

FOOD LABELLING

Helping you comply with new
compulsory nutritional food labelling

Hampshire
County Council

Hampshire and Kent Scientific Services are two of the UK's Official Control Laboratories and offer extensive food testing and support for businesses.

FOOD LABELLING

Hampshire and Kent Scientific Services is delighted to offer a fantastic product that will help your business meet the new nutritional labelling requirement for food products. From 13th December 2016 it is compulsory for most food to be labelled with details of its nutritional content. We are able to help you to comply with this requirement quickly, reliably and with minimal fuss.

WE PROVIDE

- UKAS accredited full nutritional analysis for all legally required information.
- The nutritional information in the format required by the new regulation - making it easy for you to copy our results to your label and print.

From 13th December 2016 it became compulsory for most food to be labelled with details of its nutritional content.

Example results templates for rear and front of pack

Typical nutrition information	per 100g
Energy	695kJ / 166kcal
Fat	8.3g
of which	
---saturates	3.5g
Carbohydrate	6.6g
of which	
--- sugars	0.7g
Protein	15g
Salt	2.0g

Energy	Fat	Saturates	Sugars	Salt
417/100kcal	5.0g	2.1g	<0.5g	1.2g
5%	7%	11%	<0.6%	20%
Per 100g				
% of an adult Reference Intake				
RI= Reference Intake of an average adult (8400kJ/2000kcal)				

We are very pleased to offer this service for the extremely competitive rate of **£85+VAT** per food sample.
