COMMUNITY MEMBER GRANTS

Clair Bell

Molash Village Hall (22-AS-2)

Ceiling Repair

£2000

The village hall, built in 1932, provides a safe, warm space for residents to gather for social occasions and provides an after-school club that offers structured play, warm food and a safe place to be. The grant was used to contribute toward the costs of supplying and fitting ceiling boards in the main hall including associated timberwork.

Mersham Parish Council (22-AS-8)

Mersham Jubilee Celebration

£305

The project provided a celebration of the Queen's Platinum Jubilee in the village of Mersham, which has a strong sense of identity and pride in its community, along with a strong tradition of village events which encourage participation and strengthen the community. The grant was used to purchase materials for the celebration, including bunting, banners and flags.

Chilham Parish Council (22-AS-9)

Queen's Platinum Jubilee Celebration

£2000

The project provided a celebration of the Queen's Platinum Jubilee with a street party for the parish, which consists of the villages of Chilham, Old Wives Lees and Shottenden. The event provided an opportunity to bring the three villages together and build community. The grant was used for an interactive theatre, stage, lighting/sound rental and hiring of live bands.

Mersham Parish Council (22-AS-11)

Highways Improvements

£2000

This project provided the residents of Mersham with a 30mph sign which extends to the built-up areas of the parish. The project also provided safer access to the Sports Ground and to Church Road/Bower Road. The grant contributed towards the costs of the 30mph extension, gateway, signage and lining.

Godmersham & Crundale Village Hall (22-AS-15)

Jubilee Celebration BBQ & Film Night

£450

The project provided a celebration of the Queen's Platinum Jubilee with a Jubilee film night and BBQ, offering a community event where villagers could come together, enjoy each other's company and celebrate this historic event. The grant was used to hire a mobile cinema company and to contribute to the provision of refreshments at the event.

Crundale Parish Council (22-AS-18)

Jubilee and Fair

£400

The project provided a parish celebration and fair for the Queen's Platinum Jubilee, helping to mark a once in a lifetime event. The grant was used to contribute towards the costs of a children's entertainer

and magician, thirty jubilee mugs for children under 18 years of age and for Ashford Youth Band to perform at the event.

Brabourne Parish Council (22-AS-22)

Allotment Track Improvements

£2000

The project provided funding to improve access to the community allotment. The allotments provide an opportunity for residents to safely undertake gardening and experience the wellbeing that kitchen gardening is understood to provide.

LED by the Wild CIC (22-AS-26)

Showing the Way: Our Woodlands Walk Signage Project

£1500

The grant was used to contribute to the costs of interactive signs to describe the flora and fauna for visitors to enjoy and engage with, as well as to show the way. An example of the signage included a sign in the bee garden to help identify the bees and show how to protect and support them.

Brook Parish Council (22-AS-29)

Defibrillator

£1000

The grant provided a contribution towards a defibrillator and cabinet for the benefit of the community and anyone visiting the area.

Dads Unlimited (22-AS-36) Multi-District Award

Promotional Materials

£1000 (£3,050 total)

Dads Unlimited is a charity supporting male victims of domestic abuse, males at risk of harm or with poor mental health. They support separated fathers, males experiencing family breakdown or males unable to gain meaningful contact with their children. The grant was used to contribute to production costs for promotional materials to raise awareness of their services and to help reach more people in need.

Step Out Community Outdoor Learning, Training & Therapy CIC (22-AS-37)

Funded Holiday Club Positions for disadvantaged children

£400

This organisation offers holiday clubs, focusing on the Forest School ethos during term breaks for primary aged children. The grant provided funded places to disadvantaged children in the area, who would not have been able to attend otherwise.

Brook Community Primary School (22-AS-38)

The Police Community Clubs of Great Britain – Barney & Echo, Caught in the Web Project

£390

This project is aimed at children transitioning to secondary school and aims to promote discussion between children, their peers, teachers, parents and the wider community, on internet safety. It includes a look at the possible dangers of using the internet, including online bullying, time spent online, gaming and social media. The grant assisted with the costs of providing books and resources.

Aldington & Bonnington Parish Council (22-AS-50)

Willesborough Baptist Church (22-AS-20)

Community Hub Renovation

£500

Willesborough Baptist Church wished to renovate and develop an old hall to provide a community facility for a range of activities, including a parents and toddler group, a youth group and a winter night shelter. The project included the installation of a false ceiling to improve insulation and lighting, and a new floor to replace the old dirty and worn-out carpet, along with new bifold doors to allow the room to be partitioned. The grant contributed to the costs of the new flooring.

Ashford Invicta Singers (22-AS-25)

The Singers Forward Project

£500

This project is to support the future of the choir, who are self-funded and perform concerts solely to raise funds for charities. Over its 25-year history, the choir has donated over £100,000 to charity. The grant contributed towards the costs of new sheet music to allow the choir to continue to perform charity concerts in the Ashford area.

South Willesborough & Newton Community Council (22-AS-31)

Gas House Fields Allotments – Disabled Access

£1600

The project at Gas House Fields is a living workshop allotment, teaching skills and providing produce for the local foodbank. It is a community allotment with a shed and tools so all can access and benefit from working with others. The grant contributed towards providing all-weather, year-round, disabled access pathways and disabled access parking.

*Please note that the reported Member Grant spend relates to actual spend and not committed spend. Members may have committed spend that has not been paid yet and is not represented in this spend report.

Willesborough Baptist Church (22-AS-34)**Community Fridge****£1000**

The Community Fridge is a partnership project working with people and communities to stay connected, share food and reduce food waste. It aims to provide a warm and inviting space, free food and Wi-Fi for those who need it and links with other food banks in the area. The grant contributed to the set-up costs of the project, including the purchase of a fridge.

East Stour Primary School (22-AS-39)**The Police Community Clubs of Great Britain – Barney & Echo, Caught in the Web Project****£780**

This project is aimed at children transitioning to secondary school and promotes discussion between children, their peers, teachers and parents on internet safety. It looks at the possible dangers of the internet, including online bullying and social media. The grant assisted with the costs of providing books and resources.

Ashford United Football Club U11 Disability Team (22-AS-41)**Knockhatch Adventure****£1000**

The U11 Disability Team provided a trip for team members to visit Knockhatch Adventure Park as an additional opportunity to socialise with the other members and to access the activities. The trip included carer support and transport for members of the team. The grant contributed towards the cost of entry to the adventure park and coach hire.

Willesborough WI Hall Trustees (22-AS-44)**Disabled Access****£2000**

The hall is used by many community groups that deliver services to the local community, including older and vulnerable residents and households in financial crisis or in food and fuel poverty. The hall has no car park or street parking, and the project created two disabled car parking spaces. The grant contributed to the costs of permeable hard landscaping and soft landscaping of the parking area.

