

## ACCESSIBILITY INFORMATION - BROCKHILL

### Pre-arrival

- **Location** - for full contact details and maps of how to reach us, please see the 'Find us' information on [www.kent.gov.uk/brockhill](http://www.kent.gov.uk/brockhill)
- **Arriving by car** – there is a car park available at the park (see the "Arrival" section below for details). If you are a Blue Badge holder, you can obtain an annual season ticket in advance of your visit, which gives you access to all the Kent Country Park car parks free of charge during the year. There is a £3 admin fee for this service. To obtain your season ticket, please call 03000 41 72 72, and have your Blue Badge number and credit/debit card handy for reference.
- **Arriving by public transport** - nearest train station is Sandling, which is approximately 0.5 mile away. Taxis are not available at the station but can be pre-booked from Folkestone Taxis 01303 252000
- **Queries** – if you have any specific queries in advance of your visit, please feel free to call us on 03000 413500, or email [kentcountryparks@kent.gov.uk](mailto:kentcountryparks@kent.gov.uk).

### Arrival

- There are two hard standing allocated disabled spaces – these are situated in the main car nearest to the café building – which can be accessed down a slight slope approximately 20 metres from the car parking spaces. In addition there are approximately 50 hard standing car parking spaces all within 50 metres of the café and main path.
- The parking fee at Brockhill is £2.00 during the week and £2.50 at weekends and on Bank Holidays.

### Visitor Facilities

- **Toilets**  
There is one unisex disabled toilet which is accessible during park opening times – it does not require the use of a Radar key.
- **Café**  
The café is at ground level – it can be accessed by a wheel chair through double-opening doors. The interior is quite small with a number of tables and chairs. There is a single door to the rear leading to a flat patio area.
- **Meeting room**  
Our meeting facility, the Badger Room is fully accessible. It has a wheelchair-friendly ramp and doors sufficiently wide to accommodate a wheelchair. There are two unisex toilets, both of which are fully DDA compliant.

### Park Facilities

- **Paths**  
The main path from the café to the play area has recently been resurfaced and flat as far as the play area. After this it slopes quite steeply to the lake path.

The path around the lake is about a metre wide at its narrowest point. It can be muddy in winter and will inevitably be slightly bumpy, with twigs, stones and puddles at times.

The valley area, due to the nature of the terrain, is not suitable for wheelchairs.

- **Play area**

Access to the play area is through a gate which is a metre wide. The play equipment is on two levels. The second level is approximately 45cm lower than the first – there is no ramp access to the lower area.
