1. **Introduction**

This book has been produced to help you apply for a place for your child in a Primary school. If you wish to know more about a particular school, you can visit the school’s website, contact the school directly for a prospectus or make an appointment to visit.

If you have any general questions about admissions that have not been answered in this booklet, please contact the Kent County Council Contact Centre on **03000 412121** and ask to speak to a member of the Primary Admissions team.

2. **What is Primary Education?**

Primary Education covers the age range 4 to 11 and includes the following types of school:

- **Primary schools** admit children aged from 4 to 11 years. The year groups are from Reception Year to Year 6.
- **Infant schools** admit children aged from 4 to 6 years. The year groups are from Reception Year to Year 2. As Infant schools do not admit children for Year 3 and above, parents of children in Infant schools will need to apply for a Year 3 place at either a Junior or Primary school when their child reaches Year 2 – See section 12 for more details.
- **Junior schools** admit children aged from 7 to 11 years. The year groups are from Year 3 to Year 6.

3. **When can my child start school?**

An academic year runs from September in one calendar year to August of the following calendar year. Children who are born between **1 September 2015** and **31 August 2016** will normally start school during the school year 2020 to 2021.

Parents do not legally have to send their child to school until the term in which their child reaches compulsory school age – the term after their 5th birthday. However, to give as many children as possible at least eight terms in infant education, all schools must provide for the admission of all children from the September following their fourth birthday.

4. **Will starting school affect my child’s entitlement to free Early Years education?**

All 3 and 4 year olds in England are entitled to 15 hours per week of free Early Years education each week for 38 weeks of the year and this can be used at registered Day Nurseries, Nursery schools, Pre-schools and childminders. From September 2017, many families will be able to claim up to 30 hours per week.

If your child starts school on a part time basis and you would like to know if they will be entitled to receive/continue to receive any free entitlement for the remainder of the day, you should contact the Kent Children’s Information Services on **03000 41 23 23** or email **kentcfis@kent.gov.uk** or visit the website **www.kent.gov.uk/cfis** for further information.

5. **I want to educate my child at home**

If you wish to educate your child at home and the child has never attended school, you do not have to inform Kent County Council, however it is good practice to do so.

If your child is attending school then you must put it in writing to the school that you wish to educate your child at home; the school have a statutory duty to inform Kent County Council of your decision. Following receipt of your intention to home educate, a Support & Advice Officer from the Access to Education team will contact you to discuss the process and arrange a visit.

The team can be contacted on **educationathome@kent.gov.uk**, further information is available at **www.kent.gov.uk/homeeducation**

6. **Who is responsible for admission arrangements to schools?**

Every school in Kent has an admission authority which is responsible for its admission arrangements. The admissions arrangements contain details about how the applications to the school will be prioritised or ranked.

Kent County Council is responsible for the admission arrangements for all the Community and Voluntary Controlled schools in Kent. For Voluntary Aided, Foundation and Free schools, the school’s governing body and for Academies, the Academy Trust is the admissions authority responsible for admission arrangements.

You can see what type of school each school is in the ‘Primary schools in Kent’ section. Although some schools set their own admissions arrangements, Kent County Council coordinates the admission process of all Primary schools in the County. This means that instead of applying separately to different schools, Kent parents apply to Kent County Council naming up to three school preferences.
7. How many school places are available?

Intake numbers are reviewed each year to ensure that there are sufficient places available in schools in each area of Kent for the number of children expected to apply for places.

All admission authorities have to plan for the number of children they admit to their schools very carefully. The Published Admissions Number (PAN) noted on each school entry in the ‘Primary schools in Kent’ section will show you the number of children that the school planned to admit this year. However, since the 2012 Admissions Code was introduced, schools have been able to decide to increase this number before offers are made. This is known as offering in excess of PAN and schools can decide to do this as late as February each year. While schools can increase the number of places that they make available, they are not able to reduce the number during this timescale. As KCC will be unaware of many schools’ intentions to offer in excess of PAN, it is not recorded in this book. Please contact schools you are interested in naming as preferences to see if they are intending to increase their intake number this year, if this will be important to your decision-making process.

Since September 2001, the law has said that an Infant class (Reception, Year 1 and Year 2) cannot have more than 30 children with one qualified teacher in a classroom. The teacher must be a fully qualified teacher and not a teaching assistant; schools therefore cannot admit above 30 children per class.

8. What are my chances of getting a place at the school I want?

You will find the following information about last year’s Offer Day at the end of each area section of ‘Primary schools in Kent’ for Community and Voluntary Controlled schools:

- Published Admissions Number (PAN) or number of spaces available in reception for Primary and Infant schools and Year 3 for Junior schools. This will not indicate if a school is planning to offer in excess of PAN;
- total number of applications that were received for each school last year (includes all 1st, 2nd and 3rd preferences and applications from children with an EHCP);
- total number of offers made;
- distance that the lowest ranked child that was offered lived from the school in miles;
- that the school is its own admissions authority.

As Voluntary Aided, Foundation, Free schools and Academies can have more complex oversubscription criteria, please contact them directly if you need help to work out which criteria your child is likely to qualify for.

Please be aware, for Community and Voluntary Controlled schools, the distance of the last child offered (under the distance criterion) can change from year to year depending on the number of children that applied and where the children lived. Whilst you may live closer to the school than the distance given for the last child, it does not necessarily mean that your child would be offered a place this year.

For Voluntary Aided, Foundation, Free schools and Academies you must take into account the criterion under which your child will be ranked and speak to the school for further information regarding distances from the school. The lowest ranked child that is offered may live closer than a child that is ranked against a higher criterion, so this distance information is for reference only. You can also ask the Headteacher at any school for information on how many siblings they think they may have coming to the school or any other information they feel would be useful.

Whilst you may find this information helpful, the school may not have a complete picture of who will apply and it does not guarantee your child a place.

Some third-party websites offer parents an indication of their chances of securing a school place. Kent County Council does not validate the information on these websites and so parents should exercise caution when making decisions based on the data that they provide.
9. What happened for admissions in September 2019

In September 2019 there were 17,716 reception aged children requesting places across Kent.

For admission to Reception Year, 97.41% of Kent pupils got a place at one of the schools named as a preference with 89.28% getting an offer of a place at their first preference school.

For admission to Year 3 (Junior school), 99.9% of pupils got a place at one of the schools named as a preference with 99.3% of pupils getting an offer of a place at their first preference school.

10. To apply for your child to start at an Infant or Primary school in Reception

When you know which schools you are interested in, you need to apply either using the online process available at www.kent.gov.uk/ola or by completing a paper form called a Reception Common Application Form (RCAF). This form can be downloaded from www.kent.gov.uk/primaryadmissions or by contacting the Primary Admissions team. You should complete the application by naming up to three schools; putting them in order of preference with the one you would like most as first.

Only one application can be accepted per child and this application can be made by either a parent or guardian with parental responsibility for the child. If more than one application is received for a child, parents/guardians will be contacted and asked to agree in writing which application should be used. Where both parents retain parental responsibility for the child, it is not the role of the Local Authority to decide which application to use. Where agreement cannot be reached, both applications will be withdrawn and the child will not be offered a place on Thursday 16 April 2020.

Where a Court proceeding is sought to decide which parent’s application should be used, the Admissions team will require a full copy of any Court Order before any application will be accepted. Parents should be mindful of key deadlines when taking this approach as no extensions will be granted for any delays that may arise.

Applications for Children in Care should be made by the assigned Social Worker of the Local Authority that is the Corporate Parent.

KCC collects admissions applications and related data items from parents in order to fulfil the legal obligations laid out in the School Standards and Framework Act (1998) and the current School Admission Code (2014). In order for Local Authorities (LA) to fulfil these duties, the Department for Education (DfE) defines what data each LA must collect, how it must be referred to and what limitations (if any) are placed on its collection. These requirements are available in the Common Basic Data Set, which can be found on www.gov.uk.

Current DfE admissions guidance requires LAs to collect what it refers to as the child’s “gender” and allows for the collection of either Male (M) or Female (F) exclusively. KCC will be required to continue to request that admissions applicants confirm the child’s gender and provide Male or Female as the only available options until such a time as the DfE updates the Common Basic Data Set.

