 - ii. Investment Strategy.
 - iii. Capital Programme Strategy.
 - iv. Treasury Management Strategy.
- (b) Medium Term Financial Plan.

8.11 The Leader is responsible for publishing a timetable for the adoption or change to any of the policies and procedures in 8.8 or 8.10 and arranging for appropriate and sufficient internal and external consultation on these proposals, including the opportunity for Cabinet Committees to make recommendations.

8.12 The following specific process will be followed in addition to 8.11 when proposing the Budget, Council Tax Level, Capital Programme and Borrowing Policy:

- (d) In addition, the Scrutiny Committee shall make recommendations to the Leader on changes to the Budget where it does not consider adequate resources have been allocated to take account of Select Committee recommendations endorsed by full Council. The Leader shall include their response to these recommendations in their final recommendations to Council.
- (e) The Leader reports to Cabinet before making a final recommendation to Council.

8.13 When considering the Leader's Budget or Policy Framework proposals, the full Council will have before it the report of the Leader or Cabinet, any reports from Cabinet Committees and the Scrutiny Committee, and any minority views expressed in these Committee debates. - (b) If the full Council makes amendments to which full Council but not the Leader has consented, or if full Council has substituted its own proposals, the decision becomes effective on the expiry of five clear working days after the publication of the decision unless the Leader objects to it during

this period by giving written notice to the relevant Senior Officer and Monitoring Officer. If the Leader objects:

- i. The Leader must include their reasons for objecting to the amendment or substitute proposal in the written notice along with any changes proposed in turn by the Leader and the reasons for them.
- ii. The Leader's revised proposals will be reconsidered at a meeting of the full Council held a minimum of six clear working days after written notice being given if it is a Policy Framework proposal.
- iii. The Leader's revised proposals will be reconsidered at a meeting of the full Council held six clear working days after written notice being given if it is a Budget proposal.

8.17 Before taking any decision that may be at variance with the Budget and related finance rules, or with the Policy Framework, the Executive Member or Officer must seek advice from the Chief Finance Officer and Monitoring Officer respectively.

8.18 Where the advice given is that the decision is at variance with the Budget and related finance rules, or with the Policy Framework, then the decision must be referred by the Leader or Cabinet to full Council. - 14.55 Speeches must be relevant to the matter under discussion and not criticise the motives or behaviour of any Member or Officer.
- 14.56 Should the behaviour of a Member prove disruptive to the business of the meeting and the Member does not cease their behaviour when requested by the Chairman, the Chairman may propose that the Member leave the meeting. - 14.64 If the amendment is carried, the motion as amended then becomes the motion for debate. This revised motion may be subject to proposals for further amendment provided these do not reinstate the sense of the original motion.

- 14.65 No amendment may be proposed after the Chairman has called the proposer of the original motion to reply to the debate.
- 14.66 If a copy of a motion or amendment is not presented to the Chairman, they may rule either as invalid.

14.71 Motions 14.70(a)-(d) above may not be proposed by any Member who has proposed or seconded or spoken about a motion or amendment under discussion.

14.72 No debate shall take place on any of these procedural motions (except for a motion to suspend the Procedure Rules or exclude the public if the Chairman thinks it appropriate). If proposed and seconded, the Chairman shall put them immediately to the vote without further debate.

15.23 If a member of the public interrupts a meeting or otherwise behaves irregularly, improperly, or offensively, the Chairman may request that they leave the room or order that they are removed. In the event of a general disturbance, the Chairman may suspend the meeting or direct that the public be excluded from it. No one so removed or excluded will be permitted to return to the meeting.

- (a) minutes of the previous meeting for approval and signing,
- (b) reports seeking a decision from the Committee.

16.14 Consideration will be given by the Chair to including any item on the agenda which a Member of the Committee wishes included, provided it is relevant to the terms of reference of the Committee and notice has been given to the Clerk at least ten days before the meeting.

16.15 The Chair may decide that there are special circumstances that justify an item of business, not included on the agenda, being considered as a matter of urgency. They must state these reasons at the meeting and the Clerk shall record them in the minutes.

16.16 Committees normally consider items in the order that they appear on the agenda. The Chair may vary the order if they think it appropriate and will explain their reasons to the Committee.

Attending and
Speaking

- 16.21 Any Member of the Council may attend any meeting of a Committee, including those parts of the meeting from which the public and press are excluded. They do not have a right to vote or move a motion or amendment but may speak with the consent of the Chair (such consent to be sought before the meeting and should not normally be withheld).
- 16.22 If a Committee is considering an item of business in private that relates to the personal or financial affairs of an individual employee or a member of the public, it may resolve to exclude from the meeting any Member who is not a member of the Committee. Before doing so, a Member, at the discretion of the Chair, must be given the opportunity to speak.

- 16.27 In the course of questioning at meetings, Officers other than Senior Managers may decline to give information or respond to questions on the ground that it is more appropriate that the question be directed to the relevant Senior Manager.

- 16.28 Cabinet Members and Officers may decline to answer questions in an open session of the Committee on the grounds that the answer might disclose information that would be exempt or confidential as defined in 15.15. In that event, the Committee may resolve to exclude the media and public in order that the question may be answered in private session.

17.100 Select Committees may not in their reports criticise or adversely comment on any individual Officer by name.

- 17.101 The Select Committee's report will be developed through informal meetings with the Research Officer for the review.
- 17.102 Once the draft report is prepared with its conclusions and recommendations, the Select Committee must ensure that relevant Cabinet Members and Officers have the opportunity to comment on the draft report before it is published.
- 17.103 The final report will be approved at a formal meeting of the Select Committee.
- 17.104 The Select Committee's final report will be submitted to Cabinet for comment, before being submitted to County Council for endorsement.

Monitoring of Select Committee Recommendations

- 17.105 The Scrutiny Committee will monitor and review the Executive's response to Select Committee reports, as set out below.
- (a) Three months after County Council has endorsed a Select Committee report, the Scrutiny Committee should receive an action plan from Officers setting out how they propose to take the recommendations forward.
 - (b) One year after County Council has endorsed a Select Committee report, the Select Committee will be reconvened to receive a report from Officers that details progress with each of the recommendations.
 - (c) The Minutes from this Select Committee meeting will be presented to the next meeting of the Scrutiny Committee for comment and noting or to request further monitoring.

Publicising and Launching Select Committee Reports

- 17.106 All communications between Select Committee Members and the media shall be in accordance with the Public Relations Protocol for Select Committee Reviews and Reports (as approved by the Council on 11 December 2008).

Crime and Disorder Committee

- 17.107 Membership: 13 Members.

- 17.108 This Committee is responsible for the scrutiny of authorities responsible for Crime and Disorder strategies in accordance with Section 19 of the Police and Justice Act 2006 and the Protocol below.

Protocol for the Crime and Disorder Committee

- 17.109 The Scrutiny Committee will act as Crime and Disorder Committee for the purposes of Section 19 of the Police and Justice Act 2006.

Crime and
Disorder
Committee

17.110 The Crime and Disorder Committee has the power to:

- (a) Review and scrutinise decisions made, or other action taken, in connection with the discharge by the authorities responsible for crime and disorder strategies of their crime and disorder functions and make recommendations.
- (b) Consider a Councillor Call for Action relating to crime and disorder matters.

17.111 The role of the Committee is as a “critical friend” of the community safety partnership, providing it with constructive challenge at a strategic level. Its role is not fault finding at an operational level.

17.112 The Committee’s remit is to review and scrutinise the decisions and actions of the partnership as a whole and not individual organisations within it.

17.113 The responsible authorities for Crime and Disorder strategies are:

- (a) Kent Police.
- (b) Kent and Medway Fire and Rescue Authority.
- (c) Clinical Commissioning Groups.
- (d) District/County Councils.
- (e) Providers of Probation Services in Kent under Section 3 of the Offender Management Act 2007.

17.114 Meetings of the Scrutiny Committee (meeting as the Crime and Disorder Committee) will be programmed to be held at least once a year.

17.115 An informal meeting will be held at least six weeks before each Committee meeting (and if possible, much earlier) where the Chair, Vice Chair and Minority Group Spokespersons will consider items for the next meeting and agree the agenda.

17.116 Items for the Committee may be suggested by the Kent Community Safety Partnership whose Chair may attend the agenda setting meeting to put forward these items.

17.117 As soon as the agenda has been agreed, relevant responsible authorities will be informed of any information, attendance or co-optees required for that meeting.

17.118 The Committee may require an Officer of a responsible authority to attend before it in order to answer questions.

17.119 Information requested by the Committee from responsible authorities which is relevant to the exercise of the Committee’s functions must be provided.

- 17.120 A minimum of 28 days' notice will be given of the requirement to attend, or to provide information, except in the case of urgent items when the notice period may be shorter.
- 17.121 Committee members should not request detailed information from representatives of a responsible authority at meetings of the Committee, unless they have given prior notice through the Clerk. If, in the course of a question-and-answer session at a Committee meeting, it becomes apparent that further information would be useful, the representative being questioned may be required to submit it in writing to members of the Committee.
- 17.122 In the course of questioning at meetings, representatives of a responsible authority may decline to give information or respond to questions on the ground that it is more appropriate that the question be directed to a more senior Officer or Member.
- 17.123 Representatives of a responsible authority may decline to give information on the grounds that the answer might disclose information which may not be disclosed under the Local Government (Access to Information Act) 1985 or the Data Protection Act 2018 and the General Data Protection Regulations (GDPR) and other relevant legislation. In this event, the Committee may resolve to exclude the media and public in order that the question may be answered in private session.
- 17.124 During the course of the meeting, the Committee and its members may not criticise or adversely comment by name any individual Officer of a responsible authority.
- 17.125 If the Committee intends to make a recommendation or a report to a responsible authority, it will do so in draft form and give the relevant responsible authority the opportunity to comment on the factual accuracy of it before it makes a formal recommendation or produces a report.
- 17.126 Once a formal recommendation or report is made to a responsible authority, the authority is required to respond in writing to the Committee within 28 days. If there are extenuating circumstances which make this timescale unreasonable, the Committee should be made aware of them in writing as soon as possible and before the end of the 28-day period.

Co-option of additional members

- 17.127 The Kent and Medway Fire and Rescue Authority shall be represented on the Committee by members of the Committee who are also members of the Medway Fire and Rescue Authority where applicable.
- 17.128 The Committee has the right to co-opt representatives from responsible authorities onto the Committee when a specific matter is being considered that may lead to recommendations for that authority.

17.129 Membership: 7 Members.

17.130 As an Overview and Scrutiny Committee, sections 17.49 and 17.50 apply to the membership.

17.131 In accordance with Section 9FH of the Local Government Act 2000, this committee is responsible for reviewing and scrutinising the exercise of flood risk management functions and coastal erosion risk management functions by risk management authorities which may affect the local authority's area.

17.132 The Committee may request information and a response to reports from the risk management authorities, to which the authorities must comply.

17.133 Risk management authorities, as defined by Part 1 of the Flood and Water Management Act 2010, are:

- (a) The Environment Agency.
- (b) The lead local flood authority (Kent County Council).
- (c) District councils.
- (d) Internal drainage boards.
- (e) Water companies.
- (f) Highways authorities (Kent County Council and National Highways).

17.134 The Committee is also responsible for:

- (a) investigating water resource management issues in Kent;
- (b) investigating water quality issues in Kent;
- (c) reporting annually (and more often if necessary) to the Scrutiny Committee and to the relevant Cabinet Member; and
- (d) receiving and reviewing reports related to climate, flood risk and coastal erosion risk management as appropriate.

17.135 The Committee may appoint or remove non-voting Co-Opted Members (independent of the elected membership) who may participate in the business of the Committee in accordance with the rules set out in the Constitution.

