Module 1a - MCA 2005: The Five Statutory Principles Workshop

Time: 9:30am – 12.30pm

Refreshments will be served during the morning.

Duration: Half-day

Target group:

Open to all levels of staff from all social & health care organisations in Kent including KCC, Medway Council, Primary Care & Acute Trusts, KMPT, Private Voluntary & Independent [PVI] sector, Police & Ambulance services.

Course Objectives:

- To provide knowledge of the five statutory principles underpinning the Mental Capacity Act;
- To enable participants to demonstrate the application of the five statutory principles in their practice;

Learning Outcomes:

- Participants to know the five statutory principles underpinning the Mental Capacity Act 2005;
- Participants to be confident in applying the five statutory principles in their practice;

Approach:

A combination of specific teaching input including relevant case law, case studies, group work and experiential learning. This requires a high level of participation, energy and focus from participants. Participants are expected to use the opportunity to share their knowledge and experiences around working with young people and adults.

Legislative and Policy Framework:

- Mental Capacity Act 2005;
- The Human Rights Act 1998;
- Kent and Medway Multi-agency Adult Protection Policy, Protocols and Guidance;

Facilitator:
Jennifer Neal, MCA Training Consultant, KCC, Learning & Development Team.
