

CHANTRY COMMUNITY ACADEMY

ADMISSION POLICY AND PROCEDURES

2022/2023

Date Policy was renewed: November 2020

Date Policy is due to renew: November 2021

Admission into Reception Classes

An academic year runs from September in one calendar year to August of the following calendar year. Children who are born between 1 September 2017 and 31 August 2018 will reach compulsory school age during the school year 2022 to 2023. Parents do not legally have to send their child to school until the term in which their child reaches compulsory school age – the term when they have their 5th birthday.

However, to give as many children as possible at least eight terms in infant education, Chantry Community Academy provides for the admission of children from the September following their fourth birthday. Parents can request that their child's entry into Reception is deferred or to take a place up part-time, until the term in which their child reaches compulsory school age.

Parents should be aware, that if they are offered a place and accept it, the child must be in school before the end of the academic year as the deferment cannot be continued into the next academic year from when the child was first offered the place. In cases where the child has a birthday between the end of Summer Term 2 and 31 August, waiting until they reach compulsory school age will mean the child misses reception year completely. As the reception place cannot be held open, parents would need to reapply through the In Year admissions process. Parents have the right to start their child at school on a full time basis from the September following their fourth birthday. Parents can also request that their child takes up the place part time until the child reaches compulsory school age.

Admission outside of the normal age group: The Department for Education have confirmed that there is no legal barrier to children being admitted out of their normal age group, but also states that parents do not have a right to insist that their child is admitted to a particular year. Request for admissions outside the normal age group should be made to the Head of School as soon as possible in the admission round associated with that child's date of birth.

Every school in Kent has an admission authority which is responsible for its admission arrangements. For Chantry Community Academy, the Skills for Life Trust are responsible for admission arrangements. These are the same as the Kent County Council arrangements for primary schools.

Kent County Council coordinates the admission process of all primary schools in the County. This means that instead of applying separately to different schools, parents apply to Kent County Council naming up to three school preferences.

Chantry Community Academy has a Published Admissions Number (PAN) of 60 pupils for Reception Class. These pupils will be taught in 2 classes, each with their own qualified class teacher and support staff.

To apply for a place at Chantry Community Academy

Parents are asked to complete application forms for the Reception class places by the date to be published by KCC for Admissions 2022-2023, for the following academic year. Places in schools

will be allocated on an **Equal Preference Scheme**. If the school is over-subscribed, places will be allocated based on the following criteria.

Before the application of oversubscription criteria, children with a Health and Care Plans (EHCP) where, following consultation with the Local Authority that the child's individual needs can be met, the school is named. As a result of this the published admissions number will be reduced accordingly.

Where the number of applications received by Kent exceeds 60 (the School PAN), places will be allocated in the following priority order:

Children in Local Authority Care (CiC) and previously looked after children who have been adopted from Care or become subject to a residency order or special guardianship order.

Children previously in Care outside of UK

Current Family Association (siblings)

Children of a member of staff working at the school, where the member of staff has been employed for two or more years

Health and Special Access Reasons (eg Special Education Needs)

Nearness of children's homes to school

Please see appendices for explanations of these criteria.

Dates for submission of application forms are set by Kent each year.

Withdrawal of an offer of a place

After a place has been offered the school reserves the right to withdraw the place in the following circumstances:

1. when a parent has failed to respond to an offer within a reasonable time; or
2. when a parent has failed to notify the school of important changes to the application information; or
3. the admission authority offered the place on the basis of a fraudulent or intentionally misleading application from a parent.

Process of applying to schools

- 1) Apply online www.kent.gov.uk/ola
- 2) Complete the paper copy called a Reception Common Application Form (RCAF). This can be downloaded from www.kent.gov.uk/primaryadmissions OR by contacting the Primary Admissions Team (0300 333 6472) OR by asking for a form in the school office.

Parents should name up to 3 schools on the application form, in order of preference. This is to allow the **Equal Preference Scheme**.

At Chantry, staff are willing to help complete the forms either in the Nursery or in the school office.