Health Overview and Scrutiny Committee (HOSC)

17.136 Membership: 13 Members; plus, Borough/District Council representatives: 4.

17.137 None of the following may be an ordinary or substitute Member of HOSC, or any Sub-Committee or Task and Finish Group of it:

- 17.138 The membership exclusions set out in 17.137 also apply to any Joint Health Overview and Scrutiny Committee established with any other authority or authorities.
- 17.139 Where there is a risk of a member of the Committee having a conflict of interest, the appropriate rules and guidance must be followed. Examples of potential conflicts of interest include the member being:
- (a) An employee of an NHS body.
 - (b) A member or non-executive director of an NHS body.
 - (c) An executive member of another local authority.
 - (d) An employee or board member of an organisation commissioned by an NHS body or local authority to provide services.
- 17.140 This Committee reviews and scrutinises matters relating to the planning, provision and operation of health services in Kent through exercising the powers conferred on Kent County Council under Section 244 of the National Health Service Act 2006 (as amended) and operates according to Part 4 of The Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 (as amended). The Committee may consider and scrutinise the work of the Health and Wellbeing Board where relevant.
- 17.141 The Committee will work with the NHS and other local system partners in accordance with the following principles:
- (a) Outcome focused.
 - (b) Balanced.
 - (c) Inclusive.
 - (d) Collaborative.
 - (e) Evidence informed.
 - (f) Transparent.
 - (g) Accountable.
 - (h) Deliverable.
- 17.142 This Committee is responsible for setting its own work programme, giving due regard to the requests of commissioners and providers of health services to bring an item to the Committee's attention, as well as taking into account the referral of issues by Healthwatch and other third parties.
- 17.143 This Committee cannot consider individual complaints relating to health services. Individuals will be asked to use the complaints process of the relevant organisation.
- 17.144 Task and Finish Groups may be established with the approval of the Committee, in order to consider issues in more depth and can include elected representatives from KCC or Borough/City/District Councils in Kent

who are not members of the Committee. Task and Finish Groups cannot exercise any formal health scrutiny powers.

- 17.145 Commissioners and providers of local health services are required to provide the Committee with such information as it may reasonably require in order to discharge its relevant functions.
- 17.146 The Committee may require any member or employee of a local health service commissioner or provider to appear before the Committee to answer such questions as are necessary for discharging its relevant functions.
- 17.147 Nothing in 17.145-146 requires the provision of any information where the disclosure is prohibited under any enactment or where a living individual would be identifiable, subject to Section 26 of the 2013 Regulations.
- 17.148 Healthwatch shall have the right to refer issues to the Committee:
- HOSC:
Healthwatch
- (a) Issues referred by Healthwatch will receive an acknowledgment within 20 working days and Healthwatch will be kept informed of any actions taken.
 - (b) Where the Committee includes an item on its agenda as a result of a referral from Healthwatch, a representative from Healthwatch is entitled to address the Committee.

Reports and Recommendations

- 17.149 The Committee may make evidence-based reports and recommendations to relevant NHS bodies and require a response within 28 days, or longer at the Committee's discretion. The following information will be included in a report or accompanying any recommendations:
- (a) An explanation of the matter reviewed or scrutinised.
 - (b) A summary of the evidence considered.
 - (c) A list of the participants involved in the review or scrutiny.
 - (d) An explanation of any recommendations on the matter reviewed or scrutinised.

Substantial Variations of Services

- 17.150 NHS commissioners and providers are required to consult with the HOSC on proposed substantial variations of services affecting the population of the area. Exclusions from the definition of 'substantial variations of service' are set out at 17.154-155.
- 17.151 The Committee will determine whether any given proposal, or element thereof, constitutes a substantial variation of service and so requires consultation with the Committee. The Committee's decision will be based on information provided by the relevant NHS organisations.

- 17.152 Once the Committee has deemed a proposal a substantial variation of service, the NHS shall consult with the Committee prior to the final decision being made by the NHS. A timetable for consultation will be agreed between the Committee and NHS, with the NHS informing the Committee of the date on which they intend to make their final decision.
- 17.153 In considering substantial variations of service, the Committee will take into account the resource envelope within which the relevant NHS organisations operate and will therefore take into account the effect of the proposals on the sustainability of services, as well as on their quality and safety. The NHS must take the comments of the Committee into account when making its final decision.
- 17.154 The NHS is not required to consult with the Committee where the NHS has acted because of a risk to patient safety or to ensure the welfare of patients or staff. Where this has been the case, the Committee shall be informed as soon as possible.
- 17.155 In addition, the designation of ‘substantial variation of service’ will not apply in the following circumstances:
- (a) Establishment, dissolution, or change to the constitution, of an NHS Trust or Integrated Care Board. However, any consequential service variation may be determined a ‘substantial variation of service’ in line with usual Committee practice.
 - (b) Any proposals contained in a Trust Special Administrator’s report or draft report and any recommendations made under a health special administration order.

Call-in Requests

- 17.156 Schedule 10A to the NHS Act 2006 provides call-in powers to allow the Secretary of State to intervene in NHS service reconfigurations at any stage. Individuals and organisations, including this Committee, may submit requests that the Secretary of State exercise these powers of intervention in a specific reconfiguration.
- 17.157 This Committee will not submit, or support, a call-in request until it has determined that all attempts to resolve its concerns about the reconfiguration with the NHS locally have been exhausted. Where a call-in request is made by this Committee, evidence of these attempts will be provided.
- 17.158 Any call-in request by this Committee will be submitted in accordance with the requirements set by the Secretary of State, with the content of any request agreed by the Committee.
- 17.159 The Committee will give the relevant NHS organisations a minimum of 15 days’ notice that the Committee will be meeting to determine whether or not to submit a call-in request.

17.160 A call-in intervention will commence when the Secretary of State issues a direction letter to the relevant NHS organisations. Where the direction letter relates to a substantial variation of service which is under review by this Committee under 17.150, the consultation will pause if required by the letter.

17.161 Notwithstanding 17.160, when there is a call-in, the relevant NHS bodies may provide the Committee with information to allow the Committee to make representations to the Secretary of State on the proposal which is the subject of the intervention.

Joint Health Overview and Scrutiny Committees (JHOSCs)

Joint Health
Overview and
Scrutiny
Committees
(JHOSCs)

17.162 Where the relevant Overview and Scrutiny Committee of more than one authority has determined the same proposal(s) to be a substantial variation of service, this will entail the establishment of a Joint Health Overview and Scrutiny Committee (JHOSC). A Kent and Medway JHOSC has been established on a permanent basis to meet when required (19.38-47).

17.163 Where a JHOSC has been established, the Kent HOSC is deemed to have delegated its function to scrutinise the specific proposal(s) to the JHOSC. The formal powers of HOSC as set out at 17.145-147 are also delegated in connection with the proposal. However, with the agreement of the relevant NHS organisation(s), the HOSC may continue to receive updates while the JHOSC undertakes its review.

17.164 At any stage during its review, and at its conclusion, the JHOSC may make reports and recommendations to the authorities represented on the JHOSC. These recommendations will be reported to a meeting of the Kent HOSC. The Kent HOSC is not required to accept these recommendations but may do so.

Scrutiny Committees: Additional Provisions

17.165 Scrutiny Committees in preparing Review Plans and Select Committees in carrying out reviews and preparing reports, shall comply with the protocols agreed by the former Kent Association of Local Authorities governing co-operation between authorities on overview and scrutiny (17.166-176).

Protocol for Overview and Scrutiny Inter-Authority Co-Operation

Scrutiny: Inter-
Authority
Co-Operation

Aim of the Protocol

17.166 To ensure the Overview and Scrutiny Committees of all Kent local authorities can review issues of community interest effectively and with efficient use of all local authority staff resources.

Principles

17.167 All authorities should be supported in considering issues of community well-being wider than the responsibilities of their Councils.

17.168 Authorities should work together to maximise the exchange of information and views, minimise bureaucracy and make best use of the time of Members and Officers of local and other authorities.

Procedures

17.169 Authorities should seek to exchange information on programmes and results of reviews.

17.170 If an Overview and Scrutiny Committee wishes to review an issue in which another authority has a statutory role or in which evidence from the Officers of another authority would be helpful, it should consult with that authority about:

- (a) the purpose of the review,
- (b) the areas of interest to the other authority,
- (c) the input that can be given by Members or Officers of the other authority.

17.171 Consideration should be given to whether the issue is more appropriately discussed in another forum, for example a joint Committee, or whether there is scope for joint action including the co-opting of Members of the other Authority onto the Overview and Scrutiny Committee for the purpose of the review.

17.172 Where a proposal is subject to a public consultation process, scrutiny is most helpful if conducted as part of that process e.g., allowing any findings and recommendations to be available in time to influence the final decision.

17.173 Subject to such prior consultation, Authorities will seek to respond positively to requests for information or for a Member or Officer to attend meetings of Overview and Scrutiny Committees or for information.

17.174 While it is ultimately for each Authority to decide who it considers the most appropriate person(s) to speak on its behalf to an Overview and Scrutiny Committee, consideration will be given to meeting specific requests.

17.175 Dates and times of Member and Officer attendance at Overview and Scrutiny meetings should be agreed with them.

17.176 Each Authority will nominate a contact Officer for the operation of these procedures.

17.186 The MRP shall select from its number a Chair.

17.187 No Member of the Council has a right to attend its meetings and its procedures are determined by the Panel itself, subject to the requirement of a quorum of 3 Panel members when agreeing recommendations to make to the Council.

17.189 Upon completion of a review under 17.185, each Panel member shall receive an allowance of £600. Reasonable travel and other expenses shall also be paid.

17.190 The Chair of the Panel shall receive an additional allowance of £200 upon completion of each review under both 17.184 and 17.185.

17.191 The work and recommendations of the Panel must conform to the relevant legislation.

19.4 In all instances, the Monitoring Officer must be informed of the arrangement prior to it coming into operation. The Monitoring Officer is responsible for maintaining a comprehensive summary of partnership Committees, bodies

and joint arrangements, together with their terms of reference. A list of outside bodies will be published on the Council website.

Form, Composition and Function of Joint Committees with Other Local Authorities

Partnerships:
Arrangements

- 19.5 Representation on Joint Committees should reflect the political composition of the Council as a whole except where:
- (a) the Joint Committee has functions relating to a part of the area of the Council that is smaller than two-fifths of the Council by area or population, or
 - (b) the Joint Committee is with a single district Council and relates to Executive functions of the County Council.

Procedure Rules

HWB: Procedures

19.20 Conduct. Members of the HWB are expected to subscribe to and comply with the Kent County Council Code of Conduct. Non-elected representatives on the HWB (e.g., GPs and Officers) will be co-opted members and, as such, covered by the Kent Code of Conduct for Members for any business they conduct as a member of the HWB.

19.21 Declaration of Disclosable Pecuniary Interests. Section 31(4) of the Localism Act 2011 (disclosable pecuniary interests in matters considered at meetings or by a single member) applies to the HWB and any Sub Committee of it. A register of disclosable pecuniary interests is held by the Clerk to the HWB, but HWB members do not have to leave the meeting once a disclosable pecuniary interest is declared.

19.22 Frequency of Meetings. The HWB meets at least annually. The date, time and venue of meetings is fixed in advance by the HWB in order to coincide with the key decision-points and the Forthcoming Decision List.

19.23 Meeting Administration.

- (a) HWB meetings are advertised and held in public and administered by the County Council.
- (b) The HWB may consider matters submitted to it by local partners.
- (c) The County Council gives at least five clear working days' notice in writing to each member of every ordinary meeting of the HWB, to include any agenda of the business to be transacted at the meeting.
- (d) Papers for each HWB meeting are sent out at least five clear working days in advance.
- (e) Late papers may be sent out or tabled only in exceptional circumstances.
- (f) The HWB holds meetings in private session when deemed appropriate in view of the nature of business to be discussed.
- (g) The Chairman's decision on all procedural matters is final.

19.24 Meeting Administration of Sub Committees. HWB Sub-Committees are administered by a principal local authority, in the case of the Clinical Commissioning Group level HWBs, by a District Council in that area. They will be subject to the provisions stated in these Procedure Rules.

19.25 Special Meetings. The Chairman may convene special meetings of the HWB at short notice to consider matters of urgency. The notice convening such

meetings shall state the particular business to be transacted and no other business will be transacted at such meeting.