Where applications are made for transgender and non-binary gender pupils, parents are advised to discuss their application with their preferred schools to agree the most appropriate way to identify their child using the options that are currently available.

Even if you already have an older child at the school, you MUST apply for a place for your younger child. You will not automatically receive a place because you already have a sibling there.

When schools rank the children, they will not know if you have named their school 1st, 2nd or 3rd, they will simply rank the child against their oversubscription criteria. Naming only one preference does NOT guarantee your child a place at that school or give your child priority for a place over another child, neither does naming a school more than once. If you name a school multiple times, the duplicates will be deleted from your form and you will have lost the opportunity of naming different preferences.

There is no requirement to name three preferences but failing to do so increases the likelihood of the local authority making an offer of a school some distance from your home, where local schools have been filled with children that used their full range of preferences.

Parents are advised to consider whether they intend to apply for transport assistance, when selecting their preferences, as they will be used when determining their child’s eligibility. (See section 27 for more information).

If you are using a paper application form, then this should be returned to Kent County Council at the address in the front of this book. It will not be possible to acknowledge receipt of your form unless you enclose a stamped addressed envelope or alternatively you can send the form to us by recorded delivery.
If you are applying online for school places, you will have to register with the website and create a user account, selecting your own password. The website will ask you to validate your account by replying to an email which will be sent to the email address you have used to apply. This email is not an application.

Once registered, you can then make an application for school places either straight away or by logging back in at a later time, provided it is before the closing date.

An application is only valid if it has been submitted. Once you have submitted your application, you will be sent an email confirming that we have received it.

Where an application is unsubmitted by a parent, KCC will be unable to process it.

Kent County Council will not take any responsibility in checking the content of an application either paper based or via online.

It is the parents’ responsibility to ensure that:

- they are selecting the correct school for each preference;
- the application states if the child will have a sibling in the school or a linked school in September 2020 and must provide the sibling’s full name and date of birth;
- they send any medical evidence to the relevant school if they want priority under health and special access reasons (if applicable);
- they complete and return any Supplementary Information Form to the relevant school (see below).

Please contact the admissions team if your circumstances change significantly or you wish to change your application after it has been submitted.

The closing date for applications is **Wednesday 15 January 2020**.

If you require any help or assistance in applying online, contact the Online Admissions team on **03000 412121** during office hours or email **kentonlineadmissions@kent.gov.uk**.

If any of the schools you have expressed a preference for is an Academy, Voluntary Aided, Foundation or Free school you may also be asked to complete another form called a Supplementary Information Form (SIF). This form is used by the schools to rank your child against their oversubscription criteria. Schools that may require a SIF will be identified in the school details pages. You should return this form to the school and not to Kent County Council.

The SIF is not the official Kent County Council application form and you must still complete an RCAF naming the school otherwise your child will not be considered for a place at that school.

11. **To apply for your child to start at a Junior School in Year 3**

When you know which schools you are interested in you need to apply either using the online process available at [www.kent.gov.uk/ola](http://www.kent.gov.uk/ola) or by completing a paper form called a Junior Common Application Form (JCAF). This form can be downloaded from [www.kent.gov.uk/primaryadmissions](http://www.kent.gov.uk/primaryadmissions) or by contacting the Primary Admissions team. You should complete the application by naming up to three Junior schools; putting them in order of preference with the one you would like most as first.

Only one application can be accepted per child and this application can be made by either a parent or guardian with parental responsibility for the child. If more than one application is received for a child, parents/guardians will be contacted and asked to agree in writing which application should be used. Where both parents retain parental responsibility for the child, it is not the role of the Local Authority to decide which application to use. Where agreement cannot be reached, both applications will be withdrawn and the child will not be offered a place on **Thursday 16 April 2020**.

Where a Court proceeding is sought to decide which parent’s application should be used, the Admissions Team will require a full copy of any Court Order before any application will be accepted. Parents should be mindful of key deadlines when taking this approach as no extensions will be granted for any delays that may arise.

Applications for Children in Care should be made by the assigned Social Worker of the Local Authority that is the Corporate Parent.

Even if you already have an older child at the Junior school or another child at the linked Infant school, you MUST apply for a place for your younger child. You will not automatically receive a place because you already have a sibling there.

When schools rank the children, they will not know if you have named their school 1st, 2nd or 3rd, they will simply rank the child against their oversubscription criteria. Naming only one preference does NOT guarantee your child a place at that school or give your...
child priority for a place over another child, neither does naming a school more than once. If you name a school multiple times, the duplicates will be deleted from your form and you will have lost the opportunity of naming different preferences.

There is no requirement to name three preferences but failing to do so increases the likelihood of the local authority making an offer of a school some distance from your home, where local schools have been filled with children that used their full range of preferences.

**DO NOT** name any Primary schools on your JCAF as the form is only used to apply for a Junior school. If you name a Primary school, this will be deleted from your form and you will have lost the opportunity of naming a preference. Please note that if your child already attends a Primary school and you wish to move your child to a Junior school, your application will be dealt with as with any other applicant, but we will not offer an alternative Junior school place if we cannot meet your preferences.

If you do not wish your child to go to a Junior school and would rather apply for a Year 3 place at a Primary school, you must download an In Year Admissions Form at www.kent.gov.uk/primaryadmissions or contact your preferred school to request one. Children who attend Primary school do so from the age of 4, so any admission into Year 3 would be considered as outside the normal point of entry to the school. This reduces your chances of gaining a place at a Primary school, as the majority, if not all of the Year 3 places will be taken by the Year 2 classes progressing through the school.

A list of Kent Junior schools can be found on page 32. Junior schools are also listed at the back of each area section of ‘Primary schools in Kent’.

If you are using a paper application form, then this should be returned to Kent County Council at the address in the front of this book. It will not be possible to acknowledge receipt of your form unless you enclose a stamped addressed envelope or alternatively you can send the form to us by recorded delivery.

If you are applying online for school places, you will have to register with the website and create a user account, selecting your own password. The website will ask you to validate your account by replying to an email which will be sent to the email address you have used to apply. This email is not an application.

An application is only valid if it has been submitted.

Once you have submitted your application, you will be sent an email confirming that we have received it.

Where an application is unsubmitted by a parent, KCC will be unable to process it.

Kent County Council will not take any responsibility in checking the content of an application either paper based or via online.

It is the parents’ responsibility to ensure that:

- they are selecting the correct Junior school for each preference;
- the application states if the child will have a sibling in the school or the linked school in September 2020 and must provide the sibling’s full name and date of birth;
- they send any evidence to the relevant school if they want priority under health and special access reasons (if applicable);
- they complete and return any Supplementary Information Form to the relevant school (see below).

Please contact the Admissions team if your circumstances change significantly or you wish to change your application after it has been submitted.

The closing date for applications is **Wednesday 15 January 2020**.

If you require any help or assistance in applying online, contact the Online Admissions team on 03000 412121 during office hours or email kentonlineadmissions@kent.gov.uk.

If any of the schools you have expressed a preference for is an Academy, Voluntary Aided, Foundation or Free school you may also be asked to complete another form called a Supplementary Information Form (SIF). This form is used by the schools to rank your child against their oversubscription criteria. You only need to fill in a SIF if you wish for your child to be considered against the oversubscription criteria the school is collecting information about.

Schools that may require a SIF will be identified in the school details pages. You should return this form to the school and not to Kent County Council.

The SIF can be obtained from the school and its website or by going to the “Admission criteria 2020/21” section at www.kent.gov.uk/admissionscriteria if the school has provided us with a copy.
The SIF is not the official Kent County Council application form and you must still complete a JCAF naming the school otherwise your child will not be considered for a place at that school.

12. I am applying for an Infant school. What happens when my child is due to transfer to Junior school?

To transfer between an Infant and Junior school (from Year 2 to Year 3), parents MUST complete an application for Junior transfer which will open in the November of their child's Year 2 school year.

Parents can only apply for Junior schools, as Primary schools will fill their Year 3 places with their Year 2 pupils. If you do not apply through this process, then your child WILL NOT have a place at the Junior school the following September as there is no automatic transfer between schools.

