

Walking

No matter what your ability, this is an ideal place to enjoy walks in the countryside. Take a short stroll around the easy access trail in the park, or strike out along the Medway Valley Walk which leads all the way to Rochester in the East (16 miles), or Tonbridge in the West (12 miles). Ordnance Survey Explorer Maps 147 and 148 will come in handy for the most intrepid adventurers!

Angling

The stretch of river below the lock boasts one of the highest levels of fish stocks along the entire River Medway. Pike, Chubb, Barbel, Roach, Perch and Bream are all in plentiful supply. You must have a rod licence from the Environment Agency in order to fish here, and bank bailiffs regularly patrol to sell day tickets. For further information, visit www.testonbridgeangling.com