Indians in Ashford (22-AS-48)**Holi '2023****£2550**

Holi is an ancient Hindu festival which has been celebrated for over 3000 years. The festival teaches that everyone is equal, and it is an opportunity for whole communities to come together and celebrate. The grant contributed to the costs of venue hire, provision of a DJ, decoration, marketing and colour powder packets.

Willesborough Meeting Point (22-AS-49)**Coronation Lunch****£350**

Willesborough Meeting Point is a weekly meeting group for retired members of the community, offering a warm meeting place to enjoy the company of others, a cup of coffee or tea and biscuits. Activities include bingo, quizzes and a raffle. The project was to organise a lunch to celebrate the Coronation of the King and mark this historic occasion. The grant contributed to the costs of refreshments for the lunch.

The club also perform in care homes, for dementia groups, over 60s clubs and at other local events, providing song sheets for the audience and basic percussion instruments. The project provided the amplification equipment needed to be able to perform outside or in large venues. The grant contributed towards the cost of purchasing equipment, including amplifiers and microphones.

Ashford Salvation Army (22-AS-54)

Community Relief

£1000

This established food bank has seen a marked increase in demand from the community and has also faced increased costs for stocking the foodbank and providing refreshments. The project was to seek additional funds to allow the foodbank to continue to operate. The grant contributed to restocking the foodbank and providing a hot lunch for struggling residents.

Mike Hill, OBE

Tenterden Town Council (22-AS-3)

The Queen's Platinum Jubilee Celebrations

£1000

Tenterden Town Council staged a celebration of the Queen's Platinum Jubilee over four days by providing a series of events which were open to the public and free to attend. The events included the lighting of the town's beacon, a market showcasing local businesses and producers and a Big Jubilee Lunch with music. The grant contributed to the costs of materials for the events.

Smallhythe Parochial Church Council (22-AS-5)

2022 Flower Festival

£200

St John's Church is the only public building in the village and serves as the centre of the community. The project hosted the biannual flower festival to highlight the work of the church and bring the community together, as well as to celebrate the 500th anniversary of the rebuilding of the church after a fire. The grant contributed towards the costs of flowers and other materials for the festival. The amount authorised fell below the grant minimum threshold level but was approved by the Cabinet Member.

Tenterden Folk Day Trust/Tenterden Folk Festival (22-AS-7)

The Wilson Family at Tenterden Folk Festival 2022

£1300

Tenterden Folk Festival is the only music and arts festival in Tenterden and one of the longest running and most popular in Ashford. The audience includes people of all ages and backgrounds and is a mix of local people and visitors, with the music reflecting this. The grant supported the hiring of The Wilson Family, a folk music group singing and performing a cappella folk songs.

Tenterden Schools Trust (22-AS-13)

First Aid Training for Children

£531

*Please note that the reported Member Grant spend relates to actual spend and not committed spend. Members may have committed spend that has not been paid yet and is not represented in this spend report.

The project provided first aid training for all primary schools within the trust to enable children to support their families, their school and their local communities, as well as strengthen their self-confidence and resilience. The grant contributed to the costs of CPR courses and defibrillator use.

St Michael's Community Group (22-AS-14)

Tributes in the Park

£500

The project supported the 'Tributes in the Park' festival, which is a free event that has been running for several years and enables the community to come together and enjoy music from professional tribute acts with family and friends. The grant contributed towards the cost of staging and lighting/sound equipment.

Tenterden Social Hub (Formerly Tenterden & District Day Centre) (22-AS-19)

Essential Repairs to the Day Centre Building

£3168

The grant contributed to the costs of wheel kits for heavy sports equipment.

Tenterden & District Museum (22-AS-47)

The Wild Escape

£1040

This project was designed to connect schools to their local museums and art galleries. It uses the museum's resources to explore the connections between wildlife and the challenges faced in finding the ideal environment for a species to survive. The grant contributed to the costs of the storytelling and arts sessions, including provision of materials for participants.

[David Robey](#)

Woodchurch Carnival Group (22-AS-1)

Platinum Jubilee & Village Carnival

£1500

The project staged a fully inclusive carnival to bring the village together. The carnival is planned to take place on a biannual basis, the first taking place in 2022 with future events being self-funded. Equipment purchased for the carnival would be deemed village assets and available for hire by the community to help generate revenue. The grant contributed to the costs of the funfair and children's attractions.

Shadoxhurst Speedwatch/Shadoxhurst Parish Council (22-AS-16)

Speedwatch

£1385

The project is a joint police/resident scheme to help reduce the speed of vehicles using the roads. There was an existing device to record speed, but a new device was needed to be able to read speeds further away, therefore making it safer for the operators. The grant contributed to the costs of the new device.

Wealden Festival Foundation (22-AS-21)

Wealden Literary Festival

£500 (Sharing with Mike Hill, OBE - £500)

Wealden Literary Festival delivers a wide variety of talks, debates, creative workshops and hands-on outdoor events. The grant was used to purchase sensory equipment for the space.

St Albans & St Edmunds (East Dartford Benefice) (22-DA-20)

Public Living Rooms

£2000

A space was required to address social isolation, fuel poverty, hunger and to provide a chance to build friendships and networks. A space was created in both churches to reach as many people as possible in a very deprived area. The grant contributed to energy costs as well as refreshments and furnishings.

All Directions Kent (22-DA-24)

Christmas Celebrations

£400

The Christmas Project gives All Direction's learners, friends, volunteers and people in the community a chance to come together and celebrate Christmas with Christmas dinner and a party. Some of those attending would usually be alone over Christmas. The grant was used to hire a hall, band and to buy gifts for the students and volunteers to thank them for their help all year.

Oasis Domestic Abuse Service (22-DA-25)

Communal and Therapeutic Space

£2000

A space was needed for young single women within the accommodation project to socialise, make friends and reduce isolation. The space would also provide access to counselling sessions, parenting workshops, debt advice services and first aid courses. The grant provided furniture and furnishings for the communal space.

Temple Hill Primary Academy (22-DA-26)

Wild Flower School Boundary

£948.55

The bank along the front of the school had become a magnet for rubbish and leaves. The school wished to renovate the area and plant wild flowers to attract pollinators, change the visual effect and link with the science and environment curriculum. The grant provided seeds and gardening equipment for the project.

*Please note that the reported Member Grant spend relates to actual spend and not committed spend.

Members may have committed spend that has not been paid yet and is not represented in this spend report.

Temple Hill Youth Club (22-DA-30)**Improve Security CCTV****£750**

A need for CCTV was identified after the youth club lost a large amount of equipment and maintenance tools during a break-in. Replacing this equipment used up spare funds so support was needed to help improve security to deter thieves and make the site safer. The grant contributed to the costs of the new security system.