If the Infant school your child attends is linked to a Junior school and you do not wish your child to go there you can name other Junior schools when completing the Junior Common Application Form. Information on linked schools can be found on page 32.

Parents can express a preference for up to three Junior schools.

If you do not wish your child to go to a Junior school and would rather apply for a Year 3 place at a Primary school, you must contact the school and complete an In Year Admissions Form or download one at www.kent.gov.uk/primaryadmissions.

13. What if I miss the closing date for applications?

Whilst the closing date for Kent County Council to receive applications is Wednesday 15 January 2020, late applications will be accepted and considered to be “on time” if they are late for a good reason and it is reasonably practicable to accept them. These late applications must be received no later than 5pm on Monday 10 February 2020.

Kent County Council will also be able to amend applications if asked to do so no later than Monday 10 February 2020 with regard to house moves or changes of schools relating to house moves provided you have an exchange of contracts or a signed rental agreement for the new property. It will not be possible to submit these changes online. Parents should email kentonlineadmissions@kent.gov.uk with the details of their required amendment, ensuring that they use the email account they used to register. Unfortunately, it will not be possible to make any amendments beyond this date.

Applications received after Monday 10 February 2020 but before Wednesday 6 May 2020 will not receive a school offer on Thursday 16 April 2020. Kent County Council will consider these late applications with applicants that have joined a school’s waiting list on the reallocation date of Wednesday 10 June 2020. If none of the schools you have expressed a preference for on a late application can be offered to you, Kent County Council will offer you an alternative school. We will also advise you on your right to appeal against this decision and place you on the waiting list of any schools you named that were a higher preference than the school you were offered.

After Wednesday 10 June 2020 you can request to go on any school’s waiting list and if places become available, schools will offer directly to parents. Kent County Council will not make any further offers.

Applications made after Wednesday 10 June 2020 should be made directly to the school. These applications will be processed in a similar way to In Year applications (details on page 24). This should result in an offer without delay, where spaces are available.

Parents who have already received an offer of a school place from Kent County Council should apply using an In Year Application Form (IYAF) available at www.kent.gov.uk/primaryadmissions.

Parents who are applying to Kent for the first time should use a Post Reallocation Common Application Form (PRCAF). These applicants should send this form to Kent County Council who will support parents to ensure a school offer is made.

These forms can be downloaded from www.kent.gov.uk/primaryadmissions or by contacting the Primary Admissions team. Where parents are having difficulties in finding a school place, or require any support, please email kentinyearadmissions@kent.gov.uk or call 03000 412121 and ask for the In Year Admissions team.

Education and Children’s Social Services, together with Health Care Professionals work jointly to identify and support children with additional and special educational needs as early as possible. This means pupils may have been identified as having additional/special educational needs before they enter school.

**My child has Additional/Special Educational Needs. How do I apply for Primary school places?**

In most cases you should apply for a Primary school place using the process explained in this book. However if your child has an Education Health & Care Plan (EHCP) or will have one by Wednesday 15 January 2020, then you should be in contact with your local SEN Office (see inside front cover) as the process you will need to use for a Primary school place will be different from that described in this book.

If your child is going through statutory assessment you should not assume an EHCP will be issued at the end of that assessment period. You should therefore apply for a school place at Primary school as described in this book. If you fail to do so and your child does not receive an EHCP you may not get a place at a school of your preference as all the places may be filled.

**Do all Primary schools provide support for children with Additional/Special Educational Needs?**

Yes, schools provide a broad and balanced curriculum and supportive framework to enable most children with additional/special educational needs to be included in mainstream schools. You will find in every school’s individual prospectus a statement on how they support pupils with additional and special educational needs.

**What support will my child receive when starting school?**

When you know where your child will be going to school you should discuss your child’s needs with the Headteacher or SENCO. This will help the school determine how it can best support your child.

**My child does not have additional/special educational needs, but does need extra help when at school. How do I get this for my child?**

Many children require additional help either in specific subject areas, or socially/emotionally at some point in their school career, and these needs are identified through the monitoring of children’s progress at school. If you have concerns about your child’s needs, please discuss these with the school. In the same way, the school will discuss with you any concerns it has about your child’s progress.

15. Applying for a place at a Free School

Free schools are all-ability state-funded schools set up in response to what local people say they want and need in order to improve education for children in their community. You can find more about Free schools on the DfE website (www.education.gov.uk).

Free schools currently open in Kent are:

- Ashford – Chilmington Green Primary School
- Dartford – River Mill Free School
- Maidstone – The Tiger School and Jubilee Primary School
- Thanet – Ramsgate Arts Primary School
- Tonbridge – Bishop Chavasse Church of England Primary School
- Tunbridge Wells – The Wells Free School

Details of these schools can be found within the main list of schools and you would apply to these schools by naming them on your RCAF as one of your preferences.

Three new Free School are expected to open in September 2020. One will be called Bearsted Primary Academy and is planned to be built in Maidstone. The other two will be called Ebbsfleet Green Primary School and Springhead Park Primary School and are both in Gravesend. These schools will process their own applications for September 2020 intake. If you want to apply for a place at either school, you should contact them directly to find out about their application process. You should not name the school as a preference on your Reception Common Application Form. For further information please visit the school’s websites:

- www.bearstedprimaryacademy.org.uk
- www.ebbsfleetgreenprimary.org.uk
- www.theprimaryfirsttrust.co.uk

Parents that apply directly to either school should also ensure that they complete a Reception Common Application Form naming up to three other preferred schools and return it to Kent County Council. This may result in you being offered a place at both the school itself and at another preferred school by the Local Authority on Thursday 16 April 2020.

Parents should choose which of these offers they wish to keep and refuse the other one directly to the school in writing. If parents only apply directly to a Free school and do not secure an offer as there are more applications than places available, they will not be allocated an alternative school by KCC and may find it hard to secure school provision in time for September.

16. How will places be offered?

The Primary Admission scheme is an Equal Preference Scheme, which means that all of the schools you express a preference for will consider your child for a place. The schools will not take into account whether you have placed them as a 1st, 2nd or 3rd preference as this information will not be given to them by Kent County Council. Every child who applies on time will be sent an offer of a school on Thursday 16 April 2020.

You will be invited to name up to three Infant or Primary schools on a RCAF or three Junior schools on a JCAF putting the school that you would most like first. You do not receive a higher priority for a place at a school because you have named it as your first or only preference or named it more than once.

In February, after data validation exercises have been completed, Kent County Council will send a list to each school detailing children who have applied for a place at their school. The list will contain the child’s name, date of birth, their address, a parent’s name, the straight-line distance (as provided by Kent County Council’s measuring software) between the home and the school and any remarks or comments that the parents have placed on the form as to the reason why they wish to be considered for a place at that particular school.

The schools will rank all the children on their list against their school’s oversubscription criteria. Oversubscription criteria are a set of rules which a school uses to place children into priority order, or rank, if it receives too many requests for the places that it has available. Schools will only take into account any reasons that parents may have provided if it has a bearing on where the child should be ranked on the list in line with the school’s oversubscription criteria.

For Community and Voluntary Controlled schools, the oversubscription criteria are listed in the next section. As Academies, Voluntary Aided, Foundation and Free schools are their own admissions authority, their admissions criteria may be different from the Community and Voluntary Controlled schools. You can find the schools’ criteria at www.kent.gov.uk/admissionscriteria in the ‘Admissions criteria 2020/21’ section or directly from the school in their
prospectus. It is important to look carefully at these criteria as it will help you decide how likely it is that your child will get a place at the school you prefer.

The criteria for Community and Voluntary Controlled schools (with the exception of Dartford Bridge Community Primary School, St Peters CE Primary School, Tunbury Primary School and Whitfield Aspen Primary School) are:

- children in Local Authority care or previously in Local Authority care;
- attendance at a linked school (only relevant to infant and Junior schools where they are linked – See table on page 32 for details);
- current family association (sibling);
- health, social and special access reasons;
- nearness of children’s homes to school.

The criteria for Dartford Bridge Community Primary School are:

- children in Local Authority care or previously in Local Authority care;
- current family association (sibling);
- children who live in the school’s priority area (map available at kent.gov.uk/primaryadmissions);
- health, social and special access reasons;
- nearness of children’s homes to school.

