

ADMISSIONS POLICY: SEPTEMBER 2020

Introduction

Temple Grove Academy is a member of the Temple Grove Academy Trust. It is a co-educational academy that caters for primary aged pupils aged from 4 to 11 years.

The academy will accordingly provide for the admission of 30 pupils to its Reception class each year if sufficient applications for entry are received. Where fewer than the published admission number(s) for the relevant year groups are received, the academy trust will offer places at the academy to all those who have applied.

Oversubscription criteria

When the academy is oversubscribed, after the admission of pupils with Statements of Special Educational Needs where the academy is named in the Statement, priority for admission will be given to those children who meet the criteria set out below, in priority order:

- 1. Children in Local Authority Care or Previously in Local Authority Care – a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).**
- 2. Current Family Association.** A brother or sister in the same school at the time of entry where the family continue to live within the academy's catchment area as when the sibling¹ was admitted.
- 3. Proximity of children's homes to school.** We use the distance between the child's permanent home address and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point data. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody.

If a tie-break is necessary to determine which child is admitted in any category, the child living closest to the academy will be given priority for admission.

Random allocation will be used as a tie-break in order to decide who has highest priority for

¹ Siblings are defined as brothers, sisters, half-brothers, half-sisters, step-brothers, step-sisters and any other child that is the legal responsibility of one of the parents or carers of the student already on roll at the time of entry and is living in the same family unit at the same address as that sibling.

admission if the distance between a child's home and the academy is equidistant in any two or more cases and this process will be overseen by an Independent panel.

Waiting lists

The academy will operate a waiting list for each year group. Where in any year the academy receives more applications for places than there are places available, a waiting list will operate until the end of the autumn term after the beginning of the academic year. This will be maintained by the academy trust and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Appeals

If it has not been possible to offer your child a place at the academy, you have the right to appeal against this decision to an Independent Appeal Panel. More information on the appeals process is available on the academy's website www.templegroveacademy.co.uk.