Peter Harman

Dartford Cambria Sea Scout Group (22-DA-7)**Sailing and Kayaking Helmets****£524.25**

The grant was used to purchase fifteen water sports helmets to allow the Sea Scouts to run kayaking sessions on the Bridge Lake, as helmets are a mandatory requirement and without them the sessions cannot take place.

Swanscombe & Greenhithe Town Council (22-DA-8)**Children's Summer Entertainment 2022****£500**

The grant contributed to the costs of a programme of entertainment and events during the summer holidays. These events were designed to entertain children in a safe, healthy environment and to provide some additional support to parents.

Swanscombe & Greenhithe Town Council (22-DA-9)**A Right Royal Celebration (Platinum Jubilee)****£500**

The project was to stage an event to celebrate the Platinum Jubilee. The event would showcase the best local talent, groups and small businesses, and bring the community together and give access to advice and the community groups attending. The grant was used to help with the costs of entertainment activities.

Swanscombe Senior Lunch Club (22-DA-12)**Coach Trip****£600**

The grant was used to assist with coach hire and refreshments for the club to take a group of seniors, with volunteers to support them, on a trip out of area so that the group could socialise and reduce isolation.

South Eastern Baptist Association (22-DA-21)**Pop Up Carol Services for Ebbsfleet & Swanscombe****£500**

The project was to hire a van with dual LED screens and a PA system to host several pop-up carol services in the Swanscombe and Ebbsfleet area. The van would park in an open space where people could safely gather and hold a twenty-minute carol service, and then play carols whilst moving between places. The grant assisted with the costs of hiring the van.

Swanscombe Tigers (22-DA-22)

Replacement Goals

£500

Funding was sought to replace old plastic goals used by the club with metal ones. The new goals would last longer for the various teams who use them, including teams for children aged six to thirteen and a girls' team.

Swanscombe & Greenhithe Town Council (22-DA-23)

Christmas Lights

£500

The grant contributed to the costs of the festive lights project, which was designed to enhance enjoyment and encourage the use of the two high streets and their commercial facilities

We Are Beams (22-DA-31)

Family Advice Service

£500

After seeing a significant increase in the amount of calls on education support, the charity wanted to bring parents together to help build relationships and offer support to each other with their disabled child and siblings. The grant provided packs for parents which included course notes.

Swanscombe & Greenhithe Town Council (22-DA-35)

In Bloom/Hanging Baskets 2023

£500

The Town Council hoped to enhance the spring and summer seasons on both High Streets. The grant was used for the costs associated with purchasing and maintaining the hanging baskets.

Swanscombe & Greenhithe Town Council (22-DA-36)

Children's Entertainment 2023

£500

During the six-week summer holiday, young people in Swanscombe and Greenhithe (and their parents) need activities to keep them active and entertained. As an area identified as deprived, many families struggle to find activities for the children and the grant was used to provide a programme of events and activities for young people.

Broadness Cruising Club (22-DA-37)

Mooring Buoys Provision

£500

The club wanted to improve facilities for members and the public, as well as provide opportunities for other boating clubs to utilise the facilities by installing two buoys to make access to the creek easier. The grant was used to install the mooring buoys.

[Jeremy Kite, MBE](#)

YMCA Thames Gateway (22-DA-10)

Fun Day – Summer 2022

£6000

The grant helped to fund a 'Teddy Bears Picnic' fun day for local children and families in the school holidays, which introduced learning through fun activities, including learning about nature, how to

1st New Barn Scouts (22-DA-16)

Community Hall Roof/Ceiling/Windows Refurbishment

£2000

The hall was built in 1949 and the roof, ceiling and windows were original but in a poor state of repair. The grant was used to help with costs of internal decoration of a new ceiling, which provided an improved and safer environment for users of the hall.

[Avtar Sandhu, MBE](#)

Dartford Science and Technology College (22-DA-6A)

Community Day 2022

£500 (Sharing with Penny Cole - £500 and Kelly Grehan - £500)

Each year students in Years Seven to Ten (around 700 young people) spend a day in the community and undertake volunteering at approximately fifty placements for a wide range of charities. The grant contributed to the costs of t-shirts for the students to wear during their volunteering day.

Girlguiding – 19th Dartford Guides (22-DA-27)

New Unit Start Up

£500

There is a need for a new unit in Dartford as both local units are at full capacity with waiting lists. The grant contributed to the costs associated with starting up the new unit, including badges and equipment for activities such as cooking and outdoor games.

Healthy Living Centre (22-DA-29)

The Celebration of Volunteers

£500 (Sharing with Penny Cole - £500)

A 'thank you' ceremony was held for Healthy Living Centre volunteers for all their work at the two centres in Temple Hill and Tree Estate which offer activities such as IT sessions, cooking lessons and exercise lessons. The grant provided refreshments and certificates for the volunteers.

Fleetdown Community Centre (22-DA-33)

Stage Stairs

£500 (Sharing with Penny Cole - £499.99)

Fleetdown Community Centre has staging which stands 1.3m above the floor and requires stairs to access. The two existing sets of stairs were no longer fit for purpose and required replacing to allow safer and greater accessibility for regular users and one-off hirers. The grant contributed to the costs of replacement stairs.

Leyton Cross Social Club (22-DA-34)

Sound System

£750

The grant provided a new sound system as the existing sound system was thirty-five years old and no longer fit for purpose. The sound system is used for monthly social events, concerts and is available for use by other groups and clubs that use the hall.

COMMUNITY MEMBER GRANTS

David Beaney

1st Whitfield Brownies (22-DO-7)

Replacement of old and heavy tables and chairs and replacement of boundary fence

£1264.92

The grant contributed to the cost of replacing the old fence to provide a safe and secure area for play, allow for more effective use of the outside space and protect the property. The grant also purchased lighter tables and chairs to allow for safer use of the equipment.

Denton Village Hall (22-DO-8)

Play Park and Picnic Area

£1000

Situated next to the Village Hall, an outdoor space was created for the whole village to enjoy, with plenty of parking, near footpaths and accessible to all. The grant contributed towards a play tower for the children allowing families to enjoy the space.

Wootton Singers (22-DO-14)

Queen's Platinum Jubilee Performance

£500

Wootton Singers is a community group of around fifteen members and has been operating for over ten years, providing an opportunity for residents to meet up, chat and participate in a group activity. The grant contributed to the costs of new music as well as pianist and Music Director fees for a performance at the Platinum Jubilee Celebrations in the village.