The criteria for St Peters CE Primary School are:

- children in Local Authority care or previously in Local Authority care;
- current family association (sibling);
- health, social and special access reasons;
- children who live in the Unparished area of Tunbridge Wells (map available at kent.gov.uk/primaryadmissions);
- nearness of children’s homes to school.

The criteria for Tunbury Primary School are:

- children in Local Authority care or previously in Local Authority care;
- current family association (sibling);
- children who live within a 0.5 mile radius of the school;
- children who live in the Parish of Aylesford or Boxley and who are also within a 1.5 mile radius of the school (map available at kent.gov.uk/primaryadmissions);
- health, social and special access reasons;
- nearness of children’s homes to school.

The criteria for Whitfield Aspen Primary School are:

- children in Local Authority care or previously in Local Authority care;
- current family association (sibling);
- health, social and special access reasons;
- nearness of children’s homes to nearest of Mayfield Road or Archers Court Road site.

When ranking children, schools WILL NOT TAKE into account:

- how long your child’s name has been registered at a school;
- if your child attends a nursery class on the school site or if the nursery is affiliated with the school (unless this is a published aspect of a school’s admission arrangements);
- if the nursery takes children into the school or classrooms for any social activities or the child knows the teachers through visiting the school;
- if your child attends a playgroup or preschool nearby or on the school site;
- any previous association you or your extended family may have had with the school either by attending it or by participating with any of the school’s activities;
- how long you may have lived in the area or a parent’s intention of moving into the area in the future;
- a parent’s particular reason for expressing a preference for the school, unless it is a published aspect of that school’s oversubscription criteria (eg presence of breakfast or after school clubs, activity clubs for sports or music, if any of the child’s friends will be going to the school, etc);
- any plans regarding childcare arrangements that you may make for a particular school.

Once the schools have ranked the children, they will return the list to Kent County Council and it is imported into the computer program that will finalise offers.

If only one of the three schools can offer your child a place, then Kent County Council will offer you a place at that school. If more than one of your three preferred schools could offer your child a place, Kent County Council will only offer a place at the school you named higher on your application. The unused offer for the lower preference school(s) will then be offered to a child that was ranked lower on that school’s list.
If none of your preferred schools can offer you a place because there were other children who had a greater eligibility for the place(s) than your child when the oversubscription criteria were applied, Kent County Council will allocate an alternative school that has available places. Where the application is for Junior transfer, this alternative place may be in a Junior school or a Primary school.

Whilst this school may not be one of your preferences, Kent County Council has a legal obligation to offer every child a school place. Kent County Council will try to make this the nearest school to your home with available places. This school may be some distance from your home as Kent County Council can only offer a place from a school that has spaces remaining once all other applications have been considered. The allocation that is made will not take into account any of your child’s individual circumstances or your preferences for a particular type of school e.g. a church school, size of school, childcare facilities or travelling arrangements.

Please note: where a school fails to provide a description of their oversubscription criteria, Kent County Council’s oversubscription criteria will be used. Details of specific oversubscription criteria for individual schools can be sought directly from schools or via www.kent.gov.uk/admissionscriteria

17. What do these criteria mean?

Children in Local Authority care or previously in Local Authority care

A child in Local Authority care or previously in Local Authority care is a child which is either in the care of the Local Authority or is being provided with accommodation by a Local Authority in the exercise of their social services functions under Section22(1) of the Children Act 1989 or a child who ceased to be so because they became subject to an adoption, child arrangement order, or special guardianship order.

An adoption order is an order under Section 46 of the Adoption and Children Act 2002. A child arrangement order is an order settling the arrangements to be made to the person with whom the child is to live under Section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian/guardians.

If you apply under this criterion, you will need to provide evidence to the Primary Admissions team to show that your child qualifies. If you apply via paper application form, please include copies of your evidence in the same envelope as your application form. If you apply online, please send copies of your evidence separately to kentonlineadmissions@kent.gov.uk including your child’s name, date of birth and home address. If you do not supply evidence, it will not be possible to process your application under this criterion.

Attendance at a linked school

This is where there is a link (used for admissions purposes) between a particular Infant school and a particular Junior school. Children who are attending the Infant school are given priority for admission to the relevant Junior school. A list of linked Infant and Junior schools can be found on page 32.

Current family association

A current family association means that the child who wants a place will have a brother or sister (sibling) attending the same school when they start there and they live at the same address. Kent County Council count linked Infant and Junior schools as one school. Brothers and sisters means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters.

The sibling claim will stand if the family have continued to live at the same house as when the older sibling was admitted into the school or, if:

• the family have moved, and they have moved to within 2 miles of the school;

• if the family have moved nearer to the school from where they were living previously.

If siblings from multiple births (e.g. twins, triplets etc) apply for a school and the school reaches its published admission number after admitting one or more, (but not all) of the children, Kent County Council will offer a place at that school to all of the multiple birth siblings. This is in line with the School Admissions Code and if doing so will take the school above its published admission number and possibly result in breaching class size legislation, the children are to be treated as ‘excepted’ pupils.

Unfortunately, if your older sibling is currently attending school in Year 6, you cannot claim a sibling link for your younger child, as the older sibling will be transferring to secondary school in September 2020.

Whilst linked Infant and Junior schools are considered to be the same school for this criterion, if sibling priority has previously been lost (as above), it will not be reinstated when a child transfers from an Infant school to the linked Junior school.

Where a child is transferring from Year 2 and would not be attending the Infant school from the start of the academic year,
but applied for the linked Junior school, the sibling link would not be broken for a child applying for the Infant school.

Once a sibling link has been broken, sibling priority will be permanently lost for that child regardless of any further address moves a family may make in the future.

If your child secures an offer of a place at the school on Thursday 16 April 2020, sibling priority will apply to any of their siblings that apply for a place through the In Year process or who are on the school’s waiting list up to the start of the September 2020 term, even though the offered child will not have started school yet.

Health, social and special access reasons (medical)
Medical, health, social and special access reasons will be applied in accordance with the school’s legal obligations, in particular those under the Equality Act 2010. Priority under health and special access reasons will be given to those children whose mental or physical impairment or social need means they have a demonstrable and significant need to attend a particular school.

Equally, this priority will apply to children whose parent’s/guardian’s physical or mental health or social needs means that they have a demonstrable and significant need for their child to attend a particular school.

Please note that social needs does not include your intended or current childcare arrangements.

All claims will need to be supported by written evidence from a suitably qualified medical or other practitioner which can demonstrate a special connection between these needs and the particular school that parents feel can accommodate these needs.

This must be sent directly to the school before Wednesday 15 January 2020 for the school to consider the evidence. Without this evidence when schools are ranking children in accordance with their oversubscription criteria, they cannot take your needs into account.

In most circumstances, an applicant should only apply for a single school under this criterion. Placing the same evidence for more than one of your preferred schools will only establish that more than one school can accommodate your child’s needs. If you feel your circumstances support applying for more than one school, please discuss it with the Primary Admissions team, who can also provide any other advice required by parents who wish to apply under this criterion.

Nearness of children’s homes to the school
For most children applying for schools, this last criterion is the most important one, as those children who are living nearer to the school usually get a higher priority for places than children who live further away. It is therefore very important that when you complete your RCAF/JCAF, you give us your correct address for admissions purposes. You can find more information about what address you should use in the next section.

Maps and internet based measuring tools will give you an indication of the distance from your address to a school, however, this is only an indication. The distance provided by Kent County Council’s measuring software will be used for all applications to Community and Voluntary Controlled schools to ensure they are treated in a consistent manner. Kent County Council’s measuring software is updated each year with the latest address point data provided by the National Land and Property Gazetteer (NLPG). Where applications are made from new build properties that are not registered to the NLPG, KCC may be required to temporarily use planning co-ordinates.

The address point reference we have for your property is taken as one end of a straight line, with the address point reference for the school as the other. The same address point on the school site is used for everybody. When we apply the distance criterion for an oversubscribed Community or Voluntary Controlled school, these straight line measurements are used to determine how close each child’s address is to the school.

Kent County Council does not specify where the point will be for each property. This means that address points are not necessarily taken from each property’s front door, a central point or any other defined point. The address point is the location recorded in our software for your home and it may fall anywhere within your property boundary.

