## News and Events

### ***BBC Children in Need***

BBC Children in Need Set to Launch New Grants Programme in Autumn 2022  
This year, BBC Children in Need released the details of its Grantmaking Strategy for 2022-2025, focusing on:

- Sharing power with children and young people
- Acting flexibly
- Using its voice to build awareness and empathy around issues
- Building partnerships to bring communities and investors together

### **Kent4Community**

Free searches on-line for government, lottery and trust funding schemes  
<http://www.idoxopen4community.co.uk/kent>

In line with these priorities, there have been significant alterations to the funding streams which will be offered, including the following:

- Project-based funding stream (launching October 2022)
- Core (organisational) costs stream (launching October 2022)
- Emerging Grants funding stream for small and diverse organisations (launching spring 2023).

Organisations will only be able to apply for one stream per year and should think carefully about which is most appropriate to them.

**Deadline:** Further guidance on each stream will be published in due course

**For more information:**

## ***Esmee Fairbairn Foundation - Fairer Future Grants***

The Esmee Fairbairn Foundation has announced the Fairer Future grants stream will once again be accepting applications from October 2022. Throughout this programme, there will be a focus on Diversity, Equity and Inclusion. There is a commitment to support organisations led by communities experiencing racial inequity and affected by systemic injustice.

The funders will be hosting information webinars to discuss the new priorities and application process on the following days:

- Arts and Creativity Making Change - 17 October 2022, 2pm to 3pm.
- Children and Young People's Rights - 31 October 2022, 2pm to 3pm.
- Racial, Gender and Migrant Justice - 3 November 2022, 11am to 12.30pm.

**Deadline:** The fund is expected to reopen on 12 October 2022. Full guidance will be published for the new grants in due course

## **Arts and Culture**

### ***Arts Council England National Lottery Projects Grants***

Grants of between £1,000 and £100,000 are available for individual artists, community and cultural organisations to support arts, museums and libraries projects that engage people in England with arts and culture. Projects can range from directly creating and delivering creative and cultural activity to projects which have a longer term positive impact, such as organisational development, research and development and sector support and development. The funding is for projects that are focused on one or more of the following disciplines:

- Music
- Theatre

- Dance
- Visual arts
- Literature
- Combined arts - including festivals and carnivals

Grants can support projects where the capital-specific expenditure in a project totals less than £100,000.

**Deadline:** None specified

**For more information:**

<https://www.artscouncil.org.uk/ProjectGrants>

## ***Arts Council England Projects Grants - Supporting Grassroots Live Music***

Grants of up to £40,000 are available to grassroots music venues and promoters in England to present live music programming, and for activities that put them in a better position to deliver their work in the long term. Grants are for projects lasting up to a maximum of three years.

**Imminent Deadline:** 31st March 2023

## ***Cultural Bridge Fund***

Cultural organisations in the UK with experience of socially engaged/participatory practice can now apply for their share of a £180,000 funding pot from Cultural Bridge. There are two tiers of funding available:

- Tier 1: New Partnerships - £5,000 to £10,000 per partnership
- Tier 2: Established Partnerships - Up to £30,000 per partnership

Funding can be used for digital, physical or hybrid activity focused on socially engaged/participatory practice.

Tier 1 grants should support the development of new partnerships between UK and German organisations and explore innovative ways of connecting art and society. Tier 2 grants should be used to support existing partnerships and should include some direct engagement/participatory activity with communities.

Match funding is not a requirement but is encouraged for Tier 2 applications.

**Deadline:** 26th October 2022

### ***Kent Social Enterprise Loan Fund (KSELF)***

KSELF is a social lending programme, aiming to bridge the increasing funding gap for new and existing social enterprises in Kent and Medway, by offering unsecured loans of between £10,000 and £100,000. The financial package will include an element of up to 30% grant of the loan amount. The aim of the Fund is to spread the culture of social enterprise, break down the barriers which prevent enterprising social businesses from accessing finance and encourage a more enterprising approach to achieving positive change in our communities. Once finance is repaid, it

will be re-loaned and re-invested back in the community. The fund is managed by the Kent Community Foundation.