Elvington and Eythorne Heritage Group CIC (22-DO-15)

Jubilee Family Fun Day

£500

The project staged a free Family Fun Day, tied into celebrating the Queen's Jubilee. Elvington is a socially deprived area and unemployment is high, funding contributed to a free BBQ and entertainment.

Shepherdswell Village Green Association (22-DO-19)

Platinum Jubilee Celebrations

£300

The grant contributed towards artist and musician fees, as well as bunting to celebrate the Queen's Platinum Jubilee and re-establish the previously strong community spirit and infrastructure within the village as it emerged from the pandemic. The programme included a choir concert, fun run, art exhibition and competition, quiz, classic car show, live music and memorabilia displays.

Elvington Village Hall (22-DO-30)

'Let's Eat'

£300

Elvington is one of the most deprived communities in Dover District and this project aims to provide hot meals for all residents in a safe and welcoming space. The social atmosphere of sharing a meal provides a focus for people who are often isolated and unable to meet people in their daily life. The grant was put toward the cost of providing meals.

*Please note that the reported Member Grant spend relates to actual spend and not committed spend. Members may have committed spend that has not been paid yet and is not represented in this spend report.

Eythorne Parish Council (22-DO-31)
20mph Highway Improvement Project
£800

Eythorne and Elvington had concerns about speeding in the area including Adelaide Road, where the local Primary School is located. A lower speed limit of 20mph was identified, the grant contributed to the costs of the installation of signage and lining.

Alkham Parish Council (22-DO-32)
Village Jubilee
£300

The project staged an event on the village green to mark the Platinum Jubilee. The celebration was available to the whole community and the grant provided bunting, hats and tableware for the attendees.

Alkham Parish Council (22-DO-33)
Footpath Repairs
£1500

The parish council wished to repair a widely used footpath between the village and Newlyn's Meadow to encourage more residents to access the open spaces and improve access to the village hall. The grant contributed to the costs of materials and labour for the repairs.

Capel-Le-Ferne Parish Council (22-DO-38)
Speed Watch Equipment
£1200

Protection of volunteers against abuse is of increasing concern and Kent Police Speed Watch now approve electronic recording of sessions with body worn and equipment cameras including signage that informs the driver that recordings are taking place. The grant was used to supply the cameras and accessories.

18th Dover (Shepherdswell) Scouts Group (22-DO-42)
Queen's Jubilee Party
£300

The project staged an outside event for children and their families to get together and celebrate the Jubilee in a safe and welcoming environment. The grant was used to cover the costs of the refreshments and entertainment.

1st Shepherdswell Brownies (22-DO-49)
New Speaker and Solar Array
£500

The grant contributed to the costs of a solar array, a bluetooth speaker and blankets required to deliver activities more successfully such as first aid training being accompanied by a video from the British Heart Foundation showing how to use a defibrillator and the use of solar array when away from the unit meeting place on activity days or on camp.

Lydden Parish Council (22-DO-50)
Boundary Fencing

*Please note that the reported Member Grant spend relates to actual spend and not committed spend. Members may have committed spend that has not been paid yet and is not represented in this spend report.

£1000

The grant contributed to the costs of a project to improve the amenities offered to residents of Lydden by upgrading the car park outside the village hall. Many residents use the village hall for meetings, clubs and parties and the upgrades would provide a more safe and secure facility.

Denton Village Hall (22-DO-60)

Play and Picnic Area, Denton Village Hall

£1000

This project improved the outside space for the community by providing play equipment along with the picnic tables. The grant assisted with the costs of landscaping the area with new fences, planters, seating benches and the costs of labour.

Trevor Bond

2235 (Deal) RAF Air Cadets (22-DO-4)

Computers for Cadets

£600 (Sharing with Derek Murphy - £300)

The grant contributed to the costs of replacing the squadron's computers, which were old and not capable of running any of the modern training applications needed to teach the cadets. The new computers provide the opportunity for cadets to gain training and qualifications such as BTECs and are also capable of running a modern flight simulator.

Walmer Parish Churches (22-DO-9)

Resurfacing of St Saviour's Church Path

£1000 (Sharing with Derek Murphy - £1000)

The path through the churchyard of St Saviour's Church, Walmer connects The Strand and York Road and is used as a 'cut-through.' The path is used to access the church building, which provides a variety of community activities, but the condition of the path had deteriorated over time and was a health and safety hazard. The grant contributed towards the cost of replacing the path.

Kent Coast Volunteering (22-DO-13)

Xmas Thank You Event

£275 (Sharing with Nigel Collor - £250 & Oliver Richardson - £278.67)

The Good Neighbours Service for Dover began in March 2021 and the waiting list continues to grow. The service matches volunteers from all age groups and backgrounds with older people experiencing loneliness and/or social isolation. The grant provided a 'thank you' event for volunteers and contributed towards venue hire, food and drink costs.

Walmer Town Council (22-DO-24)

Childrens Festival

£500

The Childrens Festival with Kites on the Beach is a free, family event on Walmer Green and each year free kites are given away. There are also displays of giant static kites and local arts and crafts groups provide materials for younger children to take part in creative activities. There are also Circus Skills Workshops and a Junk Orchestra which the grant contributed funding towards.

Deal Memorial Bandstand Trust (22-DO-27) Multi-District Award

Royal Marines Band Concert on Walmer Green

£600 (£2,200 Total)

*Please note that the reported Member Grant spend relates to actual spend and not committed spend. Members may have committed spend that has not been paid yet and is not represented in this spend report.

The Royal Marines Band performed on the Bandstand Green to an audience of circa 8,000. The grant was used to subsidise the hire of video cameras and camera operatives to enhance the viewing for the large audience attending by projecting the event onto hired screens.

Talk It Out (22-DO-28)

Tackling Cost of Living Crisis

£500 (Sharing with Derek Murphy - £500)

The grant enabled local volunteers to purchase and deliver approximately 120 essential food bundles to vulnerable people living in the Deal area. The bundles were delivered to people who have disabilities, learning difficulties or people struggling with mental health issues who may not be able to get to food banks.

Deal Music and Arts Limited (22-DO-29)

Community and Fringe Events

£500 (Sharing with Derek Murphy - £500)

Deal Music and Arts Limited serves the community by bringing high quality cultural events to the area, including a two-week music festival and a new Fringe Festival. These events encourage community engagement, and the new fringe festival encourages more family audiences. The grant contributed to costs of artist fees.

Cinque Points F.C. (22-DO-39)

Ladies Team Kit and Equipment

£400 (Sharing with Derek Murphy - £400)

The club was looking for support with the formation of new teams for ladies and young adults at the club, due to increase popularity. The grant assisted with the purchase of training kits and equipment for the new teams.