- 19.26 The Chairman is required to convene a special meeting of the HWB if they are in receipt of a written requisition to do so signed by no less than three members of the HWB. Such requisition shall specify the business to be transacted and no other business shall be transacted at such a meeting. The meeting must be held within five clear working days of the Chairman's receipt of the requisition.
- 19.27 Minutes. Minutes of all HWB meetings are prepared recording:
- (a) the names of all members present at a meeting and of those in attendance,
 - (b) apologies,
 - (c) details of all proceedings, decisions, and resolutions of the meeting.
- 19.28 Minutes are printed and circulated to each member before the next meeting of the HWB, when they are submitted for approval by the HWB and are signed by the Chairman.
- 19.29 Agenda. The agenda for each meeting normally includes:
- (a) Minutes of the previous meeting for approval and signing.
 - (b) Reports seeking a decision from the HWB.
 - (c) Any item which a member of the HWB wishes included on the agenda, provided it is relevant to the terms of reference of the HWB and notice has been given to the Clerk at least nine working days before the meeting.
- 19.30 The Chairman may decide that there are special circumstances that justify an item of business, not included in the agenda, being considered as a matter of urgency. They must state these reasons at the meeting and the Clerk shall record them in the minutes.
- 19.31 Chairman and Vice Chairman's Term of Office. The Chairman and Vice Chairman's term of office terminates on 1 April each year, when they are either reappointed or replaced by another member, according to the decision of the HWB, at the first meeting of the HWB succeeding that date.
- 19.32 Absence of Members and of the Chairman. If a member is unable to attend a meeting, then they may provide an appropriate alternate member to attend in their place. The Clerk of the meeting should be notified of any absence and/or substitution within five working days of the meeting. The Chairman presides at HWB meetings if they are present. In their absence the Vice-Chairman presides. If both are absent, the HWB appoints from amongst its members an Acting Chairman for the meeting in question.
- 19.33 Voting. The HWB operates on a consensus basis. Where consensus cannot be achieved the subject (or meeting) is adjourned and the matter is reconsidered at a later time. If, at that point, a consensus still cannot be reached, the matter is put to a vote. The HWB decides all such matters by a

simple majority of the members present. In the case of an equality of votes, the Chairman shall have a second or casting vote. All votes shall be taken by a show of hands unless decided otherwise by the Chairman. For clarity, each Clinical Commissioning Group has one vote, irrespective of whether both the Clinical Lead and Accountable Officer for that Clinical Commissioning Group attend the HWB.

- 19.34 Quorum. A third of members form a quorum for HWB meetings. No business requiring a decision shall be transacted at any meeting of the HWB which is inquorate. If it arises during the course of a meeting that a quorum is no longer present, the Chairman either suspends business until a quorum is re-established or declares the meeting at an end.
- 19.35 Adjournments. By the decision of the Chairman, or by the decision of a majority of those members present, meetings of the HWB may be adjourned at any time to be reconvened at any other day, hour and place, as the HWB decides.
- 19.36 Order at Meetings. At all meetings of the HWB it is the duty of the Chairman to preserve order and to ensure that all members are treated fairly. They decide all questions of order that may arise.
- 19.37 Suspension/disqualification of Members. At the discretion of the Chairman, anybody with a representative on the HWB will be asked to reconsider the position of their nominee if they fail to attend two or more consecutive meetings without good reason or without the prior consent of the Chairman, or if they breach the Kent Code of Conduct for Members.

NHS Joint
Overview and
Scrutiny
Committee

Terms of Reference

- 19.39 To receive evidence in relation to proposals for a substantial development of, or variation to, the health service which affect both Kent and Medway under consideration by a relevant NHS body or relevant health service provider where both the relevant Overview and Scrutiny Committees of Medway Council and Kent County Council have determined proposals to be a substantial development of, or variation to, the health service.
- 19.40 To exercise the right to make comments under regulations 23(4) and 30(5) of the Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 (the 2013 Regulations) on behalf of the relevant Overview and Scrutiny Committees of Medway Council and Kent County Council on any such proposals under the consideration by the relevant NHS body or relevant health service provider.

- 19.41 To consider whether any proposal for a substantial development of, or variation to, the health service affecting the areas covered by Kent and Medway should be referred to the Secretary of State under regulation 23(9) of the 2013 Regulations and to recommend this course of action, if deemed as appropriate by the relevant Overview and Scrutiny Committees of both Medway Council and Kent County Council in line with their respective Constitutions. - 19.44 Regulation 30 of the 2013 Regulations states that where a relevant NHS body or a relevant health service provider consults more than one local authority on any proposal which they have under consideration for a substantial development of, or variation to, the provision of a health service in the local authorities' areas, those local authorities must appoint a Joint Overview and Scrutiny Committee (JHOSC) for the purposes of the review.
- 19.45 There will be a Kent and Medway NHS Joint Overview and Scrutiny Committee comprising of members appointed by Medway Council and Kent County Council. These rules apply to the JHOSC and any Sub-Committee established by it.
- 19.46 The JHOSC will appoint a Chair at its first meeting in each municipal year, and that Chair will normally be drawn in rotation from Kent County Council and Medway Council members. Where a review is unfinished at the end of a municipal year, members may agree that the previous year's Chair (if still a member of the Committee) may continue to preside over consideration of matters relating to that review.
- 19.47 The formal response of the JHOSC will be decided by a majority vote. If the JHOSC cannot agree a single response to a proposal under consideration for a substantial development of, or variation to, the provision of a health service by an NHS body or a relevant health service provider, then a minority response which is supported by the largest minority, but at least three members, may be prepared and submitted for consideration by the NHS body or a relevant health service provider with the majority response. The names of those who dissent may, at a member's request, be recorded on the main response.

Preamble

21.32 The Code of Conduct that follows is adopted under Section 27(2) of the Localism Act 2011.

21.33 The Code is based on the Seven Principles of Public Life under Section 28(1) of the Localism Act 2011, which are set out below.

21.34 This Preamble and the Seven Principles of Public Life do not form part of the Code, but you should have regard to them as they will help you to comply with the Code.

21.35 Where you have not undertaken training relating to conduct matters, you will not be able to use this as a defence where a complaint has been made.

21.36 There is an expectation that you will cooperate with any investigation under this Code and support or adhere to the conditions of any determination made at the conclusion of one.

- 21.37 If you need guidance on any matter under the Code, you should seek it from the Monitoring Officer or your own legal adviser – but it is entirely your responsibility to comply with the provisions of this Code.
- 21.38 In accordance with Section 34 of the Localism Act 2011, where you have a Disclosable Pecuniary Interest it is a criminal offence if, without reasonable excuse, you:
- (a) Fail to notify the Authority's Monitoring Officer of the interest before the end of 28 days beginning with the day on which you became a member.
 - (b) Fail to disclose the interest at Meetings where the interest is not entered in the Authority's register.
 - (c) Fail to notify the Authority's Monitoring Officer of the interest before the end of 28 days beginning with the date of disclosure at a meeting, if the interest is not entered in the Authority's register and is not the subject of a pending notification.
 - (d) Take part in discussion or votes, or further discussions or votes, at Meetings on matters in which you have the interest which are being considered at the meeting.
 - (e) Fail to notify the Authority's Monitoring Officer of the interest before the end of 28 days beginning with the date when you become aware that you have such an interest in a matter to be dealt with, or being dealt with, by you acting alone in the course of discharging a function of the Authority.
 - (f) Take any step in relation to a matter being dealt with by you acting alone in the course of discharging a function of the Authority, except a step for the purpose of enabling the matter to be dealt with otherwise than by you.
 - (g) Knowingly or recklessly provide false or misleading information in any of the above disclosures or notifications.
- 21.39 Any written allegation received by the Authority that you have failed to comply with the Code will be dealt with under the arrangements adopted by the Authority for such purposes. If it is found that you have failed to comply with the Code, the Authority may have regard to this failure in deciding whether to take action and, if so, what action to take in relation to you.

Scope

21.53 You must comply with this Code whenever you act in your official capacity as a Member or Co-opted Member of the Authority.

21.54 This Code applies to all forms of communication and interaction, including social media, which could result in a relevant breach of the Code.

General Obligations

21.55 You must, when using or authorising the use by others of the resources of the Authority:

- (a) act in accordance with the Authority's reasonable requirements; and
- (b) ensure that such resources are not used improperly for political purposes (including party political purposes).

21.56 You must not:

- (a) carry out any act of harassment or bully any person. For the purposes of this paragraph the following shall be taken into account:
 - i. harassment will have the applicable meaning set out in The Protection from Harassment Act 1997, Equality Act 2010, and other relevant legislation; and
 - ii. bullying is understood to be characterised by offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that humiliate, denigrate, or injure the recipient. It may be a regular pattern of behaviour or a one-off incident and is not restricted to face-to-face interactions.

- (b) intimidate or attempt to intimidate any person who is or is likely to be a complainant, a witness, or involved in the administration of any investigation or proceedings, in relation to an allegation that a Member (including yourself) has failed to comply with this Code;

 - b. made in good faith and in compliance with the reasonable requirements of the Authority,
- (e) prevent another person from gaining access to information to which that person is entitled by law,

Registering Disclosable Pecuniary Interests

Disclosable
Pecuniary
Interests

- 21.57 You must, before the end of 28 days beginning with the day you become a Member or Co-opted Member of the Authority, or before the end of 28 days beginning with the day on which this Code takes effect (whichever is the later), notify the Monitoring Officer of any Disclosable Pecuniary Interest.
- 21.58 In addition, you must, before the end of 28 days beginning with the day you become aware of any new Disclosable Pecuniary Interest or change to any

interest already registered, register details of that new interest or change, by providing written notification to the Monitoring Officer.

21.59 Where you have a Disclosable Pecuniary Interest in any matter to be dealt with, or being dealt with, by you acting alone in the course of discharging a function of the Authority (including making a decision in relation to the matter), then if the interest is not registered in the Register of Members' Interests and is not the subject of a pending notification, you must notify the Monitoring Officer before the end of 28 days beginning with the day you become aware of the existence of the interest.

21.60 Whether or not a Disclosable Pecuniary Interest has been entered onto the Register of Members' Interests or is the subject of a pending notification, you must comply with the disclosure procedures set out below.

21.61 Where you are present at a Meeting and have a Disclosable Pecuniary Interest or Other Significant Interest in any matter to be considered, or being considered, at the Meeting, you must:

(a) disclose the Interest, and

(b) explain the nature of that Interest at the commencement of that consideration or when the Interest becomes apparent (subject to 21.64-66, below); and unless you have been granted a dispensation or are acting under 21.63:

i. not participate in any discussion of, or vote taken on, the matter at the Meeting, and

ii. withdraw from the Meeting room in accordance with the Authority's Procedure Rules whenever it becomes apparent that the business is being considered, and

iii. not seek improperly to influence a decision about that business.

21.62 Where you have a Disclosable Pecuniary Interest or Other Significant Interest in any business of the Authority where you are acting alone in the course of discharging a function of the Authority (including making an Executive decision), you must:

Members'
Interests: Other

(a) notify the Monitoring Officer of the interest and its nature as soon as it becomes apparent, and

(b) not take any steps, or any further steps, in relation to the matter except for the purpose of enabling the matter to be dealt with otherwise than by you, and

(c) not seek improperly to influence a decision about the matter.

21.63 Where you have an Other Significant Interest in any business of the Authority, you may attend a Meeting but only for the purpose of making representations, answering questions or giving evidence relating to the business, provided that the public are also allowed to attend the Meeting for the same purpose. Having made your representations, given evidence or answered questions you must:

(a) not participate in any discussion of, or vote taken on, the matter at the Meeting, and

(b) withdraw from the Meeting room in accordance with the Authority's Procedure Rules.

Sensitive Interests

21.64 Where you consider that the information relating to any of your Disclosable Pecuniary Interests is a Sensitive Interest, and the Monitoring Officer agrees, the Monitoring Officer will not include details of the Sensitive Interest on any copies of the Register of Members' Interests which are made available for inspection or any published version of the Register, but may include a statement that you have an interest, the details of which are withheld under this paragraph.

21.65 You must, before the end of 28 days beginning with the day you become aware of any change of circumstances which means that information excluded under paragraph 21.64 is no longer a Sensitive Interest, notify the Monitoring Officer asking that the information be included in the Register of Members' Interests.

21.66 The rules relating to disclosure of Interests in paragraphs 21.61 and 21.62 will apply, save that you will not be required to disclose the nature of the Sensitive Interest, but merely the fact that you hold an interest in the matter under discussion.

