You may need to provide original copies of these documents to the school later.

Proof of your address should include:

- Council Tax statement for 2021/22 and 2022/23 OR

- Child benefit statement

Please note: This is not an exhaustive list, and the school/Local Authority reserves the right to request further documentation if it considers the evidence provided insufficient to prove residence at the application address. If you are unable to send your address documents via email, please advise the school. If you cannot evidence that the address you used meets the requirements on page 16 of the [primary admissions guide](#) your place may be withdrawn even if your child has already started school. If you are concerned you have used an incorrect address on your application, or your circumstances have changed unexpectedly please contact the Primary Admissions team for guidance at primaryadmissions@kent.gov.uk.

Failure to provide sufficient address evidence or if you provide evidence that does not support your address at the final closing date of Friday 11 February 2022, may result in the offer being withdrawn even after your child has started at the school.