Sholden C of E Primary School (22-DO-43)

The Police Community Clubs of Great Britain – Barney & Echo, Mindfulness Project

£299

This project is aimed at children transitioning to secondary school and aims to promote discussion between children, their peers, teachers, parents and the wider community, to highlight the message that mental health is just as important as physical health. The project asks participants to discuss optimism, staying calm, supporting others and sharing emotions. The grant assisted with the costs of providing project packs for the children.

Martha Trust (22-DO-44)

Person Centred Software Project

£842.50 (Sharing with Derek Murphy - £400)

Martha Trust looks after young people and adults with profound and multiple learning disabilities, through the provision of lifetime residential care and respite care, as well as providing help and support for their families. The Trust uses Person Centred Software which has revolutionised care planning, recording all daily care, and enhanced communication methods. The grant was used to purchase replacement handsets and charging units.

Deal Town Rangers FC (22-DO-45)

Community Events (Various)

£947.50 (Sharing with Derek Murphy - £500)

The Club has seen a huge increase in the number of children wishing to join teams and become more

*Please note that the reported Member Grant spend relates to actual spend and not committed spend.

active. The increase in numbers has seen a corresponding rise in the need for mental health support. The events planned helped celebrate the successes of the teams and provided opportunities for home and opposition teams to access mental health support from an FA accredited Mental Health Officer. The grant contributed to the costs of venue hire, referee fees, pitch marking and portable goals.

Walmer Town Council (22-DO-58)

Carols on the Green

£500

Carols on the Green is a free event which is open to all and includes a Compere to tell the Christmas story, as well as inviting musicians to perform. The grant contributed to the increased cost of performer fees for the event.

Royal British Legion (Downs Branch) (22-DO-59)

Benches for Deal Cemetery

£272.88 (Sharing with Derek Murphy - £450)

The original wooden benches situated at the War Memorial in Deal Cemetery had seen considerable wear and tear and latterly vandalism to such a degree that, due to their unsafe condition, they were removed. The grant was used to purchase two replacement benches.

Oasis Domestic Abuse Service (22-DO-61) Multi District Award

Security Packs

£560.44 (£1,120.88 Total)

Oasis supports families affected by domestic abuse in Kent and Medway through a comprehensive range of services. The grant supported a project to provide security packs to high-risk victims living in Thanet and Dover. The packs, consisting of dash cams, CCTV units and Ring doorbells for home security, are loaned to clients following risk assessments and returned when the client is made safe, which can take several months.

Martha Trust (22-DO-62)

Digital Rainbow Table Appeal

£500 (Sharing with Derek Murphy - £500)

The grant funded the purchase of two Digital Rainbow Tables, which are interactive touch screen multi-purpose tablets. The main benefit of the tables is their manoeuvrability, allowing them to be easily moved within homes, as well as the ability to tilt the interactive tabletop to different heights and angles, making them ideal for those with specially adapted wheelchairs.

Tiny Turtles Nursery (22-DO-63)

Shed Renewal

£400 (Sharing with Derek Murphy - £400)

The grant contributed to the cost of a replacement shed, as the existing one was leaking and damaging equipment and toys. The new shed helps with the longevity of the toys and enables the nursery to store enough toys to rotate them, thereby keeping the children interested and providing new play and learning opportunities.

Deal, Walmer, Sandwich & District Scout Council (22-DO-71)

Betteshanger Campsite Compostable Toilet Installation

£1000 (Sharing with Derek Murphy - £1000)

The project installed three compostable toilets and improved facilities at a campsite on the Northbourne Estate. This allows for longer stays at the site and makes the site more accessible for

participants with additional needs.

[Sue Chandler](#)

Sandwich Folk and Ale Festival (22-DO-12)

Sandwich Folk and Ale Festival 2022

£1000

The festival, in its tenth year, has expanded over that time, increasing from its original two days to a seven-day festival. It aims to increase footfall in Sandwich by providing more entertainment for residents and visitors, which encourages sales for the local business community. The grant supported waste removal and bin hire and assisted with card machine purchases.

Woodnesborough Parish Council (22-DO-17)

Queen's Platinum Jubilee Water Bottles

£300

The grant contributed to the purchase of 250 Platinum Jubilee Commemorative water bottles for distribution to children at a Platinum Jubilee Fete. The fete brought the community together and the children are able to use the water bottles, reducing the use of single-use plastic and encouraging them to drink more water.

Charity Mentors Kent & Medway (22-DO-46)

Mentoring Support for Local Charities

£3000

The grant helped promote the Charity Mentors service by assisting with the costs of a Co-ordinator's time, which was spent developing a new website and other communication methods.

Age Concern Sandwich (22-DO-53)

Making a Difference - Meet, Eat and Heat

£2000

To support clients concerned about the cost of heating, Age Concern hoped to purchase hot water flasks and hot water bottles for use in the home. There had also been an increase in the Meals on Wheels service provided by the charity and replacement equipment was required. The grant contributed to the costs of the hot water bottles and flasks as well as thermo boxes, thermo heat pads, insulated pads, cool boxes and thermo mits.

St Peter and St Paul's Church, Worth (22-DO-54)

Village Clock Regulation and Time Change System

£1000

The church turret clock is a strong visual and aural presence in the village but in recent years had suffered reliability issues and no longer kept accurate time. The grant assisted with the supply and fit of an electronic pendulum regulator system to improve timekeeping and to enable the clock to remain a strong presence in the village.

Dover District Council (22-DO-55)

Memorial Bench

£1500

In Sandwich in 2019, a young local boy tragically lost his life after being swept away into the river. The grant contributed to the cost of providing a circular memorial bench, with a personalised engraving, made by a local craftsman to wrap around a willow tree that has become a focal point and place of

solace for the family.

Goodnestone Village Hall (22-DO-57)

Wi-Fi Installation Project

£300

The grant was used to provide internet access at the hall to make it a more attractive venue for those wishing to hire it for private functions. Access to the internet also helps residents who use the hall's "community hub" for IT training, internet supermarket shopping and to help elderly residents with accessing and using the internet.

Busy Bees Preschool (22-DO-67)

Commemorative T-shirts for the Coronation Celebration

£478

Member Grant funding contributed to the costs of providing fifty-two commemorative t-shirts, printed with the King Charles monogram and the Coronation date for the children and families to keep as a long-loved memory of an occasion where the village came together as one to celebrate a historic occasion.

Stourmouth Parish Council (22-DO-69)

Further Improvements to Stourmouth Cemetery

£1000

The Parish Council took over the cemetery to restore it to a respectful state, provide an area of contemplation and provide essential facilities. The grant assisted with the costs of providing shrubs and trees at the top of the cemetery to safely define the boundary and encourage wildlife. It also provided a wire fence to fill gaps in the side boundary and gates for the lychgate.

