

Fordcombe School Admissions 2021

Adoption Arrangements and Date

All statutory policies in the Trust are ultimately the responsibility of the Trust Board. To enable it to discharge this responsibility appropriately and in collaboration with the constituent schools, the Trust Board will

1. either set a full Trust wide policy,
2. or set a 'policy principles' document (a framework within which LGBs develop a full and appropriately customised policy),
3. or delegate to LGBs the power to develop their own policy which the Trust Board will then ratify.

Review Body: Board of Trustees
Leadership Grp Responsibility: LGB
Review period: 1 year

Adopted: Nov 2020
Date of next review: Nov 2021 Policy Type: Statutory

Approved by LGB:
This is a Level 3 Policy against the Trust Governance Plan.

- The school admits reception pupils who are 4 years old by 31st August at the start of the school year in September.
- Fordcombe C of E Primary School was a Church of England Voluntary Aided school but is now an Academy within the Tenax Schools Trust, a Church of England multi academy trust and as such, continues to give priority to practising Christian families. We provide children with a high standard of education in a secure Christian environment.
- Before the application of oversubscription criteria, children with an Education Health and Care Plan (EHCP), which names the school, will be admitted. As a result of this, the Published Admissions Number (PAN) will be reduced accordingly.
- Other SEN children are considered strictly within the oversubscription criteria below.
- The school's standard reception intake is 15 (PAN) and the total school roll will be around 105 children.
- The school believes that education should be a partnership between home and school to enable children to make the most of their time at Fordcombe CEP School.

Admissions Procedure for September 2021

1) Application Process and Timetable

- Parents of reception children are encouraged to register an interest in a place at the school at any time. However, application for a place should be made on the new Common Application Form (CAF) by the end of **15/01/2021** for entry into school in September 2021.
- The CAF encourages parents to identify three possible primary schools for their child in order of preference. Note: if parents are practising Christians, a supplementary form should be completed and returned to the school by **15/01/2021**. All applications, irrespective of the level of preference, are then forwarded to the appropriate schools, who rank them in accordance with their over subscription criteria (see 2 below). This ranked list is returned to the Local Authority (LA), who then allocates places in line with parental preference.
- Parents will be informed on **16/04/2021** (National Offer Day) what place has been allocated for their child.

2) Oversubscription Criteria

It is school policy to offer entry to the school in response to parental choice. However, if the demand for places is in excess of those available, then applications are put into priority order in accordance with the following criteria:

- a) Children in Local Authority Care / Looked After Children (LAC) / Previously Looked After Children / Internationally Adopted Previously Looked After Children (IAPLAC)
- b) Children with siblings attending the school at the time of entry.
- c) Children whose parents or guardians live in the Parish of Fordcombe (see Appendix 1).
- d) Children for whom Fordcombe is the nearest school.
- e) Children from outside the areas described in c and d whose families are practising Christians.
- f) Children who have or whose parents/guardians have health and special access requirements.
- g) Any other child.

Notes to above criteria:

- 1) A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

A previously looked after child means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

2) Siblings are those children who live in the same family unit as children already on the roll of the school. In this context brother or sister means children who live as brother or sister in the same house, including natural brothers and sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.

3) If it is necessary to prioritise within any criteria this will be done on the basis of the distance. Children living nearer to the school will be given a higher priority. Nearness of children's homes to school - we use the distance between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight line measurements are used to determine how close each applicant's address is to the school.

4) In the case of the need to action criteria e above, parents or guardians will be required to provide a clerical reference to support their claim of involvement with the Christian church. Any reference will not be confidential and in the event of any appeal by parents or guardians, will be known to all parties.

5) Health and Special Access Reasons – Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents'/guardians' physical or mental health or social needs mean that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the particular school.

6) In the event of any of the above criteria being oversubscribed, priority will be given based on distance as described above with those closest being given higher priority. In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

3) Waiting List, Appeals and Late Applications

The school will follow the Local Authority procedures relating to waiting lists, appeals and late applications, further details are printed in the 'Admission to Primary Schools in Kent' booklet, and are available from the school on request. The school's Waiting List will be re-ranked in line with the published oversubscription criteria, every time a child is added.

4) Right of Appeal

If you have not been offered a place at Fordcombe Primary School, the law entitles you to appeal against the decision to an Independent Appeal Panel. This panel is completely independent of the school and Local Authority. Appeals are currently being held remotely via video link. The school will make suitable arrangements for any appellants without access to the necessary technology.

If you wish to appeal, please notify the Tenax Schools Trust (which is the Admissions Authority for the school) via enquiries@tenaxschoolstrust.co.uk and further details will be provided.