**Deadline:** Continuous rolling programme

**For more information:**

<https://kentcf.org.uk/loans/social-enterprises>

## ***Arthur Rank Centre - Addington Fund (Farming Businesses)***

Financial assistance is available to help relieve situations of financial hardship affecting farmers and rural businesses. The Fund exists to help viable farming businesses with a grant when that business experiences financial hardship due to unforeseen and unexpected circumstances and it has no other means of short-term support.

**Deadline:** None specified

**For more information:**

<https://www.addingtonfund.org.uk>

## ***Capify £40m SME Fund***

The £40m SME Fund has been created to support established companies struggling with increasingly challenging economic conditions. Business owners can apply for between £5,000 and £500,000.

The fund has been specially created in response to growing concerns about access to finance from traditional lending sources and the impact that has on the ability of SMEs to deal with the effects of inflation.

The loan can be used for any business purpose, for example purchasing new stock, refurbishing business premises, buying a new piece of equipment, or to help with cash flow.

**Deadline:** Applications can be made at any time

**For more information:**

<https://www.capify.co.uk/40m-sme-fund>

## ***Department for Business, Energy & Industrial Strategy - Start-up Loans***

Loans of up to £15,000 are available to entrepreneurs in the UK wishing to start up a new business. The programme is designed to go some way to help solve the problem of supporting people who have a feasible business idea but no access to

finance. The programme aims to equip enterprising individuals with the tools needed to make their businesses a success. Successful applicants will receive a low-cost unsecured loan, business mentoring and a range of business products.

To be eligible and apply for the scheme, applicants must be yet to start their business or have been trading for fewer than 36 months.

**Deadline:** None specified

**For more information:**

## ***Innovate UK - Innovation Loans Future Economy Competition***

Innovate UK (IUK) is offering loans to help micro, small and medium-sized enterprises (SMEs) overcome barriers to their innovations becoming a successful, commercial reality. The aim is to make a considerable economic impact which results in significant, sustainable business growth. IUK has allocated up to £25 million to fund projects across four rounds of this competition. Loans of between £100,000 and £2 million are available, based on project proposals and IUK's judgement of the suitability and affordability of a loan for the business. IUK will fund experimental development projects that can include prototyping, demonstrating, piloting, testing and validation. Projects must focus on one or more of the following themes:

- Net Zero

- Health and wellbeing
- Next generation digital technologies
- Technology families

**Deadline:** 9<sup>th</sup> November 2022 (Round 6). Round 7 will open on 10 November 2022.

## ***Rural England Prosperity Fund***

Grants are available in rural local authority areas of England to fund capital projects for small businesses and community infrastructure. Once eligible local authorities have acquired Rural Fund support, they are responsible for deciding how to award grants. The funding is to be used to support community infrastructure projects and small businesses in rural areas. Investment will be based on local priorities and support investment in projects such as grants for:

- Converting farm buildings to other business uses
- Rural tourism, such as investments in visitor accommodation
- Capital grants for provision of gigabit-capable digital infrastructure at hubs such as village halls, pubs and post offices for community use
- Capital grants to develop, restore or refurbish local natural, cultural and heritage assets and sites
- Creation of new footpaths and cycle paths, particularly in areas of health need, or capital grants to enable people to develop volunteering and social action projects locally

**Deadline:** 30th November 2022

**For more information:**

## **Community**

### ***Kent County Council – Combined Members Grants***

In 2021/22, Kent County Councillors (also known as Members) have £10,000 each to allocate as Community Grants. Members have supported a wide range of community initiatives, including:

- Local events and activities
- Purchase or repair of equipment and furniture
- Promotional materials and website creation/redesign
- Mentoring support to assist local groups to become more sustainable
- Sports projects
- Community safety schemes

- Small-scale pilot projects

Grants are available to properly-constituted organisations – such as voluntary and community groups, societies and charities, social enterprises and parish/town councils – for projects that benefit local communities. Members may jointly support a project where it benefits more than one area/community.