St Peter & St Paul's Parochial Church Council (22-DO-70)

A Coronation Mug for every child

£1689.36

The Parish of Worth wanted to follow a tradition, first popularised in 1887 to celebrate the Golden Jubilee of Queen Victoria, to give children gifts to commemorate the Coronation of King Charles. The grant contributed to the purchase of commemorative mugs for the children.

[Nigel Collor](#)

Belgrave Youth Group (22-DO-2)

Creating a Wildlife Garden

£500

The youth club in the Clarendon and Westbury Community Hall in Dover were offered the use of an allotment behind the hall. This provides the children with an opportunity to participate in building habitats for wildlife, as well as having a wildlife pond and a space to grow fruit and vegetables. Grant funding was used to buy equipment to create and maintain the wildlife garden and growing area.

Christians Together in Dover (22-DO-5)

Dover Money Course

£250 (Sharing with Oliver Richardson - £300)

Christians Together in Dover partnered with Christians Against Poverty (CAP) to offer Money Courses, which were free and helped anyone who required budgeting support. The classes were delivered as a

Acoustic Fencing for We Are Beams Respite Centre

£2000

*Please note that the reported Member Grant spend relates to actual spend and not committed spend. Members may have committed spend that has not been paid yet and is not represented in this spend report.

Member Grant funding supported a perimeter fence around the garden at the respite centre to keep the children at the centre safe. Children from Sevenoaks, Dartford, Gravesham and surrounding areas benefit from the garden, which is a great space for them to run, play, express themselves, let off steam and keep fit after spending time indoors.

[Roger Gough](#)

Shaw Hall Social Club (22-SE-2)

Recreational equipment

£1750

Member Grant funding supported the purchase of a replacement indoor bowls mat, as the existing one was old and the foam backing had perished, affecting play. The grant also assisted with the purchase of two exercise bikes for use at a weekly exercise class.

St Lawrence Primary School (22-SE-13)

Ukrainian Pupil Support

£800

Despite being a small rural school, there were several Ukrainian children, from 5-10 years old, in the school who had little English. The school was assisted in supporting the children by a local Ukrainian English teacher, and the grant contributed to the costs of books and language resources to aid the children in their education.

Farningham Parish Council (22-SE-14)

Traffic Regulation Order for the 20mph scheme in Farningham

£233.75

Following traffic studies in Farningham, the area has been identified as suitable for a 20mph speed limit scheme and a Traffic Regulation Order (TRO) had been carried out. Member Grant funding assisted with the costs of the TRO.

Kemsing Primary School PTA (22-SE-16)

Go-Kart for Science Club

£1903.80

Following the success of year 5/6 pupils in the Lego League competition, the school's Science Club wanted to design and build a go-kart. The club is open to any school pupil and run by volunteers and the go-kart kit will be able to be reused for several years. The grant contributed to the costs of the kit.

Darent Valley Landscape Partnership Scheme (22-SE-25)

Shoreham Station to Shoreham Village Footpath

£1000

Shoreham station is currently only accessible for pedestrians by walking along a busy, poorly lit road with cars parked along the sides. A permissive surfaced footpath will be created in an adjacent field with an accessible gate. This will create a safe route from the village centre to the station. The grant contributed to the costs of fencing for the project.

Eynsford Parish Council (22-SE-27)

New Football Pitch for Eynsford

£3378

Mike Dendor

Swale Borough Council (22-LBH-SW-16)

Double Yellow Lines

£1100

The grant covered the cost of new Double Yellow Lines to improve highway safety by preventing sightline obstructions on two corners. Vehicles were parking around these corners blocking sightlines and impeding the safe route of vehicles.

Antony Hook

Swale Borough Council (22-LBH-SW-31)

Inclusion of new Double Yellow Lines

£1006

New double yellow lines were required to improve highway safety by creating a “passing place” between parked vehicles on the corner in Bramley Avenue, Faversham.

Rich Lehmann

Kent Highways (22-KHS-SW-30)

Investigate and repair streetlight

£294.42

The grant was used to investigate and repair a faulty streetlight outside Selling Primary School, which had not been working for some time. Repairing the light improves visibility directly outside the school entrance.

Kent Highways (22-KHS-SW-36)

Canterbury Road, Dunkirk 40mph speed limit reduction joint with Dunkirk PC

£1200

Traffic surveys were carried out in September 2022 to ascertain existing mean speeds. Following the results of the survey, it was agreed to proceed with a Traffic Regulation Order (TRO) to reduce the existing speed limit to 40mph.

John Wright

Swale Borough Council (22-LBH-SW-14)

Inclusion of new Double Yellow Lines

Rosalind Binks

Inspiration Creative CIC (22-TH-8)

Pilot Project – Musical Communication Sessions for Young Children with Additional Needs

£1500

Member Grant funding assisted with the pilot of a project to provide an interactive music session, designed to develop communication in children who have learning disabilities, speech and language difficulties and/or are deaf. The sessions will run for 12 months during term times, last an hour and be aimed at pre-school age children to help their development before they start school.

Broadstairs Folk Week (22-TH-12)

Radio and Seating Hire

£1500

Folk Week is primarily for the residents of Broadstairs and Thanet but also brings in many visitors from further afield. It is a community festival with volunteers which presents on average 15 concerts, 35 acoustic sessions, 13 ceilidhs and dances, 21 free family shows, a Craft and Music Fair, dance displays, a festival parade and over 150 free music sessions in venues around Broadstairs. This grant funded radio and seating hire for the festival.

The Sarah Thorne Theatre CIC (22-TH-27)

Upgrading and Repairing of Stage Equipment

£2000

The theatre offers a year-round selection of both professional and community-based productions and helps to raise funds for local charities with special performances. These productions need the stage equipment to be up to date and safe, and grant funding was provided to replace one of the older dimmer racks and the sound mixer.

Broadstairs Folk Week (22-TH-37)

Hire of PA Sound, Sound Engineers & Lighting

£2000

Folk Week is primarily for the residents of Broadstairs and Thanet but also brings in many visitors from further afield. The funding for the course at Christmas only covered children on free school meals but there were around 20 children who lived in the same households as those who regularly attend but for various reasons did not qualify for the programme. The grant contributed to the cost of the hire of an ice rink for the Christmas Winter Wonderland.

6th Ramsgate Royal Harbour Sea Scouts Group (22-TH-51)

Ice House Renovation

£1000

Member Grant funding was sought to help with a project to renovate the Ice House in Ramsgate's Royal Harbour to create a community centre able to offer opportunities for the Scout Group and wider community. This funding was used for the boat yard security fencing and gate to protect the fire escape.