5) Visits to the school

Prospective parents or guardians are very welcome to visit the school and should make an appointment with the Headteacher if they wish to see the school in session.

In the term before a reception child starts school, they will be invited to come along to meet the reception teacher and spend two afternoons in the classroom. At the same time, parents or guardians are invited to meet other prospective parents, members of the Parents' Guild and School Governors.

6) Admission Arrangements Outside of Expected Year Group

Fordcombe C of E Primary School will follow Kent procedures for handling out of expected year group applications.

Parents of Reception age children have a right to defer entry, or to take the place up part-time, until the term in which the child reaches compulsory school age. (Compulsory school age is set out in section 8 of the Education Act 1996 and the Education (Start of Compulsory School Age) Order 1998.)

A child reaches compulsory school age on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.)

Requests for admission outside of the normal age group should be made to the Head teacher as early as possible in the admissions round associated with that child's date of birth. This will allow the school and admissions authority sufficient time to make a decision before the closing date. Parents are not expected to provide evidence to support their request to defer their application, however where provided it must be specific to the child in question. This might include medical or Educational Psychologist reports. There is no legal requirement for this medical or educational evidence to be secured from an appropriate professional, however, failure to provide this may impede the school's ability to agree to deferral. Parents are required to complete an application for the normal point of entry at the same time, in case their request is declined. This application can be cancelled if the school agrees to accept a deferred application for entry into Year R the following year. Deferred applications must be made via paper CAF (Common Application Form) to the Local Authority, with written confirmation from the school attached. Deferred applications will be processed in the same way as all applications for the cohort in the following admissions round, and offers will be made in accordance with the school's oversubscription criteria. Parents must not assume that the decision of one school will transfer with the child to a different school as the decision rests with the individual admission authority.

7) Parental Right to Defer Entry

- Parents have the right for their child to defer entry until the term following their fifth birthday (but not beyond the beginning of the final term).
- Parents also have the right that their child starts part-time.
- Every child is entitled to a full-time place from the September following their fourth birthday.
- Children must secure the offered place by starting school on the prescribed day following his/her fifth birthday (or on his/her fifth birthday if it falls on a prescribed day), but not beyond the beginning of the final term. The prescribed days are 31st December, 31st March and 31st August.
- Children born between the 1st April and 31st August (summer born), must start school at the beginning of the April term if they wish to keep their offer of a place. Where parents wish for their summer born child to defer entry until the start of Year 1, they must refuse the offered place, which may be offered to a different child and then re-apply through the in-year process. These applications should be made during the last month of Reception year.

The school would strongly recommend that parents take up the place from September for Reception, in order that pupils can be fully supported by the class teacher and school as they learn how to interact with each other, with adults and learn the skills necessary to thrive as they move into Key Stage 1.

Notes relating to the application of the faith criteria:

Parents seeking priority through the faith criteria will be split into four categories based on levels of commitment to the church. Parents will need to meet the minimum requirements to be placed in the specific category described below. Once this is confirmed by the relevant church representative, parents will be ranked in accordance to the distance criteria above within each category.

1. Parents who attend church twice a month and have done so for a period of not less than two years. This must be confirmed by the relevant church representative.
2. Parents who attend church twice a month and have done so for a period of not less than one year. This must be confirmed by the relevant church representative.
3. Parents who attend church on at least a monthly basis and have done so for a period of not less than two years. This must be confirmed by the relevant church representative.
4. Parents who attend church on at least a monthly basis and have done so for a period of not less than one year. This must be confirmed by the relevant church representative.

Evidencing commitment to faith:

This evidence will need to be supported by the Parish Priest(s) or minister(s) of the church(es) concerned with the submission of the

Supplementary Information Form' (Minister's form) which is available from the school directly or from the school's website (www.fordcombe.kent.sch.uk). More than one form may be submitted to support attendance at previous churches. If parents/guardians have recently moved churches Governors may make their decision based on the information supplied by the previous church. The 'Supplementary Information Form' must be returned to the Head teacher at school by the closing date for the return of 'RCAF' forms to the Local Authority. Failure to complete and return the 'Supplementary Information Form' may affect the priority ranking of the application.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

In the light of this, and because of the widespread and variable disruption to public worship and church opening, including suspension of services which has occurred differently in different places, we will not be seeking evidence of church attendance for families applying for admission for September 2021 for any period from 20th March 2020 onwards. Local clergy are still asked to endorse the application forms of applicants who in normal circumstances would have attended or been involved in church life, but clergy in so doing are confirming only that the applicant concerned is known to them or that the family attended church up to 20th March 2020. There is no need to provide evidence relating to attendance at online services or other involvement from 20th March 2020 onwards as that period is being disregarded for the purposes of admissions.