A block of flats has a single address point reference, so applicants living in the same block will be regarded as living the same distance away from a school. In the unlikely event that two or more children have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

Voluntary Aided, Foundation, Academies or Free schools may measure the distances between the child’s home and the school differently. For further information, please contact the school.

Where new build housing development requires a new school or the significant enlargement of an existing school the ‘nearness’ of schools criterion may allow for a catchment
area (defined by a map) to be created for the relevant school. This must be included in the Statutory Public Notice and admissions determination and will be valid for a period not exceeding three rounds of admissions. Parents should contact schools to enquire if a catchment area has been defined.

Please note the distance in relation to Eastchurch CofE Primary School (DfE 3106) will be measured as follows:

We use the distance between the child’s permanent home address and the equidistant point between the Eastchurch site and the Warden Bay site of Eastchurch CE Primary School. This is measured in a straight line using the method described above. If your child is offered a place at the school, the school will decide which site your child will be placed at.

18. What address should I use on my application?

Most applicants will not have to worry about the address they use, as they will only have access to one, their home address. A child’s home address is defined as a residential property that is the child’s main or only residence. It must be the residence of both the parent/guardian and the child on Wednesday 15 January 2020, the deadline for submitting your application. If you apply before the closing date, you must ensure you will still be living at that address on the closing date.

The property should be either owned by the child’s parent or guardian, or leased/rented under a formal written lease/rental agreement of not less than 12 months’ duration. Where lease/rental agreements are for less than 12 months, parents should contact the Primary Admissions team for further assistance by calling 03000 412121 or by emailing primaryadmissions@kent.gov.uk.

Kent County Council reserves the right to check information that parents give on their child's application form. When you receive the offer of a school place from Kent County Council, you will be asked to provide the school with evidence of your residence and that of your child. This evidence can be, for example, a utility bill, bank or credit card statement, Council tax bill or any correspondence that would show you were living at your address at the closing date for applications. The evidence you supply should be dated within the application window of Tuesday 5 November 2019 – Monday 10 February 2020. You must also provide the school with evidence to show your child was also resident at the same time. This evidence could be, for example, a bank statement in the name of the child, hospital or doctor’s appointment letter or correspondence. This is not a definitive list of acceptable evidence and the school will consult with the Local Authority if they are unhappy with the evidence they have received.

Parents should also be aware that schools may wish to collect their own information when you return your address evidence and may request to see additional documentation such as a child’s short form birth certificate. It is also likely that schools will ask you to complete their own induction documentation.

Should it be found that there is unsatisfactory evidence to prove your residence and that of your child or that the address information on a child’s application is misleading, then the offer of a school place may be withdrawn. The vacant place would then be offered to the child who had been disadvantaged on Thursday 16 April 2020 and was effectively displaced by your application at that time.

Where your living arrangements are more complex, it is imperative that you use the appropriate address when applying for a school place. If you use an address that is later found to be inappropriate for the admissions process, your school offer may be withdrawn even if you can evidence that you own or had access to that property.

It can take an extended period of time to complete investigations into misleading applications and parents may find that they have missed deadlines to join school waiting lists or appeal once their offer has been withdrawn. KCC does not provide a timescale by which these investigations will be completed and school places can be withdrawn as late as the end of the first term, even if the child has already started school. Parents will be responsible for finding their own replacement school place in the event that their school offer is withdrawn.

Please find below some examples of situations that will require you to determine which address to use. If your specific situation is not listed below, you should contact the Primary Admissions team for further assistance by calling 03000 412121 or by emailing primaryadmissions@kent.gov.uk.

Shared residency
Kent County Council can only accept one address on the RCAF/JCAF and if your child lives at two different addresses during the week because of joint residency or another formal living arrangement, we will regard the child’s home address as the one at which they sleep for the majority of school nights. You should not select an address simply because it is closer to a school of your preference.

You should not use an address at which your child may stay during the week such as at a friend’s, grandparent’s or child minder’s home.
If you are unsure which address to use if your child does stay at two addresses, please contact the Primary Admissions team for advice.

**Multiple property ownership**
Depending on your circumstances, there is a possibility that you own or have access to a property near to a school that you may express a preference for, but live at a property that you own or have access to elsewhere. Please be aware that you should not use the closer address unless you are actually living in it and it is your main residence as defined above.

**Temporary address**
You should not use an address that has been rented, moved into or lived in on a short term basis in addition to your regular ‘home’ to because of temporary personal circumstances, works being carried out to the main family residence, or living temporarily with family or friends at another home. If your circumstances have meant you have had no choice but to temporarily move to or remain living in another property, you should advise the Primary Admissions team, by emailing primaryadmissions@kent.gov.uk when you apply, to advise them of the reasons why and to provide evidence to support your circumstances. The Primary Admissions team will advise you which address you should use, but in most circumstances it will be the address that you will be living in at the point your child starts school.

**Home move**
Parents should be aware that moving during the application window will likely complicate your admissions process and, in many circumstances, significantly reduces your chances of securing a place at a school of your preference. Parents are therefore advised to pay special attention to key dates in the admissions process and wherever possible, organise your affairs to ensure address changes are made within admission’s deadlines. It is understood that this is not always possible, however, KCC has no discretionary authority to vary the process for parents who cannot complete address moves in time to make use of them for admissions purposes.

If you are thinking of moving but have not yet seen a property to rent or buy, then you should complete a RCAF or JCAF using your current address. You should then decide if you wish to use some of your available school preferences to apply for schools in the area you wish to move to. If you name schools that are in the area that you wish to move to, but you are not living there, there is an increased likelihood that you would not receive an offer at one of those schools as places could be offered to applicants that live nearer. You should therefore consider using some of your preferences to name schools near your current address. You will have a higher chance of securing a school near to your current address, which will offer some security in case your move falls through.

The closing date for applications is **Wednesday 15 January 2020**, however if you are moving during the admissions application window, we will be able to amend your application to reflect your new address if this is received no later than **Monday 10 February 2020**. All parents must therefore inform the Primary Admissions team if their home address changes between Wednesday 15 January 2020 and Monday 10 February 2020.

We would advise you to initially apply from your current address in case your move falls through. Once you have the appropriate documentation confirming an exchange of contracts or signed rental agreement/lease, send it to the Primary Admissions team and we will amend your application to reflect your new address.

In most circumstances, it would be expected that you would move in before the offer day on **Thursday 16 April 2020**. If you are submitting a late application, the expectation is that you would move into the property by reallocation day, Wednesday 10 June 2020. If you have purchased a new build property, this deadline can be extended until the first day of the September school term as a reflection of the fact that completion dates can change unexpectedly. If you are not resident in the property by these dates, the offer of a school place may be withdrawn, so it is imperative you inform the Primary Admissions team if you think you are unlikely to be living in the address by that time.

If you are moving due to a house exchange or renting a property from a Housing Association or private landlord, the letter that you receive confirming the date you can move in and your agreement to rent that property will be considered as proof of moving. Kent County Council cannot accept a letter offering a property for you to view as proof of moving.

If you do not exchange contracts or have a signed rental agreement/lease until after **Monday 10 February 2020**, Kent County Council will not be able to make any amendments to your application, but will use your new address for correspondence purposes when we need to send you an offer letter. Please be aware of this deadline as no exceptions will be allowed under any circumstances.

Any residential move which takes place between the closing date for applications and the end of the first school term will be investigated to establish if a parent has misrepresented their living arrangements for the purpose of securing a school place outside of the families intended residential area. If the Admission Authority consider this to be the case it may consider the application at the time to have been misleading and may withdraw the school place even after the child has started at school.
**Armed Forces/Crown Servants**

If you are a member of Her Majesty's Armed Forces or a Crown Servant and are being posted back to the UK, you may use a UK address that you own or name a HM Forces Station/Base as a home address even though you may not be resident at the time of application. Kent County Council must also receive an official government letter (e.g. MOD, FCO or GCHQ) declaring a relocation date and confirming the intended address. The law allows for Kent County Council to use this address as your family's main residence even though you may not be resident at the address or even in the country. However, it does not guarantee you a place at your preferred schools. For further information, please contact the Primary Admissions team.

