

ROSHERVILLE CHURCH OF ENGLAND PRIMARY SCHOOL

Determined Arrangements for Admission to the School in September 2020

The Governors will consider the admission of children in accordance with the following criteria in order of priority. Children with a statement of special educational need which names the school will be admitted. As a result of this the published admission number will be reduced accordingly.

1. Children in Local Authority Care or Previously in Local Authority Care – a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

2. Siblings / Current Family Association. A child who has a brother or sister attending the school when he/she starts. In this context brother or sister means children who live as brother or sister in the same house, including natural brothers and sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters. The sibling link is maintained as long as the family live at the same address as when the first child applied, or has moved closer to the school than when the first child was offered a place, or has moved to an address that is less than 2 miles from the school using the distance measured by the method outlined in the nearness of home criterion.

3. Health and Special Access Reasons – Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents'/guardians', physical or mental health or social needs means that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.

4. Other children based on nearness of children's homes to school - we use the distance between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight line measurements are used to determine how close each applicant's address is to the school.

Clarification of the Child's Home Address:

A child's home address is considered to be a residential property that is the child's only or main residence (not an address at which the child may sometimes stay or sleep) and which is either owned by the child's parent, parents or guardian or leased or rented to them under a lease or written rental agreement. Where partners live apart but share the responsibility for the child, and the child lives at two different addresses during the week, we will regard the home address as the one at which the child sleeps for the majority of week days.

Multiple Births procedures:

When multiple births within a family would cause the 'infant class size limit' to be exceeded, the school will use the process defined below in 'Tiebreaker'.

Tiebreaker:

If any category is oversubscribed, applicants will be ranked according to nearness of their home to the school. If in the event that more than one applicant has the same distance from home to school (as measured by the Local Authority), then a random selection will be applied. Since a block of flats has a single address point of reference, applicants living in the same block will be regarded as living the same distance away from the school. In the unlikely event that two or more children live in the same block and in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

After a place has been offered the school reserves the right to withdraw the place in the following circumstances:

- When a parent has failed to respond to an offer within a reasonable time; or
- When a parent has failed to notify the school of important changes to the application information; or
- The admission authority offered the place on the basis of a fraudulent or intentionally misleading application from a parent.

Waiting List, Appeals and Late Applications:

The school will follow the Local Authority procedures relating to waiting lists, appeals and late applications, further details are printed in the 'Admission to Primary Schools in Kent' booklet, and are available from the school on request.
