

**Lady Boswell's CE (Aided) Primary School**  
**Admission Arrangements for Academic Year 2020/2021**

Lady Boswell's CE (Aided) Primary School ("Lady Boswell's") has been consistently oversubscribed and it is expected that there will be more applicants than places for admission to reception in 2020/21. If you would like your child to attend Lady Boswell's you will need to consider carefully the oversubscription criteria set out below and decide which of these are relevant to your child's application and what supplementary information or evidence needs to be provided to support your application. It is very important to ensure that all information and all necessary evidence relevant to your child's application is clearly set out and provided as the governors must allocate places at Lady Boswell's solely on the basis of the information and supplementary evidence submitted on or with the forms.

Further information about the number of applicants in previous years and the basis on which places have been allocated is available in "Admissions to Primary Schools in Kent", copies of which can be obtained from the school on request or on the Kent primary admissions website<sup>1</sup>.

**Published Admission Number (PAN) for 2020/21**

Reception – maximum number 60  
Year 1 – maximum number 60  
Year 2 – maximum number 60  
Year 3 – maximum number 64  
Year 4 - maximum number 64  
Year 5 - maximum number 64  
Year 6 – maximum number 64

Before the application of oversubscription criteria, children with a statement of special education need (SSEN), or Education, Health and Care Plan (EHCP) which names the school will be admitted. As a result of this, the published admissions number will be reduced accordingly.

**Procedures**

Parents who wish their child to be admitted to reception in the academic year 2020/21 will need to submit:

A Kent Reception Common Application Form (RCAF) (two forms for twins), on which you can state up to three school preferences.

If parents wish their application to be considered under Criteria 3, 4, 7 or 8, they will also need to submit a supplementary information form: this is the Supplementary Church Form set out in Appendix 1. Please consider carefully which parts of the form you need to complete and whether the form needs to be signed by your vicar or minister. **Important Note:** Whether or not you choose to complete your RCAF form online, you must return **the original signed Supplementary Church Form** to Lady Boswell's School, Plymouth Drive, Sevenoaks, Kent TN13 3RW. Photocopies or faxed copies are not acceptable. The deadline for returning the Supplementary Church Form to the school will be the same as that for returning the Kent Reception Common Application Form.

If you have attended more than one church in the two year period prior to application and want to rely on church attendance at your previous church, a further original, signed Supplementary Church Form relating to previous church attendance must also be submitted.

If you are relying on criterion 5, you will need to provide written evidence from a suitably qualified practitioner (doctor or social worker).

If there are too many applicants under criterion 2 (sibling in the school) places will be allocated by applying criteria 3-8. Parents should therefore complete the Supplementary Church Form and provide appropriate evidence even if they are applying under criterion 2.

Under each of the other criteria applications will be ranked in accordance with proximity of the child's permanent residence to the school. Distance will be measured in a straight line using the National Land and Property Gazetteer (NLPG) address point data. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. In the event of any of the above criteria being oversubscribed, priority will be given based on distance as described above with those closest being given higher priority. In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place (this process will be independently verified). treated and what defines a permanent residence is available in the Admission to Primary School in Kent booklet.

### **Waiting List, Appeals and Late Applications**

The school will follow the Local Authority procedures relating to waiting lists, appeals and late applications: further details are printed in the Admission to Primary Schools in Kent booklet.

In the event of places being available after the first round of offers, the school will apply its 2020/21 Admission Arrangements to all those on the waiting list at the time of allocating the places.

Parents of Reception age children have the right to defer entry or to take the place up part-time, until the child reaches compulsory school age. Children born between the 1<sup>st</sup> April and 31<sup>st</sup> August (also known as “summer born”) must start school at the beginning of the April term if they wish to keep their offer. Where parents wish for their summer born child to defer entry until the start of Year 1, they must refuse their offered place, which may be offered to a different child, and then reapply through the In Year process, recognising that a place may not be available. These applications should be made during the last month of Reception Year.