19. **I live in Kent. Can I apply for a school outside Kent?**

If you would like your child to attend a school outside of Kent e.g. in the Medway, East Sussex, Surrey, Bexley areas, then you should complete the Kent RCAF/JCAF naming the school with your other preferences. You can name a mixture of Kent schools and schools outside the county or just name schools outside the county. Your application details and non-Kent preferences will be passed onto to the relevant local authority for processing. The offer of a school place, whether it is a Kent school or a school outside the county, will be sent to you by Kent County Council as this is your local authority.

20. **I live outside Kent. Can my child be considered for a Kent school?**

Your child will be considered for admission on the same basis as those living in Kent provided you name the school on your home authority’s application form. Your home authority will pass the information relating to the Kent preferences to Kent County Council for processing. It may or may not be possible to offer you a place at your preferred Kent school, however your offer letter will be sent by your home authority. If you are living overseas you are not able to apply for a Kent school until you are resident in the UK, unless you are armed forces/ crown servant as detailed above.

21. **When will I hear if my child has been offered a place?**

Kent County Council will inform parents about offers of school places on **Thursday 16 April 2020**. Online applicants will be sent an email offer after 4pm. If these online applicants have been offered their first preference, they will not be sent an additional offer letter. Paper applicants and online applicants that have been offered a school other than their first preference will also be sent a letter posted first class on this day.

Some email providers may delay delivering the messages to account holders -- parents will need to check with their own email service suppliers in this regard. Kent County Council has no control over email delivery times once they have left our servers.

All online applicants can also log back on to their online applications after 5pm and view their school offer.

**PLEASE** ensure that you carefully read all of the email/letter as they will provide you with additional information on what to do next. It will provide you with an opportunity to either accept or refuse the place offered to you, how to request that your child’s name is placed on the waiting list for any school you named on your RCAF/JCAF but were not offered, and it will provide information on how to appeal against the decision to refuse your child a place at the school.

22. **Can I defer my child’s entry into school and if so, for how long?**

You have the right to delay your child’s start date (known as deferred entry), until later in the school year, but not beyond the beginning of the term after they turn five and not beyond the beginning of the final term of the school year in April.

Your child may also start part time until later in the school year, but not beyond the beginning of the term after they turn five.

If you plan to defer your child’s start date until later in the school year, you must still apply at the usual time for Primary or Infant school places. You should also speak to the schools you are applying for, to discuss how you would like your child to be admitted.

**Summer-born children**

Children born between 1 April and 31 August are sometimes referred to as summer born children. They have the same right to defer entry as any other child. This means they must start school at the beginning of the April term if they wish to keep their offer. Summer born children are not legally required to attend school until the start of Year 1. Where parents wish for their summer born child to defer entry until the start of Year 1, they must refuse their offered place, which may be offered to a different child, and then reapply through the In Year process during the last month of Reception year.
Parents of summer born children also have the right to request that their child be allowed to apply for admission to Reception the following school year. To do this, they will need to gain agreement from the admissions authority of each school they wish to apply for.

To request admission to Reception year outside of the normal age group, you should contact the Head teacher of each preferred school as early as possible during the normal application period for that child’s date of birth. This will allow the school and admissions authority enough time to make a decision before the closing date. You are required to complete an application for the normal point of entry at the same time, in case your request is declined. This application can be cancelled if the school’s admissions authority agrees to accept your request for deferred entry into reception year the following year.

You are not expected to provide evidence to support your request to defer your application, but where provided, it must be specific to the child in question. This might include medical or Educational Psychologist reports. There is no legal requirement for this medical or educational evidence to be secured from an appropriate professional, but failure to provide it may impede a school’s ability to agree to defer admission.

Where admission authorities agree to allow a child to apply for a Reception place the following year, parents must complete a paper application form and return it to the local authority in the next application window, with written confirmation from each named school attached.

Deferred applications will be processed in the same way as all applications in the following admissions round, and offers will be made in accordance with each school’s over subscription criteria. If none of your preferred schools can offer you a place as they receive more applications than places and other children have a higher priority, you will not be guaranteed a Reception place in an alternative school, although Kent County Council will attempt to do so wherever possible.

23. Why wouldn’t my child get a place?

A school will rank all the children who have applied for a place according to its oversubscription criteria. If there are more children than the number of school places available, then the children who are ranked highest are offered places until the school reaches its intake or published admissions number. Ranking children against the school’s oversubscription criteria ensures that the places are offered in a fair way as every child is compared against the same criteria. Inevitably, there will be some children who do not secure a place in oversubscribed schools.

If you have applied for a school outside of your own local area, please be aware that the further you are living from the school, the less likely you are to receive an offer of a place. It is recommended that you also name a school near to your home just in case your highest preference schools are unavailable.

24. When will I hear if my child has been offered a place from the waiting list?

The offer letter that will be sent to parents on Thursday 16 April 2020 will also contain a Waiting List form and an Acceptance and Refusal form. The offer email will contain a link to our website where a Waiting List form or Acceptance and Refusal form can be downloaded. This form will ask you which of your preferred school(s) you want your child’s name to be placed on a waiting list for and needs to be returned to Kent County Council by Wednesday 6 May 2020. Please note that at this stage, you can only join the waiting lists for schools that you named on your original application.

While KCC will allow you to join the waiting list for a school you named as a lower preference than the school you have been offered, some other Local Authority’s admissions processes do not allow this and instead limit waiting list requests to higher preference schools only. Please contact the Local Authority of the lower preference school whose waiting list you wish to join, to check if they will allow this. In all circumstances, KCC’s waiting list form should be completed and returned to the KCC’s admissions team. Do not make waiting list requests directly with an out of county school or directly to another Local Authority.

The Acceptance and Refusal form should be completed by the applying parent and returned to the school by Wednesday 6 May 2020. Kent County Council will be informed by schools which parents are accepting or refusing the places that have been offered to them. Any places that become available will be offered to late applicants and applicants on waiting lists on the reallocation date of Wednesday 10 June 2020. Applicants will be sent a letter by 1st class post on this day.

After Wednesday 10 June 2020 schools will take ownership of their waiting lists for the remainder of the reallocation period and will make offers to children should any places become available. They will inform Kent County Council whenever an offer is made. Parents must not have more than one offer of a school place and must inform schools in writing that they do not want a previous offer if accepting a new offer.
25. Appeals

If it has not been possible to offer your child a place at your named preferred schools, you have the right to appeal against this refusal of a place to an Independent Appeal Panel. Kent County Council will receive appeals for Community and Voluntary Controlled schools. Foundation and Voluntary Aided schools, Academies and Free schools, hear their own appeals, so will need to be contacted directly.

Appeals must be lodged by Thursday 14 May 2020. You can obtain a Primary Appeal Pack from our website at www.kent.gov.uk/primaryadmissions or by contacting the Primary Admissions team after offer day Thursday 16 April 2020.

For Community and Voluntary Controlled schools, once completed, this must be returned to:

The Appeals Panel Administrator,
Kent County Council,
Democratic Services,
Sessions House,
County Hall,
Maidstone,
Kent
ME14 1XQ.

or email your appeal to appeals@kent.gov.uk or appeals online at www.kent.gov.uk/schoolappeals

Appeals for Academies, Free, Foundation or Voluntary Aided schools should be lodged to: The Clerk of the Governors c/o the school (school address information is provided in each school section).

You should check with Academies, Free, Foundation and Voluntary Aided schools before appealing as they may use their own forms.

Primary Appeals can only be upheld in very limited circumstances. The law requires that an infant (i.e. a child in Reception Year, Year 1 or Year 2) should not be educated in a class which has more than 30 children per qualified teacher, so most appeals for admission to Reception at a Primary or Infant school will be ‘Infant Class Size Appeals’.

As grounds for upholding an appeal of this type are very limited, the success rate is low, so parents will want to weigh the effort involved against their chance of success before embarking on an appeal.

In the Admissions round for intake into schools in September 2019, only two Infant Class Size appeals were upheld.