Kent County Council will inform parents when school places have been allocated, from the date to be published by KCC for Admissions 2022-2023 either by email or by letter.

Parents must then accept or decline the places, by the date to be published by KCC for Admissions 2022-2023 returning the relevant forms to the school. Parents must return the waiting list request form to KCC if they wish to join the waiting list of any school that they named on their application form and were not offered.

From the date to be published by KCC for Admissions 2022-2023 parents can apply direct to Chantry Community

Academy (CCA) for a place for September in the Reception class. Chantry will keep its own Waiting List and places

will be offered as space becomes available. The School's Waiting List will be re-ranked, in line with the over subscription criteria, every time a child is added.

Appeals Process

If it has not been possible to for parents to obtain a place at a school of their choice through this process, then they can appeal against the decision to an Independent Appeals Panel. Chantry Community Academy have an agreement with Kent whereby the KCC Independent Appeals Panel will hear the appeals on their behalf.

Parents should obtain a Primary Appeals Pack from www.kent.gov.uk/primaryadmissions or by contacting the Primary Admissions Team after the offer day.

Once completed this should be returned to:

The Appeals Panel Administrator
KCC, Democratic Services
Sessions House, County Hall, Maidstone
Kent. ME14 1XQ

In Year Casual Admissions

These take place outside of the normal dates of entry into primary school. Chantry Community Academy arranges In Year Casual Admissions itself. This means that parents will need to apply to the Academy directly, completing the In Year Casual Admissions Form and returning it to the school office, with your child's original Birth Certificate, Passport and proof of your address (i.e. utility bill, bank statement, tenancy agreement etc.)

If there are places in the year group available, then your child will be offered a place immediately. If the year group is full, then parents can request for their child to be added to the Academy waiting list. As soon a place becomes available, it will be offered to the first child who fits the over-subscription criteria (see appendices for details).

Appendix 1 – Over-subscription Criteria for Admission

Children in Local Authority Care or Previously in Local Authority Care

A 'looked after child' or a child who was previously looked after but immediately after being looked after became the subject of adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of the authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

Children previously in Care outside of England

Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

Current Family Association

Current Family Association means that the child who wants a place will have a brother or sister (sibling) attending the same school when they start there and they live at the same address.

We count linked infant and junior schools as one school. Brothers and sisters means, children who live as brother and sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters. Extended family, for example cousins, living in the same house do not qualify as siblings.

The sibling claim will stand if the family have continued to live at the same house as when the older sibling was admitted into the school, **OR**

- If the family have moved, and they have moved to within 2 miles of the school, **OR**
- If the family have moved nearer to the school from where they were living previously.

If siblings from multiple births (e.g. twins, triplets etc) apply for a school and the school reaches its published admission number after admitting one or more, (but not all) of the children, Kent County Council will offer a place at that school to all of the multiple birth siblings. This is in line with the School Admission Code and if doing so will take the school above its published admission number and possibly result in breaching class size legislation, the children are to be treated as 'excepted' pupils. Unfortunately, if your older sibling is currently attending school in Year 6, you cannot claim a sibling link for your younger child, as the older sibling will be transferring to secondary school in September.

Children of a member of staff working at the school

Children of a member of staff working at the school, where the member of staff has been employed for two or more years

Health, Social and Special Access Reasons

Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority under Health and Special Access reasons will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally, this priority will apply to children whose parents/guardians physical or mental health or social needs means that they have a demonstrable and significant need for their child to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner which can demonstrate a special connection between these needs and the particular

school that parents feel is the **only** school that can accommodate these needs. This must be sent directly to the school before **the end of January** for the school to consider the evidence. Placing the same evidence for more than one of your preferred schools will only establish that more than one school can accommodate your child's needs.

Nearness of Children's Homes to the school

We use the distance between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined within the Child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight-line measurements are used to determine how close each applicant's address is to the school.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

Supplementary Information Form

Children previously in care outside of the UK

Where an application states that a Child has previously been in care outside of the UK, it is the responsibility of the School to verify this. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.