Gifts and Hospitality

Members: Gifts
and Hospitality

21.67 You must, before the end of 28 days beginning with the day of receipt/acceptance, notify the Monitoring Officer of any gift, benefit or hospitality with an estimated value of £100 or more, or a series of gifts, benefits and hospitality from the same or an associated source, with an estimated cumulative value of £100 or more, which are received and accepted by you (in any one calendar year) in the conduct of the business of the Authority, the business of the office to which you have been elected or appointed or when you are acting as representative of the Authority. You must also register the source of the gift, benefit or hospitality.

21.68 Where any gift, benefit or hospitality you have received or accepted relates to any matter to be considered, or being considered at a Meeting, you must disclose at the commencement of the Meeting or when the interest becomes apparent, the existence and nature of the gift, benefit or hospitality,

the person or body who gave it to you and how the business under consideration relates to that person or body. You may participate in the discussion of the matter and in any vote taken on the matter, unless you have an Other Significant Interest, in which case the procedure in 21.60-63 above will apply.

21.69 You must continue to disclose the existence and nature of the gift, benefit or hospitality at a relevant Meeting, for 3 years from the date you first registered the gift, benefit or hospitality.

21.70 The duty to notify the Monitoring Officer does not apply where the gift, benefit or hospitality comes within any description approved by the Authority for this purpose.

Dispensations

Dispensations

21.71 The Standards Committee, or any Sub-Committee of the Standards Committee, or the Monitoring Officer (where authorised) may, on a written request made to the Monitoring Officer (as appointed Proper Officer for the receipt of applications for dispensation) by a Member with an Interest, grant a dispensation relieving the Member from either or both of the restrictions on participating in discussions and in voting (referred to in 21.60-63 above).

21.72 A dispensation may be granted only if, after having had regard to all relevant circumstances, the Standards Committee, its Sub-Committee, or the Monitoring Officer (where authorised) considers that:

- (a) without the dispensation the number of persons prohibited from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business, or
- (b) without the dispensation, the representation of different Political Groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business, or
- (c) granting the dispensation is in the interests of persons living in the Authority's area, or
- (d) without the dispensation each member of the Authority's Executive would be prohibited from participating in any particular business to be transacted by the Authority's Executive, or
- (e) it is otherwise appropriate to grant a dispensation.

21.73 A dispensation must specify the period for which it has effect, and the period specified may not exceed four years.

21.74 21.60-63 does not apply in relation to anything done for the purpose of deciding whether to grant a dispensation under 21.71-73.

The Seven Principles of Public Life

Seven Principles of
Public Life

21.75 In accordance with the Localism Act 2011, and in order to help maintain public confidence in this Authority, you are committed to behaving in a manner that is consistent with the following principles. However, it should be noted that these Principles do not create statutory obligations for Members and do not form part of the Code. It follows from this that the Authority cannot accept allegations that they have been breached. The definitions of the Principles are set out below. These will be reviewed and updated by the Monitoring Officer on a regular basis to ensure the most current definitions are in use.

21.76 Selflessness. Holders of public office should act solely in terms of the public interest.

21.77 Integrity. Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

21.78 Objectivity. Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

21.79 Accountability. Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

21.80 Openness. Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

21.81 Honesty. Holders of public office should be truthful.

21.82 Leadership. Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

22. Convention on Member: Officer Relations

22.1 As approved by the County Council on 23 May 2013 (amended on 26 May 2022).

Introduction and Principles

22.2 The purpose of this note is to guide Members and Officers in their relations with one another in such a way as to ensure the smooth

**Convention
on Member:
Officer
Relations**

running of the Council.

- 22.3 Given the variety and complexity of such relations, this note does not seek to be either prescriptive or comprehensive. Instead, it offers guidance on some of the issues that most commonly arise. If the advice is followed it should ensure that Members receive objective and impartial advice, and that Officers are protected from accusations of bias and any undue influence from Members.
- 22.4 This note seeks to reflect the principles underlying the respective Codes of Conduct that apply to Members and Officers. The shared object of these codes is to enhance and maintain the integrity (real and perceived) of local government and the Codes, therefore, demand very high standards of personal conduct.
- 22.5 This note does not form part of the Members' or Officers' Codes of Conduct. Consequently, action or behaviour that is not in accord with this advice will not of itself constitute a breach of those Codes but may be evidence of a breach.
- 22.6 This note should be read in conjunction with the Members' and Officers' Codes of Conduct, the Council's Constitution and any other guidance issued by the Standards Committee and/or Monitoring Officer.

The Relationship: General Points

- 22.7 Both Members and Officers are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Members are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to all organs and Members of the Council. Their job is to give advice to Members and the Council, and to carry out the Council's work under the direction and control of the Council, the Cabinet and any Committee or Sub-Committee of either Cabinet or the Council.
- 22.8 At the heart of the Members' and Officers' Codes of Conduct and this note, is the importance of mutual respect. Member/Officer relationships are to be conducted in a positive and constructive way. Therefore, it is important that any dealings between Members and Officers should observe standards of courtesy and that neither party should seek to take unfair advantage of their position or seek to exert undue influence on the other party.
- 22.9 Inappropriate relationships can be inferred from language and style. To protect both Members and Officers, people should be given their appropriate formal title where circumstances clearly indicate that a level of formality is appropriate, e.g., in meetings that are open to the public.
- 22.10 A Member should not raise matters relating to the conduct or capability of an Officer except through the Council's agreed procedures for such matters. This is a long-standing tradition in public service. An Officer has no means of responding to such criticisms in public. Any concern that a Member has about the conduct or capability of an Officer should be raised with the appropriate

manager. As Officers work for KCC and are ultimately accountable to the Chief Executive, the Chief Executive will look into the matter where it has not been resolved at a lower level of management. Any action taken against an Officer in respect of a complaint will be in accordance with the provisions of the Council's Disciplinary Rules and Procedures.

- 22.11 An Officer below the level of Corporate Director should not raise with a Member matters relating to the conduct or capability of another Officer or to the internal management of a Unit/Directorate.
- 22.12 Where an Officer feels that they have not been properly treated with respect and courtesy by a Member, they should raise the matter with their Manager, Head of Service, Corporate Director or the Chief Executive (as appropriate), especially if they do not feel able to discuss it directly with the Member concerned. In these circumstances, the Manager, Head of Service, Corporate Director or Chief Executive will take appropriate action either by approaching the individual Member and/or Group Leader or by referring the matter to the Monitoring Officer in the context of the Standards Committee's role in dealing with complaints that a Member has breached the Code of Conduct. The Officer retains the option of referring the matter directly to the Monitoring Officer in accordance with the scheme for handling Councillor complaints where it has not been referred by a Manager who has considered it.
- 22.13 Some examples of inappropriate conduct can be found on the ACAS website. Members and Officers must at all times comply with and seek to fulfil the Council's Equality and Diversity Policy.

The Relationship: Officer Support to Members - General Points

Officer Support to
Members

- 22.14 Officers are responsible for day-to-day managerial and operational decisions within the authority and provide support to the Leader, Cabinet, Committee Members, and all Members in their respective roles.
- 22.15 Certain Statutory Officers – the Chief Executive, the Monitoring Officer, and the Director of Finance – have specific roles. These are addressed in the Constitution. Their roles need to be understood and respected by all Members.
- 22.16 The following key principles reflect the way in which the Officer corps generally relates to Members:
 - (a) All Officers are employed by, and accountable to, the authority as a whole.
 - (b) Support from Officers is needed for all the authority's functions, including Full Council, the Cabinet, Cabinet Committees, the Scrutiny Committee, other Committees, individual Members representing their communities, etc.
 - (c) Day-to-day managerial and operational decisions remain the responsibility of the Corporate Directors and other Officers.

- 22.17 Members should seek to avoid potential conflicts of interest for Officers arising from the separation of the Cabinet and Scrutiny roles, e.g., they should not seek disclosure of advice or discussions that have taken place between Members and Officers in the preparation of reports, papers, advice, or recommendations to either the Cabinet or Members undertaking overview and scrutiny roles. In addition, the Code of Conduct for Members states that Members must not do anything that compromises, or is likely to compromise, the impartiality or integrity of those who work for, or on behalf of, the Council.
- 22.18 Officers enjoy extensive delegated powers from the Leader through Cabinet Members (as well as from the Council in respect of its directly exercisable functions). In some cases, these powers are exercised after consultation with Cabinet Members. It must be recognised that in these circumstances, while ultimate accountability for the decision and its outcome rests with the Leader, it is the Officer who takes the decision and who is accountable to the Chief Executive for their actions.
- 22.19 Finally, it must be remembered that Officers within a Unit or Directorate are accountable to their Head of Service and Corporate Director and that whilst Officers should always seek to assist a Member, they must not, in so doing, go beyond the bounds of whatever authority they have been given by their Head of Service or Corporate Director.

The Relationship: Officer Support - Members and Political Groups

Officer Support:
Members and
Political Groups

- 22.20 It must be recognised by all Officers and Members that in discharging their duties and responsibilities, Officers serve the Council as a whole and not any Political Group, combination of Groups or any individual Member of the Council.
- 22.21 There is statutory recognition for Political Groups, and it is common practice for such Groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision-making body. Officers may properly be called upon by Political Groups to support and contribute to such deliberations but must at all times maintain political neutrality. All Officers must, in their dealings with Political Groups and individual Members, treat them in a fair and even-handed manner.
- 22.22 The support provided by Officers can take many forms. Whilst in practice such Officer support is likely to be in most demand from whichever Political Group is for the time being in control of the Council, such support is available to all Political Groups.
- 22.23 Certain points must, however, be clearly understood by all those participating in this type of process, Members and Officers alike. In particular:
- (a) Officer support must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in

advising on matters of Political Group or political party business. The observance of this distinction will be assisted if Officers are not present at meetings or parts of meetings when such matters are to be discussed.

- (b) Political Group meetings, whilst they form part of the preliminaries to Council decision-making, are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or acted upon as such.
- (c) Similarly, where Officers (other than Political Group staff Officers) provide information and advice to a Political Group meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the relevant Cabinet, Cabinet Member, Committee or Sub-Committee when the matter in question is considered.

22.24 Special care needs to be exercised whenever Officers are involved in providing information and advice to a Political Group meeting which includes persons who are not Members of the Council. Such persons are not bound by the Codes of Member and Officer Conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and Officers should not normally attend and/or give advice to such meetings and are advised to politely decline to attend/give advice.

22.25 Officers must respect the confidentiality of any Political Group discussions at which they are present in the sense that they should not relay the content of any such discussion to another Political Group.

22.26 In relation to Budget proposals:

- (a) The Leader and Cabinet are entitled to confidential discussions with Officers regarding options and proposals. These will remain confidential until determined by the Executive or until published in advance of Cabinet/Committee/Council meetings, whichever is the earlier, and
- (b) Political Groups other than the majority Group are also entitled to confidential discussions with Officers to enable them to formulate alternative Budget proposals. These will remain confidential until determined by the respective Political Groups or until published in advance of Cabinet/Committee/ Council meetings, whichever is the earlier. Officers giving such advice must not be named in public.

22.27 It must not be assumed by any Political Group or Member that any Officer is supportive of any policy or strategy developed because of that Officer's assistance in the formulation of that policy or strategy.

22.28 Any particular cases of difficulty or uncertainty in this area of Officer advice to Political Groups should be raised with the Chief Executive who will discuss them with the relevant Group Leader(s).

