

Important information

Payment

Kent Karrier is a membership-based scheme. The annual membership fee contributes towards the cost of administering the scheme, and a fare is payable every time you travel. Please enclose a cheque / postal order made out to Kent County Council to the value of £5. Please do not send cash by post.

The £5 charge will not be waived under any circumstances.

As membership runs for one calendar year, the fee applies irrespective of the date of application. Refunds will not be issued and payments by instalment cannot be accepted.

Applications

New applications can be made at any time. You must be a Kent resident and can only apply for the scheme which operates in your area.

Membership cards are not issued but after your application has been successfully processed, you will receive a letter confirming your membership number and the contact details for the operator of the scheme in your area.

Kent County Council is not liable for transport or other costs incurred while membership applications are being processed. If you have not received your membership letter within 28 days of your application, please contact us.

Please remember to inform us of any change of circumstances, such as change of address, as this information is not automatically sent to this department, even if you have told another part of Kent County Council.

Renewals

Renewal notices will be sent to you automatically, approximately four weeks prior to the expiry date of your current membership. If you have not renewed your membership within six weeks of your renewal date, you will need to submit a new application.

Concessionary bus pass holders

Membership of Kent Karrier is not dependent upon holding a concessionary (or 'free') bus pass. Similarly, membership of Kent Karrier does not mean that you will be entitled to a 'free' bus pass. ENCTS passes are not valid on this service. For more information about these bus passes, please contact Kent County Council or visit www.kent.gov.uk
