

Minterne Junior School
Admissions Arrangement Consultation for Admission Year 2025-26

The above-mentioned school is in Our Community Multi-Academy Trust, OCMAT

We are required under the School Admissions Code 2021 to review our admissions policies annually and consult at least once every 7 years, even if there have been no changes during that period. There are no changes being made to the Admissions Policy for 2025-26.

Please find the full policy and admissions arrangements attached. If you wish to comment on the policy please email office@minterne.kent.sch.uk

This consultation will open on 9th November 2023 and any comments relating to the policy will need to be received by 22nd December 2023. After this, any comments will be considered with the Trust Board at the next available meeting, with recommendation for determination.

2025 - 2026

New Review date	February 2024

Trust rationale

Our Community Multi Academy Trust has adopted the following arrangements with respect to the admission of pupils to the school.

Pupils will be admitted to Year Three before their eighth birthday, usually entering at the start of the academic year (September 2025 to July 2026). The Published Admissions Number (PAN) to Year Three in September 2025 is 90.

Where the school is undersubscribed all applicants will be offered a place.

The school will admit any pupils with an Education Health and Care Plan (EHCP) naming the school. As a result of this, the published admissions number will be reduced accordingly.

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit.

Minterne Junior School rationale

At Minterne Junior School we aim to provide a welcoming and caring environment which values diversity, promotes equal opportunities and has an ethos of inclusion. This policy outlines the procedures for admissions into Year Three. It has been written in line with Local Authority guidance and statutory Admissions procedures.

Aims

The aim of this policy is to:

- ensure fair and equitable access to Minterne Junior School for local children.
- clarify the school's admission arrangements and the rights of parents and pupils.
- ensure the school complies with the LA admissions code.
- meets its statutory duties regarding CLA pupils.

OVERSUBSCRIPTION CRITERIA

- 1. Children in Local Authority Care or Previously in Local Authority Care** – a looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. A previously looked after child means such children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been looked after and those children who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

2. Junior schools in Kent. Children attending linked infant schools are given priority when applying for the linked Junior school. The Oaks Infant School is linked with Minterne Junior School.

3. Sibling / Current Family Association with The Oaks Infant School and/or Minterne Junior School - a brother or sister attending The Oaks Infant School and/or Minterne Junior School in this context brother or sister means children who live as brother or sister in the same house on role at the time of entry, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers or sisters. The sibling link is maintained as long as the family live at the same address as when the first child applied, or has moved closer to the school than when the first child was offered a place, or has moved to an address that is less than 2 miles from the school using the distance measured by the method outlined in the distance/nearness of children's home to school criterion.

4. Medical / Health and Special Access Reasons - medical, health, social and special access reasons will be applied in accordance with the school's legal obligations, in particular those under The Equality Act 2010.

Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend Minterne Junior School. Equally this priority will apply to children whose parents'/guardians', physical or mental health or social needs means that they have a demonstrable and significant need to attend Minterne Junior School. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the school.

5. Children of school staff - a child of a current member of staff of the school will be considered eligible for a place at the school.

Admission authorities may give priority in their oversubscription criteria to children of staff in either or both of the following circumstances:

- a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
- b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

6. Distance / Nearness of children's home to the school - we use the distance between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight line measurements are used to determine how close each applicant's address is to the school.

Where partners live apart but share responsibility for the child, and the child lives at two different addresses during the week, we will regard the home address as the one at which

the child sleeps for the majority of week days. A block of flats has a single address point reference, so applicants living in the same block will be regarded as living the same distance away from the school.

Applications

Applications for entrance should be made through Kent Primary Admissions Scheme, if applicants live outside the area at the time of application, these should be made through their home local authority. You will be required to complete the Junior Common Application Form (JCAF) online through the KCC website www.kent.gov.uk/ola. National closing date for applications is 15 January and National offer days are 16 April. Late applications will be placed on a waiting list and places allocated based on the above criteria.

ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

Parents may request that their child is admitted to a year group outside their normal age range, for instance where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting on his or her schooling. All such requests will be considered on their merits and either agreed or refused, on that basis. If a request is refused, the child will still be considered for admission to their normal age group.

The process for requesting such an admission is as follows:

With the application, parents should request that the child is admitted to another year group (state which one), and the reasons for that request.

Parents will submit any evidence in support of their case with the application, for instance from a medical practitioner, Headteacher etc. Some of the evidence a parent might submit could include:

- whether the child is 'summer born' and is seeking admission to a year group other than the Year 3 (or is seeking admission to the Year 3 rather than Year 4);
- information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group; and
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The school will consider each case on its merits, taking into account the individual circumstances of the request and the child's best interests. We will also ensure the parent is aware of whether the request for admission out of age group has been agreed before final offers are made, and the reason for any refusal.

Requests for admission out of the normal year group will be considered alongside other applications made at the same time. An application from a child who would 'normally' be

a Year 1 child for a Reception Year place will be considered alongside applications for the Reception Year.

Tie Breaker

In the unlikely event that two or more children are unable to be separated and in all other ways have equal eligibility for the last available place at the school, the names will be allocated a number and drawn randomly, this must be supervised by someone independent of the school, to decide which child should be given the place.

Appeals

Parents have the right to appeal against any refusal to admit their child. Appeals should be directed to an Appeals Committee established within the terms of the Education Act 1996. Details of the appeals procedure can be obtained from the clerk to the Trust Board. The Appeals Committee will notify the Appellant of the outcome:

- Appeals must be lodged in line with the Local Authority's published date (14 May 2025), except where the initial application was a late application, in which case the appeal must be lodged within 21 days of the allocation decision being sent to the parents.
- The School will acknowledge an appeal within seven working days of it being lodged.
- Appeals relating to other admissions can be made at any time.

Right to Withdraw a Place:

After a place has been offered Minterne Junior School reserves the right to withdraw the place in the following circumstances:

- When a parent has failed to respond to an offer within a reasonable time; or
- When a parent has failed to notify the school of important changes to the application information; or
- The admission authority offered the place on the basis of a fraudulent or intentionally misleading application from a parent.

Waiting Lists:

Parents of children who have not been offered a place at the school may ask for their child's name to be placed on a waiting list. The waiting list, which will be maintained until 31 July 2025, will be operated using the same admissions criteria listed above. Placing a child's name on the waiting list does not guarantee that a place will become available. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. It is possible that when a child is directed under the Local Authority's fair access protocol they will take precedence over those children already on the list.

Waiting lists will be re-ordered in accordance with the oversubscription criteria whenever a child joins or leaves the waiting list.

In-Year (Casual) Admissions:

Applications for a place at the school should be made via the school office at Our Community Multi Academy Trust c/o Minterne Junior School, Minterne Avenue, Sittingbourne, ME10 1SB, where you will be sent an application form. This form must be returned to the above address who will offer a place, if one is available and the child

meets the criteria for admission. If a place cannot be offered, parents will be offered the opportunity of placing their child's name on a waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place.