- 22.29 It is important that there should be a close working relationship between the Leader, Cabinet and Deputy Cabinet Members and the Officers who support and/or interact with them. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question the Officer's ability to deal impartially with Cabinet Committees, the Scrutiny Committee, other Members, and other Political Groups.
- 22.30 Officers will continue to work for and serve the Council as a whole. Nevertheless, as the majority of functions will be the responsibility of the Executive, it is likely that in practice many Officers will be working to the Cabinet for most of their time. Cabinet Members must nevertheless respect the political neutrality of the Officers. Equally Officers must ensure, even when they are predominantly supporting the Cabinet, that their political neutrality is not compromised.
- 22.31 Advice from Officers on matters that are the responsibility of the Executive is given to both Cabinet and non-Cabinet Members in a variety of ways:
- (a) Reports to Cabinet are normally submitted jointly by Cabinet Members and Directors. The Chief Executive may submit reports in their own name alone or authorise other Officers to do so when deemed appropriate.
 - (b) Reports recommending decisions to individual Cabinet Members are normally in the name of the Officer only, although Cabinet Members will routinely be consulted as part of the process of drawing up such reports.
 - (c) Officers must give written and oral information and advice to the Cabinet Committees, the Scrutiny Committee, or other Committees when necessary or requested.
 - (d) In some situations, an Officer will be under a professional duty to submit a report.
- 22.32 Directors and other senior Officers are responsible for the contents of any report submitted in their name or jointly with a Cabinet Member, except where it is clear that the advice or opinion stated is that of the Cabinet Member. Any issues arising between a Cabinet or Deputy Cabinet Member and a Head of Service in this area should be referred to the Chief Executive/relevant Corporate Director for resolution in conjunction with the Leader of the Council.
- 22.33 Where functions that are the responsibility of the Leader are delegated through Cabinet Members to Officers or other structures outside the Cabinet, the Leader will nevertheless remain accountable to the Council for the discharge of those functions. That is to say, the Executive will be held to account for both its decision to delegate a function and the way that the

function is carried out, although the specific decision is the responsibility of the Officer or other delegated body.

- 22.34 Cabinet Members must satisfy themselves that they are clear what exactly they can and cannot do when taking decisions as individual Members of the Cabinet. They must seek advice from relevant Officers before taking a decision within their delegated authority. This includes taking legal advice, financial advice, and professional Officer advice (particularly about contractual matters) as well as consulting the Monitoring Officer where there is doubt about vires.
- 22.35 Decisions taken by individual Cabinet Members give rise to legal and financial obligations in the same way as decisions taken collectively. Therefore, Cabinet Members should always be aware of legal and financial liabilities (consulting the Monitoring Officer and Director of Finance as appropriate) which will arise from their decisions.
- 22.36 In organising support for the Cabinet, there is a potential for tension between Chief Officers and Cabinet Members with portfolios. All Members and Officers need to be constantly aware of the possibility of such tensions arising and both Officers and Members need to work together to avoid such tensions and conflicts existing or being perceived.

Scrutiny Committee

- 22.37 Members of the Scrutiny Committee, when questioning Members and Officers should:

Scrutiny
Committee:
Additional

- (a) Direct their question to the merits of the decision under review.
- (b) Ascertain the factual and other information on which the decision was based.
- (c) Confirm the compliance of the decision-making process with the Council's principles of decision-making.
- (d) Test what alternatives have been considered and the reasons for their rejection.

- 22.38 They should not:

- (a) Question the conduct of individual Members or Officers.
- (b) Seek for Officers to disclose the contents of confidential discussions, papers or advice.
- (c) Criticise an Officer by name.
- (d) Seek to instigate or become in any way involved in disciplinary or grievance procedures in relation to the actions of Members or Officers.

- (e) Act as a “court of appeal” against specific decisions relating to individuals or pursue complaints by individuals (Members, Officers or members of the public) where other procedures exist for this.

Support to Council Committees

Officers:
Committee
Support

- 22.39 The Council discharges a range of functions through directly appointed Committees. While the Political Groups operate within these Committees, they should wherever possible conduct their business on a non-political basis. Officers need to work closely with the Chairs of such Committees to plan their agendas and meeting arrangements, but all advice and information must be offered impartially to all Members of the Committee and any other Member who has a right to know or attend the Committee meeting.

Support services to Members and Political Groups

Members: Use of
Council Facilities

- 22.40 Members must not use Council premises or facilities (including support staff, IT equipment, photocopiers, fax machines, cars, stationery and other office supplies and catering) for purposes not connected with their duties as a Councillor. Such facilities may be used for communication with constituents on matters affecting the Council’s functions and services or matters of general interest to local government and for the work of the Political Groups in relation to the transaction of business within the Council. These facilities must not be used for electoral or other party political purposes not directly connected to the Council’s business, except where agreed arrangements exist for such facilities to be made available at a charge.
- 22.41 Members may not use the Council’s IT systems unless they have signed the standard agreement accepting the conditions under which the systems are made available to Officers. Members must at all times comply with the terms of that agreement.

Members’ Access to Information and to Council Documents

Members: Access
to Information

- 22.42 Members have a right to see (and be given a copy of) such documents and other information as is reasonably necessary to enable them to carry out their duties as Councillors on a “need to know” basis, so long as they have no improper nor extraneous purpose in view. This includes all documents available to the public as “background documents” and all documents setting out information that is disclosable to the public under the Freedom of Information Act.
- 22.43 It is ultimately for the Council to determine what is reasonably necessary for a Member to know but normally Corporate Directors will make the judgment, in consultation, if necessary, with the Monitoring Officer.

Need to Know

- 22.44 This will be generously interpreted as applying to all documents and information to which there is no “confidential” connotation, subject only to Corporate Directors retaining a discretion to decline to make available voluminous documentation or diffuse information, or copies of documents, where the cost of doing so is reasonably high.
- 22.45 Documents or information which is regarded as “confidential” will normally be made available, on a confidential basis, only to:
- (a) Cabinet Members.
 - (b) Members of the Scrutiny Committee in connection with a matter that is to be scrutinised.
 - (c) The Chair and Political Group Spokespersons on the Scrutiny Committee in considering whether a matter should be scrutinised.
 - (d) Members of a Committee or Sub-Committee whose terms of reference include matters to which the information relates.
- 22.46 Advice on requests from other Members should be referred to the Monitoring Officer.
- 22.47 There is no generic definition of “confidential” and Corporate Directors will exercise their judgment, consulting the Chief Executive where there is any doubt. It would include, for example, most information relating to named individuals, including information which is held for a specified purpose under the Data Protection Act not relevant to the exercise of the Member’s duties. It will also include most information relating to the terms of contracts yet to be concluded. It is a narrower category than documents that are exempt from disclosure to the public under the Access to Information and Freedom of Information legislation (and different from the “confidential” classification under that legislation).

Confidentiality

Members:
Confidentiality

- 22.48 Members shall not disclose any documents or information made available to them on a confidential basis or any information of a personal nature that is protected under the Data Protection Act. Nor should they disclose any information contained in Cabinet, Committee or other reports or documents classified as exempt or confidential under the Access to Information legislation or decisions taken in Council, Cabinet or Committee while the public is excluded from the meeting under that legislation, unless they have ascertained from the relevant Officer that confidentiality no longer applies.

Documents Affected

- 22.49 Members’ rights of access apply to documents sent to the Council or prepared for it by Officers or consultants. They do not apply to:

- (a) Draft documents of a factual or research nature where the Corporate Director is not satisfied as to their accuracy or completeness.
- (b) Documents prepared for discussion between Cabinet or Deputy Cabinet Members and Officers prior to the initiation of formal decision-making processes under the Procedure Rules in the Council's Constitution
- (c) Working documents discussing policy or Budget options or internal management arrangements, where the Corporate Director has not reached a view as to the advice to be offered to Members.
- (d) Draft reports prior to their despatch to Council, Cabinet, or a Committee.

22.50 Officers may consult Chairs, Vice-Chairs and Group Spokespersons on draft Committee reports as part of the agenda planning process and may also consult them on working documents if they wish.

22.51 Documents prepared at the request of one Political Group will not be made available to other Political Groups without the first Group's consent. Nor will such documents be used in the preparation of Committee reports without the Group's consent.

Correspondence and Advice

Correspondence

22.52 Members seeking advice from Officers should say clearly if they wish the advice to be confidential and not disclosed to other Members. If such a request is made, the Officer is entitled to refuse to provide the advice if to do would breach their duty to other Members.

22.53 Correspondence between a Member and an Officer should not normally be copied (by the Officer) to any other Member without the first Member's consent. In particular, a system of "blind copies" should not be employed.

22.54 Official external communications on behalf of the Council may be sent in the name of the Leader or Cabinet Member where they have been directly involved in the issues or circumstances make this appropriate (e.g., representations to a Government Minister or personal correspondence). All other official external communications must be sent in the name of an Officer, including and especially those which create legal obligations or give instructions to act or commit expenditure on behalf of the Council.

22.55 22.54 does not in any way seek to discourage Members from signing correspondence with constituents or other persons on a personal basis, but they should be careful to distinguish between their own views and the official policy or decision of the Council.

- 22.56 Official press statements relating to the functions and business of the Council may be issued by the Press Office on the authority of the Chairman of the Council on matters pertaining to their office and on all other matters on the authority of the Leader, relevant Cabinet Member, or the Chair of the relevant Committee.
- 22.57 The day-to-day handling of media enquiries is the responsibility of the Press Office.
- 22.58 The Press Office may authorise the issue of a press release relating to matters of routine and which are not controversial.
- 22.59 Cabinet Members or Chairs of relevant Committees will be consulted on relevant draft press statements before they are published. After publication, copies will be made available to all Members of the Council.
- 22.60 In issuing any press release, the Press Office will have regard to the Code of Practice on Local Authority Publicity.
- 22.61 The Leader, Cabinet Members and Chairs of Committees may represent the Council in press, radio and television interviews on matters relevant to their office; otherwise they or any other Members of the Council may respond to requests for press, radio and television interviews, but these will be given in a personal capacity and on the personal responsibility of the Member concerned.
- 22.62 The media will be directed to the Leader or relevant Cabinet Member for any request relating to policy matters.
- 22.63 Officers may deal with any request for information or questions asked by the press, television or radio and may accept invitations to broadcast or appear on television in order to give the facts of the situation or provide background information on the Council's policies.

Official Openings and Ceremonies

- 22.64 All proposals for opening ceremonies and similar ceremonial events will be agreed by Officers with the relevant Cabinet Member in consultation with the Press Office.
- 22.65 The Chairman of the Council will be consulted in all cases about whether the event is one which either the Chairman or Vice-Chairman of the County Council should officiate or represent the Council and issue invitations.
- 22.66 The relevant Cabinet Member, in consultation (if agreed as appropriate) with the Council Chairman or Vice-Chairman, will agree the invitation list taking account of the type and nature of the event. The relevant local County

Councillors, Member of Parliament, MEP, Borough/District and Town/Parish Councillors will be invited to attend.

- 22.67 If neither the Chairman nor Vice-Chairman of the Council is to issue invitations and officiate, then the relevant Cabinet Member or a Deputy Cabinet Member may do so.

Involvement of Local Members

Involvement of
Local Members

- 22.68 Officers must ensure that all Members of the Council are kept informed of issues, events, decisions, and prospective decisions which will affect the Council, their own divisions and relevant information about non-KCC issues related to their service areas.

- (a) Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the divisions affected should, as a matter of course, be invited to attend the meeting.
- (b) Whenever the Council undertakes any form of consultative exercise on a local issue, the local Members should be notified at the outset of the exercise and informed of the outcome.
- (c) Inquiries from local Members will be followed up and responded to quickly and positively.
- (d) Background briefings for Members on local issues will be prepared, if requested.
- (e) Officer support will, where appropriate, be provided in arranging and attending appropriate local meetings where a Member intends to discuss KCC business.
- (f) Local Member views must be sought and included in all reports to Cabinet, Cabinet Members and Council Committees on any matter that appears to specifically affect their division. Any objection by a local Member to a proposed course of action shall be the subject of consultation with the relevant Cabinet Member.
- (g) Members of the public appealing against, or dissatisfied with, an Officer decision must always be informed of their ability to seek the help and advice of their local Member

Petitions

Members and
Petitions

- 22.69 Members who are asked to present or receive a petition to, or on behalf of, the Council, whether as a Cabinet Member, Committee Chair or Local Member, should consult the Democratic Services Manager on the appropriate method of so doing.

Local Issues at Committee Meetings

Committees:
Local Issues

22.70 Members not serving on a Committee do not have the right to place an item of local concern on the agenda for a meeting; instead, they should seek the consent of the Chair of the Committee if they wish a particular item to be discussed at a Committee meeting.

22.71 Any Member of the Council may attend any meeting of a Committee, including those parts of the meeting from which the public and press are excluded (see 15.21). They do not have a right to vote or move a motion or amendment but may speak with the consent of the Chair (that consent should be sought before the meeting and should not normally be withheld).