[Linda Wright](#)

Scripture Union Holiday Club (22-TH-22)

Scripture Union Minnis Bay Holiday Club

£500 (Sharing with Derek Crow-Brown - £300)

The holiday club provided activities for children, young people and their parents and carers. All the activities were free, open to all and age appropriate. Activities for vulnerable children and those with additional needs were also provided. The grant assisted with providing craft, stationary equipment and resources.

Minster Parish Council (22-TH-23)

Football pitch expansion

£300

Minster FC 1st Team had been promoted in the last 4 consecutive seasons taking them to the Kent County League Premier Division for the 2022-23 season. The Premier Division has a higher expectation of facilities; league officers, after inspecting the ground, required the pitch to be 6m wider. To achieve the pitch widening, the in-ground water tap needed to be relocated, and the grant contributed to the costs of its relocation.

2nd Garlinge Scouts (22-TH-24)

Gardening Equipment

£150 (Sharing with Derek Crow-Brown - £150)

Garlinge Phoenix Project is a community based sensory garden project situated within the Brooke Avenue allotment. It has given the Scouts a space to grow their own produce and to share their efforts with the local community. Member Grant funding assisted with the costs of garden equipment.

Birchington Man Shed (22-TH-26)

Wood Working Application

£500

The Birchington Man Shed was formed in 2021 to provide a safe and secure space for men to gather and to combat loneliness and isolation. The shed is primarily woodwork based and new tools were needed to meet increased demand. The grant helped with the purchase of a new lathe for the shed.

Books beyond words (22-TH-32)

Deaf Friends Book Club

£500 (Sharing with Derek Crow-Brown - £500)

The Deaf Friends Book Club was established in 2021 and has grown considerably. A portable projector and screen was needed to allow the pages of the books to be projected onto a screen to help members when they are using their hands to sign. Member Grant funding was awarded to assist with the purchasing of these items.

Minster Parish Council (22-TH-36)

Rubber Mulch Safety

£1000 (Sharing with Derek Crow-Brown - £1000)

Minster play area is the only play area in the village and is used daily by many children. The two climbing frames needed the surfacing around the base replacing to ensure the safety of users. The grant contributed to the cost of supplying and installing the rubber mulch.

Acol Village Hall Committee (22-TH-42)

Food Hub

£150 (Sharing with Derek Crow-Brown - £150)

The Food Hub supports residents in the village, particularly the elderly, with the provision of hot food and a warm facility. To help the hub continue throughout the winter months, the grant assisted with the provision of food items.

Storehouse Food Bank (22-TH-49)

Providing Food and Care

£150 (Sharing with Derek Crow-Brown - £150)

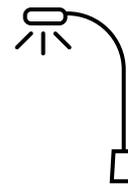

Due to increasing food and energy bills, funding was sought to help with the costs of food, toiletries and household care items required for residents. The food bank provides a safe, warm place for residents to collect these items but also to talk about their issues and to help them to get in touch with organisations that might be able to help.

COMMUNITY MEMBER GRANTS

Trudy Dean, MBE

East Malling Institute (22-TM-10)

Bouncing back from Covid

£1000

The East Malling Institute Hall is a charitable hall offering space for hire for local clubs and groups as well as for individuals. The stage in the Main Hall had a space underneath that was inaccessible and wasted space. The project created a storage area under the stage. The grant was used for the construction, including materials, of the under-stage store.

Communigrow (22-TM-16)

Wildlife Pond

£1600

Communigrow is a food education charity providing education, well-being and skills sessions. The project created a wildlife pond in the garden to bring in more wildlife and the grant contributed to the cost of materials, plants, fencing and digger hire for the project.

The East Malling Centre (22-TM-30)

CAB Outreach Pilot

£1000

Member Grant funding was sought for a project to open a Citizens Advice Outreach at East Malling Centre, building on the successful community supermarket and food bank, Silver Lunch Clubs, Memory Café and other community activities. The grant helped with the cost of providing a CAB adviser.

Malling & District Repair Cafe (22-TM-39)

Initial Start Up Costs

£500

The project started a local repair café where volunteer repair experts are available to help make repairs to items brought in by the community free of charge. The grant contributed to the initial start-up costs for the café, including purchasing a PAT tester machine, hall hire costs, advertising costs and safety equipment.

Sarah Hohler

Tonbridge & Malling Borough Council (22-TM-20)

Snodland Pump Track

£1500

A need was identified for organised and casual bike activities in the area to help deter anti-social behaviour, and Snodland Bike Club was formed to help address this need. The club hoped to create a pump track that would allow young people to meet with friends and ride unsupervised in a safe, traffic free environment. The grant was put towards the costs of base materials for the track.

St Katherine's School (22-TM-22)

The Police Community Clubs of Great Britain Barney & Echo, Caught in the Web

Ditton Parish Council (22-TM-32)

Replacement Stage Floor

£1400

Member Grant funding supported the Parish Council to refurbish the community hall's stage to make it safe. The stage is regularly used by local dance groups and other groups, but it was in a very poor state of repair with holes appearing and lifting causing trip hazards.

*Please note that the reported Member Grant spend relates to actual spend and not committed spend. Members may have committed spend that has not been paid yet and is not represented in this spend report.

60+ Club (22-TM-34)

Christmas Lunch

£300

Member Grant funding was used to assist a local community group with the costs of a Christmas Lunch for older residents, many of whom live alone and enjoy the opportunity to socialise. The lunch included a Secret Santa to ensure everyone received at least one Christmas present.

Ditton & Malling Active Retirement Association (DAMARA) (22-TM-38)

Christmas Party

£300

More than half the members of the association live alone and have restricted social access, as they either have health issues or are unable to drive. A Christmas gathering enhances their wellbeing and celebrates the festive season. Member Grant funding was put towards the costs of hall hire, entertainment and food.

40F (Maidstone) Squadron ATC (22-TM-44) Multi District Award

Flight Simulator

£316.33 (£948.99 Total)

The project enabled the replacement of a computer which ran the flight simulator programme. The existing computer frequently crashed, had long load times, and had unmaintainable parts which interrupted the available training time and learning experience of the Cadets.

West Malling Community Choir (Healing Voices) (22-TM-48)

Singing for Wellbeing

£300

Singing for Wellbeing offers an opportunity for local people to socialise, have fun, share stories, and combat social isolation. Member Grant funding was used to help with the costs of venue hire and music for the group.

1st Ditton Scout Group (22-TM-50)

Camping Equipment

£400

The group needed new camping equipment for activities, as its existing equipment was old and unserviceable. The grant supported the purchase of new equipment including a hot water urn and camping stoves.