**Deadline:** Continuous rolling programme until the funding is spent

**For more information:**

<https://tinyurl.com/2p8en4um>

## ***Kent County Council - Village and Community Hall Grant Scheme***

Grants of up to £30,000 are available for local communities to improve an existing hall or build a new hall. A grant is conditional upon 50% match funding against eligible project costs. Projects supported by the scheme include:

- Building an extension
- New halls
- Upgrade of toilets
- Replacement windows and heating systems
- Improved insulation

The scheme is open to any village or community hall managed by an independent management committee set up in accordance with the ACRE Model Constitution.

**Deadline:** 31<sup>st</sup> December 2022

**For more information:**

<https://tinyurl.com/5yb6uawz>

## ***Asda Foundation - Cost of Living Grant***

Grants are available for local community groups who are affected by the increase in the cost of living. The aim of the grant is to help local community groups cope with the increase in their running costs between September 2022 and February 2023. This includes 'warm banks' where groups are planning to keep their facilities open for longer hours to provide local people with a warm, safe place to be rather than heating their homes or living in a cold property. The priorities for funding are:

- Rent and utility bills
- Food costs, such as community cafes, food parcels, delivered meals, soup kitchens, etc

**Deadline:** 13<sup>th</sup> February 2023

**For more information:**

<https://www.asdafoundation.org/foundation-grants>

## ***Community Ownership Fund***

The Community Ownership Fund is a £150 million fund over four years (2021 to 2024/25) to support community groups to take ownership of assets which are at risk of being lost to the community. Applicants can apply for a blend of capital and revenue funding. The Fund will contribute up to 50% of the total capital required. The Fund will support proposals to:

- Acquire a physical community asset or facility at risk, such as land and buildings which deliver a benefit to local people
- Renovate, repair or refurbish the asset, only where this is part of a sale or transfer to save a community asset at risk and where this is critical to saving the asset and making it sustainable
- Set up a new community business or buy an existing business in order to save an asset or amenity of importance to the community
- The purchase of associated stock, collections or intellectual property, where it is associated with buying a physical asset or buying a business to save an amenity
- Move a community amenity to a new, more appropriate location within the same community. This might be because a new location offers better value to continue the amenity, or because the venue is in itself an asset of community value

Projects could include (but are not limited to): Community centres, sporting and leisure facilities, cinemas and theatres, music venues, museums and galleries, parks, pubs, post office buildings, shops.

**Deadline:** It is expected that there will be at least eight bidding rounds in total as the Community Ownership Fund runs until 2024/25. There will be three bidding rounds per year

# **Conservation and Environment**

## ***Kent Community Foundation - Environment***

Grants averaging £4,000 are available to improve our local spaces and to encourage more sustainable ways of living. The fund wants to support projects that understand the link between poverty of life and poverty of environment and try to improve those communities most affected. These may include:

- Planting of trees and hedging regeneration
- Restoration of local habitats
- Organised litter picking and beach cleans
- Community garden projects,
- Projects focused on educating children about local wildlife and nature,
- Projects focused on learning about growing and cooking your own food,
- Projects to make community buildings more green – solar panels, insulation etc.

**Deadline:** 30th November 2022, 28th February 2023

**For more information:**

<https://kentcf.org.uk/funding>

## ***National Lottery Community Fund - Climate Action Fund***

Grants of up to £1.5 million over two to five years are available for community-led partnerships in the UK to make changes in their community that they believe will have the biggest impact on climate change. Projects should focus on a clear link between climate and nature, and bring other social and economic benefits such as:

- The creation of strong, resilient and healthy communities
- Development of 'green' skills and jobs

Activities could involve bringing communities together to:

- Make new, better quality and more accessible natural spaces. For example, where the natural environment has been replaced by human activity in urban areas
- Encourage environmental awareness by increasing outdoor learning opportunities
- Use nature to address growing climate problems like the rising temperature or risk of flooding in urban areas
- Use stories or creative approaches to engage communities with the climate challenge through nature
- Explore systems of producing food that are less damaging to nature, more self-sufficient, or that shorten distance we transport food

The funding can be used for some capital costs. This could be for buying equipment or buying, leasing, refurbishing or developing land and buildings, or other construction-related work. However, the expectation is that most of the funding will

go towards revenue costs (e.g. staff costs, project costs, engagement activities, utilities or running costs, management costs).