Access to Council Premises

Members: Access
to Council
Premises

22.72 Members are welcome to visit any premises owned and used for delivery of Council services and should agree arrangements for the visit with the local manager. If Members wish to visit premises outside their division as a part of their KCC duties, they should also inform the Member for that division and the relevant Cabinet Member. Members may not visit premises for purposes unrelated to their duties as a Member of the Council. They must comply with any health and safety or other workplace rules and regulations and not interfere with the provision of services to the public. Members have no rights to enter premises owned by KCC but let to or legally occupied by other persons nor any premises not owned by KCC.

**Code of
Officers
Conduct**

Introduction

23.2 This Code sets out guidelines for the conduct of KCC employees to maintain standards, protect employees from misunderstanding or criticism and protect the reputation of KCC. The basic standards of conduct, as set out in this document, also apply to volunteers, agency workers and others working within KCC such as those who are on work placements and work experience. For clarity, reference to 'you' within this document includes all individuals as set out above.

23.3 It refers to statements and requirements contained within the Kent Scheme Terms and Conditions of Service, KCC Financial Regulations, and other documents. These are either available via KNet or through your line manager.

23.4 This Code forms part of your conditions of service. It is your responsibility to read and apply the standards set out in this and relevant documents including professional codes, policies, and guidance (such as those issued by Social Work England, the Health and Care Professions Council (HCPC), Public Health, the Nolan Principles (see 21.75-21.82), the Chartered Institute of

Finance and Accounting (CIPFA) etc.). Any employee acting outside the standards could be subject to disciplinary action.

- 23.10 You are required to disclose at the earliest possible opportunity to your line manager any matters which could call into question, or could have a bearing on, your working arrangements with KCC and/or could bring KCC into disrepute, e.g. where you and/or a close personal relationship are the subject of an investigation/enquiry being conducted by an external body such as the Police or a professional registration body etc.
- 23.11 You must discuss with your line manager (or with your grandparent manager if your disclosure relates to a personal relationship with your line manager) any close personal relationship with another employee working within KCC if this has the potential to give rise to a conflict of interests.

23.19 You should act in such ways as to avoid all forms of unacceptable behaviour in relation to other employees, partner agencies and service users of KCC.

Data Protection and Confidentiality

Officers: Data
Protection and
Confidentiality

23.20 The Data Protection Act 2018 and the General Data Protection Regulations (GDPR) sets principles for how personal information can be obtained, held, used or disclosed. - (b) You must respect the privacy and confidentiality of our customers and your colleagues.
- (c) Inappropriate disclosure of information will render you liable to disciplinary action and could lead to criminal prosecution. This will continue to apply after employment has ended in the case of highly confidential information (which is not otherwise in the public domain) and may also lead to civil legal proceedings being taken by KCC. You should contact your line

manager if you are in any doubt as to what information KCC considers highly confidential in your service area.

- 23.23 You must not misuse your position to request or gain information unnecessary to carrying out your work.
- 23.24 You are responsible for the accuracy and legibility of records you create or use in the performance of your duties.

Whistleblowing

Whistleblowing

- 23.27 KCC is committed to the highest possible standards of openness, honesty, and accountability and expect the same commitment for those working within the service. If you become aware of, or directly witness, situations or conduct that make you feel uncomfortable or which you regard as inappropriate you should raise any such serious concerns in accordance with the Whistle Blowing Procedure. This provides a means for you to raise concerns about matters not related to your own employment or your work within KCC but which you feel need to be examined. It is intended to encourage individuals to raise serious concerns internally within KCC, without fear of reprisal or victimisation, rather than overlooking a problem or raising the matter outside.
- 23.28 Further information is available within the Whistleblowing Policy and Procedure on KNet.

Political Neutrality

Officers: Political
Neutrality

- 23.29 You serve the Council as a whole and it follows that you serve all elected Members and not just those of the controlling Group and you must ensure the individual rights of all elected Members are respected.
- 23.30 You may be in a post in which you advise Political Groups. If you do, you must act with political neutrality. Whilst you may have your own political opinions, you must avoid carrying out your duties in a way which reveals your political affiliation.

Whilst it is not legally possible to continue to work for KCC if you are elected as a KCC Councillor you may be able to serve in public office for other organisations, including other Councils. You should obtain advice from the political party for which you are standing to ensure there is no conflict of interest and your political allegiance does not compromise your working life.

23.34 If you are involved in politics in your private time, you must not carry out any political activity which might lead the public to think you are acting in your capacity as a KCC employee. It is particularly important, if you are a Member with another Council, to keep your two roles separate and not use confidential information obtained in one capacity within the other.

Relationships

Officers: Wider Relationships

23.35 Elected Members:

- (a) Mutual respect between employees and Members is essential to

good local government. Close personal familiarity between employees and individual Members can damage the relationship and prove embarrassing to other employees and Members and should therefore be avoided.

- (d) If an expression of opinion or official statement of policy is needed, you must speak to your Head of Service.
- (e) Every assistance should be given to Members who need information to deal with questions from the media. You should refer to the Press Office Manager for further advice if you are unsure of the protocols.
- (f) If you speak as a private individual directly to the press, or at a public meeting or other situation where your remarks may be reported to the press, ensure nothing you say might lead the public to think you are acting in your capacity as a KCC employee.
- (g) If you speak on behalf of a recognised trade union, you must make it clear that the views you are expressing are those of the trade union you represent and not KCC's.

Social Media

- 23.38 You should be aware that information posted on social media sites is often public and may be viewed by colleagues, residents, and the media/press. You have a responsibility to act in the best interests of the people of the County and not breach any confidentiality, post anything that could damage the council's reputation or could have a bearing on your working arrangements with KCC, e.g., sharing confidential or sensitive information.

23.39 Contractors/Consultants:

- (a) All relationships of a business or private nature with internal or external contractors or consultants, or potential contractors or consultants, should be made known to an appropriate senior manager (see 23.50-23.57 on how this should be recorded) as they have the potential to seriously compromise KCC decisions.

Staff Appointments and Other Employment Matters

- 23.41 KCC has a detailed process for the appointment of staff that must be followed scrupulously by all employees involved in appointments at all times. Those involved in the process of staff appointments should undertake the available Recruitment & Selection training course and the E-learning on Equality & Diversity in Recruitment and Selection in KCC and Unconscious Bias.
- 23.42 To avoid any possible accusation of bias, you should not be involved in an appointment where an applicant is someone with whom you have a close personal relationship.
- 23.43 Similarly, you should not be involved in decisions relating to discipline, managing performance and capability issues, promotion or pay adjustments for any other employee who is a someone with whom you have a close personal relationship. You are required to disclose to the recruiting manager or line manager any matters which could call into question, or could have a bearing on, your working arrangements with KCC and/or could bring KCC into disrepute, e.g. where you and/or a close personal relationship are the subject of an investigation/enquiry being conducted by an external body such as the Police or a professional registration body etc.
- 23.44 You are required to disclose to either the recruiting manager or line manager, any criminal conviction, warning, caution, or reprimand you and/or a close personal relationship receive and/or any matters which could call into question, or could have a bearing on, your working arrangements with KCC, as this may have a potential impact on your job.

Officers: Outside
Commitments

- 23.46 You must be clear about your contractual obligations and should not take additional or external employment (paid or unpaid) which conflicts with KCC's interests. Therefore, you must discuss with your line manager and obtain their consent before taking up additional employment elsewhere in KCC or with another employer.
- 23.47 Where you are permitted to take external employment, no external work of any sort should be undertaken on KCC working premises or during KCC working time.
- 23.48 Use of KCC facilities such as telephones, computers, etc. is forbidden and correspondence and incoming phone calls related to external work are not permitted.
- 23.49 These provisions do not apply to public appointments (e.g., as a magistrate).
- 23.50 You may, in a professional capacity whilst undertaking additional or external work, publish books and articles, give lectures, or speak on radio or television, or utilise social media platforms and may illustrate these by reference to KCC's activities or policies, but your Corporate Director must be consulted before doing so. You must be clear that any views you express are your own and not necessarily those of KCC.
- 23.51 You may retain lecturing fees under the following conditions only:
- (a) Officers who lecture in their own time for other organisations may retain the whole of any fee payable.
 - (b) Officers who are permitted to lecture to external organisations in KCC's time may retain half of any fee payable.

The Declaration of Interest Form must be completed at least annually via Employee Self Service. If a potential conflict of interest is identified this will be referred to the relevant Head of Service (or equivalent level of management).
- 23.53 Membership of, or activity on behalf of, a recognised trade union or professional society does not constitute such an interest. KCC encourages

you to take an active part in the life of your community. This Code does not seek to discourage such involvement. If there is any doubt, advice should be sought from your line manager.

- 23.54 You should declare to an appropriate senior manager, membership of any organisation, lodge, chapter, society, trust or regular gathering or meeting which is not open to members of the public who are not members of that lodge, chapter, society, or trust or requires secrecy about its rules, membership, or conduct.
- 23.55 In addition to the above, you should advise an appropriate senior manager of your membership of any such organisation where in a specific instance such membership constitutes (or could be perceived as) a conflict of interest.
- 23.56 KCC Financial Regulations specify that employees who have a direct or indirect financial interest in a contract shall not be supplied with, or given access to, any tender documents, contracts or other information relating to them, without the authority of the relevant Corporate Director.
- 23.57 You must advise a senior manager if you are declared bankrupt or are involved as a Director of a company which is wound up or put into voluntary liquidation if it may impact upon your role and duties. Such information will be treated in the strictest confidence.
- 23.58 Intellectual Property Rights are relevant to patents, copyright, database rights, registered and unregistered design rights, trademarks, utility models, plant variety rights and other intellectual property, applications for registration of any of the same, confidential information and know how, whether in all cases registered or unregistered.
- 23.59 Where you make or create any Intellectual Property Rights that may be of benefit to KCC in the course of your normal duties, you should inform your manager in writing and, unless an alternative agreement is reached with the relevant Corporate Director, KCC is generally considered the 'owner' so far as the law allows.

Equality Issues

Equality

- 23.60 You should ensure that policies relating to equality issues are complied with, in addition to the requirements of the law. All members of the local community, customers, clients, job applicants and employees have a right to be treated with fairness and equity.

Separation of Roles During Tendering

Officers:
Tendering

- 23.61 If you are involved in the tendering process and dealing with contractors, you must be clear about the separation of client commissioners and contractor/provider roles within KCC. If you have both a client and contractor responsibility must be aware of the need for accountability and openness.

- 23.62 If you have access to confidential information on tenders or costs for either internal or external contractors, you must not disclose that information to any unauthorised party or organisation.
- 23.63 You should ensure no special favour is shown to current or recent former employees or their partners, close relatives, or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity. Reference must be made to Spending the Council's Money (available on KNet).

Gifts and Hospitality

Officers: Gifts and
Hospitality

- 23.64 In accordance with the Council's Anti-Bribery Policy, you should not accept significant personal gifts from contractors, service users, clients or outside suppliers as this could both compromise you personally and KCC. It is a serious criminal offence to receive or give any gift, loan, fee, reward or advantage to anyone in your capacity as a KCC employee. Minor articles, e.g., diaries, calendars, office items and the like, will not be regarded as a gift. However, consider how these could be perceived in relation to KCC's strategies and policies (e.g., receiving an item that may promote a tobacco company) and, if there is any doubt, a gift should be refused.
- 23.65 If you receive unsolicited gifts, they must be returned with a polite refusal letter to the sender. You should also immediately inform your manager.
- 23.66 You may not accept legacies from clients and/or service users who may have benefited from your services delivered on behalf of KCC. If you are named as a beneficiary, you should immediately inform your line manager.
- 23.67 You should only accept offers of hospitality if there is a genuine need to impart information or represent KCC in the community and where you are satisfied that any decisions or strategies and policies are not and will not be compromised. Offers to attend purely social or sporting functions should be accepted only when these are part of the life of the community or where KCC should be seen to be represented. They should be properly authorised by your line manager and recorded locally in advance of the event.
- 23.68 KCC should meet the costs of all visits to reference sites, supplier's premises etc. to avoid jeopardising the integrity of any subsequent decisions.
- 23.69 When hospitality has to be refused, the invitation should still be recorded.
- 23.70 All gifts and hospitality, including those that are declined, must be reported to your line manager, and recorded using Employee Self Service. A guide to using Employee Self Service to declare gifts and hospitality is available on KNet.

