

## **Determined Admissions arrangements for Iwade School September 2020**

The Board of Directors is the admissions authority for Iwade School. The Directors are planning to admit (Published Admission Number) 90 children to Year R in September 2020. Children will be admitted without reference to ability or aptitude. Before the application of oversubscription criteria any child with an Education, Health and Care Plan (EHCP) naming the school will be admitted, in which event the Published Admission Number will be reduced accordingly.

The Directors recognise and agree that the 2014/15 school expansion was proposed to provide education for the communities within the Parish of Iwade; we also recognise and agree that continuity of the provision of education within the family is important. Our Admissions Policy and the criteria associated with it are designed to reflect those priorities, together with requirements that are statutory obligations prescribed by current government regulation.

### **Deferment of Entry**

Parents of reception age children have the right to deferment of entry or to take the place up part-time until the term in which the child reaches compulsory school age. The only restriction is that the child must secure the offered place by starting school on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day), but not beyond the beginning of the final term. The prescribed days are 31 December, 31 March and 31 August.

This means that children born between the 1 April and 31 August (also known as “summer born”) must start school at the beginning of the April term if they wish to keep their offer. Where parents wish for their summer born child to defer entry until the start of Year 1, they must refuse their offered place, which may be offered to a different child, and then reapply through the In Year process. These applications should be made during the last month of Reception Year. These children will be ranked according to normal in year admissions oversubscription criteria.

### **Applications for Children to be Taught Outside their Expected Age Group**

Requests for admission outside of the normal age group should be made to the Headteacher of each preferred school as early as possible in the admissions round associated with that child’s date of birth. This will allow the school and admissions authority sufficient time to make a decision before the closing date. Parents are not expected to provide evidence to support their request to defer their application, however where provided it must be specific to the child in question. This might include medical or Educational Psychologist reports. There is no legal requirement for this medical or educational evidence to be secured from an appropriate professional, however, failure to provide this may impede a school’s ability to agree to deferral. Parents are required to complete an application for the normal point of entry at the same time, in case their request is declined. This application can be cancelled if the school agrees to accept a deferred application for entry into Year R the following year. Deferred applications must be made via paper CAF to the LA, with written confirmation from each named school attached. Deferred applications will be processed in the same way as all applications for the cohort in the following admissions round, and offers will be made in accordance with each

school's oversubscription criteria.

### **Over-subscription Criteria**

If applications exceed the number of places available the oversubscription criteria will be applied in the following order of priority which will also be used if applications within any of the categories exceed places available and it is necessary to decide between them:

#### **1. Children in Local Authority Care or Previously in Local Authority Care**

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

#### **2. Sibling**

Children with a sibling attending the school at the time of application. Sibling is defined in these arrangements as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

The sibling claim will stand if the family have continued to live at the same house as when the older sibling was admitted into the school, OR

- If the family have moved, and they have moved to within 2 miles of the school, OR
- If the family have moved nearer to the school from where they were living previously.

However, if the family have moved more than 2 miles from the school since the older sibling was admitted, the sibling link is broken.

#### **3. Children with Exceptional Compassionate, Social, Medical/Health or Special Access Needs**

Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend Iwade School. Equally this priority will apply to children whose parents'/guardians' physical or mental health or social needs mean that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and Iwade School.

#### **4. Children of Staff**

Firstly, where the member of staff has been employed by Timu Academy Trust for 2 years or more at the time at which the application for admission to the school is made. Secondly, a member of staff is recruited to fill a vacant post for which, in the opinion of the Directors, there is a demonstrable skill shortage.

#### **5. Catchment Area**

Children living within the Parish of Iwade at the time of application, as defined by the following map. The Directors define resident to mean those who live or are about to live (having entered into a legally binding contract) within the said parish. The Directors define a child's primary residence as that where the parents are registered on the local authority's Electoral Roll.

## 6. All other children

Remaining places will be offered to children according to how near their permanent residence is to the school, with those living closer to the school receiving a higher priority.

### Measuring Distance

***All of the above criteria will be ordered by distance in according with the following:***

We use the distance between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point data. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. The school uses measurements provided by the Local Authority and further information on how distances are calculated, the definition of a child's home address, and how flats are treated for measurement of distance is available in the Admissions Booklets provided by the Local Authority. In the unlikely event that two or more children live at the same distance from the school and in all other ways have equal eligibility for the last available place at the school, then the names will be issued a number and drawn randomly to decide which child is given the place.

Where any waiting list is held, it will be re-ranked, in line with the published oversubscription criteria, every time a child is added.

***Procedures for admissions will be as described in the Local Authority's admissions booklet.***