## ***National Garden Scheme - Community Gardens Award***

Grants of between £500 and £5,000 will be available to established community groups for the creation of a garden or a similar project (such as an allotment) with horticultural focus for the benefit of the local community. The project should bring people together and encourage sharing of gardening skills and knowledge. Grants could cover expenses such as:

- Site preparation (including hire of small mechanical tools such as rotavators)
- Hand tools and containers
- Plants, trees, shrubs
- Seating

**Deadline:** 31st January 2023 (opens on 17 October 2022)

## ***Rewilding Britain - Rewilding Innovation Fund***

Grants of up to £15,000 are available to boost locally led land and marine nature recovery projects. To apply for funding, projects must be:

- Part of the Rewilding Network (includes community, private and public landowners, and managers of rewilding areas on the land and at sea)
- Rewilding at scale (more than 40 hectares) according to Rewilding Britain's rewilding principles. This can be an individual landholding or a cluster of landholdings. It is recommended that applicants who are rewilding on a smaller scale form a group or network to apply

Examples of potential applications include business plans and strategies; community engagement activities or co-design; feasibility studies; technological innovations.

Previously successful projects have included:

- A carbon capture project
- A seagrass restoration study
- A tree seeding experiment

## ***Kelly Family Charitable Trust***

Grants of up to £5,000 are available for UK registered charities, working locally or regionally, whose activities nurture and support family life. Activities should involve all or most family members in initiatives that support and encourage the family to work as a cohesive unit in tackling problems that face one or more of its members. The three principal areas that the charity wishes to support are:

- Interventions that support families and help them in ways that prevent the fracture of the family unit, e.g., relationship counselling, mediation
- Families where sexual abuse, physical abuse, domestic violence, alcohol abuse and drugs abuse threaten the integrity of the family unit
- Prisoners and in particular their families, during and after the period of imprisonment

The trust will consider both capital and revenue grants. Applications are also considered for core funding from relatively new organisations seeking to become established.

**Deadline:** 1st March 2023, 1<sup>st</sup> September 2023

**For more information:**

<https://kfct.org.uk>

## ***Rosa - The Voices from the Frontline***

Grants of £500 to £7,000 are available to support grassroots activism and awareness-raising of issues facing women and girls in the UK. Women's sector voluntary and community organisations in the UK are eligible to apply, providing they are constituted and run by, for and with women.

Priority will be given to organisations that are:

- Operating in the top 20% of the most disadvantaged areas in the UK based on the Indices of Multiple Deprivation (IMD)
- Based in Scotland, Wales or Northern Ireland

- Led by and for Black and minoritised women and girls
- Led by and for disabled women
- Led by and for LGBTQ+ women and girls

The grants can be used for a broad range of activity that women's organisations undertake in order to raise women's voices and challenge inequality, including:

- Campaigning for changes in policy and laws including activities such as petitions, social media campaigns and lobbying.
- Influencing community leaders and power holders about issues that affect women in a particular place or community.
- Gathering evidence or producing tools and reports which enable women and women's organisations to campaign for change.
- Mentoring or training for women on how to participate in public life and influence social policy

**Deadline:** 3rd November 2022

## **Children and Young People**

### ***BBC Children in Need Emergency Essentials Programme***

The Programme supports children and young people who are facing exceptionally difficult circumstances. It provides items for the most basic needs of vulnerable children and young people who may be:

- Living in severe poverty and suffering deprivation as a result
- Affected by additional social issues such as domestic abuse, substance misuse, estrangement, disability or serious illness, mental health or behavioural difficulties, abuse or neglect.

Funding is available for critical household items as follows:

- Electric cookers
- Furniture, kitchen equipment and small appliances.
- Clothing
- Baby equipment
- Fridges and freezers
- Washing machines
- Tumble dryers
- Children's beds and bedding, including cots

Applications must be completed by a registered referrer, who is part of an organisation that is supporting the family or young person and capable of assessing their needs. The scheme is delivered by Family Fund Business Services

Due to the emerging cost-of-living crisis, a winter support package has been made available to help vulnerable individuals and families to reduce their energy consumption. The new items include small kitchen appliances (which can avoid having to use a conventional oven) and items to help keep the individual warm. A maximum of £300 worth of items per household can be requested.