- 23.71 Many supermarkets, petrol stations and high street stores offer loyalty cards for customers as an incentive to purchase from them. There are various types of loyalty cards, which offer a variety of rewards or bonuses, and it is likely you will have at least one of these cards for your personal use. You should not use your personal loyalty cards when purchasing goods or services on behalf of KCC or its clients. The use of such cards may compromise your professional integrity, particularly if the retail outlet or supplier was chosen because they offer you additional reward and not because it provided the greatest benefit and cost effectiveness to KCC or its clients.
- 23.72 Likewise, many credit card companies offer loyalty rewards. The use of personal credit cards to purchase goods or services on behalf of KCC or its clients should be avoided unless no other means of purchase is available.
- 23.73 Should any loyalty rewards be received whilst undertaking KCC business where there is no means of these being transferred to KCC, then they can be regarded as the property of the individual, e.g., frequent traveller programmes, hotel loyalty awards, etc.

Sponsorship - Giving and Receiving

- 23.74 Where an outside organisation wishes to sponsor a KCC activity, whether by invitation, tender, negotiation, voluntarily or in response to an approach by KCC to potential sponsors, you should:
- (a) refer, at the earliest possible stage, to the Anti-Bribery Policy and the Sponsorship Policy and Guidance generally and the Section on procurement in particular,
 - (b) follow the basic conventions concerning the acceptance of gifts or hospitality and record these arrangements locally.
- 23.75 Where KCC wishes to sponsor an event or service, neither you nor your partner, spouse, close friend or relative must benefit from such sponsorship. Similarly, where KCC, through sponsorship, grant aid, financial or other means, gives support in the community, you should ensure impartial advice is given and there is no conflict of interest involved.

Health and Safety at Work

Health and Safety

- 23.76 You must, by law, take reasonable care for your own health and safety and that of other people who may be affected by anything you do at work.
- 23.77 KCC has comprehensive policies on Health and Safety which cover all you need to know about compliance with legislation, standards and KCC procedures in connection with health, safety, and welfare at work.

Drugs and Alcohol

- 23.78 The use of illegal drugs or misuse of other drugs or alcohol to the extent it affects health, work performance, attendance, conduct or relationships at work is not acceptable. (For further information see KCC's Drugs & Alcohol Policy on KNet). If you have a drug or alcohol problem that is impacting upon your work, you should discuss the matter with your line manager.
- 23.79 You should inform your manager if you are taking prescription medication that could impair your work performance, impact on your ability to carry out your duties and/or could affect your safety and that of others.
- 23.80 You must not possess, supply/offer to supply, use illegal drugs or substances commonly referred to as 'legal highs' or new psychoactive substances whilst working.
- 23.81 You must not be under the influence of alcohol, illegal drugs, substances commonly referred to as 'legal highs' and/or new psychoactive substances within the workplace.

Equipment and Materials

Officers: Use of
Equipment and
Resources

- 23.82 KCC's telephones, computer systems, other equipment and materials are the property of KCC and are provided for your business purposes and for interaction with the public in the delivery of services. If you are leaving KCC, you must make arrangements with your line manager to return all KCC equipment and property.
- 23.83 Some personal use of KCC's electronic communication facilities and devices including phone, internet and email is permitted, provided it is within the scope of KCC's ICT Acceptable Use Policy and ICT User Standards.
- 23.84 No software can be used unless there is proof of legal registration to KCC under the Copyright, Designs and Patents Act. No personal software may be used on KCC equipment. It is a criminal offence to knowingly use or make unauthorised copies of KCC registered software.

Use of Financial Resources

- 23.85 You must ensure you use public funds entrusted to you in a responsible and lawful manner. They must be fully approved and used for the purpose for which they are intended.
- 23.86 You should ensure value for money to the local community and avoid legal challenge to KCC.
- 23.87 KCC's Financial Regulations and Anti-Fraud and Corruption strategy must be adhered to at all times.

26. Other Provisions

Code of Corporate Governance

Introduction to the Code of Corporate Governance

26.1 Corporate Governance is the system by which Kent County Council directs and controls its functions in the best interests of the people and communities of Kent.

26.2 Good corporate governance is fundamental to securing confidence in public services, and so governance arrangements must be transparent to the community and other stakeholders and promote their involvement. This is to demonstrate openness, integrity, and accountability.

**Other
Provisions**

**Code of
Corporate
Governance**

- 26.3 Governance arrangements should be aligned with the Council's core vision and objectives, and ensure continuous improvement in the context of economy, efficiency, and effectiveness.
- 26.4 The Code of Corporate Governance describes the principles applied by Kent County Council as the framework for good corporate governance, how the Council is adhering to those principles, and the key policies and plans in place to support this.
- 26.5 The Code follows closely the seven principles identified in 'Delivering Good Governance in Local Government (2016)', published jointly by the Chartered Institute of Public Finance and Accountancy (CIPFA), and the Society of Local Authority Chief Executives and Senior Managers (SOLACE), as a best practice framework for local authorities. These principles are set out in detail below (26.10 on) and are as follows:
- (a) Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law.
 - (b) Ensuring openness and comprehensive stakeholder engagement.
 - (c) Defining outcomes in terms of sustainable economic, social and environmental benefits.
 - (d) Determining the interventions necessary to optimise the achievement of the intended outcomes.
 - (e) Developing the local authority's capacity, including the capability of its leadership and the individuals within it.
 - (f) Managing risks and performance through robust internal control and strong public financial management.
 - (g) Implementing good practices in transparency, reporting and audit to effective accountability.
- 26.6 As part of the Code of Corporate Governance, this Council will comply with the principles and standards of the CIPFA Financial Management Code.
- 26.7 The Council's corporate governance arrangements are reviewed annually and reported, with any consequential recommendations, to the Governance and Audit Committee and the County Council for approval
- 26.8 The Code of Corporate Governance as adopted by Kent County Council is set out in Sections 26.10 to 26.16. The title of each principle is followed by a table setting out its features and indicative content of what the Council has in place to demonstrate compliance.
- 26.9 As set out in the document referred to in 26.5 and the 'International Framework: Good Governance in the Public Sector' (CIPFA/IFAC, 2014), governance is dynamic and in adopting a Code of Corporate Governance, a local authority is committed to improving governance on a continuing basis. In accordance with this model, Principles A and B permeate implementation of Principles C to G. Developments in improving corporate governance will be reported on a routine basis to the Governance and Audit Committee.

The Code of Corporate Governance

26.10 Principle A – Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law.

Local government organisations are accountable not only for how much they spend, but also for how they use the resources under their stewardship. This includes accountability for outputs, both positive and negative, and for the outcomes they have achieved. In addition, they have an overarching responsibility to serve the public interest in adhering to the requirements of legislation and government policies. It is essential that, as a whole, they can demonstrate the appropriateness of all their actions across all activities and have mechanisms in place to encourage and enforce adherence to ethical values and to respect the rule of law

Actions and behaviours that demonstrate good governance:

Sub-principle – Behaving with integrity.

- Ensuring Members and Officers behave with integrity and lead a culture where acting in the public interest is visibly and consistently demonstrated thereby protecting the reputation of the organisation.
- Ensuring Members take the lead in establishing specific standard operating principles or values for the organisation and its staff and that they are communicated and understood. These should build on the Seven Principles of Public Life (the Nolan Principles).
- Leading by example and using these standard operating principles or values as a framework for decision making and other actions.
- Demonstrating, communicating, and embedding the standard operating principles or values through appropriate policies and processes which are reviewed on a regular basis to ensure that they are operating effectively.

Sub-principle – Demonstrating strong commitment to ethical values.

- Seeking to establish, monitor and maintain the organisation's ethical standards and performance.
- Underpinning personal behaviour with ethical values and ensuring they permeate all aspects of the organisation's culture and operation.
- Developing and maintaining robust policies and procedures which place emphasis on agreed ethical values.
- Ensuring that external providers of services on behalf of the organisation are required to act with integrity and in compliance with high ethical standards expected by the organisation.

Sub-principle – Respecting the rule of law.

- Ensuring Members and staff demonstrate a strong commitment to the rule of the law as well as adhering to relevant laws and regulations.
- Creating the conditions to ensure that the statutory Officers, other key post holders and Members are able to fulfil their responsibilities in accordance with legislative and regulatory requirements.
- Striving to optimise the use of the full powers available for the benefit of citizens, communities, and other stakeholders.
- Dealing with breaches of legal and regulatory provisions effectively.
- Ensuring corruption and misuse of power are dealt with effectively.

What we have in place:

- Complaints and Feedback
- Whistle Blowing Policy

- Constitution
- Delegation Table (Constitution: Appendix)
- Member Code of Conduct (Constitution Section 21) and register of interests
- Officer Code of Conduct (Constitution Section 23) and register of interests
- Convention on Member: Officer Relations (Constitution Section 22)
- Equality and Diversity policy statement
- Scrutiny Committee
- Standards Committee
- Access to information
- Anti-Bribery Policy
- Anti-Fraud and Corruption Strategy
- Anti-Money Laundering Policy
- Data Protection Policy
- Commissioning Standards Guidance – Social Value
- Members Induction and Development

26.11 Principle B - Ensuring openness and comprehensive stakeholder engagement.

The long-term nature and impact of many of local government's responsibilities mean that it should define and plan outcomes and that these should be sustainable. Decisions should further the organisation's purpose, contribute to intended benefits and outcomes, and remain within the limits of authority and resources. Input from all groups of stakeholders, including citizens, service users, and institutional stakeholders, is vital to the success of this process and in balancing competing demands when determining priorities for the finite resources available.

Actions and behaviours that demonstrate good governance:

Sub-principle – Openness

- Ensuring an open culture through demonstrating, documenting, and communicating the organisation's commitment to openness.
- Making decisions that are open about actions, plans, resource use, forecasts, outputs, and outcomes. The presumption is for openness. If that is not the case, a justification for the reasoning for keeping a decision confidential should be provided.
- Providing clear reasoning and evidence for decisions in both public records and explanations to stakeholders and being explicit about the criteria, rationale and considerations used. In due course, ensuring that the impact and consequences of those decisions are clear.
- Using formal and informal consultation and engagement to determine the most appropriate and effective interventions/ courses of action.

Sub-principle – Engaging comprehensively with institutional stakeholders.

- Effectively engaging with institutional stakeholders to ensure that the purpose, objectives and intended outcomes for each stakeholder relationship are clear so that outcomes are achieved successfully and sustainably.
- Developing formal and informal partnerships to allow for resources to be used more efficiently and outcomes achieved more effectively.
- Ensuring that partnerships are based on:
 - trust,

- a shared commitment to change,
- a culture that promotes and accepts challenge among partners, and
- that the added value of partnership working is explicit.

NB: institutional stakeholders are the other organisations that local government needs to work with to improve services and outcomes (such as commercial partners and suppliers as well as other public or third sector organisations) or organisations to which they are accountable.

Sub-principle - Engaging stakeholders effectively, including individual citizens and service users.

- Establishing a clear policy on the type of issues that the organisation will meaningfully consult with or involve individual citizens, service users and other stakeholders to ensure that service (or other) provision is contributing towards the achievement of intended outcomes.
- Ensuring that communication methods are effective, and that Members and Officers are clear about their roles with regard to community engagement.
- Encouraging, collecting, and evaluating the views and experiences of communities, citizens, service users and organisations of different backgrounds including reference to future needs.
- Implementing effective feedback mechanisms in order to demonstrate how their views have been taken into account.
- Balancing feedback from more active stakeholder groups with other stakeholder groups to ensure inclusivity.
- Taking account of the interests of future generations of taxpayers and service users.

