Hello,

We would like to tell you about the Kent Pathways Service.

What is the Kent Pathways Service?
We help you to learn to do more for yourself.

We can help you with:

• Preparing for work
• Activities
• Cooking
• Household tasks
• College course and training

Matthew
Matthew said, “I’d like to work at the hospital.”
We supported Matthew to find voluntary work at a hospital. Helped him complete an application form and go for an interview.
Matthew now enjoys volunteering at Canterbury Hospital.

Robert
We supported Robert to look for social activities and develop skills to do more for himself. Robert is now much more independent.
He does not need as much support as before, makes his own breakfast and lunch and has made friends at the activities he goes to.
Roberts says, “I am pleased I am doing more for myself.”

Christine
Christine said, “I want to learn to cook.”
We supported Christine to prepare main meals.
Christine went on to make and cook sausage casserole on her own. She does not need so much support as before.