Parents have the right to request admission outside their child’s normal age group. Such requests should be made to the Headteacher as early as possible in the admissions round associated with that child’s date of birth. This will allow the school sufficient time to make a decision before the closing date. Parents are not expected to provide evidence to support their request to defer their application; however, where provided it must be specific to the child in question. This might include medical or Educational Psychologist reports. There is no legal requirement for this medical or educational evidence to be secured from an appropriate professional; however, failure to provide this may impede a school’s ability to agree to deferral. Parents are required to complete an application for the normal point of entry at the same time, in case their request is declined. This application can be cancelled if the school agrees to accept a deferred application for entry into Year R the following year. Deferred applications must be made via paper RCAF to the LA, with written confirmation from each named school attached. Deferred applications will be processed in the same way as all applications for the cohort in the following admissions round, and offers will be made in accordance with each school’s oversubscription criteria.

### **Over-subscription Criteria**

**The following criteria for Admissions, which are in order of priority, will be used by the Governors in the allocation of places in the event that the school is oversubscribed.**

1. **Children in Local Authority Care or Previously in Local Authority Care** – a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).
2. **Children who have a brother or sister in the school at the time of admission.** Brother or sister means children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters.

In the event this criterion is over-subscribed, Governors will allocate places by applying criteria 3 to 9 below which are in order of priority.

3. **Children whose parents are committed to St Nicholas Parish Church.**

The normal minimum requirement to satisfy this criterion is fortnightly attendance by one or both parents for two years or more immediately prior to the date of completion of the RCAF and this must be evidenced by completion of Part B of the Supplementary Church Form (Appendix 1) and endorsed with any relevant additional information by the Vicar/Minister in Part C of the Supplementary Church Form (Appendix 1).

4. **Children whose parents are committed to a Christian Church (not meeting Criterion 3)**

The normal minimum requirement to satisfy this criterion is fortnightly attendance by one or both parents for two years or more immediately prior to the date of completion of the RCAF and this must be evidenced by completion of Part B of the Supplementary Church Form (Appendix 1) and endorsed with any relevant additional information by the Vicar/Minister in Part C of the Supplementary Church Form (Appendix 1).

Applicants will be considered under this criterion if one or both parents have been committed to more than one Christian Church (including St Nicholas Parish Church) for the two year period immediately prior to the date of completion of the RCAF and this commitment is evidenced by completed and endorsed Supplementary Church Forms (Parts B and C) covering the whole of the two year period.

**5. Children with Medical, Health, Social or Special Access Reasons.**

Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Places will be allocated under this criterion to children whose mental or physical impairment means they have a demonstrable and significant need to attend Lady Boswell's or to children whose parents' or guardians' physical or mental health or social needs means they have a demonstrable and significant need to attend Lady Boswell's. Medical, health, social or special access reasons must be supported with written evidence from an appropriately qualified medical or other practitioner. The evidence must demonstrate a special connection between the relevant needs and Lady Boswell's.

**6. Children who have a parent who is a relevant member of the staff of Lady Boswell's School**

A parent will be considered a relevant member of the staff of Lady Boswell's School if he or she has been employed at the school for two or more years at the time at which the application for admission to the school is made or has been recruited to fill a vacant post for which there is a demonstrable skills shortage.

**7. Children whose parents are attached to St Nicholas Parish Church.**

A parent is attached to the Church if they have attended for less than two years or are an occasional worshipper, being monthly or less attendance. The normal minimum requirement to satisfy this criterion is attendance by at least one parent on at least six occasions in any twelve month period in the two year period immediately prior to the date of completion of the RCAF and this must be evidenced by completion of Part B of the Supplementary Church Form (Appendix 1) and endorsed with any relevant additional information by the Vicar/Minister in Part C of the Supplementary Church Form (Appendix 1).

**8. Children whose parents are attached to a Christian Church other than St Nicholas Parish Church.**

A parent is attached to a Church if they have attended for less than two years or are an occasional worshipper, being monthly or less attendance. The normal minimum requirement to satisfy this criterion is attendance by at least one parent on at least six occasions in any twelve month period in the two year period immediately prior to the date of completion of the RCAF and this must be evidenced by completion of Part B of the Supplementary Church Form (Appendix 1) and endorsed with any relevant additional information by the Vicar/Minister in Part C of the Supplementary Church Form (Appendix 1).

**9. All other children.**
