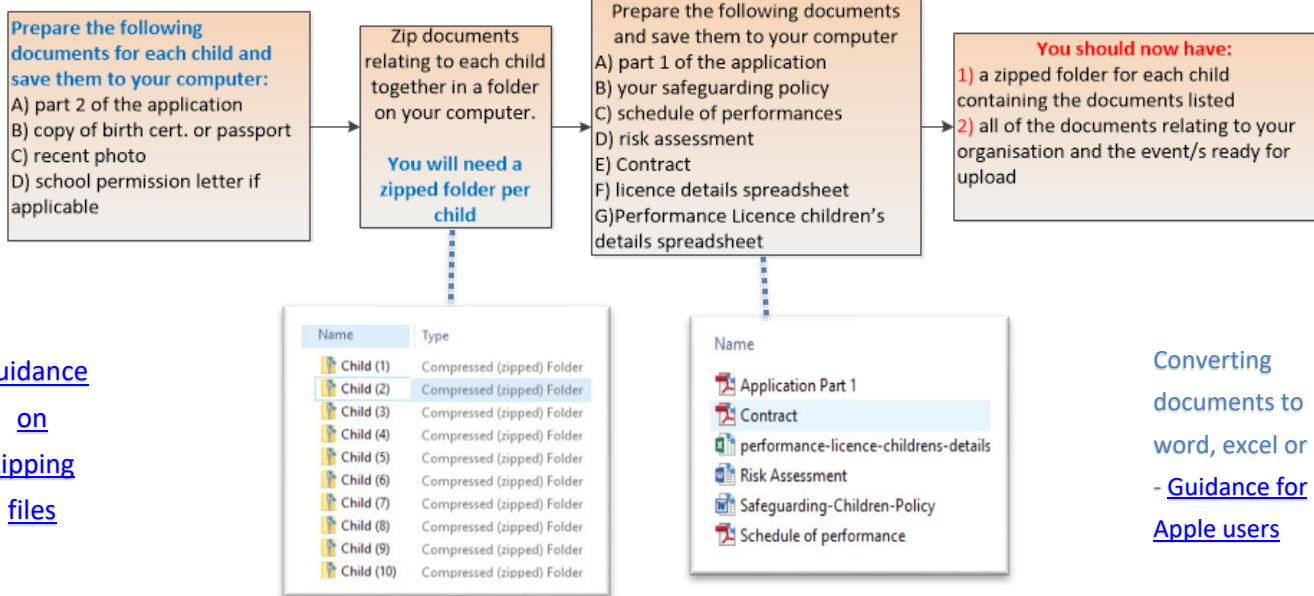

16 children = 2 forms: 1 with 10 children, 1 with the remaining 6 children

34 children = 4 forms: 3 with 10 children, 1 with the remaining 4 children

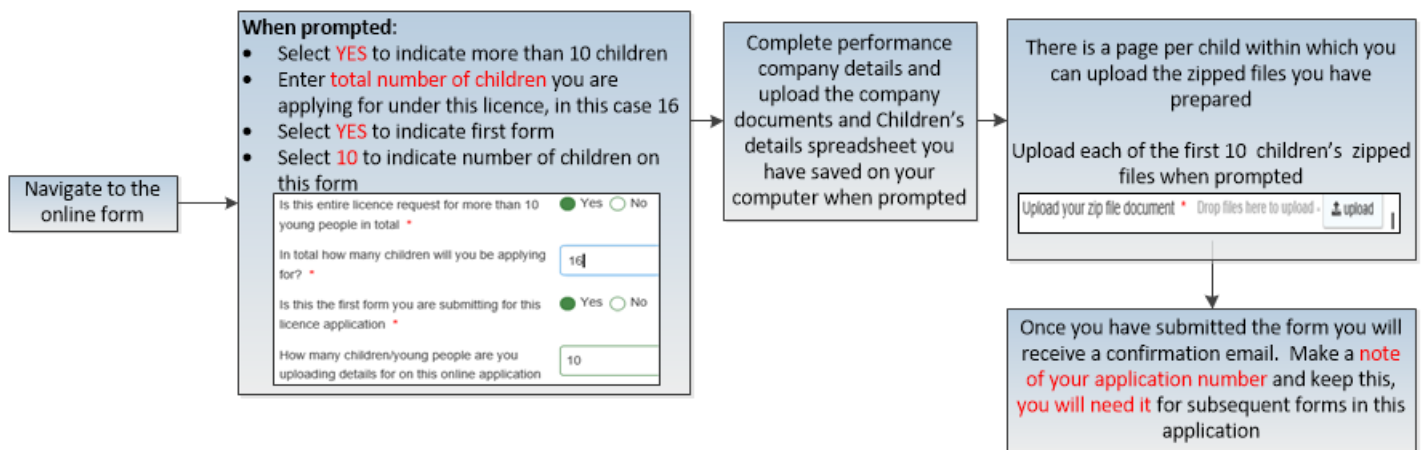

112 children = 12 forms: 11 with 10 children, 1 with the remaining 2 children

Completing your application in 3 simple steps:

1) **Preparation:** You **must** have all your documents ready before accessing the online form:

2. Completing the **first** online form (if your application is for between 2 and 10 children you will only complete 1 form)

3. Completing **subsequent** forms until all children have been applied for online
