## For the attention of the occupier

Dear Occupier

### Sturry Link Road Scheme

VolkerFitzpatrick is carrying out the Sturry Link Road Scheme on behalf of Kent County Council. As you may have noticed, work to build the road that crosses the River Stour and railway line is well underway. This will allow traffic to avoid the level crossing and support the planned new housing developments for Sturry and Broad Oak.

Our intention is to keep local and interested audiences informed of progress and share information about the project. Please find enclosed a printed copy of the first edition of our monthly newsletter. Future copies will be emailed to subscribers and uploaded to the project page on [www.kent.gov.uk/sturrylink](http://www.kent.gov.uk/sturrylink).

Please email 'subscribe' to the scheme at [sturrylinkroad@volkerfitzpatrick.co.uk](mailto:sturrylinkroad@volkerfitzpatrick.co.uk) to receive future copies. Your contact details will not be shared with any third parties, and you can unsubscribe at any time.

### Public Exhibition

We are holding drop-in sessions in June, where you can meet members of the project team, learn more about the plans and how they will be delivered and discuss any areas of concern.

These will be held at:

- Sturry Social Centre – 2pm to 8pm on Monday 8 June
- Broad Oak Village Hall – 2pm to 8pm on Wednesday 17 June

Please come and talk to us.
