

A226 Galley Hill Road – Diversion plan

Diversion associated with the road closure on Galley Hill Road.

Map of closure plan

Plan details

Closure extents

The A226 Galley Hill Road will be closed between Swanscombe High Street and Snowden Hill.

Weight restrictions will be in place between Manor Way and Swanscombe High Street to stop large vehicles travelling on inappropriately sized roads. Overweight vehicles carrying out deliveries within the restricted zone will be exempt.

The footway on Galley Hill Road will also be closed between Swanscombe High Street and Snowden Hill to protect the safety of highway users.
