Dear Cllr Webb,

Thank you for submitting the Domestic Homicide Review (DHR) report (Faith) for Kent Community Safety Partnership (CSP) to the Home Office Quality Assurance (QA) Board. The report was considered at the QA Board meeting on 26 of February 2026. I apologise for the delay in responding to you.

Please find the QA Board's feedback in the form below. On completion of the changes suggested the DHR may be published.

Once completed the Home Office would be grateful if you could provide us with a digital copy of the revised final version of the report with all finalised attachments and appendices and the weblink to the site where the report will be published. Please ensure this letter and the feedback form is published alongside the report.

Please send the digital copy and weblink to DHREnquiries@homeoffice.gov.uk. This is for our own records for future analysis to go towards highlighting best practice and to inform public policy.

The DHR report including the executive summary and action plan should be converted to a PDF document and be smaller than 20 MB in size; this final Home Office QA Board letter and feedback form should be attached to the end of the report as an annex; and the DHR Action Plan should be added to the report as an annex. This should include all implementation updates and note that the action plan is a live document and subject to change as outcomes are delivered.

Please also send a digital copy to the Domestic Abuse Commissioner at DHR@domesticabusecommissioner.independent.gov.uk

On behalf of the QA Board, I would like to thank you, the report chair and author, and other colleagues for the considerable work that you have put into this review.

Yours sincerely,

Home Office DHR Quality Assurance Board

DHR QA Board Feedback for the Community Safety Partnership

TITLE OF DHR	Faith
COMMUNITY SAFETY PARTNERSHIP	Kent
DATE REVIEWED BY QA BOARD	26 February 2026
DECISION	Publish with amendments (the QA Board agree to the request only to publish the executive summary and action plan).
GOOD PRACTICE COMMENDED	• The Chair contacted Faith's family and others and shared with information about DHRs including the Home Office leaflet. Faith's mother, sister, neighbour and work colleague contributed to the DHR process and met with the Chair. Faith's mother and sister were offered support from AAFDA which was good practice. • The CSP panel decided it was appropriate to contact Faith's most recent partner to contribute to the review. The Chair did this through his employer. He was provided with information about the review process which is positive practice. • There are sincere condolences provided to family and friends of Faith and it is positive that that pseudonyms were chosen by her family. • There is good use of previous DHR findings. • There was a public health suicide prevention representative and a domestic abuse charity on the panel which was good practice.