[Harry Rayner](#)

Wrotham Parish Council (22-TM-25)

Funding for a Portable PA system

£400

The village hosts several events during the year that engage with audiences of all ages and requires clear communication over a wide area. Member Grant funding assisted with the provision of a portable PA system, which will be used for all future village events.

Railway Bridge Lighting

*Please note that the reported Member Grant spend relates to actual spend and not committed spend.

Members may have committed spend that has not been paid yet and is not represented in this spend report.

£1850

The project provided safe passage for residents and visitors to the area during dark evenings and mornings to access the railway station. Many residents previously felt unsafe as they were not able to see hazards and disabled people found it particularly difficult to negotiate. Member Grant funding supported the installation of new lights along the footpath.

Kent Farmers Market Association (22-TM-24) Multi District Award

'Eat Kent'

£500 (£3,950 Total)

The 'Eat Kent' project is an initiative to promote and support the county's local food chain. The project provides information on the benefits of local produce, when it is available, where it is grown/bred with links to recipes, as well as nutrition/allergy information in both digital and hard copy. Grant funding contributed towards print costs for promotional material.

Plaxtol Parish Council (22-TM-49)

All weather cricket nets-groundworks

£1500

Plaxtol has a thriving and popular cricket club, open to all ages, with a programme of regular training, practice, and competitive local fixtures. The club hoped to install all-weather cricket nets to enable practice all year round and Member Grant funding contributed to the costs of groundworks to support the installation of the all-weather net.

Paul Stepto

Citizens Advice in North & West Kent (22-TM-4) Multi District Award

Portable IT Packages

£500 (£4,520 Total)

There had been a recent drive to make better use of technology and make advice services more efficient to be able to help more people, including training volunteer advisers remotely. The grant was used to purchase equipment packages consisting of laptops, headsets and phones for new volunteer advisers.

Warm Spaces

£500 (Sharing with Mark Hood - £500)

The ten churches in this group wanted to provide warm spaces throughout the week that any member of the public would be able to use. The grant helped with the increased costs of heating the churches.

Tonbridge Pride (22-TM-55)

Tonbridge Pride 2023

£500 (Sharing with Mark Hood - £1000)

The objective of Tonbridge Pride is to bring understanding, love, inclusion and tolerance to the town by celebrating the LGBTQIA+ community. It is a chance to show all generations that Tonbridge is a safe and inclusive town, and somewhere that celebrates its LGBTQIA+ residents and communities. The grant helped with the costs of stage hire, lighting and other equipment for the event.

Tonbridge Repair Cafe (22-TM-31)

Repair Cafe

£460

At a repair cafe event, residents bring items in need of repair to have them fixed by a team of volunteers with specialist skills. Member Grant funding assisted with providing promotional materials, including banners, flyers and t-shirts to promote the cafe.

*Please note that the reported Member Grant spend relates to actual spend and not committed spend. Members may have committed spend that has not been paid yet and is not represented in this spend report.

HIGHWAY MEMBER GRANTS

Mark Hood

Kent Highways (22-KHS-TM-2)

2x ATCs Hadlow Road, Tonbridge

£100 (Sharing with Paul Stepto - £100)

Residents raised concerns about vehicles speeding on Hadlow Road, approaching the junction with The Ridgeway and requested the 30mph speed limit be extended. To ascertain actual driven speeds, automated traffic counts (ATC) surveys were carried out.

Kent Highways (22-KHS-TM-46)

Tonbridge Speedwatch SID

£1191 (Sharing with Paul Stepto - £1191)

Residents raised concerns about the speed of traffic in various locations throughout Tonbridge Town. Various local groups volunteered to form Speedwatch teams, however they needed to purchase the SID devices and camera equipment, which funding supported.

COMMUNITY MEMBER GRANTS

Paul Barrington-King

Tunbridge Wells-Wiesbaden Riding Competition (22-TW-6)

Twin Towns Riding Competition 2022

£300

Member Grant funding was sought for this sports-based competition, which was open to everyone in the local community, whether participating or spectating, and included an invitation to Ukrainian refugees to boost international understanding and friendship. The grant contributed to the hiring of the equestrian centre.

Pembury Bowls Club (22-TW-8)

Junior Section 2022

£700

Following a successful open day, membership at the club had increased by 80% and new young members had created interest from other groups, such as Brownies and local youth clubs. Junior bowls were required to enable the younger age group to participate as they are designed for smaller hands and Member Grant funding supported the purchase of these.

St Philip's Church (22-TW-11)

Church Larder support for vulnerable people in our community

£800

St Philip's Church Larder serves a deprived community in Sherwood ward by providing food and support to families, who can receive a bag of food at a much-reduced cost. Member Grant funding assisted the food bank by contributing to the cost of Fareshare bills and supermarket top-ups.

Kent High Weald Partnership (22-TW-13)

Community Allotment Project

£695

Volunteers at the allotment work with the local community and those struggling with poor mental health or complex needs to improve physical and psychological health by engaging with and learning about their local greenspaces, having the opportunity to meet new people and learning new skills. The grant was used to buy resources and equipment to replace worn out resources such as gloves and seats.

Pembury Village Hall (22-TW-16)

Acoustic Improvements

£1600

The grant contributed to the cost of installing panels to eliminate the excess reverberation in both the hall and meeting room, ensuring that both speech and music could be clearly heard by all users of the building.

Tunbridge Wells Dementia Friendly Community (22-TW-18)

Dementia Cafe

£500

Funding had already been secured for the first year of operation and the organisers were hoping to secure funding for a second year. Member Grant funding helped with the costs of hiring the hall to

support the café's continued operation.

Pembury Parish Council (22-TW-26)

Rainwater Harvesting

£1000

Member Grant funding supported this project, which aimed to significantly reduce tap water use by collecting rainwater from the ground maintenance depot in large water butts. The harvested water would be used day-to-day including watering parish council and community floral displays in the village.

Tunbridge Wells Sea Cadets (22-TW-31)

Roof repairs and refurb of 1950 extension

£1000 (sharing with Becki Bruneau - £1000, James McInroy - £1000, Peter Oakford - £1000 and Sarah Hamilton - £1000)

The project added an extra floor and modernised the lower levels of the 1850 converted church to accommodate an increase in numbers since the pandemic. Member Grant funding assisted with the provision of building materials and labour costs for phase one of the refurbishment.

Pembury U3A (22-TW-27)

Keeping the village elderly active

£300

Pembury U3A is part of a nationwide network whose branches provide the opportunity for those who no longer work to come together to learn, stay active and have fun. The Pembury branch has over 300 members and offers more than 60 interest groups to choose from as well as outings, theatre trips and holidays. Member Grant funding assisted with the provision of equipment for new activities for elderly residents, including netball, cricket and table tennis equipment.