By law, an Independent Appeal Panel hearing an Infant Class Size appeal must consider the following matters:

a) whether the admission of an additional child/additional children would breach the infant class limit; AND

b) whether the admission arrangements (including the area’s co-ordinated admission arrangements) complied with the mandatory requirements of the School Admissions Code and Part 3 of the School Standards and Framework Act 1998; AND

c) whether the admission arrangements were correctly and impartially applied in the case(s) in question; AND

d) whether the decision to refuse admission was one which a reasonable admission authority would have made in the circumstances of the case.

Put more simply, as well as checking whether giving another child a place will break the law, panels need to look at whether the admission arrangements for that school were legal, whether they were applied properly and whether in the circumstances it was reasonable not to offer your child a place.

A Panel may only uphold the appeal where:

a) it finds that the admission of additional children would not breach the infant class size limit; OR

b) it finds that the admission arrangements did not comply with admissions law or had not been correctly and impartially applied and the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; OR

c) where it decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Because of this framework, parents’ personal reasons for wanting the school cannot be taken into account, so even if you feel very strongly that your child should have a place, you need to consider whether your appeal fits these grounds.

If you think the law has not been followed you should contact the admissions team before appealing, so that a thorough investigation can be carried out. If it is clear that a school’s admission arrangements did not comply with the law or were not correctly and impartially applied, the local authority, in conjunction with the admission authority may offer places without an appeal hearing.

If you think the decision to refuse your child a place was not reasonable, check first why the place could not be offered.
To agree an appeal on these grounds a panel must be satisfied that the decision to refuse to admit the child was ‘perverse in the light of the admission arrangements’ i.e. it was ‘beyond the range of responses open to a reasonable decision maker’ or ‘a decision which is so outrageous in its defiance or logic of accepted moral standards that no sensible person who had applied his mind to the question could have arrived at it’. This is highly unlikely to be the case if the admissions arrangements were lawful and correctly and impartially applied.

It is likely a panel would consider it entirely reasonable for a child to be refused a place at their nearest school, if other children had greater eligibility for the places available, even if this results in you being offered a school some distance from your home.

**PLEASE BE AWARE** that neither schools nor the Local Authority keep places available for children whose appeals are upheld – they will be admitted above the school’s published admissions number as an excepted pupil.

### 26. In Year Admissions

This book mainly offers advice on applying for a Reception school place in an Infant or Primary school and/or for a Year 3, to start Junior school in September 2020. Applications for a place in a different year group, or to start at a different time are called In Year Admissions.

In Year applications for Kent school places should be made direct to schools, using a separate copy of Kent County Council’s single In Year Application Form (IYAF) for each child and each school applied for.

Kent schools will let you know whether they can offer a place and will inform Kent County Council about the application and whether an offer has been made.

Schools will be expected to tell parents within 5 school days of receiving the application whether they can offer a place.

If a child has secured a place at a school through the coordinated admissions process, but has yet to start, they would still be considered as being on roll when a school assesses their sibling’s applications against the school’s oversubscription criteria.

If a school you apply for cannot offer you a place, you will be told how to appeal and how to put your child’s name on the school’s waiting list.

Parents of Kent pupils who have applied to schools but have been unable to secure a place can contact Kent County Council, who will inform them of schools near to them which may have places. Parents should approach schools directly to allow them to secure a place as quickly as possible. If parents need any support in securing an offer with these schools, please contact the Kent In Year Admissions Team.

If no school in the local area has places available, the local authority will support you in finding a school place. The application may be referred to a local panel under the Fair Access Protocol (FAP) to identify a suitable school. If the child is already attending a school in the local area, no alternative place will be offered.

If you want to apply in year for a place at a school located in another Local Authority’s area, please contact the In Year Admissions team for further information.

Parents will be able to obtain information about the process and copies of the IYAFs from [www.kent.gov.uk/schooladmissions](http://www.kent.gov.uk/schooladmissions) or from any Kent school. Enquiries can also be made by e-mail to [kentinyeardenmissions@kent.gov.uk](mailto:kentinyeardenmissions@kent.gov.uk) or by ringing 03000 412121 and asking for the In Year Admissions team.

### 27. Will I get help with transport to school?

Most Primary school children live within walking distance of their schools, however if the school is some distance from the home, parents can apply for transport assistance. The schools you select as preferences will have a huge impact on your likelihood of securing transport assistance, so please consider if you will need help in getting your child to school when selecting them. Parents should not wait, therefore, until the school place has been offered before considering how they will get their child to school.

In order to qualify, parents would have had to apply to their nearest appropriate schools on their child’s admission application form to be considered for assistance and meet the following criteria:

- children under 8 years old who attend the nearest appropriate school for transport purposes to their home can get free travel between home and school if the school is more than two miles from their home;
- children over 8 years old who attend the nearest appropriate school for transport purposes to their home can get free travel between home and school if the school is more than three miles from their home.
Appropriate in this instance relates to:

Age appropriate – attendance at a Primary or Secondary school;
Ability appropriate – attendance at a mainstream or special school.

The nearest appropriate school for transport purposes is the nearest school that is considered suitable by the Department for Education to provide education for the child’s age and ability. This includes all Academies, Free schools and faith schools, even if a family is not of the same faith. In some areas of the county, a child’s nearest appropriate school may be located in another educational authority, outside of Kent.

When deciding which is the nearest appropriate school for transport purposes, KCC does not take into account parents preference for a particular type of school. This means that children will not automatically receive transport assistance to any school that may offer them a place. Where parents name schools outside of their local area, in most cases it will be their responsibility to ensure their children can access their preferred school.

Children aged over 8 years – low income families

Children who are entitled to free school meals or whose parents receive the maximum level of Working Tax Credit may be eligible for transport assistance. The criteria to qualify are that the child must attend their nearest school for transport purposes and live more than 2 miles from the school.

Proof of receipt of the maximum Working Tax Credit is asked for and this is usually the form TC602, which is sent to you by HM Revenue & Customs. For a child who is entitled to free school meals the proof will be a letter from Kent County Council’s Awards Department. Transport assistance will be reviewed annually and parents will be asked for up to date evidence of receipt of benefits.

Additional information can be found within the Home to School Transport booklet which can be obtained from Primary schools, from the Transport Eligibility Team at Sessions House or downloaded from www.kent.gov.uk/schooltransport.

Parents can apply online at www.kent.gov.uk/schooltransport

Vacant Seat Payment Scheme (VSPS)

Children who do not qualify for free transport because they live less than two/three miles from school or because they are not attending their nearest appropriate school for transport purposes can apply for a vacant seat on a hired school vehicle. The 2020/2021 charge for this is £400 per year (subject to change).

We offer this scheme annually, so you must re-apply each year. There is no guarantee that the scheme will always be available and even if you are offered a seat when you apply, it may not be possible to offer a seat to you in subsequent years. Where seats are no longer available, parents will be given notice until the end of that academic year, after which they will have to make their own arrangements.

Parents should also note that these seats cannot be allocated until all entitled pupils have been processed and are issued on a first come, first served basis. This does mean it can take several weeks after the start of term before a pass is issued. During this time, parents are responsible for making their own travel arrangements.

School transport and the environment

Using some of the ideas explained below, parents and their children can help to tackle congestion on the school run and help to create a cleaner, greener, healthier school and community.

Walking to school

Kent County Council enjoys a unique partnership with Medway Council and the Kent and Medway Charity Team in promoting and encouraging walking to school. The charity organises a range of activities to help the charitable sector with its fundraising and supports initiatives to promote health and wellbeing, particularly amongst Primary school children. The charity works in partnership with the KM Group, Kent’s biggest media organization.

Parents can find information about Walking Buses and walk to school incentive scheme on the charities website at www.kmwalktoschool.co.uk

Cycling to school

Kent County Council is actively improving cycle routes across the county. Further information on cycle routes can be found on www.kent.gov.uk/cycling

Kent travel plans

Kent schools have been very successful at producing Travel Plans to encourage sustainable travel to schools. You may wish to contact the headteacher of your school to find out about their actions for encouraging sustainable travel. You can also view the plan and other Safer Travel to School information via the Kent School Database.
**Car sharing and buddy schemes**
Parents can reduce the cost and time involved in the school run by sharing cars with friends and neighbours. For more information about sharing cars in Kent please visit [www.kent.liftshare.com](http://www.kent.liftshare.com) or ask your chosen school if they can match you with parents travelling from the same area.