26.12 Principle C - Defining outcomes in terms of sustainable economic, social and environmental benefits.

The long-term nature and impact of many of local government's responsibilities mean that it should define and plan outcomes and that these should be sustainable. Decisions should further the organisation's purpose, contribute to intended benefits and outcomes, and remain within the limits of authority and resources. Input from all

groups of stakeholders, including citizens, service users, and institutional stakeholders, is vital to the success of this process and in balancing competing demands when determining priorities for the finite resources available.
Actions and behaviours that demonstrate good governance:
<p>Sub-principle - Defining outcomes.</p> <ul style="list-style-type: none"> • Having a clear vision which is an agreed formal statement of the organisation's purpose and intended outcomes containing appropriate performance indicators, which provides the basis for the organisation's overall strategy, planning and other decisions. • Specifying the intended impact on, or changes for, stakeholders including citizens and service users. It could be immediately or over the course of a year or longer. • Delivering defined outcomes on a sustainable basis within the resources that will be available. • Identifying and managing risks to the achievement of outcomes. • Managing service users' expectations effectively with regard to determining priorities and making the best use of the resources available.
<p>Sub-principle – Sustainable economic, social and environmental benefits</p> <ul style="list-style-type: none"> • Considering and balancing the combined economic, social and environmental impact of policies, plans and decisions when taking decisions about service provision. • Taking a longer-term view with regard to decision making, taking account of risk and acting transparently where there are potential conflicts between the organisation's intended outcomes and short-term factors such as the political cycle or financial constraints. • Determining the wider public interest associated with balancing conflicting interests between achieving the various economic, social, and environmental benefits, through consultation where possible, in order to ensure appropriate trade-offs. • Ensuring fair access to services.

26.13 Principle D – Determining the interventions necessary to optimise the achievement of the intended outcomes.

Local government achieves its intended outcomes by providing a mixture of legal, regulatory, and practical interventions (courses of action). Determining the right

mix of these courses of action is a critically important strategic choice that local government has to make to ensure intended outcomes are achieved. They need robust decision-making mechanisms to ensure that their defined outcomes can be achieved in a way that provides the best trade-off between the various types of resource inputs while still enabling effective and efficient operations. Decisions made need to be reviewed frequently to ensure that achievement of outcomes is optimised.

Actions and behaviours that demonstrate good governance:

Sub-principle - Determining interventions.

- Ensuring decision makers receive objective and rigorous analysis of a variety of options indicating how intended outcomes would be achieved and including the risks associated with those options. Therefore, ensuring best value is achieved however services are provided.
- Considering feedback from citizens and service users when making decisions about service improvements or where services are no longer required in order to prioritise competing demands within limited resources available including people, skills, land and assets and bearing in mind future impacts.

Sub-principle – Planning interventions.

- Establishing and implementing robust planning and control cycles that cover strategic and operational plans, priorities, and targets.
- Engaging with internal and external stakeholders in determining how services and other courses of action should be planned and delivered.
- Considering and monitoring risks facing each partner when working collaboratively including shared risks.
- Ensuring arrangements are flexible and agile so that the mechanisms for delivering outputs can be adapted to changing circumstances.
- Establishing appropriate key performance indicators (KPIs) as part of the planning process in order to identify how the performance of services and projects is to be measured.
- Ensuring capacity exists to generate the information required to review service quality regularly.
- Preparing budgets in accordance with organisational objectives, strategies and the medium-term financial plan.
- Informing medium- and long-term resource planning by drawing up realistic estimates of revenue and capital expenditure aimed at developing a sustainable funding strategy.

Sub-principle - Optimising achievement of intended outcomes.

- Ensuring the medium-term financial strategy integrates and balances service priorities, affordability and other resource constraints.
- Ensuring the budgeting process is all-inclusive, taking into account the full cost of operations over the medium and longer term.
- Ensuring the medium-term financial strategy sets the context for ongoing decisions on significant delivery issues or responses to changes in the external environment that may arise during the budgetary period in order for outcomes to be achieved while optimising resource usage.
- Ensuring the achievement of 'social value' through service planning and commissioning.

26.14 Principle E – Developing the local authority's capacity, including the capability of its leadership and the individuals within it.

Local government needs appropriate structures and leadership, as well as people with the right skills, appropriate qualifications and mindset, to operate efficiently and effectively and achieve intended outcomes within the specified periods. A local government organisation must ensure that it has both the capacity to fulfil its own mandate and to make certain that there are policies in place to guarantee that its management has the operational capacity for the organisation as a whole. Because both individuals and the environment in which an organisation operates will change over time, there will be a continuous need to develop its capacity as well as the skills and experience of individual staff Members. Leadership in local government is strengthened by the participation of people with many different types of backgrounds, reflecting the structure and diversity of communities.

Actions and behaviours that demonstrate good governance:

Sub-principle - Developing the local authority's capacity.

- Reviewing operations, performance use of assets on a regular basis to ensure their continuing effectiveness.
- Improving resource use through appropriate application of techniques such as benchmarking and other options in order to determine how the authority's resources are allocated so that outcomes are achieved effectively and efficiently.
- Recognising the benefits of partnerships and collaborative working where added value can be achieved.
- Developing and maintaining an effective workforce plan to enhance the strategic allocation of resources.

Sub-principle - Developing the capability of the local authority's leadership and other individuals.

- Developing protocols to ensure that elected and appointed leaders negotiate with each other regarding their respective roles early on in the relationship and that a shared understanding of roles and objectives is maintained.
- Publishing a statement that specifies the types of decisions that are delegated and those reserved for the collective decision making of the governing body.
- Ensuring the Leader and the Chief Executive have clearly defined and distinctive leadership roles within a structure whereby the Chief Executive leads the authority in implementing strategy and managing the delivery of services and

other outputs set by Members and each provides a check and a balance for each other's authority.

- Developing the capabilities of Members and senior management to achieve effective shared leadership and to enable the organisation to respond successfully to changing legal and policy demands as well as economic, political, and environmental changes and risks by:
 - ensuring Members and staff have access to appropriate induction tailored to their role and that ongoing training and development matching individual and organisational requirements is available and encouraged,
 - ensuring Members and Officers have the appropriate skills, knowledge, resources, and support to fulfil their roles and responsibilities and ensuring that they are able to update their knowledge on a continuing basis, and
 - ensuring personal, organisational, and system-wide development through shared learning, including lessons learnt from governance weaknesses both internal and external.
- Ensuring that there are structures in place to encourage public participation.
- Taking steps to consider the leadership's own effectiveness and ensuring leaders are open to constructive feedback from peer review and inspections.
- Holding staff to account through regular performance reviews which take account of training or development needs.
- Ensuring arrangements are in place to maintain the health and wellbeing of the workforce and support individuals in maintaining their own physical and mental wellbeing.

26.15 Principle F - Managing risks and performance through robust internal control and strong public financial management.

Local government needs to ensure that the organisations and governance structures that it oversees have implemented, and can sustain, an effective performance management system that facilitates effective and efficient delivery of planned services. Risk management and internal control are important and integral parts of a performance management system and are crucial to the achievement of outcomes.

Risk should be considered and addressed as part of all decision-making activities.

A strong system of financial management is essential for the implementation of policies and the achievement of intended outcomes, as it will enforce financial discipline, strategic allocation of resources, efficient service delivery and accountability.

It is also essential that a culture and structure for scrutiny are in place as a key part of accountable decision making, policy making and review. A positive working culture that accepts, promotes, and encourages constructive challenge is critical to successful scrutiny and successful service delivery. Importantly, this culture does not happen automatically, it requires repeated public commitment from those in authority.

Actions and behaviours that demonstrate good governance:

Sub-principle - Managing risk.

- Recognising that risk management is an integral part of all activities and must be considered in all aspects of decision making.
- Implementing robust and integrated risk management arrangements and ensuring that they are working effectively.
- Ensuring that responsibilities for managing individual risks are clearly allocated.

Sub-principle - Managing performance.

- Monitoring service delivery effectively including planning, specification, execution, and independent post implementation review.
- Making decisions based on relevant, clear objective analysis and advice pointing out the implications and risks inherent in the organisation's financial, social, and environmental position and outlook.
- Ensuring an effective scrutiny or oversight function is in place which encourages constructive challenge and debate on policies and objectives before, during and after decisions are made thereby enhancing the organisation's performance and that of any organisation for which it is responsible.
- Providing Members and senior management with regular reports on service delivery plans and on progress towards outcome achievement.
- Ensuring there is consistency between specification stages (such as budgets) and post implementation reporting (e.g., financial statements).

Sub-principle - Robust internal control.

- Aligning the risk management strategy and policies on internal control with achieving the objectives.
- Evaluating and monitoring the authority's risk management and internal control on a regular basis.
- Ensuring effective counter fraud and anti-corruption arrangements are in place.
- Ensuring additional assurance on the overall adequacy and effectiveness of the framework of governance, risk management and control is provided by the internal auditor.
- Ensuring an audit committee or equivalent group or function which is independent of the executive and accountable to the governing body:
 - provides a further source of effective assurance regarding arrangements for managing risk and maintaining an effective control environment, and
 - that its recommendations are listened to and acted upon.

Sub-principle - Managing data.

- Ensuring effective arrangements are in place for the safe collection, storage, use

<p>and sharing of data, including processes to safeguard personal data.</p> <ul style="list-style-type: none"> • Ensuring effective arrangements are in place and operating effectively when sharing data with other bodies. • Reviewing and auditing regularly the quality and accuracy of data used in decision making and performance monitoring.
<p>Sub-principle - Strong public financial management.</p> <ul style="list-style-type: none"> • Ensuring financial management supports both long-term achievement of outcomes and short-term financial and operational performance. • Ensuring well-developed financial management is integrated at all levels of planning and control, including management of financial risks and controls.
<p>What we have in place:</p> <ul style="list-style-type: none"> • Equality Impact Assessments Policy • Constitution Section 13 (Financial Procedures) • Financial Regulations • Councillor allowances and expenses • Local Authority Companies Manual • Data quality policy • Artificial Intelligence (AI) Policy • The Code of Recommended Practice for Local Authorities on Data Transparency • Risk Management Strategy • Corporate Risk Register • Governance and Audit Committee • Spending the Council's Money (procurement policy) • Anti-Bribery Policy • Anti-Fraud and Corruption Strategy • Anti-Money Laundering Policy • Data Protection Policy • Data Protection Impact Assessments • Data Breach Policy • Records Management Policy • Information Security Policy • Information Sharing Policy • Information Governance Policy • Corporate Information Governance Group

26.16 Principle G - Implementing good practices in transparency, reporting and audit to effective accountability.

<p>Accountability is about ensuring that those making decisions and delivering services are answerable for them. Effective accountability is concerned not only with reporting on actions completed, but also ensuring that stakeholders are able to understand and respond as the organisation plans and carries out its activities in a transparent manner. Both external and internal audit contribute to effective accountability.</p>
<p>Actions and behaviours that demonstrate good governance:</p>
<p>Sub-principle - Implementing good practice in transparency.</p> <ul style="list-style-type: none"> • Writing and communicating reports for the public and other stakeholders in an understandable style appropriate to the intended audience and ensuring that

<p>they are easy to access and interrogate.</p> <ul style="list-style-type: none"> • Striking a balance between providing the right amount of information to satisfy transparency demands and enhance public scrutiny while not being too onerous to provide and for users to understand.
<p>Sub-principle - Implementing good practices in reporting.</p> <ul style="list-style-type: none"> • Reporting at least annually on performance, value for money and the stewardship of its resources. • Ensuring Members and senior management own the results. • Ensuring robust arrangements for assessing the extent to which the principles contained in the Framework have been applied and publishing the results on this assessment including an action plan for improvement and evidence to demonstrate good governance (annual governance statement). • Ensuring that the Framework is applied to jointly managed or shared service organisations as appropriate. • Ensuring the performance information that accompanies the financial statements is prepared on a consistent and timely basis and the statements allow for comparison with other similar organisations.
<p>Sub-principle - Assurance and effective accountability.</p> <ul style="list-style-type: none"> • Ensuring that recommendations for corrective action made by external audit are acted upon. • Ensuring an effective internal audit service with direct access to Members is in place which provides assurance with regard to governance arrangements and recommendations are acted upon. • Welcoming peer challenge, reviews and inspections from regulatory bodies and implementing recommendations. • Gaining assurance on risks associated with delivering services through third parties and that this is evidenced in the annual governance statement. • Ensuring that when working in partnership, arrangements for accountability are clear and that the need for wider public accountability has been recognised and met.
