

## Spires Academy Determined Admission Arrangements 2026 - 2027

### Allocation of places

#### Spires Academy Admission Arrangements for entrance into Year 7

The Academy published admission number (PAN) is 150. The Trustees welcome applications from parents/carers who fully subscribe to our ethos and are prepared to support us in our drive for ever improving standards. Spires is a nonselective and inclusive Academy and welcomes students regardless of their aptitude or ability. The Trustee board is the Admissions Authority and as such is responsible for the administration of the admissions arrangements and for any appeals. The Academy will, when places are available, offer a place to every child who has applied for one, without condition or the use of any oversubscription criteria, unless admitting the child would prejudice the efficient provision of education or use of resources.

If the number of applications for places at the academy is greater than the admission number (150) applications will be considered against the criteria set below.

After the admission of children with statements of special educational needs/Education Health Care Plan (EHCP), where the Academy is named in part IV of the statement/recorded in the Plan, we will use the following factors, in priority order, to decide which students will be given places:

1. Children in Local Authority Care, Previously in Local Authority Care or Internationally Adopted Previously Looked After Children A child under the age of 18 for whom the local authority provides accommodation by agreement with their parents/carers (Section 22 of the Children Act 1989) or who ceased to be so because they became subject to an adoption, residence or special guardianship order under Part IV of the Act. Children looked after under an agreed series of short-term placements (respite care) are excluded.
2. Current Family Association a brother or sister attending the school when the child starts. In this context brother or sister means children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters.
3. Medical, health, social and special access reasons. In accordance with the school's legal obligations, in particular those under the Equalities Act 2010. Priority will be given to those children whose mental or physical impairment means they have a demonstrable and significant need to attend a particular school. Equally this priority will apply to children whose parents' or guardians' physical or mental health or social needs means that they have a demonstrable and significant need to attend a particular school. Such claims will need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a special connection between these needs and the school.
4. Nearness of children's homes to school - we use the distance between the child's permanent home address (defined in KCC's annual admissions prospectus) and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight-line measurements are used to determine how close each applicant's address is to the school. Where applications are made from properties or abodes that are not registered to the NLPG, including new build properties, KCC may be required to use planning sites or other relevant co-ordinates. In exceptional circumstances where alternative co-ordinates are not available, measurements will be determined by a Senior Admissions Officer and confirmed by Head of Service.

## How to apply for a Year 7 place

If you wish to apply for a place at Spires Academy, you will be required to nominate us as one of your preferences on the Common Application Form. Information and application forms are available online at [www.kent.gov.uk/ola](http://www.kent.gov.uk/ola) or through your child's primary school.

We participate in the Kent Co-ordinated Scheme for Transfer to Year 7 as determined by Kent County Council (KCC) as a local Authority. You will receive an offer for a school place directly from your local authority.

## In-year admissions

Any application for a Casual 'In Year' Admission should be made directly to the Academy by completing a KCC application form [Move to a different school - Kent County Council](#)

The application will be considered according to our published admission criteria. It is likely that the previous school will be contacted for a report and the parent and student invited into the Academy for an admission meeting and tour of the facilities.

Spires Academy works in collaboration with all Canterbury Schools in regards to the agreed Fair Access Protocols. Where the application is from a child who may be considered 'hard to place' the LA Admission's officer will be informed and the application may be referred to the In Year Fair access panel. (As per The Schools Admissions Code 2014).

## Requests for admissions outside the normal age group

Parents are entitled to request a place for their child outside of their normal age group. Decisions on requests for admission outside the normal age group will be made on the basis of the circumstances of each case and in the best interests of the child concerned. In accordance with the School Admissions Code, this will include taking account of:

- Parents' views
- Information about the child's academic, social and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- The Principal's views

Wherever possible, requests for admission outside a child's normal age group will be processed as part of the main admissions round. They will be considered on the basis of the admission arrangements laid out in this policy, including the oversubscription criteria listed in section 6.

Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group.

Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.

## Oversubscription and Waiting Lists

We maintain a clear, fair and objective waiting list. Each time a child is added to the waiting list it will be re-ranked in order of the above oversubscription priorities according to our allocation of places. Looked after children or previously looked after children will take precedence over those already on the waiting list.

**Tie break**

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Distance will be measured in a straight line from the child's home address to the school's front gates on Bredlands Lane. A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

**Appeals**

If your child's application for a place at the school is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals. If you wish to appeal, you must set out the grounds for your appeal by completing a form which can be obtained from the school or found on the school website and then send it to the Admissions Officer, care of the school.

Appeals are heard before the end of the Summer Term prior to the proposed admission to Year 7. Information on how to make an appeal is available from the school or on the school website. Once an applicant is unsuccessful at appeal, a reapplication for a place will be determined by whether there have been significant and material changes in the circumstances of the parent, child or school which are relevant to a further application for a place. DCSF School Admissions and Appeal Code of Practice, January 2009.

**Monitoring Arrangements**

This policy will be reviewed and approved by the Governing Board every year. Whenever changes to admission arrangements are proposed (except where the change is an increase to the agreed admission number), the governing board will publicly consult on these changes.