**Responsible parking**
Inconsiderate parking and manoeuvring in the vicinity of school entrances can present a significant safety hazard.

Parents should support their school, other road-users and local residents by avoiding parking on ‘Keep Clear’ markings and, where possible, park or drop off a safe distance from the school and encourage children to walk to the school gates.

Kent County Council work with schools, Kent Police and Local Civil Enforcement teams to take action against inconsiderate and dangerous parking. For further information and access to our online toolkit and resources, please go to [www.responsibleparking.co.uk](http://www.responsibleparking.co.uk)

**28. Other Benefits**

**School meals**
The Children and Families Act 2014 places a legal duty on state-funded schools in England, including Academies and Free schools, to offer a free school lunch to all pupils in Reception, Year 1 and Year 2.

A Primary school main meal will typically cost between £2.20 – £2.60 (subject to change). However, this depends on the meal choices available. Free school meals are available for:

- children from families who receive Universal Credit – if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)
- children from families who can prove that they receive Income Support, Income Based Job Seeker’s Allowance or the guaranteed element of Pension Credit;
- children from families who receive Child Tax Credit, provided they do not receive Working Tax Credit and have an annual income (as assessed by HM Revenue and Customs) which does not exceed £16,190 (subject to change);
- the children of Asylum Seekers who are supported under part IV of the Immigration and Asylum Act 1999 and can provide appropriate documentation from the National Asylum Support Services.

For further information or advice, ring the contact centre 03000 412121 and ask them to put you through to your local Awards Team.

**29. Can charges be made for School Activities?**
Charges cannot be made for the education provided during school hours. You may, however, be charged for the cost of materials for subjects such as craft or cookery if you want your child to bring the finished article home. You will also be charged if you take up the offer of individual music tuition at your child’s school.

Many schools arrange activities such as swimming, theatre visits or excursions which take pupils away from the classroom during school hours. You will be told about these in advance and may be invited to make a voluntary contribution towards their cost. Although your child will not be left out because you do not make a contribution, the success of these activities depends on the willingness of parents to cover the costs.

Most activities which take place out of school hours are regarded as optional extras for which a charge may be made. Schools’ individual prospectuses give the times when school begins and ends. For charging purposes, the lunch break is considered to fall outside school hours.

Full details of Kent County Council’s charging and remissions policies are available from schools. Copies may also be inspected at public libraries. The charging and remission policies adopted by individual Governing Bodies should be explained in the individual school prospectus.

**31. If Your Child has a Disability**

Some children may have a disability within the meaning of the Equality Act 2010. It is unlawful for a school in relation to certain activities to treat a disabled child less favourably than a non-disabled child, without justification. The activities where a school must take care not to discriminate unfairly concern admissions, exclusions, and the provision of education and related services. A school must make reasonable adjustments to ensure that it does not treat a disabled child less favourably although reasonable adjustments do not extend to physical adaptations or the provision of equipment. A school is able to justify its actions where it can demonstrate that the adjustments required are unreasonable.

A disability is defined as a physical or mental impairment that has a substantial and long term adverse effect on the person’s ability to carry out day to day activities.
There will be some children who have Statements of SEN or Education Health and Care Plans (EHCP) who do not fit this definition but, equally, there will be children who do not have Statements of SEN or EHCP who are considered to have a disability.

If you think that your child has been discriminated against on the grounds of a disability in relation to the arrangements made for his or her admission, you may have a right of appeal. Advice is provided at [www.gov.uk](http://www.gov.uk).

**Other admissions information**
We understand from latest medical advice that children with cystic fibrosis should avoid direct contact and not share classrooms or communal areas, due to the increased risk of cross infection from one child with cystic fibrosis to another cystic fibrosis child. Consequently prospective parents of children with cystic fibrosis are advised to discuss this with their preferred schools. Smaller schools may find it difficult to provide the segregation that is required and may therefore adopt a policy of having only one child with cystic fibrosis on roll, or in close years, in order to ensure adequate separation is maintained. For further advice, in the first instance please contact your local Cystic Fibrosis Nurse Specialist or Team.

32. Additional Information

**Private fostering**
A privately fostered child is a child under 16 (or 18 if disabled) who is cared for by an adult who is not a parent, grandparent, aunt, uncle, step parent (including civil partnerships), sister or brother where the child is to be cared for in that person’s home for 28 days or more.

A private foster carer is someone who cares for another person’s child in their own home such as:
- extended family members (great-aunts, great-uncles, cousins);
- someone who is called ‘aunt’ or ‘uncle’ but is not related to the child;
- a friend of the family;
- someone who is not married to the child’s mother or father but is a partner or ex-partner.

There are many reasons for a child being privately fostered. It may be because:
- a parent is ill;
- a parent is in prison;
- a parent is going abroad;
- the relationship between the parent and young person has broken down;
- family crisis or bereavement;
- parent might be studying or working long hours;
- a child has come from another country to study English privately or at a language school.

The law requires anybody who is privately fostering a child, or who is intending to do so, to notify social services. If you are already caring for a child under a private fostering arrangement you must notify social services immediately.

Social services have a legal duty to make sure that the welfare of all privately fostered children is safeguarded and promoted and that they are living in safe and suitable surroundings.

Social services give advice to parents, private foster carers and any child who is being privately fostered. Please contact Specialist Children’s Services on 03000 41 11 11 and ask to speak to someone about a private fostering arrangement if you need to advise about a proposed private fostering arrangement or need some advice or guidance.

**Primary School Public Health and Immunisation Service**
Local teams led by Public health school nurses work with schools, parents and other services to improve the general health and wellbeing of all primary aged school children and their families. The teams provide advice, support and help with a variety of health issues including; daytime and night time wetting and soiling, behaviour management, healthy eating and lifestyle, emotional health and wellbeing, puberty and growing up, stopping smoking, drug and alcohol misuse, sleep and complex health needs.

We also undertake the National Child Measurement Programme, vision and hearing checks. Parents with a child/ren starting school or in reception class will also receive an online Health Assessment to complete, to make sure that their child/ren receive any support they need as soon as possible.

We work with children, young people and families in Kent. You do not have to be in school to use this service.

More information on our service can be found from visiting our website [www.kentyouthhealth.nhs.uk](http://www.kentyouthhealth.nhs.uk).

**Childhood Flu Programme**: every child in Primary School will be offered the nasal flu vaccination. This will take place between October and December. You will receive a letter to consent for your child to receive this vaccination.

Quick Reference

By Wednesday 15 January 2020

RCAF or JCAF must be returned to the Primary Admission Team by 5pm. If you apply online, you must submit it no later than 11.59pm.

Thursday 16 April 2020

Kent County Council will inform you which school has a place for your child. It will provide you with information on what to do after receiving your offer. Online applicants will be sent an email offer after 4pm. If these online applicants have been offered their first preference, they will not be sent an additional offer letter. Paper applicants, online applicants that have been offered a school other than their first preference and online applicants that have not provided an email address will be sent a letter posted first class on this day.

Please be aware that some email providers may delay sending the messages to account holders – parents will need to check with their own email service suppliers in this regard.

KCC has no control over email delivery times once they have left our servers. All online applicants can also log back on to their online applications after 5pm and view their school offer.

By Wednesday 6 May 2020

This is the last date by which you MUST:

- return the acceptance/refusal form to your offered school;
- return the waiting list request form if you wish to place your child’s name on a school’s waiting list to Kent County Council.

This is also the deadline for late applications to be included in the next round of offers.

You MUST REMEMBER to take the appropriate action by Wednesday 6 May 2020. If the acceptance/refusal form is not received by your offered school, they will not know if you want the place that has been offered to you and may offer it to somebody else. Likewise, if you have not got the place you wanted and do not return the waiting list request form, we will not be able to offer you a place if it should become available.

By Thursday 14 May 2020

You may lodge an appeal, if you wish to do so, for a place at a school you asked for but have not been offered.

Wednesday 10 June 2020

Kent County Council will re-allocate any places that have become available to late applicants and those who have asked to go on the waiting lists for each school. Outcome letters will be sent to applicants by 1st class on this day. After the initial allocation schools will maintain waiting lists and fill vacancies as they arise to children on their lists.
