Dear Sir / Madam

Licence to Place Tables, Chairs and Temporary Street Furniture on the Highway

I refer to your request for information on the above. A licence has to be obtained from KCC Highways, Transportation and Waste to permit the placing of tables, chairs and temporary street furniture on the highway. We appreciate that businesses will have challenges complying with government social distancing measures and outdoor tables and chairs will help ensure customers are kept safe.

Providing you can comply with the current COVID conditions stated below your tables & Chairs can be placed with immediate effect however an application for a licence must be submitted to KCC within this six-week timeframe.

KCC have agreed to waive the normal fee for six weeks to the end of July 2020 and this free period will be reviewed at the end of July. All license holders will be notified of any changes.

The new guidelines for street furniture mean tables and chairs must allow for a 2m clearance with 2.5m in busy locations to ensure social distancing can be maintained.

Businesses need to ensure they abide by the rules to keep people safe and licences can be revoked if they are found to breached.

I draw your attention to the current Covid-19 Additions and Amendments to Conditions

- No tables, chairs or temporary street furniture sited on a footway are to be placed within 2.00m of the edge of an adjacent carriageway. A minimum clear footway width of 2.00m must be obtained at all times and 2.5m in busy locations or at busy times. Where this is not achievable, a licence most likely will not be granted.
- The licence holder is wholly responsible for ensuring compliance with current social distance measures as laid out by the Government
- For new applications you must provide a detailed plan clearly showing the extent of the area you wish to use, including dimensions., and include the dimensions of the remaining footpath width.
- If government guidelines are amended to reduce the current 2m requirement the minimum width will revert back to 1.5m and 2.00m respectively.
- Kent County Council reserve the right to request that temporary street furniture is removed if an emergency arises or increased social distancing space is required.
- Existing license holders should be aware that if the Borough or district Council approach you to re-configure or remove tables and chairs to accommodate social distancing measures this must be complied with.
- Kent County Council reserve the right to revoke the licence if conditions are breached.
- If you cannot meet the current requirements you may consider re-applying when COVID government restrictions have been removed.

Where premises are unable to achieve the required distance Kent County Council recommend that you discuss measures with your relevant District or Borough who may be able to assist with measures to reallocate highway space.

East Kent: Ashford, Dover, Folkestone & Hythe and Thanet
Mid Kent: Canterbury, Maidstone, Swale and Tonbridge & Malling
West Kent: Dartford, Gravesham, Sevenoaks and Tunbridge Wells
All other standard terms and conditions for tables & chairs apply as per the application form below.

Please find enclosed for your information:

- A licence application form, to be completed and returned to the KCC Highways, Transportation and Waste Office appropriate to the site at which the tables, chairs and temporary street furniture will be placed.
- A copy of the Conditions of Licence TC2

Charges for the licence are **£190** for a one-year licence and full payment must be received with your application. Should you require any alteration to your annual permit a further charge of **£143** will be applied. These are both administrative charges for processing the licence and are non-refundable. Cheques should be made payable to Kent County Council.

**Please note that you can also apply on-line via "Gov.UK":**

Depending on the location of the premises, KCC Highways, Transportation and Waste may be required to advertise your intent to place tables, chairs and temporary street furniture on the highway. This is normally done by displaying notices in the immediate area of the intended site, however sometimes more extensive advertising may be required. If this is the case additional costs may be incurred. You will be advised of any charges upon application and these costs must be paid in full before the licence can be granted.

Please note that it is necessary for KCC Highways, Transportation and Waste to receive an application for a licence to place tables, chairs and temporary street furniture on the highway at least 6 weeks prior to the intended placing of the items.

You must provide a detailed plan clearly showing the extent of the area you wish to use including dimensions.

Planning permission may be required for certain sites. You should contact your local Borough / District Council planning authority for further information. If planning permission is required, you need to attach a copy of the permission to your application.

If you are licensed premises you will need to ensure that this area is properly licensed under the provisions of the Licensing Act 2003. I would suggest that you contact the Licensing Department at your local Council before using this area.

If you have any further queries, please contact KCC Highways, Transportation and Waste on 03000 418181.

Yours faithfully
